TO HIS HONOUR,

The Lieutenant-Governor of the Province of Ontario.

MAY IT PLEASE YOUR HONOUR:

The undersigned begs respectfully to present to your Honour, the Annual Report of the Department of Lands and Forests for the fiscal year, 1st April, 1942, to 31st March, 1943.

W. G. THOMPSON,
Minister.

GENERAL INTRODUCTION

The outstanding features of the year ending March 31, 1943 were the continued demand for all forms of forest products and the shortage of labour to meet these demands. The quota of men was in part met by lengthening the cutting season and increasing summer logging. Of more than casual interest were the recorded figures of men in camps during the peak of the season.

*Estimated.

No major administrative changes were made in the year under report, The work of the Department is listed under the same headings as last year, namely,

- Air Service
- Accounts
- Forest Protection
- Land and Recreational Areas
- Law
- Operation and Personnel
- Reforestation
- Research
- Surveys
- Timber Management

All events of note are recorded under the above headings.

RIVER DRIVER GUIDING LOGS INTO CHUTE

BUILDING PULPWOOD RESERVE PILE AT MILL

DIVISION OF ACCOUNTS

The reorganization of this Division, which was undertaken the previous year, was carried still further during the year under review.

MAIN OFFICE ACCOUNTING

As of 1st April, 1942, a modern system of accounting was put into operation to record transactions from that date. The centralization of all Main Office accounting provides a means of review by the Division of Accounts of all financial transactions throughout the Department. The many thousands of accounts required to collect amounts owing to the Department for Timber Dues, Land Sales, Land Rentals and Provincial Land Tax, are being placed under effective control as quickly as circumstances permit.

SUPERVISION OF DISTRICT OFFICES

Close supervision was maintained throughout the year on Field Office appropriations, thus providing a greater degree of control over Field Office financial transactions.

FIELD OFFICE ACCOUNTING

Accounting practice has been standardized throughout the Field Offices with particular attention being given to cash receipts.

All cash receiving agents are provided with official receipt forms, serially numbered, which are required to be issued on receipt of Department funds from any source. All funds received are required to be deposited in a Department bank account and withdrawals made only by transfer to the Department or to the Provincial Treasurer under the supervision of the Division of Accounts.

District Office expenditures are now recorded under a method permitting of effective budget control by the field administrative officers concerned.

CASH RECEIPTS

Cash Receipts for the year under review reached the highest level yet attained by the Department.

INSPECTION OF FIELD OFFICE ACCOUNTS

During the year under review, the following inspections were made by the Chief of the Division of Accounts:

1942

June 7	St. Williams Nursery
June 8	Rondeau Provincial Park
June 21	Orono Nursery
July 1	Midhurst Nursery
August 28	Timagami Chief Ranger Division
August 31	Lignite Development Administrative Office, New Liskeard
September 1	New Liskeard Crown Timber Agent's Office
September 2	North Bay District Office.

FINANCIAL REPORTS

1. *Cash Receipts and Disbursements:*

Statement for the year ending 31st March, 1943, is set out on Schedule A, page 10. The following summarizes the result of operations for the year,

TOTAL—Cash Receipts.....	\$6,071,262.44
Cash Disbursements.....	3,500,985.39

Excess of Receipts over Disbursements.....	\$2,570,277.05
--	----------------

2. *Comparison of Results with those of Prior Years.*(a) *Receipts*

In Schedule B, page 16, cash receipts for the year under review have been compared with those of the previous four years. For purposes of comparison rearrangement of items of previous years was made to conform with classification of receipts for the current year. The data in Schedule B may be summarized as follows:

Division	Years ending 31st March				
	1939	1940	1941	1942	1943
	\$	\$	\$	\$	\$
Accounts					
Water Power Rentals.....	406,019	402,529	571,352	628,691	648,485
Provincial Land Tax.....	129,178	133,936	169,609	146,802	146,014
Long Lac Diversion.....	24,000	23,550	23,100	44,850
Miscellaneous.....	4,632	5,250	13,414	5,773	4,267
Land and Recreational Areas	194,263	219,228	173,661	164,998	173,779
Forest Protection.....	47,596	56,424	54,918	55,620	51,825
Timber Management.....	3,912,073	2,863,862	4,153,237	4,122,576	4,982,281
Surveys.....	5,030	36	3,438
Air Service.....	6,563	4,211	5,687	10,902	6,946
Reforestation.....	4,254	5,335	5,642	5,834	8,453
Lignite.....	924
	4,728,578	3,714,325	5,152,550	5,164,332	6,071,262

(b) *Disbursements*

Classification of Disbursements by Divisions was adopted during the year under review, with the result that a true comparison of expenditure detail of prior years cannot be obtained with the required accuracy. A comparison of total disbursements however, follows:

	Years ending 31st March				
	1939	1940	1941	1942	1943
<i>Total Disbursements.</i>	\$	\$	\$	\$	\$
Chargeable to appropriation as voted.....	2,622,133	2,525,604	2,451,755	2,565,554	2,799,689
<i>Additional Disbursements.</i>					
Uncontrollable items, chargeable to Special Warrants.....	2,100	2,741	88,802	701,296
Total Disbursements.....	2,622,133	2,527,704	2,454,496	2,654,356	3,500,985

(c) *Trend of Receipts and Disbursements*

i. *Receipts:*

Annual Receipts 1943 as compared with 1939 show an increase of approximately \$1,343,000.00, or 28.4 per cent. This increase is due in large part to increased revenue from:

Water Power Rentals.....	\$ 242,466.00	
Timber Management.....	1,070,209.00	
		<u>\$1,312,675.00</u>

ii. *Disbursements:*

Annual Disbursements 1943 as compared with 1939 show an increase of approximately \$879,000.00, or 33.5 per cent. This increase is accounted for in large part by the following items:

Cost of Living Bonus.....	\$ 113,389.00	
Special Warrants—		
(Items not included in Department's original Budget)		
Hydro-Electric Power Commission of Ontario re Long Lac Diversion	400,000.00	
Lignite Development Project.....	299,993.00

RE-LAUNCHING AIRCRAFT AT BASE AFTER MINOR REPAIRS

PLANE BEING USED TO TRANSPORT CONSTRUCTION MATERIALS TO NORTHERN OUTPOST

DIVISION OF AIR SERVICE

Introduction

The whole Air Service operated with a high degree of efficiency. By anticipating its requirements for both men and material it was able to meet fully all the needs of the Department.

Summer Operations

As the chief function of the Air Service is to supply air transportation for forest fire protection, the degree of fire hazard has a pronounced effect upon the activity of the Service. In the summer of 1942 there were few large fires, although the early spring hazard was so threatening that the Department feared a recurrence of the disastrous losses of 1936. Therefore, the amount of flying was not above the normal of 5,000 hours, which is the basic amount of flying needed by the Department.

Winter Operations

Two aircraft were operated in the winter season 1942-1943. One was based at Algonquin Park to control fur poaching and assist Park administration, and the other at Sault Ste. Marie, used essentially to service the Algoma Ore Properties. This Company has been developing certain iron ore deposits in the vicinity of Cowie and Morrison lakes. Mining engineers, food, mail and supplies were flown in to the property, and diamond drill cores were flown out, so that they could be made subject to immediate examination. This Company has been most appreciative of our co-operation, and it is felt that we have contributed in a very material way to the development of this vital wartime commodity. The Department is paid for the service given.

Supply of Aircraft

No new aircraft were purchased during the year, as none was available, all production being confined to war-planes. Nor were any good used aircraft available. It was therefore impossible to make the usual replacements to the fleet to make up for losses from obsolescence or accidents. Ultimately, a large portion of the fleet will have to be replaced if we are to maintain efficiency in this essential service.

Maintenance of Aircraft

As replacements were not available, an ultra-thorough program of aircraft maintenance was followed. Certain vital parts are, however, becoming increasingly difficult to procure.

Supply of Fuel

The grade of gasoline used by the Department's Air Service is of a lower octane rating than that generally used by military aircraft. Therefore, there has been no difficulty in obtaining adequate supplies of fuel, and the Department has not deprived the Armed Services of gasoline. The installation of storage tanks at several of the Department's air bases facilitates the quick return of empty drums and adds to the improvement of Air Service bases.

Supply of Pilots and Engineers

The Air Service has been comparatively successful in maintaining a skilled staff since the outbreak of war by utilizing men not callable for military duties.

Building Improvements

New building was confined to the bare essentials in meeting the changing requirements of the Service. Ordinary maintenance and repairs were undertaken during the year, in accordance with the established policy of building for long-term operation.

Statistical Data

The following tables analyze the operations of the Air Service for the past fiscal year,

CLASSIFICATION AND EXPLANATION OF FLYING
DURING THE YEAR 1942-43 BY THE DIVISION OF AIR SERVICE

- (1) FIRE DETECTION—Air patrols for the detection of Forest Fires.
 (2) FIRE SUPPRESSION—all flying directly connected with and required by forest fires, including location and extent, transportation to and from, and sketching of, the fire area.

TRANSPORTATION—ORDINARY

- (3) General Administration Service—all flying in connection with the administration of Forest Protection, Timber Management and Lands Management.

Particular Services in:

- (4) Game Detection—all flying that is carried out for the purpose of preventing poaching in our game preserves.
 (5) Photography—if not exclusively for the Air Service.
 (6) Sketching—all flying required to sketch spruce budworm infected, White Pine Needle Blight and sulphur fumes areas, etc.
 (7) Dusting—all flying incurred in insect dusting.
 (8) Tests—Wireless—if not exclusively for the Air Service.
 (9) Tests—Radio—if not exclusively for the Air Service.
 (10) Observers Instruction—all flying required for the purpose of training observers for fire detection, etc.

TRANSPORTATION—SPECIAL

- (11) General Transportation Service—revenue producing flying that is carried out for other Departments, commercial lumber operators, etc. and includes—
 (12) Mercy Flights—all flying of an emergency nature occasioned by sickness or accident, where commercial aircraft are not available.

OPERATIONS

- (13) General Operations Service—all flying required by the Division of Air Service in order to maintain the above services, and includes—

Particular Service for:

- (14) Ferrying—all flying required in moving aircraft from one base to another for repairs, opening and closing bases, etc.
 (15) Forced Landings—all flying incurred by forced landings.
 (16) Flying Instructions—all flying required for the purpose of training and refreshing personnel in their duties.
 (17) Tests—Aircraft—all flying required for the proper test flying of the Department's aircraft.

"SHE'S ROLLIN'." FIRE SCENE FROM AIR

FIRE DETECTION TOWER IN KENORA DISTRICT. FROM SUCH TOWERS AS THIS, FIRES MAY BE QUICKLY DETECTED, AND BY USE OF TELEPHONE OR RADIO, THE FIRE-FIGHTING CREWS MAY BE NOTIFIED IMMEDIATELY

DIVISION OF FOREST PROTECTION

SEASONAL FIRE AND HAZARD CONDITIONS

The 1942 fire season was characterized by a severe hazard which developed in April, moderated early in May in the central and eastern portions of the Province, but continued into June in the western portion of the Province. Numerous fires occurred during this period, but on the whole the situation was kept under control. A moderately high hazard developed in early July and continued until the first week of September in the Southern Region and in the southern part of the Central Region. Dangerous conditions in the fall caused the close season on fires to be extended to the end of October. No large conflagrations occurred during the season, and, with one exception the area burned over was the smallest in the past fifteen years.

LEGISLATION

There was no change in the course of the year in the basis of legislation governing forest protection. On April 15th, 1942, a proclamation by the Lieutenant-Governor-in-Council declared certain described portions of the Province a "Fire District." As already noted, the close season on fires was extended in the fall. There were twenty-nine prosecutions for breaches of the Forest Fires Prevention Act, and twenty-seven convictions.

ORGANIZATION

New District Formed

A new District, known as Geraldton District, with Headquarters at Geraldton, was formed from the Nakina Division of the Kapuskasing District and the Long Lac and Pays Plat Divisions of Port Arthur District.

Strength of Field Force

The average strength of the field force, including Chief and Deputy Chief Rangers, was as follows: April, 197; May, 869; June, 1,095; July, 1,144; August, 1,064; September, 714; October, 305. The largest number of men on duty at any one time, including Chief and Deputy Chief Rangers, was 1,161.

EQUIPMENT

Purchases of equipment were restricted to necessary replacements. The Federal Department of Pensions and National Health replaced with new equipment all the fire fighting units and hose shipped by the Department to British Columbia in December, 1941, to meet the Japanese invasion threat.

PERMANENT IMPROVEMENTS

Due to war conditions no steel lookout towers were erected in 1942, and only urgently required telephone lines and buildings were constructed.

Total Improvements Completed to March 31st, 1943

Cabins.....	520
Storehouses.....	120
Boathouses.....	42
Combined Storehouses and Boathouses.....	28
Bunkhouses.....	79
Offices.....	28
Garages and Car Houses.....	75
Other Buildings.....	196
Hose Towers.....	58
Wooden Lookout Towers.....	69
Steel Lookout Towers.....	221
Telephone Lines (Miles).....	4,558

RADIO COMMUNICATION

The Department sold on September 15th, 1942, to Canadian Pacific Air Lines, Limited, all interest of the Crown in the commercial radio system, formerly operated by the Crown under agreement with the Canadian Marconi Company in the District of Kenora with stations at Kenora, Sioux Lookout, Red Lake and Pickle Lake.

The total expenditures for the commercial radio system for the year were \$11,590.63 and the revenue was \$23,155.68, including the amount of \$12,135.69 received from the sale of the system.

During the year 5 new A.C. ultra high frequency transreceivers, operating in the 56-60 Mc. channels were built. These were constructed to be used in towers or headquarters having alternating current already wired in or readily accessible.

This equipment was distributed as follows:

Fort Frances.....	1 set
Geraldton.....	1 set
North Bay.....	2 sets
Cochrane.....	1 set

RADIO SETS IN USE 1942

District	Tower Sets	Portable Sets	Boat Sets	Pack Sets	Model 30	Model 300	Miscel- laneous	Total

In addition to the above, the following aircraft were equipped with R.C.A. aircraft sets:

OAV—Kenora District
 OAW—Port Arthur District
 OAY—Port Arthur District
 OBB—Sioux Lookout District
 BGJ—Kapuskasing District
 BGM—Fort Frances District
 BGN—Sioux Lookout District.

HAZARD DISPOSAL

Brush burning on timber operations in Timagami Provincial Forest was continued on a reduced scale.

EXPENDITURES

Expenditure on fire ranging for the year, excluding cost of Administration, Commercial Radio and the Provincial Air Service, was \$1,178,928.25; the amount of fire tax collectable from woods operators was \$425,408.60; miscellaneous revenue amounted to \$28,669.50, excluding that received from the commercial radio system.

Cost of living bonus was paid for the years 1941-42 and 1942-43 but was charged to a separate appropriation, and is not included in the table.

Prior to the year 1942-43, radio expenditures were not accounted under fire ranging. In the year 1942-43 they were paid out of the fire ranging appropriation and, with the exception of the expenditures for the commercial radio system which are given above, are included in the figures for 1942-43 in Table No. 1 following.

DIVISION OF LAND AND RECREATIONAL AREAS

1. *Land Administration*

Beneficial changes have been effected in the Division of Land and Recreational Areas. In the fiscal year 1942-43 new administrative Regulations were passed, and changes in the distribution and functions of personnel were made.

The new Regulations under The Public Lands Act were approved by Order-in-Council on June 23, 1942. The principal changes effected by these new Regulations are as follows:

Lands available for agricultural settlement are clearly defined, and inspection of lands before settlement is required.

Lands which may be acquired for agricultural purposes are restricted to such lots as are at least 50% fit for cultivation, being within one mile of a public travelled road and within three miles of a school.

Areas open for agricultural settlement in different parts of the Province, and the conditions of patent issuance for lands therein are clearly defined.

Eligibility to acquire land is more clearly specified and the amount of land which may be acquired, in addition to lands patented, is established. Deserted wives, after three years of desertion, are allowed to acquire the husbands' rights to lands. Persons abandoning land without reasonable cause being shown are not permitted to acquire other land. Assignments of unimproved land are prevented.

Provision is made for free land grants to men who served overseas in the present war, who wish to homestead.

SUMMER COTTAGE SITE, LAKE-OF-THE-WOODS, ONTARIO FORESTS PROVIDE
MANY BEAUTIFUL SUMMER LOCATIONS

The conditions of patent issuance are clearly defined.

Provision is made for the sale and issuance of patent to resident settlers, of land unsuited for cultivation but suitable for fuelwood and pasturage. The Regulations clearly define who may acquire such lands, and the conditions of patent issuance.

Settlers' rights to cut timber on lands sold or located, are clearly stated, and provision made for permit control by Officers of the Department. Removal of timber is allowed only when satisfactory progress towards establishment has been made. Provision is made for securing the purchase price of land, and for liens recorded against lands, from part of the revenue received by the settler from timber cut.

The new regulations provide for the sale or lease of lands for special use, and conditions of sale and lease are stated. The public interest is adequately protected against detrimental alienation.

District Foresters are allowed to issue Land Use Permits, under specified conditions and at stated charges. The permits are granted with despatch, and at greatly reduced cost to the Department.

The administration of the sale, lease, or licensing of Crown lands for summer resort use has been greatly improved. With the exception of lands in Provincial Parks, all accessible lands, the sale of which is in the public interest, are now available for disposition. The units of land which may be sold are defined, and provision is made for the sale of appropriate areas, according to their contemplated use and the amount of money to be expended on their improvement. Prices of lands are set uniformly throughout the Province. The rights to occupy land are granted with little delay, and surveys may be made by the Department, if desired by the applicant, on payment of a fixed charge. Applications are accepted and sale agreement completed by local field officers, eliminating delay.

Conditions of purchase of summer resort lands are clearly defined and patents are issued without delay upon completion of these conditions. Provision is made for a holder of summer resort land which has been extensively improved, to acquire additional land.

Units of land which may be acquired for commercial summer resort use are specified, and the conditions of purchase and patent issuance are definitely established.

Land Use Permits may be acquired expeditiously from District Officers, at set charges, under which the erection of hunting camps and their maintenance is authorized.

New regulations provide for issuance of pine patents where pine trees were reserved in the original patent. Tree planting is one of the conditions of pine patent issuance in the case of non-resident lands.

Authority for the seizure of buildings erected without authorization on Crown lands, and charges for unauthorized use of Crown lands are provided for in the new regulations. Buildings on abandoned Crown lands are claimed by the Crown, and are protected against theft and destruction. Provision is made for disposing of them as rapidly as possible at the best prices obtainable.

The policy of administrative control, exclusively by the Toronto Office, which had existed prior to 1942, has been radically changed to effect decentralization of control. District Foresters have been charged with responsibility for independent action in dealing with land administration within their districts. The new regulations, together with comprehensive instructions, have made this possible. The result has been greatly increased efficiency, and better public service at reduced costs.

The administrative duties of the staff of Toronto Office have been re-allotted, and more equitably distributed, and lines of responsibilities defined. Instructions as to duties have been issued.

2. *Provincial Parks*

In spite of travel restrictions, the Parks continued to attract a large number of visitors. Hotel bookings, outfitters' businesses, and public camping ground records indicate that as many visitors used the Parks as in the year 1941, when an all-time high for number of visitors was established.

The boys' and girls' camps co-operative plan for Algonquin Park improvement and forest protection, inaugurated in 1941, was continued and enlarged upon.

FINE SPRUCE STAND IN THE SUDBURY DISTRICT

THE FINEST PULPWOOD IN THE WORLD. STACKED SPRUCE PULPWOOD IN
NORTHERN ONTARIO—RAW MATERIAL FOR NEWSPRINT

DIVISION OF LAW

The duties of this Division remain unchanged and are shown in the Administrative Chart on page 57.

Legislation Affecting the Department

NEW ACTS:

No new Acts were effected during the fiscal year.

AMENDMENTS TO EXISTING ACTS:

1. Abitibi Power and Paper Company Moratorium Act, 1941, 1942—
The operation of the Act was extended to June 30, 1944.
2. The Cullers' Act—Was amended by enlarging the definition of "Cull".
The duties of the cullers were more specifically set out by amending Section 10 of the Act. Provisions for the marking of cull logs is provided by repealing Section 11 of the Act and substituting another section therefor.
3. Land Surveyors' Act—Provision is made for the exemption from apprenticeship of certain graduates of Universities set out in Section 23 of the Act.
4. Long Point Park Act—Section 2 of the Act was amended by providing that the property comprising the Long Point Park is vested in the Long Point Park Commission. Section 4 of the Act was repealed and a new section substituted therefor, providing for disposal of park land for sale thereof by the Long Point Park Commission, with the approval of the Lieutenant-Governor-in-Council.
5. The Provincial Forests' Act—Section 3 was repealed and a new section substituted providing for the sale, lease and disposal of land, upon the authority of the Lieutenant-Governor-in-Council Subsection 1 of Section 4 of the Act was amended by providing for control, management and disposal of land therein by the Minister, subject to the regulations made by the Lieutenant-Governor-in-Council.
6. The Provincial Land Tax Act—Section 4 of the Act was repealed and the substitution therefor provides for regulations by the Lieutenant-Governor-in-Council with respect to exemption from tax.
7. The Public Lands Act—Section 55 of the Act is amended by adding thereto a subsection providing certain exceptions which are not to apply to section 55. Sections 56 and 57 dealing with the reservation of minerals were repealed.

TIMBER AGREEMENTS:*

During the year, five Timber Agreements were prepared by the Division of Law for execution by the Minister and operator or company, as follows:

- 1. E. E. Johnson—April 16, 1942.
- 2. Ontario-Minnesota Pulp and Paper Co. Ltd.—June 2, 1942.
- 3. Northern Forest Products Ltd.—October 7, 1942.
- 4. Newago Timber Co. Ltd.—December 12, 1942.
- 5. J. A. Mathieu Ltd.—December 29, 1942.

*See complete memoranda of agreements, page 110.

PROSECUTIONS AND CHARGES:

Found guilty.....	3
Acquitted.....	2

INSPECTION AND ADMINISTRATION TRIPS:

The Chief of the Division of Law visited the following Field Headquarters of the Department during the year for the purpose of investigating Departmental matters and discussion of various matters which had arisen requiring legal advice:

- North Bay
- Sudbury
- Sault Ste. Marie
- Parry Sound

In addition, the Chief of the Division visited various Registry Offices throughout the Province on Land Title matters.

DIVISION OF OPERATION AND PERSONNEL

The continuation of the war during the past year did not lighten the tasks of the Division, which is primarily concerned with securing and retaining an adequate staff, and sufficient equipment and supplies to carry on the work of the Department. Nevertheless, it is believed that efficiency was maintained.

*Operation**Organization*

The Division continued during the year to carry out the details of the plan for improvement in organization, instituted in the summer of 1941. The functions of the several Divisions of the Department were more clearly defined, as indicated in the "Administrative Chart" on page 57.

The temporary Geraldton District was officially established, with definite boundaries, as indicated on the plan showing "Forest Regions and Districts", page 58.

The boundaries of the Southern Forest Zones were temporarily defined, as indicated on the plan showing "Reforestation Zones", on page 59.

Better accommodation was provided the staff at several field offices. The North Bay District office was transferred from a rented premises to the Provincial Government Building. The staff at Englehart, which formerly used rented premises, were provided space in a building owned by the Department.

The organization of the chief officers of the Department, as of 31st March, 1942, is shown in the following tabular statements:

HEAD OFFICE, TORONTO

Dealing with water power leases and plans of dams. Preparation and compilation of maps. Publication and distribution of maps. Delineation of Provincial boundaries. Custody of, and supplying of copies of original plans and field notes of surveys. Authorization of geographical names in conjunction with Geographic Board of Canada.</p> <p><i>Air:</i>— Preparation of contour maps for the projection of road location plans. Forest types classification for timber estimating. Exposure and processing of aerial survey films. Supplying photographic survey material to the Dept. of Highways and other Provincial departments. Compilation of maps from aerial survey photographs.</p>	<p><i>Timber Sales:</i>— Analysis of Applications. Preparing Conditions of Sale. Issuing Licenses and Renewals. Transfers and abandonments. Maintenance of statistical and map records.</p> <p><i>Timber Cut Returns:</i>— Checking returns. Recording quantity cut with locations. Checking affidavits.</p> <p><i>Licensing of Mills:</i>— Saw mills. Pulp and paper mills. Lath, shingle, veneer and other mills handling timber. Recording mill locations.</p> <p><i>Scaling:</i>— Supervision. Scalers' training and examinations. Appointing scalers.</p> <p><i>Forest Surveying</i></p> <p><i>Export from Crown Lands:</i>— Pulpwood. Hardwood logs. Other forest products.</p>

NOTE:—The Development and Processing of Lignite Fuel and the War Emergency Training Programme were under the direct supervision of the Minister of Lands and Forests.

Office Management

Study was continued in office management systems, and items considered applicable were incorporated into the Department's routine practices. The number of forms was reduced, and those retained in use simplified. Filing methods were improved. Redistribution of office space was continued to effect better working conditions.

Preparation of Manuals

"Personnel Diary": A new personnel diary was prepared by the Information and Education office of this Division, to consolidate requirements of rangers, scalers and all other members of the staff on detached duty.

"Manual of Scaling Instructions": The Division of Timber Management spent some time in the preparation of a manual for the use of the Department's scalers. This was not completed by March 31st, 1943.

"Radio Handbook": A draft of a radio handbook was prepared by the Division of Forest Protection for the use of the Department's communication staff.

"Reference Notes for Connecting Company Linemen": A handbook, prepared by the Bell Telephone Co. of Canada, was made available by which the Department adopts the Bell Telephone Company Telephone Line Construction Standards.

Administrative Statistics

The Division continued to compile and record Departmental administrative statistics, in loose-leaf book and chart and graph form.

Permanent Departmental Records

A marked improvement has been noted with regard to the routine handling of permanent files, as a result of definite instructions given in 1942 to all members of the staff.

Equipment and Supplies

Normal war-time difficulties were encountered in securing materials in short supply, especially metallic and paper products. However, sufficient equipment and supplies were obtained to meet operating requirements. Fluorescent lighting fixtures were purchased for the ground and aerial survey draughting rooms. A large paper cutter was purchased to enable the Department to cut its own paper for the production of multilith forms for sundry purposes. This enabled the Department to eliminate waste of paper through cutting from large standard sheets to meet specific size requirement. Additional office furniture was supplied from Head Office to the field offices to replace their inadequate furnishings.

Personnel:

Selection: Greater difficulty was experienced than in previous years to meet staff requirements, especially in the technical field. In many instances it has been impossible to fill vacancies through enlistments in the Armed Forces. Consequently many members of the staff, some in key positions have been called upon to undertake the work of enlisted men. Numerous transfers have been made from one branch of the service to another, in some cases simply because no one else of the requisite ability was available to fill an important position, and in others to take "square pegs out of round holes".

Appointments: Toward the close of the fiscal year Mr. J. B. Metzler, Solicitor, was transferred to the Department of Labour. Mr. R. J. Cudney, of the Department of the Provincial Secretary, was Acting Solicitor, part-time.

Mr. P. Addison was appointed Acting Regional Forester of the Thunder Bay Region, following the resignation of Mr. J. B. Matthews. Mr. Addison also assumed the duties as Acting District Forester of the Port Arthur District, in replacement of Mr. J. R. McDonell, who had been superannuated. A number of appointments were made in other categories.

Superannuations: The following members of the staff were superannuated during the fiscal year,—

<i>Name</i>	<i>Division or District</i>	<i>Date of Superannuation</i>
JAMES J. BRYSON.....	Div. of Accounts.....	May 23, 1942
SELBY DRAPER.....	Div. of Land and Recreational Areas.....	Nov. 30, 1942

(Of which 12 are in the Army)	

Classification:

With the co-operation of the office of the Civil Service Commissioner numerous salaries and classifications were adjusted. A programme was started to reduce the number of classifications, and to make them correspond with the qualifications of the members in the several groups.

Training:

As part of a broad programme for improving the efficiency of its personnel, the Department intensified the training course given to scalers under the leadership of the Division of Timber Management. A Head Office Training Course, under the direction of the Information and Education section of the Division of Operation and Personnel, was given to new members of its administrative staff, and to selected members of its existing staff who have shown promise of development. A special course in the Faculty of Forestry, University of Toronto, was given to three members of the field staff during the past year. A field Ranger School was planned for the fall of 1943 in co-operation with the University of Toronto.

Attendance Records:

During the past year the Division has supplied detailed information concerning Civil Service Regulation requirements to the administrative officers of the Department. A complete statement is supplied monthly to each Division Chief, setting out the record of attendance, lateness, and leaves for all reasons of all members of his staff. Through the resulting better understanding, improved controls have been exercised over absenteeism, lateness, sick leaves and vacations.

Workmen's Compensation:

This Division now deals directly with The Workmen's Compensation Board, thereby effecting greater uniformity and despatch.

ALL MEMBERS OF THE STAFF OF THE DEPARTMENT OF LANDS
AND FORESTS WHO HAVE ENLISTED TO DATE OF
MARCH 31ST, 1943.

March.....	113	15	4	191	203	335	861

*From date of September 1942 the above statement includes approximately five Continuous Temporaries and twenty Casuals from the Lignite list each month.

Lignite Development

On September 1st, 1942, the administration of the Lignite Development from the Onakawana deposits in the James Bay area was transferred to the Department of Lands and Forests from the Temiskaming and Northern Ontario Railway. During the period September 1, 1942, to the close of the fiscal year March 31, 1943, the Department proceeded with the construction of a steam plant. Excavating equipment to remove the overburden and take out the lignite was ordered but not delivered. At the close of the fiscal year it was hoped that the plant would be in production by the fall of 1943.

INFORMATION AND EDUCATION

During the fiscal year 1942-43 the functions of the Information and Education service of the Department, which is a section of the Division of Operation and Personnel, were further defined. Its overall purpose is to stimulate public interest in, understanding of, and support for the main objective of the Department, which is to protect from depletion and bring about the full development and utilization of the land, forest and water resources under its administration, in the best interests of all of the people of Ontario.

If consideration be given alone to the great annual losses to the people's rich forest resources as a result of their own carelessness with fire—not to mention the large annual outlay of public funds in combating fires,—there would appear to be sufficient justification for a vigorous forest fire prevention campaign. The expression, "An ounce of prevention is worth a pound of cure", applies aptly in this case.

It is to be noted particularly that public relations activities are not confined to the Information and Education service, but are a responsibility of each Division of the Department and of each Forest District in the field. The Information and Education service is not intended as a service to which this responsibility is shifted or which will relieve the administrative officers of the time and effort necessary to insure proper relations with the public.

The Primary Functions of the Information and Education service are to plan, co-ordinate, assist, provide machinery, develop technique, concentrate on especially difficult or large Department-wide problems, furnish analyses of the public relations aspect of particular situations, and to furnish leadership and inspection in this field.

The Sub-Functions of the Information and Education service are to disseminate information to the Public, based upon data to be supplied currently by other offices, using such devices as contacts with the general public by members of the field staff, personal contacts with key people, appeals for co-operation by associations, service clubs and teachers' organizations, demonstration trips, lectures, press releases, special articles, radio, photographs and slides, correspondence, school work, publications, circulars, motion pictures, exhibits, signs and posters.

During the past war-time year under review it was not considered desirable to expand the Information and Education service, and moreover staff was not available. The staff consisted of one Forester and a part-time stenographer. A considerable volume of work other than public Information and Education occupied the time of the Forester in charge. The work undertaken in the past year may be presented under the following headings:

Correspondence:

General Inquiries—

The Information and Education service answered about 90% of the general inquiries for information, the balance being referred to the administrative specialists concerned. There was a marked increase in the volume of inquiries over the previous year, especially with reference to the use of forest products, stimulated by the spot-lighting of use of wood in the war effort, fuel shortage and under-supply of labour in timber cutting.

A number of letters were written to key people, usually covering the transmittal of forestry literature.

Articles:

Occasionally, special articles were furnished to newspapers and periodicals, —mostly to forest industry journals. A page of copy was provided each month to a popular outdoors magazine. Numerous interviews were given to provide material to outside writers, commentators and free-lance writers.

Lectures:

A forest fire prevention lecture tour, supplemented by motion pictures, was conducted in the District of Thunder Bay in the early summer of 1942. The tour, which occupied five weeks, covered logging camps, forest communities, and in a few instances, schools. Several individual lectures were given at intervals during the year. Information for speeches was supplied to outside writers, and in some instances editorial assistance was rendered to members of the Department who delivered public addresses.

Press:

Press releases, as distinguished from special articles, were usually made directly from the Minister's or Deputy Minister's offices in Toronto, and from the District Foresters' offices in the field. On occasion these were edited by the Information and Education service. Advertising copy was prepared by the Information and Education service. The media generally used were forest industry journals and forestry periodicals.

Radio:

Script suggestions were furnished to broadcasting companies for recordings and spot broadcasts. One script was furnished for a dramatic sketch, relating to a forest fire. The Forester in charge of Information and Education gave a radio commentary on the Paramount film "Forest Rangers", over a provincial hook-up.

Photographs and Slides:

A start was made in the collection of a library of photographs and Kodachrome lantern slides. Dependence was placed primarily on the field staff for collection of pictures. Numerous inquiries were made by the public for photographs, chiefly by teachers for school projects. Other inquiries were made for illustrations for articles.

Motion Pictures:

The Department depended for supply upon the Canadian Forestry Association, which secured motion pictures from various sources, chiefly in the United States. These pictures were used in the fire prevention lecture tour which was conducted, and for individual showings.

Posters:

Six fire prevention posters were redesigned for field use.

Exhibits:

Exhibits were confined to two Reforestation displays, one at the International Plowing Match in Peterborough, and the other at the Fair for Britain in Toronto. In both cases the Forester in charge of Information and Education lent assistance in planning and servicing both exhibits.

Schools:

School work was confined to supplying information to school teachers for class work. Educationalists were consulted concerning a proposed plan to incorporate forestry material into school curricula. This important field of work will be developed after the war.

Publications:

The following publications were completed during the fiscal year 1942-43:

Crown Timber Dues.....(leaflet)
A Disease of the Scots Pine.....(booklet)
Forest Fire Protection in Post-War Rehabilitation
(in Sudbury District).....(leaflet)
Glacial Pot Hole Area, Durham County, Ontario... (booklet)

THIS AREA ONCE MAINTAINED GOOD STANDS OF WHITE PINE; SAND LANDS
MISTAKENLY CLEARED FOR AGRICULTURE ARE NOW BEING REFORESTED

EARLY LIFE OF A NEW FOREST ON SAND PLAIN SIMILAR TO THE ABOVE
PHOTOGRAPH

DIVISION OF REFORESTATION

In the work of this Division, which is concerned with the promotion of forestry among private owners and public agencies in Southern Ontario, there has been increasing collaboration with the Department of Agriculture. Fundamental soil and water problems are of prime importance to both agricultural and forestry interests. The Extension, or Zone Foresters, whose work was initiated last year, have worked successfully with private land-owners and municipal bodies, and with County Agricultural Representatives.

County Forests

Continued work on County Forests was simplified this year by the fact that the Zone Foresters were able to look after these properties.

The County of Simcoe acquired a new property of some 1,400 acres, to be known as the Wildman Forest, as an addition to their County Forest area.

Tree Distribution

The distribution of trees this past season has declined, largely owing to the labour situation caused by war conditions.

Private land owners received $8\frac{1}{2}$ million trees and some 2 million were used on Provincial and Municipal properties. A detailed table on page 73 gives the distribution to the various planting projects.

Protection

No serious fire damage occurred in either the Provincial or County forest areas this past season.

Co-operation was continued with the Federal Forest Insects Division. Inspections were maintained, and a certain amount of spraying done at the various forest stations.

Ganaraska Survey

The Ontario Government in co-operation with the Dominion Re-construction Committee at Ottawa carried out a sample survey on the Ganaraska River Basin in Durham County. This was considered a suitable area for Southern Ontario in which to determine how many men could be employed, what tasks are involved in the restoration of a countryside, how much it will cost, and what will be the benefit to the community and the state. The Ganaraska River empties into Lake Ontario through the town of Port Hope and drains approximately 75,000 acres lying largely in the townships of Clarke and Hope in Durham County. The upper reaches of the Ganaraska drainage embrace considerable areas of light land on which agriculture can be conducted only with difficulty.

A GROVE OF RED AND WHITE PINE, FORTY YEARS OF AGE, IN NEED OF IMPROVEMENT

THE SAME GROVE AS SHOWN ABOVE AFTER A THINNING AND PRUNING OF THE DEAD BRANCHES. THESE PHOTOS ILLUSTRATE WOODLOT MANAGEMENT

MATURE STAND OF JACKPINE AND BLACK SPRUCE WITH NATURAL REGENERATION

DIVISION OF RESEARCH

The shortage of trained personnel limited the amount of work undertaken during the past fiscal year by the Division of Research, which was established in the previous year. The staff of the Division consisted of a Divisional Chief, who also acted as Chief of the busy Division of Forest Protection, one Forest Pathologist, one other Forester, transferred from the position of Assistant District Forester at one of the field offices during the year, and one lady assistant employed in the auxiliary service of maintaining the Departmental Library.

In the restricting circumstances of wartime, a minimum of field investigation work was undertaken during the year.

Using the terms in their wider significance, the work carried on during the fiscal year 1942-43 may be summarized under the following headings:

A. FOREST MANAGEMENT STUDIES

- (1) Treatment of cut-over pine lands—Timagami area. Records were kept on the program of slash disposal following logging operations, initiated by the Division of Timber Management in 1936, with a view to determining the feasibility of this method of perpetuating the pine stands in this area. An interim report was submitted.
- (2) Treatment of cut-over pulpwood stands—Lake Nipigon area. Records were kept of the effect of slash burning on natural regeneration, a project initiated by the Division of Timber Management in 1940. An interim report was submitted.

B. FOREST ECONOMICS

- (1) A paper study of the Land Acquisition Policy of the United States Government was made during the year, and a report was submitted.
- (2) A study of Stumpage Prices in Ontario was commenced in 1942. This project was not completed at the close of the fiscal year. No interim report was submitted.
- (3) A study of Tax Revision for Farm Woodlots, having such revision in view as a possible means of encouraging improved woodlot conditions, was authorized during the year, but not commenced.

C. WOOD UTILIZATION

- (1) Preliminary office work was done on a study of sawmill waste, in the T. & N. O. and Pembroke areas.

D. FOREST PROTECTION

(1) Fire Protection:

(a) Allowable Fire Loss: Statistical material was worked up to obtain round figures for each of the Forest Districts in the Province. The report, which was virtually completed, was not quite ready for submittal at the close of the fiscal year.

(2) Protection from Insects: Co-operation was continued with the Division of Entomology, Department of Agriculture, Ottawa, in connection with the Insect Survey and forest insect control in Ontario. Insects were collected by many members of the Department's field staff, and sent to Ottawa.

(3) Protection from Chemical Fumes: Further data on the spread of sulphur fumes from Sudbury were compiled. An interim report was submitted.

E. LIBRARY

A Departmental Library was established last year, under the supervision of the Division of Research, for the purpose of making available to the staff of the Department all of the more important forestry literature for technical and administrative reference.

During the year under review, library facilities were improved, permitting of a more satisfactory arrangement of the material. All material was classified and listed for reference.

Accessions to the library during the year were as follows:

Books—291 (making a total of 1,030 volumes).

Pamphlet material—290 (making a total of 4,057 pamphlets).

MIXED HEMLOCK AND YELLOW BIRCH STAND IN ALGONQUIN PROVINCIAL PARK

DIVISION OF SURVEYS

The Division of Surveys does a great deal of aerial mapping and survey work for outside services and for other government departments. By so doing, the Province of Ontario is assured of maps of its timber and other resources over immense areas at practically no cost to itself. The companies which receive this service, and pay for it, benefit through having trained technicians placed at their disposal at a cost much lower than they could establish the same service for themselves.

The magnitude of this work of aerial survey, which is basic to planning the development of our natural resources, is indicated by the figure of total area so surveyed in the past six years. From 1937 to 1942 this Division surveyed from the air 21,249,560 acres of forest land in Northern Ontario.

Ground Survey work is all done by private contract by Ontario Land Surveyors.

The following surveys were made during the fiscal year ending March 31st, 1943.

AERIAL SURVEYS

For Timber Companies		For Other Departments		For Department of Lands and Forests	
Company	Area Sq. Mi.	Department	Area Sq. Mi.	Department Only	Area Sq. Mi.
*Ontario-Minnesota	984	Highways	675	*Lands & Forests . . .	120
Patten Logging	81	Highways	1,067	Lands & Forests . . .	660
Arrow Land & Logging	81	Highways	1,628	*Lands & Forests . . .	160
†Abitibi P. & P. Co.	1,649	H.E.P.C.	100		
		*Mines	210		
Totals	2,795		3,680		940

GRAND TOTAL—7,415 SQUARE MILES

*Includes preparation of maps.

†Includes mapping only.

GROUND SURVEYS

1. Certain lines in the Township of Burns.
2. Summer resort locations in the Township of Harrison.
3. Boat House Sites, Finlayson Park, Lake Timagami.
4. Islands in lakes in Townships of Goschen, Carlyle, Humboldt, Kilpatrick, No. 59 and No. 67.
5. Renewing permanent monuments, Townships of Scarfe and Patton.
6. Limits between Townships of Rolph and Head and between Head and Maria.
7. Traversing central and western portions of Lake of the Woods.
8. Lots numbers 2 and 3, concessions 1 and 2, Township of Nipigon.

During the year a municipal survey of a portion of the town of Merritton was confirmed, and a number of townsites were surveyed on privately owned land subject to the provisions of the Townsites Act. These townsites are as follows:

1. Burrough's Townsite, Township of Tyrrell, in which the Crown selected one-quarter of the lots.
2. Jeromston Addition in which the Crown accepted a cash consideration in lieu of selecting the lots.
3. Subdivision of part of Lot 8, Concession 6, Township of Leitch in which the Crown accepted a cash consideration in lieu of selecting the lots.

Total Mileage of Ground Surveys, not including traverse of islands, was 238 miles:

Number of Islands surveyed.....	100
Number of Summer Resort Locations surveyed.....	23
Number of Boat House Sites surveyed	63

TYPES OF FOREST MAY BE DETERMINED FROM AERIAL PHOTOGRAPHS. THESE ASSIST IN PLANNING TIMBER CUTTING OPERATIONS

WHITE PINE FOREST, LITTLE NIPISSING RIVER

DIVISION OF TIMBER MANAGEMENT

The operating season of 1942-43 throughout Ontario was marked by the intensive efforts of the wood-using industries to meet the increasing demand for forest products due to the war. In this, the Department co-operated by endeavouring to make available suitable areas of timber as a source of raw material. The shortage of labour and materials continued to be acute, however, with the result that over-all production in the woods for the season was somewhat less than the previous season.

A statement of timber cut during the 1941-42 season and returned during 1942, is given on page 86. Preliminary returns for 1942-43 indicate the decrease in production already noted.

Timber Sales—1942-43

The details of the 69 new sales of timber made during the season are given on pages 88 to 97 inclusive, and indicate that 373.25 square miles of timber limits were sold.

During the season, 88 timber licenses comprising 360.75 square miles were abandoned, details being on pages 98 to 109 inclusive.

The status of the timber licensed areas in Ontario as at March 31st, 1943, was therefore as follows:

	<i>No.</i>	<i>Area—Sq. Miles</i>
Licenses and Renewals Issued, 1942-43.....	846	12,424.00
Licenses in Suspense.....	167	1,666.25
TOTAL.....	1013	14,090.25

This is 23.75 square miles less than that under license as at March 31st of the previous year. The 36.25 square miles not accounted for by new sales and abandonments is the result of minor adjustments in the areas of individual timber licenses.

Pulpwood and Timber Agreements, 1942-43

New agreements entered into during the season increased the area held by pulpwood concession and timber agreement to 71,636.50 square miles. Complete memoranda of the agreements concerned are reproduced on pages 110 to 151. A table of the "Area Under Pulpwood and Timber Agreement" for the past nine years is given on page 86.

Mills Licensed, 1942-43

The mills licensed in accordance with the regulations of The Mills Licensing Act were as follows:

Sawmills, less than 5000' per diem.....	477
Sawmills, 5000' to 30,000' per diem.....	630
Sawmills, over 30,000' per diem.....	37
Pulp and/or Paper Mills.....	34
	<hr/>
	1178
	<hr/>

By Order-in-Council of October 27th, 1942, the regulations under The Mills Licensing Act were amended to provide the Minister of Lands and Forests with authority to require mill owners and operators to produce statements certifying to the source of supply. It is believed the new regulations will facilitate the effective supervision of the small portable sawmill.

During the year, new mill license application forms were introduced to provide for the collection of mill supply and production statistics.

Pulpwood Exports from Ontario Crown Lands, 1942

The pulpwood exported from Ontario Crown Lands during the calendar year 1942 amounted to 482,597.62 cords.

The pulpwood imported into Ontario, chiefly from Quebec, amounted to approximately 400,000 cords.

Ontario Crown Land exports, less imports into Ontario, amount, therefore, to approximately 82,597 cords.

Export of Hardwood Logs—January 1 to December 31, 1942

War needs have greatly increased the demand for hardwood logs, particularly those suitable for veneer. To assist in meeting these requirements, an Order-in-Council was passed on June 30, 1942, authorizing the export of hardwood logs to Great Britain until cessation of hostilities in the present war.

The export of hardwood logs to the United States was also permitted during the season, subject to the approval of the Export Permit Board, Department of Trade and Commerce, Ottawa.

Hardwood logs exported from Ontario, all sources, amounted to 4,690,280 ft. B.M. during the 1942-43 season.

Termination of Stumpage Reductions

The improvement in the lumber industry made possible the termination, by Order-in-Council of June 30th, 1942, of the special reduction in the dues on sawlog timber which had been in effect since the 1934-35 season on all timber sales made prior to September 11th, 1934. The Order-in-Council also provided the Minister with authority to make stumpage adjustments when necessary.

Transfer Fee

By Order-in-Council of February 5th, 1943, the former fee of \$5.00 per square mile or fraction thereof applicable to the transfer of all timber licenses and pulpwood concessions, was substituted by the following schedule:

First 10 square miles.....	\$5.00	per square mile
11 to 50 square miles.....	\$2.00	" " "
51 to 100 square miles.....	\$1.00	" " "
101 to 500 square miles.....	.50	" " "
501 square miles, plus.....	.25	" " "
Minimum charge: \$10.00		

*Timber Scaling**Scaling Examinations:*

Three scaling examinations were held during the year at Minden, Dryden and Port Arthur, with the following results:

	<i>Minden</i>	<i>Dryden</i>	<i>Port Arthur</i>
Number of Candidates.....	65	68	52
Number obtaining full license.....	16	23	27
Number obtaining sawlog license.....	9	8	..
Number obtaining pulpwood license...	8	9	5

The balance of the candidates were unsuccessful, or were recommended for licenses after additional practical experience.

Scalers' Refresher Course:

A scalers' Refresher Course was held at West Arm near North Bay on October 5th to 9th inclusive, and was attended by 63 of the Department's scalers from the North Bay, Sudbury and Sault Ste. Marie districts. This was a new undertaking by the Department, which contributed greatly to the standardization of scaling practice in the Province.

NATURE HAS TAKEN 300 YEARS TO PRODUCE THESE HUGE WHITE PINE TREES

Scalers' Manual:

Preparation of an official Manual of Scaling Instructions was continued during the season.

TIMBER AGREEMENTS

THIS AGREEMENT made this 2nd day of June, A. D. 1942.

BETWEEN:

HIS MAJESTY THE KING, as represented by the Honourable the Minister of Lands and Forests for the Province of Ontario, hereinafter called "The Crown",

OF THE FIRST PART

— and —

THE ONTARIO-MINNESOTA PULP AND PAPER COMPANY, LIMITED, hereinafter called "The Company",

OF THE SECOND PART

WHEREAS by an Agreement dated the 19th day of August, A.D. 1914 the Crown granted to The Keewatin Lumber Company, Limited the right to cut the kinds and classes of timber, upon the terms and conditions mentioned in the said Agreement, for a period of twenty-one years from the date thereof; and whereas the said Agreement, having been forfeited, was subsequently revived and amended by a certain Agreement made between the Crown and Edward Wellington Backus, The Keewatin Lumber Company, Limited and The Keewatin Power Company, Limited; and whereas the said Agreement as revived and amended was assigned by Indenture of Assignment dated the First day of April, A.D. 1925 to Kenora Paper Mills, Limited; And whereas cutting rights on the said areas have now expired;

AND WHEREAS by an Agreement dated the 7th day of January, A.D. 1921 the Crown granted to Edward Wellington Backus, The Keewatin Lumber Company, Limited and The Keewatin Power Company, Limited for a period of twenty-one (21) years from the date thereof the right to cut and remove all merchantable timber on the areas therein described, commonly known as the English River Concession, which Agreement was assigned on the First day of April, 1925 by the Grantees unto Kenora Paper Mills, Limited; and whereas the cutting rights under the said Agreement expired on the 6th day of January, A.D. 1942;

AND WHEREAS the said The Keewatin Lumber Company, Limited, Kenora Paper Mills, Limited, The Fort Frances Pulp and Paper Company, Limited, The Keewatin Power Company, Limited, and The Ontario and Minnesota Power Company, Limited have been amalgamated pursuant to the provisions of The Ontario Companies Act, R.S.O. 1937, Chapter 251, to form The Ontario-Minnesota Pulp and Paper Company, Limited;

AND WHEREAS The Ontario-Minnesota Pulp and Paper Company, Limited owns and operates pulp and paper mills at Fort Frances and Kenora, Ontario, and sawmills at Kenora and Hudson, Ontario, in which the Company has made substantial investments of capital;

AND WHEREAS the Company has requested the Crown to enter into a new agreement granting the Company cutting rights on its concession areas as hereinafter described, and including in such agreement the right to cut timber

on areas under timber license to the above-mentioned amalgamating companies, and further, making provision to supply the Company with additional timber in order to ensure to the Company an adequate amount of raw material to carry on its enterprises in the Province of Ontario;

AND WHEREAS the Crown has deemed it advisable to grant the request of the said Company, and has agreed to grant unto it the right to cut timber on the areas hereinafter described upon the terms and conditions hereinafter set forth;

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the covenants and agreements on the part of the Company herein contained, the Crown, with the approval of the Lieutenant-Governor in Council, and subject to the terms and conditions hereof, doth grant to the Company for a period of twenty-one (21) years from the First day of April, A.D. 1942 the right to cut and remove the timber in and upon the areas described in Schedule "A" hereto, which forms part of this Agreement.

1. The Company shall pay to the Honourable the Treasurer of the Province of Ontario, subject to the provisions and conditions herein contained and subject to such other conditions, orders and regulations as may be passed or made in relation thereto, the following rates for timber cut,—

(a) On Parcel No. 1 as described in Schedule "A" hereto, known as the Patricia Concession;

Spruce pulpwood—\$1.40 per cord, inclusive of Crown dues.

Balsam pulpwood— .70 per cord, inclusive of Crown dues.

Other pulpwood — .50 per cord, inclusive of Crown dues.

White & Red Pine

Sawlogs — 7.50 per M.B.M., inclusive of Crown dues.

Jackpine Sawlogs— 4.00 per M.B.M., inclusive of Crown dues.

Spruce Sawlogs — 6.00 per M.B.M., inclusive of Crown dues.

Poplar Sawlogs — 2.00 per M.B.M., inclusive of Crown dues.

Other timber —at such prices as the Minister may fix.

(b) On Parcel No. 2 as described in Schedule "A" hereto, known as the Lake-of-the-Woods Concession;

Spruce pulpwood—\$1.50 per cord, inclusive of Crown dues.

Balsam pulpwood— .70 per cord, inclusive of Crown dues.

Other pulpwood — .50 per cord, inclusive of Crown dues.

White & Red Pine

Sawlogs — 6.00 per M.B.M., inclusive of Crown dues.

Jackpine Sawlogs— 4.00 per M.B.M., inclusive of Crown dues.

Spruce Sawlogs — 6.00 per M.B.M., inclusive of Crown dues.

Poplar Sawlogs — 2.00 per M.B.M., inclusive of Crown dues.

Other timber —at such prices as the Minister may fix.

(c) On Parcels Nos. 3 and 4 as described in Schedule "A" hereto, known respectively as the Manitou and Seine River Concessions;

Spruce & Balsam

pulpwood —\$1.65 per cord, inclusive of Crown dues.

Other pulpwood — .50 per cord, inclusive of Crown dues.

White & Red Pine—

Sawlogs — 7.50 per M.B.M., inclusive of Crown dues.

Jackpine Sawlogs— 4.00 per M.B.M., inclusive of Crown dues.
Spruce Sawlogs — 6.00 per M.B.M., inclusive of Crown dues.
Poplar Sawlogs — 2.00 per M.B.M., inclusive of Crown dues.
Other timber —at such prices as the Minister may fix.

Provided that, where the amount of Balsam pulpwood cut on Parcels 3 and 4 in any season exceeds ten per cent (10%) of the amount of Spruce pulpwood cut on the said parcels in such season, the rate for Balsam pulpwood shall be reduced to 80¢ per cord, inclusive of Crown dues, for such season.

2. As security for the due performance by the Company of its obligations hereunder, the Company shall deposit in the Department of Lands and Forests a bond or bonds of a Guarantee Company in favour of His Majesty in the penal sum of \$100,000, or such other security as may be satisfactory to the Minister for the due performance by the Company of its obligation hereunder.

3. In the event of the Company at any time making default under the terms of this Agreement, the Minister may give notice in writing to the Company, which shall be sent to it by registered post, addressed to it at Kenora, Ontario, stating the default complained of and requiring the Company to make good such default, and if at the expiration of six months from the date of such notice the default complained of has not been made good, the Minister may declare the rights of the Company under this Agreement forfeited.

Provided, however, that any default or delay on the part of the Company in the performance or observance of any of the terms and provisions of this Agreement occasioned in whole or in part through extended interruption to power supply, strikes, fire, sabotage, tempest, war, action by princes or sovereign states, act of God, or other cause beyond the control of the Company, shall not be or be deemed to be a default on the part of the Company under this Agreement;

Provided, further, that the Minister shall be entitled to waive all rights of forfeiture arising under this Agreement by reason of any default if, in the opinion of the Minister, the cause of such default justifies the waiving of such right, and thereupon this Agreement shall be construed and the Company's rights hereunder shall continue as though no such default had occurred.

4. It is distinctly understood that the right is hereby reserved to the Crown to deal with the lands above described, and the timber standing, growing and being thereon, for forest management and other purposes as the Minister may see fit, and in particular—but not so as in any way to limit the generality of the foregoing—it is hereby specially stipulated and agreed as follows:

- (a) the Crown reserves and excepts from the lands above described the right of way of any and all railways or travelled roads, islands, Indian Reserves, and all lands under the water of all rivers, lakes and streams; also all lands heretofore patented, licensed, leased, located or applied for or in respect of which such proceedings have been taken or shall hereafter be taken as in the opinion of the Minister entitles or will entitle the applicant or applicants to a lease or patent of such lands, together with the right to sell, lease, locate or otherwise dispose of any lands within the areas described in the Schedule hereto annexed for settlement, mining, summer resort or

other purposes on such terms and conditions as may be deemed advisable:

- (b) all water powers and privileges on the said areas or territory are reserved to the Crown;
- (c) the Company shall not have the right to cut or remove timber of any kind from any lands already under timber license or permit from the Crown without the special permission in writing of the Minister.

5. The Company shall, within five years from the date hereof, file in the Department of Lands and Forests a working plan prepared by the said Company providing for the placing of its supply of pulpwood on a sustained yield basis.

6. The Company shall apply to and get the permission in writing of the Minister at least sixty days prior to the commencement of its operations for the area within such territory on which the cutting shall take place, and the Company shall not be entitled to cut in the said territory on areas other than those designated in such permission. At the end of each season's operations and on or before the First day of June in each and every year the Company shall file with the Minister a map indicating thereon the area cut over during the preceding season, and the kinds and quantities of wood and timber taken therefrom.

7. The Minister shall, in and by the written permission provided for in the preceding paragraph hereof, designate the kind or kinds of timber to be cut on the areas covered by such permission, and the Company shall cut all merchantable wood and timber so designated on such areas in such manner as the Minister may from time to time direct.

8. The Company shall take such precautions and employ such means to prevent injury or destruction by fire upon said territory as the Minister may require, and shall pay in advance an annual charge for fire protection of \$6.40 per square mile upon 4350 square miles, commencing the First day of April, 1942. In the event of the Company failing to pay the said charges within one month after the same become due, interest at the rate of six per cent per annum will be charged thereon until paid. The Company shall exercise due diligence in ascertaining whether or not its timber areas are being invaded by insects or disease, and shall furnish the Minister with such information as it has been able to obtain as often as the Minister may require.

9. All timber on the areas described in Schedule "A" hereto suitable for sawlogs shall not be converted into pulp without the consent in writing of the Minister, and the Company shall co-operate with the Minister in the production in Ontario of such types of finished products from sawlogs cut on the said areas as the Minister from time to time may deem advisable.

10. Pulpwood taken out in four or eight foot lengths shall be measured, returned and paid for on the basis of 128 cubic feet in each stacked cord. Pulpwood taken out in lengths in excess of eight feet shall be measured in the log on the cubic basis and each 100 cubic feet shall constitute a cord. With the approval of the Minister, pulpwood taken out in lengths of eight feet may be cubed, and 100 cubic feet shall constitute a cord.

11. It is distinctly understood that the Crown does not guarantee any quantity of wood on the said territory, and that the only right conferred upon the Company hereby is the right to cut and remove wood and timber sufficient to enable the Company to operate its mills to their full capacity during said term of twenty-one years, and any extension or extensions thereof as are hereinafter provided for, on such areas within said territory or within any other territory as from time to time may be designated by the Minister pursuant and subject to the terms and conditions herein contained, and subject to such further conditions and regulations as to the cutting, measuring, removing and driving of the same as may from time to time be imposed by the Lieutenant-Governor in Council, or by the Minister.

12. The Company shall pay annually in advance, on or before the First day of April, the sum of \$2,175.00 as ground rent in respect of the areas granted under this Agreement, and the first of such payments shall be made on or before the First day of April, 1942. In the event of the Company failing to pay the said ground rent within one month after the due date, interest at the rate of six per cent per annum shall be charged thereon until paid.

13. Proper sworn returns of the quantity of pulpwood and other timber cut each season shall be made to the Crown, in conformity with the Crown Timber Regulations, and payment shall be made for such wood and timber not later than the First day of October in each year, and the Crown shall have all the rights and powers in respect of enforcing such payment as are now provided under The Crown Timber Act. On all accounts due and payable on the First day of October which remain unpaid after the 31st day of October in the same year interest at the rate of six per cent per annum shall be charged until paid, calculated from the First day of October.

14. The Minister, or any officer or officers of the Department of Lands and Forests, shall have the right to inspect the timber operations on the allotted territory at any time. If such inspection shall show that the timber operations are carried on in such a way that any merchantable or valuable timber which should be removed is being left or destroyed, the Minister shall have the right to have the said timber estimated and charge the same to the Company at the same rate as if it had been actually removed pursuant to the terms of this Agreement, together with such penalty or penalties as the Minister may fix. The cutting and removing of the timber of the territory, or any part thereof, shall not be deemed to have been completed until it has been examined by an officer of the Crown, and the operation has been declared satisfactory by the Minister.

15. No refuse, sawdust, chemicals or matter of any other kind shall be placed or deposited in any river, stream or other waters which shall be or may be injurious to game and fish life.

16. All slash made about camps, dumps, along tote roads, railways or any other areas which constitute a fire menace shall be disposed of by and at the expense of the Company in accordance with The Forest Fires Prevention Act and amendments thereto and regulations made thereunder.

17. The Company shall co-operate to the satisfaction of the Minister in the purchase of all bona fide settlers' pulpwood, and in making such purchases the Company shall be deemed to be performing to an extent based upon the

amount of pulpwood so purchased the obligations imposed on it by paragraph numbered 25 hereof.

18. All bona fide accounts due for settlers' pulpwood purchased by the Company shall constitute a first claim against the Company.

19. The Company is granted under this agreement no right to the soil on the said areas or to the use thereof, except as may be necessary for cutting and removing the said timber as aforesaid, and operations incidental thereto.

20. If, upon the termination of said period of twenty-one years, the Company shall have fully performed the obligations imposed upon it as herein set forth, it shall be entitled at its option to an extension of its rights under this Agreement for a further period of twenty-one years at such prices and upon such terms and conditions as may then be fixed by the Minister.

21. The Manufacturing Conditions of The Crown Timber Act shall be binding upon the Company and shall apply to its operations under this agreement as fully and effectually as if they had been set forth herein.

22. This Agreement shall be subject to all Acts of the Legislature of the Province of Ontario which are now or which may hereafter be in force and all regulations duly made under the provisions of any such Acts, so far as they may be of general application to the cutting, measuring, removing and driving of timber on and from Crown lands throughout the Province, and the same shall be binding upon and enure unto the Company and shall apply to its operations under this Agreement as fully and effectually as if they had been set forth herein.

23. The Crown grants to the Company the right to use the waters of all rivers, lakes and streams within the cutting areas during the term of this Agreement, and of any renewal or extension thereof, for the driving of pulpwood or timber, and also the right to make, construct, operate and maintain improvements therein and thereto for the purpose of facilitating the floating of pulpwood or timber. The construction, operation and maintenance of any improvements made upon any waters within the said cutting areas and the driving of timber shall be carried out subject to and in pursuance of The Lake and Rivers Improvement Act, R.S.O. 1937, Chap. 45 and Regulations made thereunder.

24. It is agreed that the Company shall be entitled to carry out the cutting and driving of timber either by its own employees or by contractors or jobbers.

25. The Company undertakes and agrees that, subject to the provisions of paragraph numbered 4 hereof, it will during normal times afford employment in Ontario in connection with its woods operations and mill operations, either direct or indirect, to approximately 1000 employees for ten (10) months in each and every year during the term of this Agreement.

26. The Company covenants and agrees to employ Canadian labour and to co-operate with the Crown in maintaining standard rates of wages and otherwise meeting all the requirements as may be provided by The Industrial Standards Act or such other statutory enactments in that behalf as are now or may hereafter be in force.

27. The cash deposits now held by the Crown in reference to the timber limits licensed to the Company and lying within the areas described in Schedule "A" hereto shall continue to be held on deposit in respect of the operations of the Company on the said areas under the terms of this Agreement, and the Minister may from time to time permit the application of such portions of the said monies as he may deem advisable against charges accruing due from the Company in connection with such operations.

28. Upon completion of the survey mentioned in paragraph numbered 5 hereof, if it is established to the satisfaction of the Minister that the supply of pulpwood on the areas described in Schedule "A" hereto is not sufficient to ensure the full operation of the pulp and paper mills of the Company during the currency of this Agreement, then the Crown will make further pulpwood available to the Company by granting the right to cut pulpwood on such portions of the areas described in Schedule "B" hereto as may be agreed upon between the Company and the Minister; and such additional areas shall be held by the Company upon the terms and conditions contained in this Agreement. The rates payable for pulpwood on the additional areas will be as fixed by the Minister.

29. The timber-cutting authorities of the Company in respect of licensed areas, or of areas heretofore under concession to it, upon which operations have been proceeding during the operating season 1941-42, are confirmed to the Company up to the 31st day of March, 1942, notwithstanding the expiry prior to that date of any agreement or other cutting authority. It is mutually understood and agreed between the parties that as and from the First day of April, A.D. 1942 this Agreement shall supersede all cutting authorities made or issued by the Crown in respect of the areas, and of the types and classes of timber covered by this Agreement, without limiting the liability of the Company to the Crown to pay all Crown dues or other charges in respect thereof prior to the said date.

30. It is understood and agreed by the Company that the cutting rights granted by the Crown hereunder are intended to enable the Company to supply its mills with raw material sufficient for their operation at their full capacity as at the date of these presents, and the Company covenants and agrees that it will neither increase the capacity of its mills nor acquire or construct other mills which would be supplied with raw materials from the areas covered by this Agreement without the consent in writing of the Minister.

31. The Company hereby covenants and agrees to observe, perform and keep all the covenants, provisions, agreements and conditions on its part herein contained.

32. In case of any disagreement as to the true intent and meaning of this Agreement, the same shall be referred to arbitration by a single arbitrator under The Arbitration Act (Ontario) R.S.O. 1937, Chapter 109, and the award of such arbitrator shall be final and binding.

33. In this Agreement "Minister" shall mean the Minister of Lands and Forests for the time being of the Province of Ontario, and "operating season" shall be as defined by the Crown Timber Regulations.

34. This Agreement shall be binding upon and enure to the benefit of the Company and its assigns, but this Agreement and the rights of the Com-

pany hereunder shall not be assigned without the prior knowledge and consent of the Minister.

IN WITNESS WHEREOF the parties hereto have executed these presents the day and year first above written.

This is Schedule "A" to the Agreement made the 2nd day of June, A.D. 1942 between His Majesty the King and the Ontario-Minnesota Pulp and Paper Company, Limited, being description of the areas mentioned in the said Agreement.

PARCEL NO. 1—PATRICIA CONCESSION:

ALL AND SINGULAR that certain tract of territory which may be more particularly described as follows:

COMMENCING at the point where the production northerly of the east limit of the Township of Redditt intersects the north limit of the right-of-way of the Canadian National Railways (Cochrane to Winnipeg Line);

THENCE north along the said production to the high water mark on the south shore of the English River;

THENCE following the said high water mark of the said English River in all its windings to Lac Seul;

THENCE southerly and southeasterly along the high water mark of Lac Seul, as established by the Ear Falls Dam, to the 6th Meridian;

THENCE south along the said Meridian to the north east angle of the Township of Ladysmith;

THENCE west along the north limits of the Townships of Ladysmith, Wauchope, Buller and Redvers, to the high water mark on the eastern bank of Clay Lake;

THENCE southeasterly and westerly along the said high water mark to the west boundary of the Township of Redvers;

THENCE southerly along the west boundary of the Township of Redvers to the southwest angle thereof;

THENCE west along the north limit of the Township of Smellie to the right-of-way of the Canadian National Railways;

THENCE westerly along the said north limit of the said right-of-way to the point of commencement, containing 1880 square miles more or less.

SAVING AND EXCEPTING from the above-described area all Indian Reserves, all Townsites, and all Islands in Lakes and Rivers.

ALSO SAVING AND EXCEPTING a shore line reservation of 500 feet, measured from the high water mark of Red Deer and Canyon Lakes, and a shore line reservation of 300 feet on the southwest side of Wabigoon River, and around all other lakes in said area, west of Wabigoon River.

PARCEL NO. 2—LAKE-OF-THE-WOODS CONCESSION:

ALL AND SINGULAR that certain tract of territory which may be more particularly described as follows:

(a) Western Peninsula, Lake-of-the-Woods,

COMMENCING at the northwest angle of Indian Reserves Numbers 37B and 34C;

THENCE north along the boundary between the Provinces of Ontario and Manitoba to the high water mark of the southern bank of Shoal Lake;

THENCE following the said high water mark in a general northeasterly direction in all its windings to the northeastern point of Western Peninsula, known as Brule Point;

THENCE in a general southwesterly direction along the high water mark of said Western Peninsula in all its windings to the point of commencement, containing 125 square miles more or less.

(b) Aulneau Peninsula, Lake-of-the-Woods,

COMMENCING at the point where the west boundary of Indian Reserve Number 35C produced northerly intersects the high water mark at the extreme southerly boundary of Whitefish Bay;

THENCE southerly along said western boundary and its production northerly to the high water mark on the northern bank of Sabaskong Bay;

THENCE westerly along said high water mark, in all its windings, around Aulneau Peninsula, to the point of commencement in Whitefish Bay, containing 290 square miles more or less;

(c)

COMMENCING at the point where the production northerly of the western boundary of Indian Reserve No. 35C intersects the high water mark at the extreme southerly boundary of Whitefish Bay;

THENCE southerly along said production and along said western boundary to the high water mark of Sabaskong Bay of the Lake-of-the-Woods;

THENCE easterly following the high water mark in all its windings along the shore of said Sabaskong Bay to its outlet;

THENCE following the high water mark of the Lake-of-the-Woods and inlets in all its windings to the north boundary of the Township of McCrosson;

THENCE east along the north boundaries of the Townships of McCrosson, Tovell, Dewart and Rowe, to the northeast angle of the Township of Rowe;

THENCE south along the east boundary of said Township of Rowe to the northwest angle of the Township of Potts;

THENCE easterly along the north boundary of the said Township of Potts and part of the Township of Fleming, to the high water mark on the western boundary of Burditt Lake;

THENCE northeasterly along the said high water mark on the western boundaries of Burditt, Feather, Weld, Pipestone, Straw and Bluffpoint Lakes, and the portages or streams connecting them to the northeast angle of said Bluffpoint Lake;

THENCE due east to a point which is due south from the 44th mile post shown on Ontario Land Surveyor Niven's base line in Latitude 49 degrees, 32 minutes and 18 seconds;

THENCE due north to the place of the said 44th mile post;

THENCE due west 16 miles;

THENCE north 34 degrees west astronomically 22 miles and 18 chains to the southeast angle of Township No. 41;

THENCE north along the east boundary of said Township to the northeast angle thereof;

THENCE west along the north boundaries of Townships 41 and 42 to the high water mark on the east bank of Silver Lake;

THENCE southerly and westerly along said high water mark to the east boundary of Pettypiece Township;

THENCE south along the east boundary of said Township and of the Township of Haycock to the southeast angle of Haycock Township;

THENCE west along the south boundary of Haycock Township to a point which is due north of the northwest angle of Longbow Lake;

THENCE due south to said northwest angle;

THENCE easterly, southerly and westerly along the high water mark of said Lake in all the windings of said high water mark to the Lake-of-the-Woods;

THENCE following the high water mark of the Lake-of-the-Woods in a general southerly direction in all its windings to the point of commencement, containing 1740 square miles more or less.

SAVE AND EXCEPTING from the area described above all Indian Reserves and Townsites, all Islands in Lakes and Rivers.

ALSO SAVING AND EXCEPTING a shore line reservation of 500 feet measured from the high water mark of the Lake-of-the-Woods and its inlets;

ALSO SAVING AND EXCEPTING the rights-of-way of the Canadian Pacific Railway and the highways under control of the Department of Highways, Province of Ontario.

ALSO SAVING AND EXCEPTING on the Heenan and Trans-Canada Highways a strip of land 600 feet wide, measured from the centre line on both sides of the highways.

ALSO SAVING AND EXCEPTING the land lying north of Longbow Lake and south of the Heenan Highway;

ALSO SAVING AND EXCEPTING that area of land adjacent to the Heenan Highway, lying west of Indian Reserve 34A, being a peninsula bounded on the north by Regina Bay and on the south by Snake Bay and Whitefish Bay.

ALSO SAVING AND EXCEPTING that portion of land lying east of the Heenan Highway and bounded on the east by Indian Reserve 35D and Kakagi Lake, and on the north by Jessie Lake, and a line due west from the westerly tip of Jessie Lake to the Heenan Highway and a line due east from the easterly tip of Jessie Lake to Kakagi Lake.

ALSO SAVING AND EXCEPTING that portion of land described as follows:

COMMENCING at the southwest angle of Indian Reserve No. 35D;

THENCE east along the south limit of said Indian Reserve and its production east for a distance of one-half of one mile;

THENCE south astronomically to Kakabikitchiwan Lake and Gohere Bay of the Lake-of-the-Woods;

THENCE westerly and northerly, following the high water mark of said Kakabikitchiwan Lake and Gohere Bay to the point of commencement.

PARCEL NO. 3—MANITOU CONCESSION:

ALL AND SINGULAR that certain tract of territory which may be more particularly described as follows:

COMMENCING at the high water mark of the most easterly angle on the easterly bank of Pipestone Lake;

THENCE easterly and northeasterly along the high water mark on the northern banks of Straw and Bluffpoint Lakes, and portages or streams connecting them to the high water mark at the northeast angle of said Bluffpoint Lake;

THENCE due east to a point which is due south from the 44th mile post shown on Ontario Land Surveyor Niven's base line in latitude 49 degrees, 32 minutes and 18 seconds;

THENCE due north to a point 6 miles south measured southerly from the aforesaid 44th mile post;

THENCE due east 32 miles;

THENCE due south 6 miles;

THENCE due west about 12 miles to intersection with the high water mark of the most southern bay of Anzhoekuming or Upper Manitou Lake;

THENCE easterly, southwesterly, northerly and southerly along the high water mark on the northwestern bank of Lower Manitou Lake to intersection with the 6th Meridian line;

THENCE south along the 6th Meridian line about 19 miles to the most southerly boundary of the District of Kenora;

THENCE west along the most southerly boundary of the District of Kenora produced westerly 24 miles to the Meridian line run by Ontario Land Surveyor D. J. Gillon, May 9th, 1919;

THENCE north along said Meridian line, 6 miles to the southern boundary of the District of Kenora;

THENCE westerly along said southern boundary of said District, 14 chains and 24 links to the Meridian line run by Ontario Land Surveyor T. B. Speight, November, 1927;

THENCE due north along said Meridian line about one mile to the high water mark on the western bank of Pipestone Lake;

THENCE southerly, easterly and northerly along said high water mark to the place of commencement and containing 750 square miles more or less.

SAVING AND EXCEPTING from the above-mentioned area all Indian Reserves, all Islands in Lakes and Rivers;

PARCEL NO. 4—SEINE RIVER CONCESSION:

ALL AND SINGULAR that certain tract of territory which may be more particularly described as follows:

COMMENCING at the point of intersection in the north limit of the District of Rainy River, with the production northerly of the boundary line between the Townships of McCaul and Hutchinson;

THENCE west along the north limit of the District of Rainy River to the point of intersection of the said north boundary with the production northerly of the east boundary of the Township of Bennett;

THENCE southerly along the said production and said east boundary of the Township of Bennett to the high water mark of Calm Lake;

THENCE easterly and southeasterly, following the high water mark of Calm Lake to the northern boundary of the right-of-way of the Canadian National Railways (Port Arthur, Duluth and Western Railway);

THENCE easterly along the northern boundary of the said right-of-way to the east limit of the Township of McCaul;

THENCE northerly along the said east limit of the Township of McCaul and its production northerly to the point of commencement, containing 651 square miles more or less.

SAVING AND EXCEPTING from the above-mentioned area all Indian Reserves, all Islands in Lakes and Rivers, and that portion of timber berth J.A.12 lying on the northeast shore of Calm Lake.

This is Schedule "B" to the Agreement made the 2nd day of June, A.D. 1942 between His Majesty the King and The Ontario-Minnesota Pulp and Paper Company, Limited, being description of the areas mentioned in the said Agreement.

PARCEL NO. 1:

COMMENCING at the point of intersection of the northern boundary of the right of way of the Canadian National Railways (Cochrane to Winnipeg Line) with the Provincial Boundary between the Provinces of Ontario and Manitoba;

THENCE north along the said boundary to the southerly bank of the Winnipeg River at its high water mark;

THENCE easterly along the said high water mark of the said Winnipeg River to its junction with the English River;

THENCE across the Winnipeg River to the high water mark on the southerly bank of the English River;

THENCE following the said high water mark in all its windings to the production northerly of the east limit of the Township of Redditt;

THENCE southerly along the said production to the north limit of the right of way of the said Canadian National Railways;

THENCE westerly along the said north limit to the point of commencement, containing 890 square miles more or less.

SAVING AND EXCEPTING from the above-described area all Indian Reserves, all Townsites and all those portions of the Townships of Rice, Malachi and Redditt, lying north of the said right of way of the Canadian National Railways and all Islands in Lakes or Rivers within the described area.

ALSO SAVING AND EXCEPTING a shore line reservation of 500 feet measured from the high water mark on Fox and Sand Lakes and a shore line reservation of 300 feet around all other lakes in said described area.

PARCEL NO. 2:

COMMENCING at the northeast angle of the Township of Ladysmith;

THENCE north along the Sixth Meridian to the high water mark as established by the Ear Falls dam, on the south shore of Lac Seul;

THENCE northerly, easterly and southerly in all its windings along the said high water mark to Lac Seul Indian Reserve No. 28;

THENCE following the south boundary of the said Reserve to its west boundary;

THENCE along the said west boundary and its production southerly to the northern boundary of the right of way of the Canadian National Railways;

THENCE westerly along the said northern boundary to its intersection with the eastern boundary of the Township of Rowell;

THENCE north along the eastern boundary of the said Township to its northeast angle;

THENCE west along the north boundary of the said Township to the point of commencement, containing 433 square miles more or less.

SAVING AND EXCEPTING all Indian Reserves, all Townsites and all Islands in Lakes and Rivers within the described area.

PARCEL NO. 3:

COMMENCING at the northeast angle of the District of Rainy River;

THENCE west along the north limit of the said District to the point on the said north limit intersected by the production northerly of the west limit of the Township of Hutchinson;

THENCE southerly along the said production and the said west limit of the Township of Hutchinson to the northerly limit of the right of way of the Canadian National Railways;

THENCE easterly along the said north limit of the said Railway to the east limit of the District of Rainy River;

THENCE northerly along the said east limit to the point of commencement, containing 328 square miles more or less.

SAVING AND EXCEPTING all Indian Reserves and all Islands in Lakes and Rivers.

THIS AGREEMENT, made this 29th day of December, A.D. 1942.

BETWEEN:

HIS MAJESTY THE KING, in right of the Province of Ontario as represented by the Minister of Lands and Forests, hereinafter called the "Crown",

OF THE FIRST PART

— and —

J. A. MATHIEU, LIMITED, hereinafter called the "Company",

OF THE SECOND PART

WHEREAS the Company has for many years carried on a lumbering business in the Northwestern part of the Province of Ontario, with Head Office at Fort Frances, Ontario, and has represented that it has an investment therein in the neighbourhood of One Million Dollars;

AND WHEREAS the Company has applied to the Crown for the right to cut timber on the area hereinafter mentioned in order to ensure itself of a supply of raw material for its established industry;

AND WHEREAS the Crown deems it expedient and in the public interest to grant cutting rights to the Company on the aforementioned area upon the terms and conditions hereinafter set forth:

NOW THEREFORE THIS AGREEMENT WITNESSETH that, subject to the approval of the Lieutenant-Governor in Council, and to the terms and conditions hereof:

1. The Crown, with the consent of the Lieutenant-Governor in Council, doth grant to the Company for a period of ten (10) years from the First day of April, A.D. 1942 the right to cut Red and White Pine timber and other merchantable sawlog timber found in the course of cutting operations on the lands described in Schedule "A" hereto.

2. The Company shall pay to the Treasurer of the Province of Ontario on behalf of the Crown the following rates for timber cut:

Red and White Pine—\$5.25 per M.B.M., Doyle Scale inclusive of Crown Dues.

Other sawlog timber—at such prices as may be fixed by the Minister.

3. The Company, upon execution of this Agreement, shall deposit with the Crown the sum of Eight Thousand Dollars (\$8,000.00) of lawful money of Canada or such other security as the Minister may approve, to be held by the Crown for the due performance by the Company of its obligations hereunder.

4. The Company is granted under this Agreement no right to the soil or freehold of the said area or to the use thereof, except as may be necessary

for cutting and removing the said timber as aforesaid, and operations incidental thereto, and it is distinctly understood that the right is hereby reserved to the Crown to deal with the lands above described, and the timber standing, growing and being thereon, for forest management and other purposes as the Minister may see fit, and in particular—but not so as in any way to limit the generality of the foregoing—it is hereby specially stipulated and agreed as follows:

- (a) the Crown reserves and excepts from the lands above described the right-of-way of any and all railways or travelled roads, islands, Indian Reserves, and all lands under the water of all rivers, lakes and streams; also all lands heretofore patented, licensed, leased, located or applied for or in respect of which such proceedings have been taken or shall hereafter be taken as in the opinion of the Minister entitles or will entitle the applicant or applicants to a lease or patent of such lands, together with the right to sell, lease, locate or otherwise dispose of any lands within the areas described in the Schedule hereto annexed for settlement, mining, summer resort or other purposes on such terms and conditions as may be deemed advisable;
- (b) all water powers and privileges on the said areas or territory are reserved to the Crown;
- (c) the Company shall not have the right to cut or remove timber of any kind from any lands already under timber license or permit from the Crown without the special permission in writing of the Minister.

5. For the purposes of calculating ground rent and fire protection charges the area described in Schedule "A" hereto shall be deemed to comprise 20 square miles, and the Company shall pay annually in advance ground rent and fire protection charges at the rate of \$11.40 per square mile on such area, commencing from the First day of April, A.D. 1942. Interest at the rate of six per centum (6%) per annum shall be charged on ground rent and fire protection charges which remain unpaid after 30 days from the due date.

6. Proper sworn returns of the quantities of timber cut in each season shall be made to the Crown in conformity with the Crown Timber Regulations, and on all accounts due and payable on the First day of October which remain unpaid after the 31st day of October in the same year interest shall be charged until paid at the rate of six per centum (6%) per annum, calculated from the First day of October in the same year.

7. It is distinctly understood that the Crown does not guarantee any quantity of wood on the area hereby granted to the Company.

8. The Minister, or any officer or officers of the Department of Lands and Forests, shall have the right to inspect the timber operations on the allotted territory at any time. If such inspection shall show that the timber operations are carried on in such a way that any merchantable or valuable timber which should be removed is being left or destroyed, the Minister shall have the right to have the said timber estimated and charge the same to the Company at the same rate as if it had been actually removed pursuant to the terms of this Agreement, together with such penalty or penalties as the Minister may fix. The cutting and removing of the timber on and from the territory or any part thereof shall not be deemed to have been completed until it has been examined

by an Officer of the Crown, and the operation has been declared satisfactory by the Minister.

9. No refuse, sawdust, chemicals or matter of any other kind shall be placed or deposited in any river, stream or other waters which shall be or may be injurious to game and fish life.

10. All slash made about camps, dumps, along tote roads, railroads, or any other areas which constitute a fire menace, shall be disposed of by and at the expense of the Company in accordance with The Forest Fires Prevention Act and amendments thereto and regulations made thereunder.

11. This Agreement shall be subject to all Acts of the Legislature of the Province of Ontario which are now or which may hereafter be in force and all regulations duly made under the provisions of any such Acts, so far as they may be of general application to the cutting, measuring, removing and driving of timber on and from Crown lands throughout the Province, and the same shall apply to operations of the Company under this Agreement as fully and effectually as if they had been set forth herein.

12. The Crown agrees to permit the Company to use the waters of all rivers, lakes and streams within the cutting areas during the term of this Agreement for the driving of timber, and also the right to make, construct, operate and maintain improvements therein and thereto for the purpose of facilitating the floating of timber. The construction, operation and maintenance of any improvements made upon any waters within the said cutting areas and the driving of timber shall be carried out subject to and in pursuance of The Lakes and Rivers Improvement Act, R.S.O. 1937, Chapter 45, and Regulations made thereunder.

13. The Company covenants and agrees to employ Canadian labour and to co-operate with the Crown in maintaining standard rates of wages and otherwise meeting all the requirements as may be provided by The Industrial Standards Act or such other statutory enactments in that behalf as are now or may hereafter be in force.

14. In the event of the Company making default in the performance of its obligations under the terms of this Agreement, the Minister may upon 60 days' notice in writing given to the Company at its Head Office at Fort Frances declare the rights of the Company hereunder forfeited, and thereupon the cash deposit and/or bonds deposited pursuant to the terms hereof shall be forfeited and become the absolute property of the Crown, and this Agreement shall be terminated. Provided, however, that any default on the part of the Company in the performance or observance of any of the provisions of this Agreement occasioned in whole or in part through strikes, fire, tempest, war, sabotage, action by princes or sovereign states, acts of God, or other causes beyond the control of the Company, shall not be deemed to be a default on the part of the Company.

The Minister shall have the right to waive all rights of forfeiture arising under this Agreement by reason of any default if, in the opinion of the Minister,

the cause of such default justifies the waiving of such right, and thereupon this Agreement shall be construed and the Company's rights hereunder shall continue as though no such default had occurred.

15. The Company covenants and agrees that it will manufacture all log timber cut on the area above-described into lumber, ties or other manufactured products to the satisfaction of the Minister in the Province of Ontario.

16. It is understood and agreed that no operations other than those conducted by the Company shall be permitted on the said area without the consent in writing of the Minister.

17. If, upon the termination of said period of ten (10) years, the Company shall have fully performed the obligations imposed upon it, as set forth, to the satisfaction of the Minister, it shall be entitled to an extension of its rights under this Agreement for a further period of ten (10) years, or such period as the Minister may approve, at such prices and upon such terms and conditions as may then be fixed by the Minister.

18. The Company shall observe a shoreline reservation of not less than 300 feet, and such additional reservations as are from time to time indicated by the Regional Forester of the Department of Lands and Forests, and shall not operate on certain points on the shoreline of the said area which shall be indicated by the said Regional Forester; and the Company agrees that it will before the commencement of the annual operating season ascertain such hereinbefore referred to reservations by enquiry from the Regional Forester.

19. Upon satisfactory performance of the terms and conditions hereof by the Company, the Crown may upon application by the Company from time to time extend this Agreement for the benefit of the Company to include such additional areas in Quetico Park as may be considered advisable in order to provide for the complete utilization of remaining isolated areas of Red and White Pine timber, and to ensure continuity of operation in Quetico Park.

20. In case of any disagreement as to the true intent and meaning of this Agreement, the same shall be referred to arbitration by three arbitrators under The Arbitration Act (Ontario) R.S.O. 1937, Chapter 109, and the award of such arbitrators shall be final and binding.

21. The Company hereby covenants and agrees to observe, perform and keep all the covenants, provisions, agreements and conditions on its part herein contained.

22. In this Agreement "Minister" shall mean the Minister of Lands and Forests for the time being of the Province of Ontario.

23. This Agreement shall be binding upon and enure to the benefit of the Company and its assigns, but this Agreement and the rights of the Company hereunder shall not be assigned without the prior knowledge and consent of the Minister.

IN WITNESS WHEREOF the parties hereto have executed these presents the day and year first above written.

<p>SIGNED, SEALED AND DELIVERED in the presence of: "J. B. METZLER" as to execution by Hon. N. O. HIPEL</p>	<p>(SEAL)</p> <p>"N. O. HIPEL" MINISTER OF LANDS AND FORESTS FOR THE PROVINCE OF ONTARIO.</p>
<p>"S. B. FLACK"</p>	<p>J. A. MATHIEU, LIMITED</p> <p>By: "J. A. MATHIEU" <i>President.</i></p> <p>And: "T. S. MATHIEU" <i>Secretary.</i></p>

THIS IS SCHEDULE "A" REFERRED TO IN THE WITHIN AGREEMENT, being description of the area mentioned in the said Agreement.

ALL AND SINGULAR that certain territory in the Quetico Provincial Park, District of Rainy River, containing an area of 144 square miles be the same more or less and which may be more particularly described as follows:

COMMENCING at survey post marked 5 miles plus 5 chains on the meridian line surveyed by Ontario Land Surveyors Phillips and Benner in the year 1926:

THENCE West astronomically 3 and $\frac{1}{2}$ miles;

THENCE South astronomically 1 and $\frac{1}{2}$ miles more or less to the connecting stream between Milt Lake and Robinson Lake;

THENCE in a general Southerly direction following the connecting streams between Milt Lake and Robinson Lake to the Northwestern shore of the last-mentioned lake;

THENCE Southerly following the Northwestern shore of Robinson Lake to its Southern extremity;

THENCE West astronomically to the Eastern shore of Crooked Lake;

THENCE Southerly following the Eastern shore of Crooked Lake and continuing Southerly and Easterly along the Eastern and Northern shores of the waterway system along the International Boundary line to the Western extremity of Basswood Lake;

THENCE in a general Northeasterly, Southeasterly, Southwesterly and Easterly direction following the general Northern boundary of Basswood Lake in all its windings to its Eastern extremity;

THENCE Easterly across a portage to the Western extremity of Birch Lake;

THENCE in a general Northeasterly direction following the Northern shore of Birch Lake to a point where it is intersected by a line drawn South astronomically from the Southern extremity of Agnes Lake;

THENCE North astronomically along said line 4 miles more or less to the said Southern extremity of Agnes Lake;

THENCE Northwesterly in a straight line 10 miles more or less to the intersection with a line drawn East astronomically from the point of commencement and distant 7 and $\frac{1}{4}$ miles East therefrom;

THENCE West astronomically along said line 7 and $\frac{1}{4}$ miles to the point of commencement.

THIS AGREEMENT, made this Sixteenth day of April, A.D. 1942.

BETWEEN:

HIS MAJESTY THE KING, represented herein by the Honourable the Minister of Lands and Forests for the Province of Ontario, hereinafter referred to as the "Crown",

OF THE FIRST PART,

— and —

EDWARD E. JOHNSON, of the City of Port Arthur in the District of Thunder Bay, Timber Operator, hereinafter referred to as the "Operator".

OF THE SECOND PART,

WHEREAS the Operator claims to have become entitled to the rights of previous concessionaires to cut timber on an area in the District of Thunder Bay known as the Little Pic Concession Area, being part of the original Pic River Limit, and has applied to the Crown to enter into an agreement setting forth the terms and conditions upon which he shall be permitted to operate on the said Little Pic Concession Area;

AND WHEREAS the Crown has heretofore acknowledged the claims of the said Operator, and has agreed to permit him to operate on the said area, as hereinafter described, upon the terms and conditions herein contained:

NOW THEREFORE THIS AGREEMENT WITNESSETH that the Crown, with the approval of the Lieutenant-Governor in Council, doth grant to the Operator for a period of ten (10) years, commencing the First day of April, A.D. 1942, the right to cut and remove all kinds and classes of timber on the Little Pic Concession Area, more particularly described in Schedule "A" hereto.

1. The Operator shall pay to the Treasurer of the Province of Ontario for Timber cut on the said area under the terms hereof the following prices:

Spruce Pulpwood —\$1.50 per cord, inclusive of Crown dues.

Balsam Pulpwood —\$1.00 per cord, inclusive of Crown dues.

Jackpine Pulpwood—\$.50 per cord, inclusive of Crown dues.

Poplar and other

Pulpwood —Crown dues.

Sawlog or other

Timber —at such prices as the Minister may from time to time determine.

2. The Operator shall cut a minimum of 20,000 cords of pulpwood in each operating season during the currency of this Agreement, and shall not cut beyond a maximum of 100,000 cords of Spruce and Balsam pulpwood in any such season. Subject to the provisions of this Agreement, and subject

to any restrictions at any time imposed by the Lieutenant-Governor in Council, the Operator shall be permitted to export pulpwood cut on the said area during the period ending the 31st day of December, A.D. 1946, and after such date shall apply to the Minister for further permission to export pulpwood cut on the said area, in accordance with the provisions of any Act or regulations from time to time in force respecting the exportation of pulpwood. In addition to the charges to be paid under Paragraph 1 hereof, the Operator shall pay the current export levy on each cord of pulpwood exported.

3. Before commencing operations in any year the Operator shall pay to the Treasurer of the Province of Ontario a sum of money which shall be the equivalent of 20% of the value of the timber proposed to be cut by the Operator during the next ensuing operating season. The balance of the amount owing by the Operator for timber cut during any operating season shall be paid on or before the First day of October in the calendar year in which such timber is scaled and a return thereof is made to the Department of Lands and Forests. No pulpwood shall be exported under the provisions of this Agreement unless all Crown charges in respect of such pulpwood shall have been paid and satisfied prior to the application for permission to export such pulpwood.

4. Within three years the Operator shall file in the Department of Lands and Forests a complete operating plan for the term granted hereunder which shall be satisfactory to the Minister.

5. Before commencing operations in any season, the Operator shall give such particulars as the Minister may require as to the proposed operation and shall obtain the consent in writing of the Minister to proceed with such operation.

6. The Operator shall take such precautions and employ such means to prevent injury or destruction by fire upon the area described in Schedule "A" hereto as the Minister may require, and shall pay an annual charge for fire protection of \$6.40 per square mile upon 350 square miles. In addition the Operator shall pay an annual ground rental charge of \$5.00 per square mile upon 35 square miles. Charges for ground rent and fire protection shall be first levied in respect of the year commencing the first day of April, A.D. 1942.

7. Pulpwood taken out in four or eight foot lengths shall be measured, returned and paid for on the basis of 128 cubic feet in each stacked cord. Pulpwood taken out in lengths in excess of eight feet shall be measured in the log on the cubic basis and each 100 cubic feet shall constitute a cord.

8. When, in the opinion of the Minister, an emergency exists in reference to the supply of pulpwood for use in domestic mills, he may require the Operator to furnish, as the Minister shall direct, for domestic use, at the prevailing market price for pulpwood produced from Crown lands in the district, 15 per centum of the pulpwood cut by the Operator from the said area during any operating season.

9. The Operator covenants and agrees that he will not supply, either direct or indirect, any of the pulpwood cut under the terms hereof for the manufacture of newsprint outside of the Dominion of Canada.

10. The Crown agrees that, if pulpwood exportation privileges are generally withdrawn or restricted, the Operator shall be permitted to export the balance, if any, of pulpwood cut by him on the said area prior to such withdrawal or restriction.

11. It is distinctly understood that the Crown does not guarantee any quantity of timber on the area hereby granted to the Operator.

12. Proper sworn return of the quantity of pulpwood cut each season shall be made to the Crown in conformity with the Crown Timber Regulations, and payment therefor shall be made as hereinbefore set forth, and the Crown shall have all the rights and powers in respect of enforcing such payment as are now provided under The Crown Timber Act. On all accounts which remain unpaid at the due date interest shall be charged until paid at the rate of 6% per annum.

13. The Minister, or any officer or officers of the Department of Lands and Forests, shall have the right to inspect the timber operations on the allotted territory at any time. If such inspection shall show that the pulpwood operations are carried on in such a way that any merchantable or valuable timber which should be removed is being left or destroyed, the Minister shall have the right to have the said timber estimated and charge the same to the Operator at the same rate as if it had been actually removed pursuant to the terms of this Agreement, together with such penalty or penalties as the Minister may fix. The cutting and removing of the timber of the territory, or any part thereof, shall not be deemed to have been completed until it has been examined by an officer of the Crown, and the operation has been declared satisfactory by the Minister.

14. No refuse, sawdust, chemicals or matter of any other kind shall be placed or deposited in any river, stream or other waters which shall be or may be injurious to game and fish life.

15. All slash made about camps, dumps, along tote roads, railways, or any other areas which constitute a fire menace, shall be disposed of by and at the expense of the Operator in accordance with the Forest Fires Prevention Act and amendments thereto and regulations made thereunder.

16. The Operator shall co-operate to the satisfaction of the Minister in the purchase of all bona fide settlers' pulpwood. All bona fide accounts due for settlers' pulpwood purchased by the Operator shall constitute a first claim against the Operator.

17. The Operator is granted under this Agreement no right to the soil of the said area or to the use thereof, except as may be necessary for cutting and removing the said pulpwood timber as aforesaid, and operations incidental thereto.

18. This Agreement shall be subject to all Acts of the Legislature of the Province of Ontario which are now or which may hereafter be in force and all regulations duly made under the provisions of any such Acts, so far as they may be of general application to the cutting, measuring, removing and driving of pulpwood timber on and from Crown lands throughout the Province, and the same shall be binding upon and enure unto the Operator and shall apply to his operations under this Agreement as fully and effectually as if they had been set forth herein.

19. The Crown grants to the Operator the right to use the waters of all rivers, lakes and streams within the cutting areas during the term of this Agreement for the driving of timber, and also the right to make, construct, operate and maintain improvements therein and thereto for the purpose of facilitating the floating of timber. The construction, operation and maintenance of any improvements made upon any waters within the said cutting areas and the driving of timber shall be carried out subject to and in pursuance of The Lakes and Rivers Improvement Act, R.S.O. 1937, Chapter 45, and Regulations made thereunder.

20. The Operator covenants and agrees to employ Canadian labour and to co-operate with the Crown in maintaining standard rates of wages and otherwise meeting all the requirements as may be provided by The Industrial Standards Act or such other statutory enactments in that behalf as are now or may hereafter be in force.

21. In the event of the Operator making default in the performance of his obligations under the terms of this Agreement, the Minister may upon ninety (90) days' notice in writing given to the Operator, in care of Pigeon Timber Company, Limited, Fort William, Ontario, declare the rights of the Operator hereunder forfeited and may order the retention in Ontario of all pulpwood cut under the terms of this Agreement which has not been exported at the date of such forfeiture. Provided, however, that any default on the part of the Operator in the performance or observance of any of the provisions of this Agreement occasioned in whole or in part through strikes, fire, tempest, war, sabotage, action by princes or sovereign states, acts of God, or other causes beyond the control of the Operator, shall not be deemed to be a default on the part of the Operator.

22. The Minister shall have the right to waive all rights of forfeiture arising under this Agreement by reason of any default if, in the opinion of the Minister, the cause of such default justifies the waiving of such right, and thereupon this Agreement shall be construed and the Operator's rights hereunder shall continue as though no such default had occurred.

23. Immediately upon the execution of these presents, the Operator shall have the right to commence the construction of logging roads and other improvements necessary to his proposed operations on the area hereby granted to him.

24. The Operator covenants and agrees that he will not permit operations on the said area by any person, firm or corporation for pulpwood, save and except for the use of the Operator, without the prior knowledge and the consent in writing of the Minister.

25. In case of any disagreement as to the true intent and meaning of this Agreement, the same shall be referred to arbitration by a single arbitrator under The Arbitration Act (Ontario) R.S.O. 1937, Chapter 109, and the award of such arbitrator shall be final and binding.

26. If, upon the termination of the said period of ten (10) years, the Operator shall have fully performed the terms and conditions hereinbefore set forth to the satisfaction of the Minister, he shall be entitled to an extension for a further period of ten (10) years of his right to cut timber on the area

described in Schedule "A" hereto at such prices and upon such terms and conditions as may then be fixed by the Minister.

27. In addition to the prepayment of twenty per cent (20%) of the annual Crown charges required by Paragraph numbered 3 hereof, the Operator shall deposit with the Crown the sum of Five Thousand Dollars (\$5,000.00) of lawful money of Canada, or bonds of the Dominion of Canada or of the Province of Ontario having a face value of Five Thousand Dollars (\$5,000.00), which sum or bonds shall be held during the currency of this Agreement or of any renewal thereof as security for the due performance by the Operator of his obligations hereunder. In the event of the Operator making default under the terms of this Agreement, and if the default complained of has not been made good by the Operator, the Minister may declare forfeited the said deposit, and thereupon the said deposit shall be forfeited and become the absolute property of the Crown.

28. The Operator hereby covenants and agrees to observe, perform and keep all the covenants, provisions, agreements and conditions on his part herein contained.

29. In this Agreement "Minister" shall mean the Minister of Lands and Forests for the time being of the Province of Ontario, and "operating season" shall be as defined by the Crown Timber Regulations.

30. This Agreement shall be binding upon and enure to the benefit of the Operator and his assigns, but this Agreement and the rights of the Operator hereunder shall not be assigned without the prior knowledge and consent of the Minister.

IN WITNESS WHEREOF the parties hereto have executed these presents the day and year first above written.

SIGNED, SEALED AND DELIVERED in the presence of: "J. B. METZLER" as to signature of Hon. N. O. Hipel As to the signature of Edward E. Johnson "H. J. McNULTY"	}	"N. O. HIPEL" (SEAL) MINISTER, DEPARTMENT OF LANDS AND FORESTS, PROVINCE OF ONTARIO. "E. E. JOHNSON" (SEAL)
---	---	--

This is Schedule "A" to the Agreement made the 16th day of April, A.D. 1942, between His Majesty the King and Edward E. Johnson, being description of the area mentioned in the said Agreement.

ALL AND SINGULAR that certain tract of territory situate in the District of Thunder Bay and which may be more particularly described as follows:

COMMENCING at Angler Station on the Canadian Pacific Railway northwest of the Township of Pic:

THENCE north astronomically a distance of $8\frac{1}{2}$ miles more or less to the intersection with a line drawn east astronomically from the northeast angle of Township 79;

THENCE north 20 degrees east astronomically a distance of $19\frac{1}{2}$ miles more or less to the intersection with the northern limit of the Pic River pulp and timber limit as shown on a plan of survey made by M. E. Crouch, Ontario Land Surveyor, dated the 2nd of August, 1919 and of record in the Department of Lands and Forests as Number P. 122;

THENCE westerly along the said limit a distance of $12\frac{1}{2}$ miles more or less to the intersection with the eastern shore of Killala Lake;

THENCE north astronomically a distance of 24 miles more or less to the intersection with the boundary of the limit of the Pulpwood Supply Company, Limited and which boundary is a line drawn west astronomically from a point hereinafter referred to as "Point A" and which point is distant 24 miles measured south astronomically from the southwest angle of the Township of O'Meara;

THENCE west astronomically along said boundary a distance of 7 miles more or less to an angle in the limit of the Pulpwood Supply Company, Limited, which angle is distant 16 miles measured west astronomically from "Point A" mentioned aforesaid;

THENCE south astronomically a distance of 16 miles more or less to the intersection with the southern boundary of the limit of the Pulpwood Supply Company, Limited and which last-mentioned boundary is a line drawn east astronomically from a point in the east boundary of the Nipigon Provincial Forest distant 8 miles measured northerly thereon from the southeast angle of the said Provincial Forest;

THENCE east astronomically to the northeast angle of the limit of the Brompton Pulp and Paper Company, Limited and which angle is distant 15 miles measured east astronomically along the northern boundary of the limit of the Brompton Pulp and Paper Company, Limited from its intersection with the production northerly of the west boundary of the Pic River pulp and timber limit, as shown on plan of survey prepared by M. E. Crouch, Ontario Land Surveyor, mentioned aforesaid;

THENCE south astronomically a distance of 32 miles more or less to the high water mark on the northern shore of Lake Superior;

THENCE in a general easterly direction following the said high water mark to the intersection with a line drawn south astronomically from Angler Station on the Canadian Pacific Railway;

THENCE north astronomically along said line to the point of commencement.

THIS AGREEMENT, made this Seventh day of October, A.D. 1942.

BETWEEN:

HIS MAJESTY THE KING in the right of the Province of Ontario as represented by the Minister of Lands and Forests, hereinafter called the "Crown".

OF THE FIRST PART

NORTHERN FOREST PRODUCTS, LIMITED hereinafter called the "Company",

OF THE SECOND PART,

— and —

NORTHERN WOOD PRESERVERS, LIMITED hereinafter called "Wood Preservers"

OF THE THIRD PART.

WHEREAS by Order-in-Council dated the 19th day of March, A.D. 1940, Wood Preservers was granted the right to cut timber on an area in the District of Thunder Bay, therein more particularly described;

AND WHEREAS by Indenture of Assignment dated the 31st day of December, A.D. 1940, Wood Preservers assigned its cutting rights, with the consent of the Crown, to the Company, its wholly-owned subsidiary;

AND WHEREAS the Company and Wood Preservers have been required under Orders of the Department of Munitions and Supply of the Dominion of Canada to greatly increase their production and manufacture of essential war materials, which necessitates the extension of their wood operations, and in order to obtain the necessary additional working capital therefor they propose to sell, assign and convey unto Don. A. Clark, Limited (a Company incorporated under the laws of the Province of Ontario, and being a wholly-owned subsidiary of Hammermill Paper Company of Erie, Pennsylvania—hereinafter called "Hammermill") all of the merchantable Spruce and Balsam pulpwood on a portion of the area covered by this Agreement hereinafter described and referred to as the "delimited area";

AND WHEREAS the Company and Wood Preservers have applied to the Crown for consent to the making of such a sale and for the establishment of the terms and conditions under which the cutting and exportation from Canada of the said pulpwood may be carried on by the said Hammermill;

AND WHEREAS the Company and Wood Preservers have constructed all of the plant and equipment as required by the Order-in-Council dated March 19th, 1940, and in addition have made extensive plant installations in excess of the said requirements;

AND WHEREAS the aforesaid obligations have been performed to the satisfaction of the Minister, and Wood Preservers and the Company are not in default in any of the obligations imposed by the aforesaid Order-in-Council;

AND WHEREAS the Crown and the Company have agreed to enter into this Agreement, which shall supersede and replace the terms and conditions and the cutting authority granted by the aforementioned Order-in-Council;

AND WHEREAS Wood Preservers have agreed to become a party to this Agreement and to guarantee performance of the covenants and obligations imposed upon the Company hereunder;

NOW THEREFORE THIS AGREEMENT WITNESSETH:

1. That the Crown, with the approval of the Lieutenant-Governor in Council doth grant to the Company for a period of ten (10) years from the First day of April, A.D. 1942, the right to cut all kinds and classes of timber on the area described in Schedule "A" hereto subject to the terms and conditions hereof;

2. The Company shall pay to the Treasurer of the Province of Ontario on behalf of the Crown the following rates for timber cut:

Spruce sawlogs — \$6.00 per M.B.M., Doyle Scale, Inc. of Crown dues.

Jackpine sawlogs— 2.50 per M.B.M., Doyle Scale, Inc. of Crown dues.

Other sawlogs,

Poles & Piling — at such prices as may be fixed by the Minister.

Spruce pulpwood— \$1.65 per cord, inc. of Crown dues.

Jackpine pulpwood .50 per cord, inc. of Crown dues.

Balsam pulpwood— .80 per cord, inc. of Crown dues.

Other pulpwood — .40 per cord, inc. of Crown dues.

The above sawlog prices shall be subject to review by the Minister and may be changed by him where he is of the opinion that such changes are warranted by reason of the quality and accessibility of the timber and of prices being paid for Crown timber by similar competitive saw-mills in the district.

In the event of a general reduction in Crown dues being ordered during the currency of this Agreement or any renewal of it, the Company shall have the benefit of such reduction.

3. It is understood and agreed that the Crown will permit the Company to export pulpwood cut from the said area during the period ending 31st December, 1946, and in the event of the exportation of pulpwood cut from public lands being permitted under any general Order of the Lieutenant-Governor in Council, following the expiry of such period, then the Company shall be entitled to export pulpwood cut from the said area during the period permitted by the Lieutenant-Governor in Council while this Agreement and any renewal thereof is in force, upon complying with the requirements from time to time imposed. It is understood and agreed that if at any time after the 31st day of December, 1946, the right to export pulpwood cut from public lands is prohibited, then the Company shall not be entitled to export pulpwood cut from the said area during the period in which such exportation is prohibited.

In addition to the rates to be paid by the Company for pulpwood cut on the said area, for export, the Company shall pay to the Crown the export levy on pulpwood prevailing in the operating season in which such pulpwood is cut for export.

4. It is agreed that the sum of Ten Thousand Dollars (\$10,000.00) now lodged to the credit of Wood Preservers in the Department of Lands and

Forests, shall be transferred to the credit of the Company, and Wood Preservers hereby releases to the Company all its right, title and interest in and to the said sum; and the said sum, or such other security as may be satisfactory to the Minister, shall be retained by the Crown as security for the due performance by the Company of its obligations hereunder.

5. The Company is granted under this Agreement no right to the soil or freehold of the said area or to the use thereof, except as may be necessary for cutting and removing the said timber as aforesaid, and operations incidental thereto, and it is distinctly understood that the right is hereby reserved to the Crown to deal with the lands above described, and the timber standing, growing and being thereon, for forest management and other purposes as the Minister may see fit, and in particular—but not so as in any way to limit the generality of the foregoing—it is hereby specially stipulated and agreed as follows:

- (a) The Crown reserves and excepts from the lands above described the right of way of any and all railway or travelled roads, islands, Indian reserves, and all lands under the water of all rivers, lakes and streams; also all lands heretofore patented, licensed, leased, located or applied for in respect of which such proceedings have been taken or shall hereafter be taken as in the opinion of the Minister entitles or will entitle the applicants to a lease or patent of such lands, together with the right to sell, lease, locate or otherwise dispose of any lands within the areas described in the Schedule hereto annexed for settlement, mining, summer resort or other purposes on such terms and conditions as may be deemed advisable;
- (b) All water powers and privileges on the said areas or territory are reserved to the Crown;
- (c) The Company shall not have the right to cut or remove timber of any kind from any lands already under timber license or permit from the Crown without the special permission in writing of the Minister.

6. The Company shall, within three years from the date hereof, file in the Department of Lands and Forests a working plan prepared by the said Company providing a general scheme for the operation of the said limit in accordance with good forestry practice.

7. Before commencing operations for timber in any operating season the Company shall pay to the Treasurer of the Province of Ontario a sum of money which shall be the equivalent of 20% of the total price to be paid to the Crown on account of the timber proposed to be cut by the Company during such operating season. The balance of the amount owing by the Company for timber cut during any operating season shall be paid on or before the First day of October in the calendar year in which such timber is scaled and a return thereof is made to the Department of Lands and Forests, and in the case of pulpwood in any event prior to the exportation of any such pulpwood.

8. The Company shall pay annually in advance ground rent and fire protection charges at the rate of \$11.40 per square mile on an area of 140 square miles, commencing from the First day of April, A.D. 1942. Interest at the rate of 6% per annum shall be charged on ground rent and fire protection charges which remain unpaid after thirty days from the due date.

9. Pulpwood taken out in four or eight foot lengths shall be measured, returned and paid for on the basis of 128 cubic feet in each stacked cord. Pulpwood taken out in lengths in excess of eight feet shall be measured in the log on the cubic basis and each 100 cubic feet shall constitute a cord.

10. Proper sworn returns of the quantities of sawlog and pulpwood timber cut in each season shall be made to the Crown in conformity with the Crown Timber Regulations, and payment for the pulpwood shall be made as hereinbefore set forth and for sawlog timber in accordance with the Crown Timber Regulations, and the Crown shall have the rights and powers in respect of enforcing such payment as are now provided under the Crown Timber Act. On all accounts which remain unpaid at the due date interest shall be charged until paid at the rate of 6% per annum.

11. It is agreed that the Company will furnish if and as the Minister shall direct, for domestic use, fifteen per centum (15%) of the pulpwood cut from the said area during any operating season, and the price to be paid by the purchaser to the Company for such pulpwood shall be the prevailing market price in the district for pulpwood of the same quality produced in the same year and supplied in similar quantities for domestic use, and in any event the price shall not be less than the cost of production.

12. In addition to any pulpwood supplied in any operating season under the provisions of Paragraph 11 hereof, the Company, upon notice being given to it by the Minister on or before the First day of July in any such operating season, shall cut an additional quantity of Spruce and Balsam pulpwood, not exceeding 10,000 cords, for domestic use from the said area or from any other area of public lands in the vicinity designated by the Minister, and such pulpwood shall be delivered as the Minister shall direct. In the event of the cutting of such additional pulpwood from the said area depleting the pulpwood available to the Company under the terms of this Agreement below the cordage originally estimated in the Crown's 1924 cruise of this area, then the Minister shall permit the Company to cut from public lands pulpwood as advantageously located equivalent to the amount required to be delivered in such operating season under the terms of this paragraph. The price to be paid to the Company by the purchaser for such pulpwood and the terms of the purchase of such pulpwood shall be as mutually agreed between them, and, in the event of disagreement, shall be the prevailing market price in the district for pulpwood of the same quality produced in the same year and supplied in similar quantities for domestic use, and in any event the price shall not be less than the cost of production and of delivery.

13. The Company covenants and agrees that it will not supply, either direct or indirect, any of the pulpwood cut under the terms hereof for the manufacture of newsprint outside of the Dominion of Canada.

14. It is distinctly understood that the Crown does not guarantee any quantity of wood on the area hereby granted to the Company.

15. The Minister, or any officer or officers of the Department of Lands and Forests, shall have the right to inspect the timber operations on the area hereby granted to the Company at any time. If such inspection shall show that the timber operations are carried on in such a way that any merchantable or valuable timber which should be removed is being left or destroyed, the

Minister shall have the right to have the said timber estimated and charge the same to the Company at the same rates as if it had been actually removed pursuant to the terms of this Agreement, together with such penalty or penalties as the Minister may fix. The cutting and removing of the timber on and from the said area, or any part thereof, shall not be deemed to have been completed until it has been examined by an officer of the Crown, and the operation has been declared satisfactory by the Minister.

16. No refuse, sawdust, chemicals or matter of any other kind shall be placed or deposited in any river, stream or other waters which shall be or may be injurious to game and fish life.

17. All slash made by the Company about camps, dumps, along tote roads, railways, or any other areas which constitutes a fire menace, shall be disposed of by and at the expense of the Company in accordance with The Forest Fires Prevention Act and amendments thereto, and regulations made thereunder.

18. The Company shall co-operate to the satisfaction of the Minister in the purchase of all bona fide settlers' pulpwood. All bona fide accounts due for settlers' pulpwood purchased by the Company shall constitute a first claim against the Company.

19. This Agreement shall be subject to all Acts of the Legislature of the Province of Ontario which are now or which may hereafter be in force and all regulations duly made under the provisions of any such Acts, so far as they may be of general application to the cutting, measuring, removing and driving of timber on and from Crown lands throughout the Province, and the same shall apply to operations of the Company under this Agreement as fully and effectually as if they had been set forth herein.

20. The Crown agrees to permit the Company to use the waters of all rivers, lakes and streams within the said area during the term of this Agreement for the driving of timber, and also the right to make, construct, operate and maintain improvements therein and thereto for the purpose of facilitating the floating of timber. The construction, operation and maintenance of any improvements made upon any waters within the said area and the driving of timber shall be carried out subject to and in pursuance of the Lakes and Rivers Improvement Act, R.S.O. 1937, Chapter 45, and Regulations made thereunder.

21. The Company covenants and agrees to employ Canadian labour and to co-operate with the Crown in maintaining standard rates of wages and otherwise meeting all the requirements as may be provided by The Industrial Standards Act or such other statutory enactments in that behalf as are now or may hereafter be in force.

22. In the event of the Company making default in the performance of its obligations under the terms of this Agreement, the Minister may upon 60 days' notice in writing given to the Company at its Head Office, at Port Arthur, Ontario, declare the rights of the Company hereunder forfeited and may order the retention in Ontario of all pulpwood cut under the terms of this Agreement which has not been exported at the date of such forfeiture. Provided, however, that any default on the part of the Company in the performance or observance of any of the provisions of this Agreement occasioned in whole

or in part through strikes, fire, tempest, war, sabotage, action by princes or sovereign states, acts of God or other causes beyond the control of the Company, shall not be deemed to be a default on the part of the Company.

The Minister shall have the right to waive all rights of forfeiture arising under this Agreement by reason of any default if, in the opinion of the Minister, the cause of such default justifies the waiving of such rights, and thereupon this Agreement shall be construed and the Company's rights hereunder shall continue as though no default had occurred.

23. The Company covenants and agrees that it will manufacture in the Province of Ontario all log timber cut on the area above described into lumber, ties or other manufactured products to the satisfaction of the Minister of the Province of Ontario.

24. (a) It is understood and agreed that, notwithstanding the provisions of Paragraphs 1 and 3 hereof, the Company may sell, assign and convey unto Hammermill the right to cut or export from Canada Spruce and Balsam pulpwood up to 250,000 cords, including the pulpwood cut by Hammermill on the delimited area in the operating season 1941-1942, upon and subject to the terms and conditions of this Agreement.

24. (b) The Agreement of Sale covering the said pulpwood shall not be effective until approved by the Minister.

24. (c) The area upon which such pulpwood shall be cut shall be delimited from the area hereby granted to the Company and the description of the said delimited area upon which the pulpwood is to be sold and assigned by the Company to Hammermill shall be filed in the Department of Lands and Forests not later than the First day of April, A.D. 1943, and thereupon the said area shall be recorded in the books of the said Department as being set aside for Spruce and Balsam pulpwood solely in the name of Hammermill, and the said Hammermill shall be billed direct for all Crown dues and charges relating to the Spruce and Balsam pulpwood cut upon the said area and for all ground rent and fire protection charges, export levies and other charges incidental to its operation upon the said area.

25. (a) The said Hammermill may carry on cutting operations for Spruce and Balsam pulpwood and may export the said pulpwood until the said quantity of 250,000 cords has been cut and exported from the delimited area provided Hammermill shall observe all other provisions of this Agreement in respect of its proposed operations on such delimited area, including the payment of any export levy on pulpwood now or hereafter imposed by the Crown, and notwithstanding the termination of the cutting rights of the Company on the 1st day of April, 1952, under Paragraph 1 hereof, or thereafter, and notwithstanding the termination of the export rights of the Company on the 31st day of December, 1946, under Paragraph 3 of this Agreement or thereafter, or the abandonment by the Company, or the cancellation or forfeiture, of the Company's rights to carry on operations under the Agreement for any reason whatsoever.

25. (b) Subject to the provision of Paragraph 22 hereof, Hammermill shall carry on operations to the extent that at the end of each operating season it shall have cut a minimum annual average of 12,500 cords of pulpwood.

25. (c) The security of \$10,000.00 referred to in Paragraph 4 hereof shall be deemed to cover the operations of Hammermill as well as the operations of the Company. Any default made in respect of its operations shall be deemed to be a default by Hammermill and may in addition be deemed to be a default by the Company, and the Minister shall be entitled to exercise the powers contained in Paragraph numbered 22 hereof against Hammermill or the Company, or both of them; and the Company and Wood Preservers unconditionally guarantee to the Crown the payment of any account for charges incurred by Hammermill for ground rent, fire protection, Crown dues and other charges and export levies, and the Crown need not exhaust its remedies against Hammermill before applying to Forest Products or Wood Preservers to pay such account or accounts.

In the event that for any reason the importation of pulpwood into the United States becomes economically prohibitive, or if in consequence of scientific or economic developments the Hammermill Paper Company should abandon the operation of its pulp mill at Erie, Pennsylvania, and Hammermill should terminate its Agreement with the Company, then its rights, titles and interests in the pulpwood upon the delimited area shall revert to the Company without Hammermill being subject to any further penalty than the payment of all current Crown dues, bonuses, ground rent, fire protection charges and export levies as might then be due and payable by Hammermill.

25. (d) None of the rights of Hammermill hereunder shall be assigned without the prior knowledge and consent of the Minister.

26. It is understood and agreed between the parties hereto that the Company shall submit all contracts for exportation of pulpwood, cut on the area hereby granted to it to the Minister for consideration and approval, and no pulpwood shall be cut and exported under such contracts until such approval has been given. The foregoing shall not apply to any contract heretofore made which has been approved by the Minister.

27. Save as herein otherwise provided, no operations other than those conducted by the Company shall be permitted on the said area without the consent in writing of the Minister and upon such terms and conditions as he may impose.

28. If, upon the termination of said period of ten (10) years, the Company shall have fully performed the obligations imposed upon it, as herein set forth, to the satisfaction of the Minister, it shall be entitled to an extension of its rights under this Agreement for a further period of ten (10) years, or such period as the Minister may approve, at such prices and upon such terms and conditions as may then be fixed by the Minister.

29. As and from the First day of April, A.D. 1942, this Agreement shall supersede the cutting authority granted by the Crown which provided such cutting authority until the year 1961, in respect of the aforementioned area to Wood Preservers, and assigned to the Company, without limiting the liability of the Company or Wood Preservers to the Crown to pay all Crown dues or other charges payable in respect thereof prior to the said date.

30. In consideration of the granting of these presents by the Crown to the Company, Wood Preservers, for itself, its successors and assigns, covenants and agrees with the Crown that it, the said Wood Preservers, will guarantee the payment of all charges for timber or otherwise from time to time owing by the Company during the continuance of this Agreement or of any renewal thereof, and any account outstanding shall become due and payable by Wood Preservers on demand, and the Crown shall not be obliged to exhaust its remedies against the Company before applying to Wood Preservers for the payment of any such account.

31. In case of any disagreement as to the true intent and meaning of this Agreement, the same shall be referred to arbitration by three arbitrators under The Arbitration Act (Ontario) R.S.O. 1937, Chapter 109, and the award of such arbitrators shall be final and binding.

32. The Company hereby covenants and agrees to observe, perform and keep all the covenants, provisions, agreements and conditions on its part herein contained.

33. In this Agreement "Minister" shall mean the Minister of Lands and Forests for the time being of the Province of Ontario, and "operating season" shall mean the period commencing the First day of April and ending the Thirty-First day of March next following.

34. The Agreement shall be binding upon and enure to the benefit of the Company and its assigns, but this Agreement and the rights of the Company hereunder shall not be assigned without the prior knowledge and consent of the Minister.

IN WITNESS WHEREOF the parties hereto have executed these presents the day and year first above written.

SIGNED, SEALED AND DELIVERED
in the presence of:

"W. C. BOND"

"W. C. BOND"

"N. O. HIPEL"
MINISTER OF LANDS AND FORESTS
NORTHERN FOREST PRODUCTS, LIMITED
By:

"R. D. PRETTIE"
President.
And:

Secretary
NORTHERN WOOD PRESERVERS, LIMITED
By:

"ROBERT J. PRETTIE"
President.
And:
"W. E. PLUNKETT"
Secretary.

THIS IS SCHEDULE "A" REFERRED TO IN THE AGREEMENT BETWEEN THE CROWN AND NORTHERN FOREST PRODUCTS, LIMITED AND NORTHERN WOOD PRESERVERS, LIMITED, DATED THE 7TH DAY OF OCTOBER, 1942.

ALL AND SINGULAR that certain area situate, lying and being in the District of Thunder Bay and Province of Ontario, more particularly described as follows:

COMMENCING at a point on the west limit of the Nipigon Provincial Forest distant 31 miles north of the base line run by Ontario Land Surveyor K. G. Ross in 1922; THENCE south to a point 20 miles north of the said base line; THENCE east astronomically to the high-water mark on the shore of Lake Nipigon; THENCE northerly along the said high-water mark to a point east astronomically from the point of commencement; THENCE west astronomically to the point of commencement containing by admeasurement 185 square miles, more or less.

The said area is allowed at 140 square miles, for the purposes of calculation of ground rent and fire protection charges, in the annexed Agreement.

THIS AGREEMENT made this Twelfth day of December, A.D. 1942.

BETWEEN:

HIS MAJESTY THE KING, in right of the Province of Ontario as represented by the Minister of Lands and Forests, hereinafter called the "Crown",

OF THE FIRST PART

— and —

NEWAYGO TIMBER COMPANY, LIMITED, hereinafter called the "Company",

OF THE SECOND PART

WHEREAS the Company and its predecessor Newaygo Co. Limited since 1921 have been carrying on the business of cutting and peeling pulpwood for export to the United States of America, where its output has been supplied to its parent Company, the Consolidated Water Power and Paper Company, carrying on the manufacture of specialty papers at Ashland, Wisconsin;

AND WHEREAS the Company has made expenditures for logging railroads, camps and equipment, and lands representing an investment in excess of One Million Dollars (\$1,000,000.00) in the Province of Ontario;

AND WHEREAS the Company annually has afforded employment for over 500 men on an average in its bush operations, and in addition has purchased every year a large quantity of pulpwood from the settlers in Ontario;

AND WHEREAS the Company has applied to the Crown to be permitted to cut the timber on all of the Township of Orkney in the District of Algoma with the exception of that part now owned by the Transcontinental Timber Company, Limited, and it has been deemed advisable in the public interest to grant cutting rights upon the said Township as aforesaid upon the terms and conditions herein contained;

NOW THEREFORE THIS AGREEMENT WITNESSETH that the Crown, with the approval of the Lieutenant-Governor in Council and subject to the terms and conditions hereof, doth grant to the Company for a period of ten (10) years from the First day of April, A.D. 1943 the right to cut all kinds and classes of timber on the lands described in Schedule "A" attached hereto.

1. The Company shall pay to the Treasurer of the Province of Ontario on behalf of the Crown the following rates for timber cut:

(a) Spruce and Jackpine sawlogs per M.B.M., Doyle Scale, inclusive of Crown dues, and other sawlogs, poles and piling, at such prices as may be fixed by the Minister.

(b) Spruce pulpwood — \$1.45 per cord, inclusive of Crown dues.
Balsam pulpwood — 1.45 per cord, inclusive of Crown dues.
Jackpine pulpwood — .40 per cord, inclusive of Crown dues.
Fuelwood — .25 per cord, inclusive of Crown dues.

2. It is understood and agreed that the Crown will permit the Company to export pulpwood cut from the said area during the period ending December

31, 1946, and in the event of the exportation of pulpwood cut from public lands being permitted under any general Order of the Lieutenant-Governor in Council following the expiry of such period, the Company shall be entitled to export pulpwood cut from the said area during the period permitted by the Lieutenant-Governor in Council while this Agreement and any renewal thereof is in force, complying with the requirements from time to time imposed.

In addition to the rates to be paid by the Company for Spruce, Balsam and Jackpine pulpwood cut on the said area, for export, the Company shall pay to the Crown an export levy on such pulpwood as follows:

Spruce pulpwood —per cord .65

Balsam pulpwood —per cord .65

Jackpine pulpwood—per cord .25

In the event of the export levy on any species of pulpwood being increased or an export levy being imposed where none had previously been charged, the Company shall pay the increased or new levy in respect of pulpwood cut during the operating season in which such increased or new levy was imposed. And the Company shall be required to cut a minimum of 30,000 cords of pulpwood in each year during the currency of this Agreement or any renewal thereof.

3. The Company, upon the execution of this Agreement, shall deposit with the Crown the sum of Fifty Thousand Dollars (\$50,000.00) of lawful money of Canada, or such other security as the Minister may approve, and such deposit shall be held by the Crown as security for the due performance by the Company of its obligations hereunder.

4. The Company is granted under this Agreement no right to the soil or freehold of the said area or to the use thereof, except as may be necessary for cutting and removing the said timber as aforesaid, and operations incidental thereto, and it is distinctly understood that the right is hereby reserved to the Crown to deal with the lands above described, and the timber standing, growing and being thereon, for forest management and other purposes as the Minister may see fit, and in particular—but not so as in any way to limit the generality of the foregoing—it is hereby specially stipulated and agreed as follows:

- (a) the Crown reserves and excepts from the lands above described the right of way of any and all railways or travelled roads, islands, Indian reserves, and all lands under the water of all rivers, lakes and streams; also all lands heretofore patented, licensed, leased, located or applied for or in respect of which such proceedings have been taken or shall hereafter be taken as in the opinion of the Minister entitles or will entitle the applicant or applicants to a lease or patent of such lands, together with the right to sell, lease, locate or otherwise dispose of any lands within the areas described in the Schedule hereto annexed for settlement, mining, summer resort or other purposes on such terms and conditions as may be deemed advisable;
- (b) all water powers and privileges on the said areas or territory are reserved to the Crown;

- (c) the Company shall not have the right to cut or remove timber of any kind from any lands already under timber license or permit from the Crown without the special permission in writing of the Minister.

5. The Company shall, within three years from the date hereof, file in the Department of Lands and Forests a working plan prepared by the said Company providing a general scheme for the operation of the said limit in accordance with good forestry practice.

6. Before commencing operations for pulpwood in any operating season the Company shall pay to the Treasurer of the Province of Ontario a sum of money which shall be the equivalent of 20% of the total price to be paid to the Crown on account of the pulpwood proposed to be cut by the Company during such operating season. The balance of the amount owing by the Company for pulpwood cut during any operating season shall be paid on or before the First day of October in the calendar year in which such pulpwood is scaled and a return thereof is made to the Department of Lands and Forests, and in any event prior to the exportation of any of such pulpwood.

7. The Company shall pay annually in advance ground rent and fire protection charges at the rate of \$11.40 per square mile on an area of sixty-one square miles, commencing from the First day of April, A.D. 1943. Interest at the rate of 6% per annum shall be charged on ground rent and fire protection charges which remain unpaid after thirty days from the due date.

8. Pulpwood taken out in four or eight foot lengths shall be measured, returned and paid for on the basis of 128 cubic feet in each stacked cord. Pulpwood taken out in lengths in excess of eight feet shall be measured in the log on the cubic basis and each 100 cubic feet shall constitute a cord.

9. Proper sworn returns of the quantities of sawlog and pulpwood timber cut in each season shall be made to the Crown in conformity with the Crown Timber Regulations, and payment for the pulpwood shall be made as herein-before set forth and for sawlog timber in accordance with the Crown Timber Regulations, and the Crown shall have all the rights and powers in respect of enforcing such payment as are now provided under The Crown Timber Act. On all accounts which remain unpaid at the due date interest shall be charged until paid at the rate of 6% per annum.

10. It is agreed that the Company will furnish as the Minister shall direct, for domestic use, fifteen (15%) per centum of the pulpwood cut by it from the said area during any operating season, if required to do so by the Minister, and the price to be paid by the purchaser to the Company for such pulpwood shall be the prevailing market price in the district for pulpwood of the same quality produced in the same year and supplied in similar quantities for domestic use.

11. In addition to any pulpwood supplied in any operating season under the provisions of paragraph 10 hereof, the Company, upon notice being given to it by the Minister on or before the First day of July in such operating season, shall cut an additional quantity of Spruce and Balsam pulpwood not exceeding 10,000 cords, for domestic use from the said area or from any other area of public lands designated by the Minister, and such pulpwood shall be delivered as the Minister shall direct. In the event of such additional wood being cut from the said area, then the Minister shall make available a similar quantity

of wood to be cut by the Company from another area of public lands as advantageously located. The price to be paid to the Company by the purchaser for such pulpwood shall be as mutually agreed upon between them, and, in the event of a disagreement, shall be the prevailing market price in the district for pulpwood of the same quality produced in the same year and supplied in similar quantities for domestic use. The Company shall be entitled to require a purchaser to enter into a contract covering the sale and delivery of such pulpwood prior to the commencement of bush operations to produce such pulpwood.

12. The Company covenants and agrees that it will not supply, either direct or indirect, any of the pulpwood cut under the terms hereof for the manufacture of newsprint outside of the Dominion of Canada.

13. It is distinctly understood that the Crown does not guarantee any quantity of wood on the area hereby granted to the Company.

14. The Minister, or any officer or officers of the Department of Lands and Forests, shall have the right to inspect the timber operations on the allotted territory at any time. If such inspection shall show that the timber operations are carried on in such a way that any merchantable or valuable timber which should be removed is being left or destroyed, the Minister shall have the right to have the said timber estimated and charge the same to the Company at the same rate as if it had been actually removed pursuant to the terms of this Agreement, together with such penalty or penalties as the Minister may fix. The cutting and removing of the timber on and from the territory, or any part thereof, shall not be deemed to have been completed until it has been examined by an officer of the Crown, and the operation has been declared satisfactory by the Minister.

15. No refuse, sawdust, chemicals or matter of any other kind shall be placed or deposited in any river, stream or other waters which shall be or may be injurious to game and fish life.

16. All slash made about camps, dumps, along tote roads, railways, or any other areas which constitute a fire menace, shall be disposed of by and at the expense of the Company in accordance with The Forest Fires Prevention Act and amendments thereto and regulations made thereunder.

17. The Company shall co-operate to the satisfaction of the Minister in the purchase of all bona fide settlers' pulpwood. All bona fide accounts due for settlers' pulpwood purchased by the Company shall constitute a first claim against the Company.

18. This Agreement shall be subject to all Acts of the Legislature of the Province of Ontario which are now or which may hereafter be in force and all regulations duly made under the provisions of any such Acts, so far as they may be of general application to the cutting, measuring, removing and driving of timber on and from Crown lands throughout the Province, and the same shall apply to operations of the Company under this Agreement as fully and effectually as if they had been set forth herein.

19. The Crown agrees to permit the Company to use the waters of all rivers, lakes and streams within the cutting areas during the term of this Agreement for the driving of timber, and also the right to make, construct,

operate and maintain improvements therein and thereto for the purpose of facilitating the floating of timber. The construction, operation and maintenance of any improvements made upon any waters within the said cutting areas and the driving of timber shall be carried out subject to and in pursuance of The Lakes and Rivers Improvement Act, R.S.O. 1937, Chap. 45, and Regulations made thereunder.

20. The Company covenants and agrees to employ Canadian labour and to co-operate with the Crown in maintaining standard rates of wages and otherwise meeting all the requirements as may be provided by The Industrial Standards Act or such other statutory enactments in that behalf as are now or may hereafter be in force.

21. In the event of the Company making default in the performance of its obligations under the terms of this Agreement, the Minister may upon 60 days' notice in writing given to the Company at its Head Office at Port Arthur, Ontario, declare the cash deposit or security herein forfeited to the Crown and declare the rights of the Company hereunder forfeited and may order the retention in Ontario of all pulpwood cut under the terms of this Agreement which has not been exported at the date of such forfeiture. Provided, however, that any default on the part of the Company in the performance or observance of any of the provisions of this Agreement occasioned in whole or in part through strikes, fire, tempest, war, sabotage, action by princes or sovereign states, acts of God, or other causes beyond the control of the Company, shall not be deemed to be a default on the part of the Company.

The Minister shall have the right to waive all rights of forfeiture arising under this Agreement by reason of any default if, in the opinion of the Minister, the cause of such default justifies the waiving of such right, and thereupon this Agreement shall be construed and the Company's rights hereunder shall continue as though no such default had occurred.

22. The Minister may direct the Company to cut sawlogs, and if so directed the Company covenants and agrees that it will manufacture all log timber cut on the area above described into lumber, ties or other manufactured products to the satisfaction of the Minister in the Province of Ontario.

23. It is understood and agreed that the Company shall submit all contracts for the exportation of pulpwood cut on the above-mentioned area to the Minister for approval, and no pulpwood shall be exported under such contracts until such approval has been given. The foregoing shall not apply to contracts heretofore made which have already been submitted to and approved by the Minister.

24. It is understood and agreed that no operations other than those conducted by the Company shall be permitted on the said area without the consent in writing of the Minister.

25. If, upon the termination of said period of ten (10) years, the Company shall have fully performed the obligations imposed upon it, as set forth, to the satisfaction of the Minister, it shall be entitled to an extension of its rights under this Agreement for a further period of ten (10) years, or such period as the Minister may approve, at such prices and upon such terms and conditions as may then be fixed by the Minister.

26. In case of any disagreement as to the true intent and meaning of this Agreement, the same shall be referred to arbitration by three arbitrators under The Arbitration Act (Ontario) R.S.O. 1937, Chapter 109, and the award of such arbitrators shall be final and binding.

27. The Company hereby covenants and agrees to observe, perform and keep all the covenants, provisions, agreements and conditions on its part herein contained.

28. In this Agreement "Minister" shall mean the Minister of Lands and Forests for the time being of the Province of Ontario.

29. This Agreement shall be binding upon and enure to the benefit of the Company and its assigns, but this Agreement and the rights of the Company hereunder shall not be assigned without the prior knowledge and consent of the Minister.

IN WITNESS WHEREOF the parties hereto have executed these presents the day and year first above written.

TO THE HONOURABLE ALBERT MATTHEWS,
Lieutenant-Governor of the Province of Ontario.

MAY IT PLEASE YOUR HONOUR:

The undersigned begs respectfully to present to Your Honour the Annual Report of the Inspector of Legal Offices for the year ending 31st December, 1943.

L. E. BLACKWELL,
Attorney-General

Toronto, March 24th, 1944

Report *of the* Inspector of Legal Offices Ontario, 1943

Parliament Buildings,
Toronto, Ontario

THE HONOURABLE L. E. BLACKWELL, K.C.,
Attorney-General, Province of Ontario,
Parliament Buildings, Toronto.

SIR:

I have the honour to submit to you my report as Inspector of Legal Offices for the year ending 31st December, 1943.

During the past year the Auditors, Messrs. J. H. Dignam and F. J. Reddin, have visited all legal offices in the Province, with the exception of some of the more isolated Division Courts, and have audited the books of the various officials in the county and judicial district towns. Their reports show that these offices are being run in proper order and that the interest of the public is being adequately served.

Mr. H. C. Moore has paid particular attention to the various Land Titles and Registry Offices in northern Ontario, and finds in his visits that these offices and those in southern Ontario are well maintained and that the various Local Masters, Registrars and their staffs are careful and painstaking in their duties.

From time to time suggestions have been made and carried out in different offices for the improvement of the services rendered.

In my visits to different offices during the year I have found the same courtesy and consideration to the public and others prevailed, and have received every consideration from these officials in the administration of the different offices.

May I at this time stress the invaluable assistance that has been given to me by every member of the staff of this office. All work has been accomplished efficiently and in the most exemplary manner, and everyone deserves definite praise. All administration has, I believe, been carried on with little or no friction between the public and the various offices throughout the Province.

The following is the total revenue collected by the legal offices of the Province and the disposition of such money:

**TOTAL REVENUE COLLECTED DURING 1943
LEGAL OFFICES, PROVINCE OF ONTARIO**

Magistrates' Fines.....	\$ 171,220.68

1944

DEPARTMENT OF INSURANCE

TO THE HONOURABLE LESLIE E. BLACKWELL, K. C., M.P.P.

Minister in Charge of the Department of Insurance.

I have the honour to submit herewith the Sixty-fifth Annual Report of the Superintendent of Insurance for the year 1944, (business for the year ended December 31, 1943). This Report includes the Preliminary Tables respecting 1943 business as printed under date May 20, 1944.

The Report is arranged in four divisions, in addition to an index of all insurers licensed to carry on business in Ontario and classes of insurance for which authorized, as follows:

- I. Annual Statements.
- II. Annual Statement Abstracts.
- III. Statistical Tables.
- IV. Appendices.

The first division, entitled "Annual Statements," contains extracts from the Annual Statements filed with the Department by all licensed insurers, arranged alphabetically by class of insurer. Insurers registered under The Canadian and British Insurance Companies Act, 1932, or The Foreign Insurance Companies Act, 1932 (Dominion Acts), have been required to file only Modified Statements, summarizing their assets and liabilities and showing their underwriting experience within the Province only, with the Department, and this skeleton information only has been included in this Report.

Division II, entitled "Annual Statement Abstracts," contains tabulated summaries showing the financial condition of all joint-stock and cash-mutual fire insurance companies and fraternal societies not registered under the above mentioned Dominion Insurance Acts. Some discrepancies will be observed between the figures shown in these tables and those shown in the statements of individual insurers in Division I, the latter containing changes made as a result of inspection reports. In such cases the figures included in Division I should be understood to prevail.

Division III, entitled "Statistical Tables," shows in tabular form the premiums and losses of and other information pertaining to all licensed insurers, except mutual benefit societies.

Division IV includes, as "Appendices," certain miscellaneous information and a review of certain legislation enacted at the 1944 session of the Legislative Assembly of this Province.

LIFE INSURANCE

There were 41 companies licensed to write life insurance as of December 31, 1943, which was one more than at the end of the previous year. The new company was the Cuna Mutual Insurance Society of Madison, Wisconsin, U.S.A., which was licensed May 4, 1943. There are now 27 Canadian, 6 British and 8 American companies licensed.

Premium income received from Ontario policyholders has increased \$7,826,000 in 1943 to a total of \$113,765,000. This compares with an increase of \$7,300,000 in 1942 and increases of about \$2 million in each year 1940 and 1941. These premiums have increased steadily since 1935 when they amounted to \$87 million.

Premiums on all types of insurance increased in the year, with ordinary assurances increasing from \$71 to \$76 millions, while annuities showed the largest proportional increase from \$8,392,000 to \$9,853,000, or approximately 17%.

A comparative summary of premium income for the past five years is as follows:

	1943	1942	1941	1940	1939
Net Premium Income:					
Assurances: Ordinary	\$76,482,123	\$71,080,352	\$67,228,107	\$65,503,969	\$64,416,787
Industrial	21,401,105	20,740,238	19,135,278	19,025,189	18,986,346
Group	6,029,298	5,726,206	4,566,469	4,062,406	3,731,724
Annuities	9,853,197	8,392,614	7,702,159	7,587,547	7,021,777
Consideration for Sinking Fund Policies					500
TOTALS	\$113,765,723	\$105,939,410	\$98,632,013	\$96,179,111	\$94,157,134

Disbursements to policyholders in Ontario and their beneficiaries were increasing in recent years up to 1940, when they amounted to \$69 millions. Each year since they have shown substantial decreases, being \$64 and \$62 millions in 1941 and 1942 respectively and \$60,950,000 in 1943. These reductions have been mainly due to reduced amounts paid out in surrender values, which amounted to \$21, \$17 and \$13 millions in 1940, 1941 and 1942 respectively, as compared with \$10,154,000 in 1943.

The following is an analysis of disbursements to Ontario policyholders and their beneficiaries during 1943:

	1943				TOTAL FOR 1942
	ORDINARY	INDUSTRIAL	GROUP	TOTAL	
ASSURANCE CONTRACTS					
Death Claims	\$19,185,803	\$3,143,125	\$3,250,906	\$25,579,834	\$23,584,059
Matured Endowments	7,041,909	2,719,103		9,761,012	9,207,256
Surrender Values	7,477,126	2,675,164	2,285	10,154,575	13,734,855
Disability Claims	744,947	36,574	248,853	1,030,374	1,077,824
Dividends	8,686,095	2,214,990	323,767	11,224,852	12,005,560
TOTALS	\$43,135,880	\$10,788,956	\$3,825,811	\$57,750,647	\$59,609,554
ANNUITY CONTRACTS					
Payments to Annuitants	1,446,794	627	260,996	1,708,417	1,520,406
Surrender Values	854,845		204,833	1,059,678	903,279
Death Benefits	253,415		23,562	276,977	292,330
Disability Claims	4,315		35,181	39,496	31,246
Dividends	115,980			115,980	110,583
TOTALS	\$2,675,349	\$627	\$524,572	\$3,200,548	\$2,857,544
TOTAL PAYMENTS IN RESPECT OF ALL CONTRACTS	\$45,811,229	\$10,789,583	\$4,350,383	\$60,951,195	\$62,467,098

New business written in Ontario during 1943 amounted to \$398 millions in 1943, an increase of \$30 millions over that written in 1942, \$68 millions over 1941 and \$122 millions over the 1940 figure of \$276 millions. The number of new policies issued in 1943 is slightly less than in 1942, so the increase is due to an increase in the average new policy written, which was \$1,392 in 1943, as compared with \$1,272 in 1942 and \$1,018 in 1940.

Insurance in force in the Province of Ontario has increased in 1943 by \$283 millions to an amount of \$3,997 millions, as compared with an increase of \$254 millions in 1942. During the four years since 1939 this insurance in force has increased \$865 millions, as compared with an increase of \$347 millions in the four years 1936 to 1939.

A comparative summary of new insurance issued and amount in force as at December 31 for the years 1939 to 1943 inclusive is given below:

POLICIES IN ONTARIO	1943	1942	1941	1940	1939
New Issued:					
Number	286,021	289,223	296,652	271,718	258,945
Amount	\$398,212,328	\$367,966,881	\$329,995,138	\$276,659,803	\$274,578,462
Average Policy.	\$1,392	\$1,272	\$1,112	\$1,018	\$1,060
In Force Dec. 31:					
Number	3,160,081	3,050,018	2,928,007	2,829,575	2,796,297
Amount	\$3,997,471,647	\$3,714,400,345	\$3,459,787,079	\$3,252,147,913	\$3,132,854,556
Average Policy.	\$1,265	\$1,217	\$1,147	\$1,149	\$1,120

FRATERNAL INSURANCE

There were 44 fraternal societies licensed to operate in the Province of Ontario as at December 31, 1943, which is the same number as last year.

Total premiums and dues collected from members in 1943 were \$2,487,000, as compared with \$2,407,000 and \$2,393,000 in 1942 and 1941 respectively.

Disbursements to policyholders and beneficiaries in Ontario (excluding expenses) amounted to \$3,081,000 in 1943, as compared with \$3,009,000 in 1942.

New business written, both juvenile and adult, shows an increase of \$1,368,000 in 1943, as compared with an increase of \$520,000 in 1942 and \$700,000 in 1941. The amount of new business written in 1943 was \$5,919,000 of adult and \$1,614,000 of juvenile certificates. Adult mortuary certificates in force in Ontario increased from \$73,081,000 to \$74,427,000 in 1943, and juvenile certificates from \$3,914,000 to \$4,898,000.

FIRE INSURANCE

Three hundred and twenty-four companies had licenses to transact fire insurance in Ontario in 1943, two joint-stock companies being newly licensed during the year.

Net premiums written in Ontario by all companies were \$19,408,931, a decrease of \$992,606 from the 1942 figure. In 1941 and 1942 a large number of mercantile and manufacturing risks that were formerly renewed each year were written on a three-year basis at two and a half times the one-year premium rate, and these risks will not come up for renewal until 1944 and 1945. In addition the construction of new plants and additions to old passed its peak early in 1943, and the expansion in premium volume from this source was not maintained. Also in 1942 and 1943 there were substantial rate reductions on certain classes of risks. All of these factors would tend to cause a reduction in the amount of premiums written in Ontario during 1943.

Net premiums earned in 1943 were \$19,761,218, a decrease of \$484,221 from 1942. This decrease can be largely accounted for by reductions in premium rates.

Total net losses incurred in Ontario in 1943 were the highest in recent years, amounting to \$9,217,555, an increase of \$172,358 over the 1942 figure

of \$9,045,197, which represented an increase of \$1,529,718 over the 1941 figure. The ratio of net losses incurred to net premiums earned has increased to 46.64% in 1943, as compared with 44.68%, 39.80% and 40.39% in 1942, 1941 and 1940 respectively. Premiums earned and losses incurred for the various classes of insurers defined by the Act are tabulated below, together with the same figures for 1942. The experience of each insurer is shown in Table X, and a comparative summary appears in Table XIII on page 250.

	1943			1942

FARMERS' MUTUAL FIRE INSURANCE

(See Abstract Tables of assets, liabilities, receipts and disbursements on pages 80 to 87; loss ratios on pages 222 and 223; and other data on pages 208 to 210.)

Experience of the farmers' mutuals was again favourable in 1943, rounding out a decade of steady progress since the lean years of 1930-33.

Net insurance in force increased \$30.4 millions to \$636.5 millions, the number of policies increasing 6,000 to 206,600. As indicated by the following summary, individual renewals were considerably increased in 1943, and such increase was only partly offset by more extensive use of reinsurance.

NEW AND RENEWED POLICIES (ESTIMATED)	1942	1943	INCREASE	
			AMOUNT	%
Amount of Direct Insurance.....	\$209,700,000	\$240,100,000	\$30,400,000	14.5
Number of Direct Policies.....	57,900	59,900	2,000	3.5
Average Direct Policy.....	\$3,622	\$4,008	\$386	10.7
Amount of Reinsurance Ceded.....	\$18,700,000	\$27,100,000	\$8,400,000	44.9
Number of Reinsurance Ceded Policies.....	10,700	14,700	4,000	37.4
Average Reinsurance Ceded Policy.....	\$1,748	\$1,844	\$96	5.5
Amount of Net Direct Insurance.....	\$191,000,000	\$213,000,000	\$22,000,000	11.5
Number of Direct Policies.....	57,900	59,900	2,000	3.5
Average Net Direct Policy.....	\$3,299	\$3,556	\$257	7.8

Net losses paid increased \$30,000 to \$897,000 in 1943, and net losses incurred were up \$42,000 (4.8%) at \$925,000. Cost of management increased \$18,000 to \$373,000. In terms of cents per \$100 of the average amount of insurance in force during the year, the cost was 14.88c. for losses and 6.01c. for management, the combined cost of 20.89c. being up less than one-tenth of a cent. With the exception of 1942 (14.84c.), the 1943 loss cost of 14.88c. per \$100 of insurance is the lowest since 1909 (13.40c.).

Net premiums received increased \$67,000 to \$1,776,000, and net premiums earned were also up \$69,000 to \$1,749,000. Interest earned increased \$21,600 to \$196,000. The ratio of net losses incurred to net premiums earned increased slightly from 52.53 in 1942 to 52.89 in 1943, and the ratio of management expense to premiums earned also showed a small increase, from 21.16 in 1942 to 21.34 in 1943.

Aggregate surplus increased \$591,000 to \$5,355,000, which is equivalent to an increase of 5.5c. to 84.1c. per \$100 of net insurance in force. Liquidity (excess of bonds and cash over net unpaid losses, borrowed money and other cash liabilities) also increased sharply, by \$669,000 to \$6,172,000, or 97c. per \$100 of net insurance in force. These figures are net after donations of \$11,200 to the M.F.U.A. British Aid Fund and \$11,400 to the Red Cross and other war charities, as well as the setting aside of \$30,900 for refunds from surplus by five companies (Ayr, Canadian Millers', Dufferin, Otter, North Waterloo). General rate reductions were effected by five companies in 1943, and two others have done likewise to date in 1944. A total of 34 companies have now been approved to write at rates less than the minima prescribed by Section 114 of The Insurance Act, R.S.O. 1937, c. 256, and several of these have made more than one general reduction beneath such minima.

Early in 1942 the farmers' mutuals initiated a special fire prevention campaign to reduce losses 25% below the five-year average of 1937-41. In terms of cents per \$100 of insurance there was a reduction of 15% in 1942, and while the 1943 reduction of 13.2% was not quite as great, it was nevertheless commendable in a year in which there was a considerable increase in the general fire losses of Canada and of Ontario. This campaign is being continued in 1944.

Another recent development is a Supplemental Reinsurance Agreement which became effective among 25 of these companies on and after January 1, 1944. Under this agreement the underwriting scope of the companies party thereto is extended to considerably larger agricultural risks than they had heretofore been in a position to undertake.

AUTOMOBILE INSURANCE

One hundred and seventy-four companies were licensed to transact automobile insurance in Ontario in 1943, which is one more than in 1942. The new company is the Michigan Mutual Liability Company, which received a license in 1943 limited to operations in Ontario of vehicles owned and registered in the United States.

Net premiums written in 1943 were \$10,535,991, a decrease of \$1,305,007 from the 1942 figure, which in turn was \$1,474,566 less than the 1941 amount of \$13,315,564. These premiums showed regular and substantial increases from 1933 to 1941, and the decreases since that year are a result of wartime restrictions on automobiles and consequent reductions in premium rates.

Net premiums earned were \$11,275,704, which is a reduction of \$1,396,795 from the 1942 amount of \$12,672,499 and reflects the smaller amount of premiums written in the last two years.

Net losses incurred have been reduced \$388,486 to \$4,709,411, but the ratio of these losses to net premiums earned has increased from 40.23% in 1942 to 41.77% in 1943. The ratio in 1943 however is still less than in any

of the sixteen years from 1926 to 1941, as is shown in the following tabulation of premiums and losses from 1926 to 1943.

	NET PREMIUMS WRITTEN	NET PREMIUMS EARNED	NET LOSSES INCURRED	RATIO NET LOSSES INCURRED TO NET PREMIUMS EARNED
	\$	\$	\$	%
1926.....	3,743,532	3,657,994	2,037,903	55.7
1927.....	4,643,948	4,295,003	2,835,352	66.0
1928.....	6,280,675	5,670,656	3,603,260	63.5
1929.....	8,324,146	7,520,896	4,314,383	57.4
1930.....	9,361,901	8,934,508	4,378,698	49.0
1931.....	8,830,502	8,968,620	4,601,104	51.30
1932.....	7,769,765	8,017,672	3,805,268	47.46
1933.....	6,462,809	6,904,414	3,551,142	51.43
1934.....	6,931,896	6,748,426	4,007,387	59.38
1935.....	7,017,027	6,963,890	4,123,233	59.21
1936.....	7,920,609	7,553,033	4,717,954	62.46
1937.....	9,550,354	8,862,667	5,860,657	66.16
1938.....	10,409,413	10,048,543	6,043,133	60.14
1939.....	11,194,996	10,882,626	5,837,725	53.64
1940.....	12,135,244	11,750,570	6,700,382	57.02
1941.....	13,315,564	12,686,272	*6,751,708	53.20
1942.....	11,840,998	12,672,499	*5,097,897	40.23
1943.....	10,535,991	11,275,704	*4,709,411	41.77

*Does not include adjustment expenses.

The figures shown in the foregoing table afford a rough indication of the underwriting experience of the companies in the aggregate from the standpoint of the shareholders or members of the several companies; they do not indicate the reasonableness of the premium rates shown in any particular manual of rates or charged by any particular company, because insurers which are not member companies of the Canadian Underwriters' Association write approximately sixty per cent of the automobile insurance premiums reported for Ontario at "non-tariff" rates, which are generally lower than "tariff" rates.

CASUALTY AND MISCELLANEOUS INSURANCE

(OTHER THAN AUTOMOBILE)

The following table shows net premiums written and net losses incurred (excluding adjusting expenses) for 1943 for these classes of insurance.

CLASS OF INSURANCE	NET PREMIUMS WRITTEN	NET LOSSES INCURRED	RATIO NET LOSSES INCURRED TO NET PREMIUMS WRITTEN
	\$	\$	%
Accident—Personal	1,666,320	555,246	33.32
Accident—Public Liability	1,546,649	533,831	34.52
Accident—Employers' Liability	472,957	221,952	46.93
Accident and Sickness Combined	4,256,828	3,496,747	82.14
Aircraft	57,425	160,971	280.32
Boiler—Boiler	356,500	40,982	11.50
Boiler—Machinery	220,544	41,593	18.86
Credit	145,620	8,778	6.03
Earthquake	697		
Explosion	94,033	440	.47
Forgery	27,497	5,186	18.86
Guarantee—Fidelity	590,657	81,936	13.87
Guarantee—Surety	337,020	17,698	5.25
Hail	330,221	38,818	11.76
Inland Transportation	693,416	249,077	35.92
Live Stock	36,669	18,775	51.20
Marine	2,222,518	1,578,818	71.04
Personal Property	1,887,676	884,918	46.88
Plate Glass	284,843	153,626	53.93
Real Property	112,269	12,772	11.38
Sickness	1,043,490	749,097	71.79
Sprinkler Leakage	2,876	325
Theft	629,267	222,969	35.43
Weather	4,714	3,892	82.56
Windstorm	208,124	111,274	53.47
TOTALS	17,228,830	9,189,071	53.34
TOTALS FOR 1942	17,521,401	7,651,075	43.67

Net premiums written in 1943 are \$17,228,830, which is a reduction of \$293,000 from 1942. Accident and sickness insurance as well as personal property insurance show substantial increases in premiums written, but this has been offset by a decrease in marine premiums from \$4,513,000 in 1942 to \$2,222,000 in 1943. Net losses incurred have increased in 1943 by \$1,538,000, most of which is a result of higher losses in accident and sickness insurance. The ratio of net losses incurred to net premiums written is 53.34%, as compared with 43.67% in 1942, and is largely accounted for by increases in this ratio for accident and sickness insurance and for marine insurance, on which losses incurred were nearly as high as in 1942 on a greatly reduced volume of premiums.

RESIGNATION OF HARTLEY D. MCNAIRN, K.C.

Mr. Hartley D. McNairn, K.C., who succeeded Mr. R. Leighton Foster, K.C., as Superintendent of Insurance and Registrar of Loan Corporations, on November 1, 1935, resigned on April 30, 1944, to become Manager for Canada of The Prudential Assurance Company Limited, of London, England. He was succeeded on June 15th, 1944, by the undersigned.

The period covered by Mr. McNairn's term of office was marked by a continued improvement in underwriting practices, particularly in the field of automobile insurance, which is now standardized as to policy forms. Changes in the insurance law necessitated by the circumstances of war have been enacted for the purposes of clarification.

In addition to his regular duties under The Insurance Act and The Loan and Trust Corporations Act, Mr. McNairn was Secretary of the Ontario Civilian Defence Committee from December 1940, to June 1942, and Director of Warden Services until March 1944. He also rendered invaluable service in connection with the Wartime Industrial Transit Plan initiated by the Dominion Government, under which employees of war industries riding to and from work are protected by liability insurance effected with the car owner.

Mr. McNairn's term of office has been marked by continued progress in insurance supervision and legislation, and improved relationships between the companies and the Department and with the public.

R. B. WHITEHEAD

I ANNUAL STATEMENTS

(A) JOINT-STOCK INSURANCE COMPANIES

N.B.—The following is the note referred to at the foot of certain pages pertaining to Joint-Stock, Mutual, Cash-Mutual, Fraternal, Reciprocal and Miscellaneous Insurers, viz.:

The insurer is also registered pursuant to *The Canadian and British Insurance Companies Act, 1932*, or *The Foreign Insurance Companies Act, 1932*, as the case may be, and its affairs are reported upon in detail in the Annual Report of the Dominion Superintendent of Insurance. Accordingly it has been required to file only a modified statement with the Ontario Department as authorized by Regulations passed under Section 73 (2) of the Act.

Miscellaneous Statement

I. STATEMENT OF ACTUARIAL LIABILITIES

(1) Valuation of Assurance Policies and Annuity Contracts:

For the regular line business, the policies of insurance in force were grouped for valuation purposes according to the year of issue, plan and age nearest birthday in the year of issue. Prepared tables of mean reserves were used on the net level annual premium basis, and advantage was taken of the deductions permitted by The Ontario Insurance Act. The basis of valuation was as follows: Policies issued prior to 1931 were valued on the OM(5) table of mortality with interest at $3\frac{1}{2}\%$ per annum, and those issued in 1931 and subsequent years were valued on the AM(5) table of mortality with interest at $3\frac{1}{2}\%$ per annum. A limited number of special contracts were valued throughout on the OM(5) or the AM(5) tables of mortality with interest at $3\frac{1}{2}\%$ per annum. There was an exception to the foregoing in the case of the former Mutual Relief Life business reinsured by this Company in 1936, the entire amount of this business being valued by the AM(5) table of mortality with $3\frac{1}{2}\%$ interest. For business issued after September 1, 1942, the basis of valuation was the CM(5) 3% table, Canadian modification preliminary term insurance, this standard providing a reserve in excess of that required in accordance with The Ontario Insurance Act.

The Company has in force some fraternal insurance arising from the reinsurance of the Canadian Order of Odd Fellows and the Mutual Relief Life Insurance Company. In respect of policies in this section on the Whole Life plan, the business was grouped according to attained age in 1943, and the sums assured and net premiums were valued separately. For business on other plans in this section the policies were grouped for valuation purposes according to the year of issue, plan and age at issue, and prepared tables of mean reserves were employed. All policies in force in this section were valued according to the AM(5) table of mortality with interest at 4% per annum. An additional amount of \$42,325 was provided towards changing the reserve for the fraternal business to a more stringent basis.

For vested annuity contracts and single premium deferred annuities involving life contingencies, the basis of valuation was the Rutherford table with $3\frac{1}{2}\%$ interest rate, which basis provides a reserve in excess of that required under The Ontario Insurance Act. Contracts for immediate annuities for periods certain were valued on an interest basis of $3\frac{1}{2}\%$ per annum. A serialism method was used for the foregoing valuation of annuities. Contracts issued as annual premium deferred annuities, which did not involve life contingencies during the deferred period, were valued by accumulating the net premiums with interest at the rate of $3\frac{1}{2}\%$ per annum.

(a) Policies issued at premiums corresponding to ages higher than the true ages were valued as of the rated-up age.

(b) Policies issued subject to a lien or contingent debt were valued for the full amount of insurance.

(c) Policies otherwise issued on lives classed as substandard or special seem to be all included in categories (a), (b) and (d).

(d) Policies issued at, or subject to, an extra premium payable either in one sum or annually; ordinarily the latter only are issued, and a reserve equal to 50% of the gross extra premium is provided in the valuation.

(e) For policies providing for disability benefits, waiver of premium and other benefits (waiver of premiums only and waiver of premiums with monthly income without deduction from the sum insured) the additional liability was determined as follows:

(i) Before the occurrence of disability by the accumulation without interest of 50% of the gross extra premium for disability from the date of issue on the policies in force as of the date of valuation.

(ii) After the occurrence of disability the reserve provided was the present value of the future income payments and premiums to be waived on the basis of Hunter's disability table with interest at the rate of 3% per annum adjusted as follows, according to the year preceding the date of valuation that the claim was incurred: 50% first year, 75% second year, 85% third year, 95% fourth year, and 100% in the fifth year of disability and thereafter.

(f) Policies providing for additional accidental death benefits were valued as follows: For all policies in force a reserve of 62 $\frac{1}{2}$ ¢. per \$1,000 was set up, and in addition thereto, for policies where the premium paying period was less than the period of coverage, the excess amount of the premium paid for the double indemnity benefit over \$1.25 per \$1,000, such excess being accumulated at 3 $\frac{1}{2}$ % interest per annum.

(g) Annuities issued to lives classed as under average were valued as of the rated-up age on the basis of which the contract was issued substandard.

(h) Any other special classes of policies the foregoing statement appears to cover

(2) Items of Special Reserves:

(a) To cover future expenses for limited payment and single premium assurance policies and for immediate annuity contracts, no reserve is maintained.

(b) To make provision for benefits granted under contracts which may at any duration be in excess of the reserve computed in accordance with the basic method of valuation; the only forms in this category are certain classes of policies where the guaranteed values exceed the level premium reserve on the usual basis, and for these a pure endowment reserve was provided equivalent to the excess of the guaranteed value over the level reserve.

(c) To provide any amount, in excess of the cash value held, which may be made available upon the reinstatement of lapsed policies; no provision for this item was made, as the volume of policies lapsing always exceeds the amount of reinstatements.

(d) To cover the option of renewal under term policies, no reserve was provided.

(e) To cover the option of conversion, either during a fixed term or at the end thereof, into higher premium policies, the premium for the new policy being fixed according to the age at entry or the age at date of conversion, no reserve was provided.

(f) To cover any other contingency; excepting for the special contingency reserve noted in the balance sheet and the provision for unreported death and disability claims, no items of special reserve other than those described above appeared to be necessary.

II. INVESTMENT INCOME AND INVESTMENT EXPENSES

(1) Average rate of interest earned. The average rate of interest earned during the year 1943, on the basis of the net ledger assets at book value, was 4.30% according to the formula $21 \div (A + B - 1)$. The revenue interest for the year is determined by taking the cash interest income, including premium on foreign currency, plus the accrued interest as of December 31, 1943, less the accrued interest as of December 31, 1942, being the corresponding item. The book value of the net ledger assets as of the end of the year is \$11,927,138.78 in this statement, and for the beginning of the year by the corresponding item of the previous year's statement. On the basis of the mean ledger assets taken at the authorized values, the rate of interest was 4.43% by the same formula.

(2) Investment expenses. The investment expenses for 1943 amounted to \$29,127.00. These expenses were comprised of taxes \$4,266.38, salaries \$12,000.00, rents \$1,509.28, directors' fees \$3,000.00, auditors' fees \$1,000.00, commissions \$6,331.72, and miscellaneous \$1,019.62. In determining the basis of investment expenses not specifically allocated, an analysis of expenses by function is made from time to time.

III. ALLOCATION OF SURPLUS

(1) Basis for the distribution of surplus as between shareholders and policyholders. A separation of the funds of the Company as between participating policies, non-participating policies and shareholders has been made, and the surplus arising from participating policies is allotted on the basis of 90% to the policyholders and 10% to the shareholders.

(2) Method by which dividends for each class of assurance policies and annuity contracts were computed. The distribution of surplus is made on a three-factor contribution method, using the factors (i) gain from interest earned in excess of the amount required to maintain the policy reserve; (ii) gain from mortality, i.e. the difference between the claims experienced and the expected claims on the net amount at risk according to the method of valuation, and (iii) the gain from loading on premiums in excess of the expenses.

The interest surplus is taken at 0.50% of the mean reserve by the Canadian modified preliminary term method.

The gain from mortality is assumed to be 10% of the AM(5) table of mortality with a minimum of \$1.00 per thousand applied to the net amount of risk.

The gain from loading is taken as 50% of the excess of the gross premium over the net renewal premium by the Canadian modified preliminary term method AM(5) 3 1/2% and expenses of 7 1/2% of the gross premium plus \$3.00 per thousand per annum. In the case of endowment plans on the 1937 rate series the loading factor is a percentage of the (gross premium less the net renewal premium on the Canadian modified AM(5) 3 1/2% basis) graded from 5% at age 10 to 7 1/2% at age 50. In the case of the retirement income bond plan the loading factor is 50% of the (gross premium less the net premium and less the expense allowance of 5% of the gross premium plus \$7.50 per unit premium).

It is assumed that there are no dividends earned during the first policy year. Quinquennial dividends are derived by accumulating the annual profits as described above at 5% to cover interest and survivorship. The amounts of the cash dividend determined as described are converted into bonus additions, using the AM(5) 3 1/2% table, and are converted into premium reductions, using the annuities certain on the 3% interest basis.

Respecting policy proceeds left on deposit with the Company, the rate of interest for 1944 is 3% per annum, subject to the special guarantee of a higher rate in the case of a few policy contracts. Amounts pertaining to policy contracts in the form of premiums paid in advance are accepted subject to a rate of discount computed on a 2 1/2% interest basis.

The foregoing schedule is applicable for participating policies entitled to share in profits during 1944.

Annuities are issued by the Company only on the non-participating basis. No distinction in dividend clause is made as between policies with and without disability benefits.

IV. REASSURED CONTRACTS

This Company has business ceded to one company not licensed in any province of Canada, the particulars being as follows: Lincoln National Life Insurance Company; amount of insurance \$9,270, reserve \$278, as of December 31, 1943.

AT END OF 1943.....	912	912,000

Total amount of mortuary certificates in force at end of year analyzed as to plan—Term, \$912,000.

Actuary's Valuation Balance Sheet, December 31, 1943

MORTUARY FUND

Liabilities	
Value of future claims from 912 members.....	\$207,500 00
Outstanding claims.....	2,000 00
TOTAL.....	\$209,500 00
Assets	
Value of 93% of future premiums from 912 members.....	\$167,230 00
Book value of bonds.....	28,950 00
Cash.....	6,590 00
Accrued interest.....	190 00
Deficit.....	6,540 00
TOTAL.....	\$209,500 00

The basis of the above valuation was the AM(5) Table of Mortality with 3% interest, and it was assumed that 93% of future premiums would be allocated to the Mortuary Fund.

The rate of interest earned in the Mortuary Fund in 1943 was 2.15%.

The ratio of actual to expected claims in 1943 was 46%.

The above valuation was compiled by M. A. Mackenzie, M.A., Fellow of the British Institute of Actuaries.

Total amount of mortuary certificates in force at end of year analyzed as to plan—Life, \$3,889,417; Limited Life, \$1,528,470; Endowment, \$959,046; Term, \$186,450; other plans, \$551,400. Total, \$7,114,783.

Miscellaneous

Number and amount of mortuary and juvenile certificates in force at end of year providing for waiver of premium in case of disability: Mortuary certificates—number, 2,662; amount, \$2,131,600. Juvenile certificates—number, 93; amount, \$40,600.

Actuary's Valuation Balance Sheet, December 31, 1943

ADULT MORTUARY FUND

Assets

Book value of bonds not in default.....	\$2,085,659	93
Authorized value of bonds in default.....	291,020	43
Value of real estate.....	32,000	00
Policy loans.....	148,120	85
Cash.....	42,310	53
Quebec deposit.....	5,001	18
Non-ledger assets (excluding interest due).....	40,181	48
TOTAL.....	\$2,644,294	40

Liabilities

Reserves per valuation summary.....	\$2,330,561	00
Reserve for Grand Council meeting.....	2,500	00
Reserve for dividends.....	10,000	00
Accrued liabilities.....	57,574	20
Surplus.....	243,659	20
TOTAL.....	\$2,644,294	40

Basis of the above valuation was:

(a) For certificates issued prior to October 1, 1937—AM(5) Table of Mortality using continuous functions, and interest at $3\frac{3}{4}\%$ for certificates under the Whole Life plan, and interest at $3\frac{1}{2}\%$ for all other plans. The net premiums valued were the gross premiums less 5% of the gross premiums and \$3.75 per thousand per annum.

(b) For certificates issued on and after October 1, 1937—AM(5) Table with interest at $3\frac{1}{2}\%$. A modified preliminary term method was used by which the allowance under any certificate, for first-year expenses, was limited in the valuation to the amount of the 20 Payment Life premium for the amount of insurance and for the age of entry under the certificate valued.

Average rate of interest earned on ledger assets was 4.49%.

The mortality experienced on the gross amount at risk was 64.5% of the expected up to age 59 and 90.8% from age 60 up. The total mortality on the gross amount at risk was 87.8%.

Amount of insurance valued was \$6,563,383.

Ratio of assets to liabilities was 110.1%.

JUVENILE MORTUARY FUND

Assets

Book value of bonds not in default.....	\$ 36,169	16
Authorized value of bonds in default.....	1,600	00
Cash.....	2,421	96
Policy loans.....	397	02
Non-ledger assets (excluding interest due).....	1,380	20
TOTAL.....	\$ 41,968	34

Liabilities

Reserves per valuation summary.....	\$ 28,279 00
Other liabilities.....	501 19
Dividend reserve.....	1,000 00
General reserve.....	1,500 00
Surplus.....	10,688 15
TOTAL.....	\$ 41,968 34

Basis of the above valuation was Bowerman's extension of the AM(5) Table with interest at 3 1/2%. For plans issued prior to 1939, the net premium valued was 60% of the gross premium. The plans issued from 1939 on were valued on the net level premium basis, using the AM(5) Table and 3 1/2% interest.

Insurance valued (maximum) was \$551,400.

Ratio of assets to liabilities was 131.2%.

SICK BENEFIT FUND**Assets**

Book value of bonds not in default.....	\$161,999 62
Authorized value of bonds in default.....	17,395 72
Cash.....	4,834 05
Non-ledger assets (excluding interest due).....	3,793 92
TOTAL.....	\$188,023 31

Liabilities

Reserves per valuation summary.....	\$114,757 00
Other liabilities.....	4,129 18
General reserve.....	6,000 00
Surplus.....	63,137 13
TOTAL.....	\$188,023 31

Basis of valuation: The certificates issued under the sickness plan in force prior to 1937 were valued upon the basis of the M.U.O.O.F. Table and 3 1/2% interest, Occupation Group A. H. J., Area 1, Rural and Urban combined, using the first three months' sickness only. The net premiums valued were 60% of the gross premiums. The new plans issued from 1937 on were valued on the basis of the same table, using the first twelve months' sickness. A modified preliminary term method was used by valuing the net premiums at age of entry, plus six months, according to the table used in the valuation. Basis of funeral benefits—AM(5) Table with 3 1/4% interest.

Ratio of assets to liabilities was 150.6%.

All the above valuations were compiled by S. H. Pipe, F.A.S., F.A.I.A., A.I.A., Toronto.

Actuary's Valuation Balance Sheet, December 31, 1943

MORTUARY FUND

Liabilities

Net reserves on policies, including vested bonuses	\$344,220 00
Outstanding claims and provision for unreported claims	8,520 00
Value of 1% of future premiums payable to secretaries	8,290 00
Reserve for contingencies	20,000 00
Surplus	31,540 00
TOTAL	\$412,570 00

Assets

Bonds not in default at book value	\$372,340 00
Bonds in default at authorized value	8,700 00
Accrued interest on bonds not in default	4,370 00
Loans on policies	18,120 00
Cash on hand	9,040 00
TOTAL	\$412,570 00

The basis of the above valuation was the AM(5) Table with interest at 3%. The premiums valued were 92% of future premiums, and the reserve includes an annual allowance of \$2.00 per \$1,000 of the sums assured in force. In addition, a special reserve has been set up to take care of the 1% commission payable to secretaries on gross premiums to be collected on policies now in force.

The rate of interest earned during 1943 on the mean ledger assets was 4.45%.

Ratio of actual claims incurred during 1943 to expected claims by the AM(5) Table of Mortality was 89.2%.

The ratio of assets to liabilities was 108.3%.

FUNERAL FUND

Assets

Book value of bonds not in default.....	\$ 24,620 00
Accrued interest on these bonds.....	200 00
Authorized value of bonds in default.....	7,270 00
Cash.....	630 00
TOTAL.....	\$ 32,720 00

Liabilities

Provision for unreported claims.....	\$ 1,800 00
Net liability for the members' funeral benefits alone.....	145,730 00
	147,530 00

AMOUNT BY WHICH THE NET LIABILITY FOR THE MEMBERS' FUNERAL BENEFIT ALONE EXCEEDS THE FUNDS ON HAND.....	\$114,810 00
--	--------------

The basis of the above valuation was: 1924-1929 Ultimate Table with interest at 4%.
The liability valued was the funeral benefit of \$100 payable on the death of a member only.
No liability has been calculated for the funeral benefits payable to members' wives or children.
The premiums valued were 92% of the future premiums payable.

The rate of interest earned during 1943 was 4.64%.

The valuation was compiled by N. E. Sheppard, M.A., F.I.A.

Actuary's Valuation Balance Sheet, December 31, 1943

MORTUARY FUND

Assets

Funds applicable to benefits.....	\$4,346,085 43
Present value of contributions.....	5,021,331 00
Sickness benefits paid as a lien on certificates in force.....	78,187 76
TOTAL.....	<u>\$9,445,654 19</u>

Liabilities

Present value of benefits.....	\$9,242,240 00
Claims payable by instalments.....	6,402 50
Commuted value of disability claims.....	9,062 00
Other liabilities.....	35,525 00
Surplus.....	152,414 69
TOTAL.....	\$9,445,654 19

The basis of the above valuation was the National Fraternal Council Table with interest at 4%.

Ratio of actual to expected claims during 1943 was 78.2%.

The rate of interest in 1943 on the total assets of the society was 4.23%.

Total insurance valued was \$22,065,195.

SICKNESS FUND**Assets**

Funds applicable to benefits.....	\$ 426,598 22
Present value of contributions.....	742,269 00
Negative values included (20%).....	10,738 00

MISCELLANEOUS AND CONSTATING INSTRUMENTS

Les Prevoyants du Canada is an organization founded in the Province of Quebec in the year 1909, incorporated that year by private act of Quebec, cited 9 Edward VII, c. 121. Its charter was amended in 1911 (1 Geo. V, c. 89); again in 1918 (8 Geo. V, c. 122); again in 1921 (11 Geo. V, c. 148), and again in 1930 (20 Geo. V, c. 142). In 1926 it applied for permission to carry on business in Ontario, and the following year The Ontario Insurance Act was amended to provide for the licensing of such organization as a new class of insurer called "pension fund associations" (vide Stat., Ont. 1927, c. 50). This organization subsequently received its initial Ontario license under date of December 3, 1927.

The charter was again amended in 1942 (6 Geo. VI, c. 142), whereby the Company was authorized to enter into contracts of life insurance and to assume the assets and liabilities of the Annuity Fund (La Caisse de Retraite) and the Reimbursement Fund (La Caisse de Remboursement).

This Act also changed the basis on which pensions were to be paid to members of the Pension Fund, as follows:

"Notwithstanding any provision to the contrary, the rate of the annual pensions shall be established in such a way that the present value of the pensioners' pensions at any time and the accumulated assessments of the members shall correspond to the net assets of Les Prevoyants du Canada (Fonds de Pension)."

For detailed description of funds and method of operation see 1928 Report, page 351.

NOTE.—Beginning 1924, companies were required to set up in their annual statements, 80% liability for unearned portions of cash payments paid three years in advance; beginning 1931, they were further required to set up 80% liability for unearned portions of annual instalments of cash payments. Total liabilities increased accordingly.

IV APPENDICES

APPENDIX I

REVIEW OF 1944 LEGISLATION

At the 1944 session of the Legislature, the following amendments to The Insurance Act were enacted by sections 5, 6 and 7 of The Statute Law Amendment Act, 1944 (Statutes of Ontario 1944, Chapter 58). The Legislature prorogued on April 6th and the amendments came into force sixty days after that date.

By section 5, subsection 5 of section 114 of The Insurance Act is repealed and re-enacted as follows:

“(5) The directors may declare a refund from surplus provided that

- (a) on the effective date of the refund the net surplus of the insurer after deducting the total amount of the refund shall, in terms of cents per hundred dollars of net insurance in force, be not less than the amount set out in the following table, or, in the case of an insurer with less than two million dollars of net insurance in force, such other amount as shall be approved by the Superintendent;
- (b) except as hereinafter provided, the refund shall apply on all policies in force on the effective date thereof;
- (c) the refund on each policy shall be in the same ratio to the total refund as the face value of the premium note is to the total face value of all premium notes in force at date of refund, or, that the refund on each policy shall be a fixed percentage of the annual instalment or of one-third of the cash payment for three years in advance, as the case may be; and
- (d) the by-laws of the insurer require that refunds shall be payable only to members insured continuously in the said insurer during the three years preceding the effective date of the refund.

TABLE

When the total net amount at risk is greater than \$25,000,000	\$0.60
When the total net amount at risk is greater than \$10,000,00070
When the total net amount at risk is greater than \$5,000,00080
When the total net amount at risk is greater than \$2,000,000	1.00

Section 114 is also amended by adding thereto the following subsection:

“(7) Subject to the exceptions in subsection 6, the provisions of subsection 5 shall apply to any distribution of surplus to members other than a distribution for the purposes of winding-up or reinsurance of the insurer.”

By these amendments certain of the procedural requirements of section 114 which provides for the making of refunds from surplus to policyholders by farm mutual insurance companies are removed as being unduly restrictive and the method is left to the discretion of the directors.

By section 6, subsection 5 of section 205 of The Insurance Act is amended by adding at the commencement thereof the words “subject to subsection 5a” and section 205 is also amended by adding thereto the following subsection:

“(5a) Where a policy provides for extended coverage in respect of loss or damage resulting from bodily injury to, or the death of, any person being carried in or upon, or entering, or getting on to, or alighting from, an automobile operated in the business of carrying passengers for compensation or hire subsection 5 shall apply only to that part of such extended coverage,—

- (a) which exceeds any minimum coverage required by this Act; or
- (b) where a greater minimum coverage is required by or pursuant to any other Act of, or in force in, the province, which exceeds such greater minimum coverage.”

The purpose of these amendments is to extend the absolute liability provisions of The Insurance Act to apply to passengers in cars operated for hire or compensation.

By section 6 (3), subsection 7 of section 205 of The Insurance Act is repealed and the following substituted therefor:

- "(7) Where an insurer denies liability under a motor vehicle liability policy it shall have the right upon application to the court to be made a third party in any action to which the insured is a party and in which a claim is made against the insured by any party to the action for which it is or might be asserted that indemnity is provided by the said policy, whether or not the insured enters an appearance or defence in such action, and upon being made a third party such insurer shall have the right to contest the liability of the insured to any party claiming against the insured, and to contest the amount of any claim made against the insured to the same extent as if a defendant in the action, including for such purpose the right to deliver a statement of defence to the claim of any party claiming against the insured and to deliver other pleadings and to have production and discovery from any party adverse in interest and the right to examine and cross-examine witnesses at the trial."

By this amendment provision is made for an insurance company to be added as a third party in any action against its insured with the same right to defend as if it were a defendant in the action.

By section 7, clause (c) of section 230 of The Insurance Act is amended to read as follows:

- "(c) if it undertakes old age or endowment insurance other than as authorized in sections 254 and 255, or annuities upon lives other than annuities issued as part of or arising directly from contracts of life insurance; or"

Heretofore fraternal societies were not permitted to write annuity contracts. The amendment makes provision for such contracts to be written as part of their life insurance contracts.

THE ACTIVE SERVICE LIFE INSURANCE PROTECTION ACT, 1944

By this Act, 8 Geo. VI, Chapter 3, provision is made for the protection of life insurance on the lives of members of the forces. "Member of the forces" is defined to include both members who have volunteered for active service and any such member who having been discharged from the forces is receiving treatment under the Department of Pensions and National Health or who is participating in a rehabilitation scheme which has been designated by the Lieutenant-Governor-in-Council. The policies of insurance which come under the Act are indicated in the definition of "policy."

Provision is made for the establishment of the Acting Service Life Insurance Protection Board. The Act authorizes the Board to extend the protection of the Act to insurance policies on the life of a member of the forces not exceeding a total of \$10,000 of insurance.

Section 15 of this Act provides that it shall come into force on a day to be named by the Lieutenant-Governor by his proclamation. It has not been proclaimed in force at the date of this report.

THE MUNICIPAL AMENDMENT ACT, 1944

By subsection 5 of section 36 of The Municipal Amendment Act, 1944, paragraph 41a of section 404 of The Municipal Act as enacted by subsection 2 of section 23 of The Municipal Amendment Act, 1939, other than the clauses, is repealed and the following substituted therefor:

- "41a For providing, by arrangement either with His Majesty pursuant to The Government Annuities Act (Canada) or with an insurer licensed under The Insurance Act or with both, His Majesty and an insurer as aforesaid, pensions for employees or any class thereof and their wives and children."

This amendment removes the requirement of a petition of not less than 75 per cent of the employees.

An amendment to the definition of "employee" extends the definition to persons designated as such by the department and to include "part-time" employees.

NOTE

Section 123 of The Loan and Trust Corporations Act (R.S.O. 1937, Chapter 257) provides as follows:—

123.—(1) No corporation shall, under the penalty of becoming disentitled to registry or of having its registry suspended or cancelled, make, print, publish, circulate, authorize, or be a party or privy to the making, printing, publishing, or circulating of any statement or representation that its solvency or financial standing is vouched for by the Registrar or that the publication of its statement in his report is a warranty or representation of the solvency of the corporation, or of the truth or accuracy of such statement in any particular.

DEPARTMENT OF INSURANCE

TO THE HONOURABLE LESLIE E. BLACKWELL, K.C., M.P.P.,

Minister in charge of the Department of Insurance.

Sir :

I have the honour to submit herewith, as required by The Loan and Trust Corporations Act, the Forty-seventh Annual Report of the Registrar of Loan Corporations. It shows the particulars of the business of each registered loan corporation, loaning land corporation, and trust company doing business in Ontario during 1943, as ascertained from its annual and other returns and from the inspection and enquiries made by the Chief Inspector and his staff. Detailed statements of the individual corporations are grouped herein in accordance with these three classifications recognized by the Act and are further arranged in alphabetical order. In addition, statistical tables, tabulated summaries and comparative statements are included as shown in the Table of Contents.

The annual returns of the corporations covering their 1943 business were filed with the Department at the end of February, 1944. Upon filing, each return was carefully checked and a preliminary Abstract of this Report showing assets, liabilities, revenue accounts, profit and loss accounts and mortgage summaries was prepared and issued under date of April 15th, 1944. The remaining months of the year were required to complete the annual inspection of the corporations, and to determine what changes, if any, should be made in the individual statements of the corporations as a result of such inspections. Any such changes made have not been carried, by reason of the time and expense involved, into the statistical tables and summaries at the end of this report which are reprinted without change as they appeared in the preliminary Abstract.

I have the following registry changes to report:

Niagara Falls Loan and Savings Company, Guaranty Trust of Canada.

An agreement between these companies dated 20th day of December, 1943, ratified by shareholders of both companies on the 29th and 30th days of December, 1943, respectively, whereby the assets and liabilities of the loan corporation were taken over and assumed by the trust company as of the 13th day of January, 1944, was approved by an order-in-council dated the 13th day of January, 1944.

*The Landed Banking and Loan Company,
Canada Permanent Mortgage Corporation.*

An agreement between these companies dated 6th day of July, 1944 ratified by

shareholders of both companies on the 28th day of September, 1944, respectively, whereby the assets and liabilities of The Landed Banking and Loan Company were taken over and assumed by the Canada Permanent Mortgage Corporation as of the 18th day of October, 1944, was approved by an Order-in-Council dated the 18th day of October, 1944.

REVIEW OF 1943 BUSINESS

Introduction:

The Statistical Tables included at the end of this Report have been used for comparative purposes in preparing the following review of 1943 business.

Loan Corporations:

Total assets of Loan Corporations have increased \$4,470,000 during 1943 to a total of \$199,056,000. This increase is mainly due to an increase of \$3,942,000 in Deposits that now amount to \$37,381,000. This is the largest amount held on deposit by these companies since 1930, when they were \$38,684,000, and contrasts with a gradual decrease from \$35,444,000 in 1939 to \$33,439,000 in 1942. As a result of the further redemption of debentures payable in Sterling, debentures payable outside of Canada have continued the steady decrease that has been evident since the start of the war. These were reduced by \$2,061,000 in 1943 to a total of \$17,972,000 as compared with \$27,184,000 in 1938. Debentures payable in Canada increased \$515,000 during the year to a total of \$74,737,000.

The increase in total assets of Loan Corporations is represented by an increase of \$12,762,000 in Dominion of Canada (and Guaranteed) bonds which is very much greater than the increase in any prior year. In 1941 the total of these bonds was \$12,800,000, in 1942 \$15,700,000 and in 1943 \$28,493,000. The increase this year is therefore almost equal to the entire holdings of this class of bonds in 1941. The percentage of Dominion of Canada bonds to total assets is 14.31% as compared with 8.08% in 1942 and 6.41% in 1941. Holdings of Cash have also increased by 1.3 millions in 1943 to \$9,622,000 and the percentage of total assets held in Cash and Dominion Government bonds has increased from 11.08% in 1941, to 12.37% in 1942 and 19.15% in 1943.

Mortgages have been reduced \$8,864,000 in 1943 as compared with a reduction of \$5,455,000 in 1942 while Real Estate held for sale has decreased \$903,000. It is evident that collections on mortgages have been particularly good in 1943 while sales of real estate have been active; this has been especially true in the western provinces where farm income has been higher than for many years. The heavy cash collections from these sources, together with a large increase in deposits made by the public has resulted in the companies holding large sums for which there is little outlet in new investment other than Dominion Government bonds.

Trust Companies:

Total assets of Trust Companies (exclusive of those held for estates, trusts and agencies) show an increase of \$7,677,000. Company fund assets of \$61,518,000 show a decrease of \$383,000 due partially to a decrease in borrowed money by one of the larger Trust Companies. Guaranteed fund assets totalling \$143,561,000 have increased

\$8,060,000 due to an increase in Trust Deposits of \$4,471,000 and an increase in Guaranteed Certificates of \$3,719,000.

Total deposits of both Loan and Trust Corporations at December 31st, 1943, were \$96,885,000 as compared with \$88,472,000 at December 31st, 1942, an increase of \$8,413,000 which reflects the saving ability of the earning public notwithstanding the amounts invested in Victory Loan bonds.

Dominion government bonds have increased by \$16,865,000 and now represent 16.13% of company funds and 30.09% of guaranteed funds as compared with 11.46% and 21.52%, respectively in 1942.

Real Estate holdings, due to sales, were greatly reduced in 1943 having decreased \$1,706,000 as compared with 1942. Mortgages held in Company and Guaranteed Funds have been reduced \$5,827,000 in 1943, as compared with a reduction of \$2,804,000 in 1942.

Estates, Trusts and Agencies:

Total assets in this section have increased during the year by \$88,000,000 to a figure of \$2,571,269,000.

Office Premises:

The total investment in Office Premises for Loan and Trust Corporations amounted to \$11,107,000. This is a decrease of \$289,000 from the previous year's total of \$11,396,000 which is due to the customary annual write-downs.

Real Estate Held for Sale:

The year 1943 was a very active year again in the sale of real estate for all companies in Canada. Farm sales in Western Canada, owing to improved conditions in the Prairie Provinces, have resulted in a further reduction in Real Estate held for sale. The demand for urban properties, particularly dwelling houses holds firm throughout the West as well as the East, but is somewhat restricted as a result of restrictions which the Rental Control Board has found necessary to impose.

Real Estate held for sale by all Loan and Trust Corporations showed a substantial decrease of \$2,611,000 during 1943 from a total of \$16,569,000 in 1942 to \$13,958,000 in 1943. In 1941 the amount of Real Estate held for sale was \$19,368,000.

Holdings of Real Estate by Loan Corporations now represent 4.3% of total assets as compared to 4.9% in 1942, 5.5% in 1941, 6.01% in 1940, 5.78% in 1939 and 1.5% in 1926.

Trust Company holdings are 8.5% of total Company Funds as against 11.2% in 1942, 13.7% in 1941, 15.9% in 1940, 15.8% in 1939 and 3.67% in 1926.

Mortgage Loans:

Total mortgages of both Loan and Trust Corporations are carried at balance sheet figures of \$189,211,000, a reduction of \$14,691,000 from the total in 1942 of \$203,901,000. Increased repayments of principal has been the experience of all companies in the West as well as the East which has created a most satisfactory condition. This has been due to a marked improvement in the position of Western Canadian

farmers and the continued high level of employment in urban centres. The reduction in principal has been proportionately the same for both Loan and Trust Companies. The Loan Corporations reducing their mortgages \$8,864,000 to \$120,619,000, while those of Trust Companies have been reduced \$5,827,000 from \$74,419,000 to \$68,592,000.

The summary of mortgages at the end of this Report shows a segregation of Farm and Urban mortgages by provinces, based on the gross book values before the deduction of special reserves for balance sheet purposes. The total value of mortgages for both Loan and Trust Corporations shown in this summary is \$198,578,000, which is some \$9,367,000 greater than the amount at which they are carried in the companies' balance sheets and consists of \$133,585,000 in mortgages in Eastern Provinces and \$64,993,000 in Western Provinces. The amount of Western mortgages held by Loan and Trust Corporations has been steadily decreasing in recent years, being \$73,688,000 in 1942 and \$77,100,000 in 1941.

The following table shows the trend of mortgages of both Loan and Trust Corporations, as divided between Western and Eastern holdings for the years 1938 to 1943 inclusive.

<i>Western</i>	<i>Principal</i>	<i>Interest Charged and Past Due</i>
1938	\$80,006,000	\$5,188,000
1939	77,632,000	5,008,000
1940	75,072,000	5,353,000
1941	72,086,000	5,015,000
1942	68,680,000	5,008,000
1943	61,102,000	3,891,000
<i>Eastern</i>		
1938	153,350,000	2,042,000
1939	152,426,000	1,834,000
1940	149,103,000	1,581,000
1941	146,014,000	1,222,000
1942	140,175,000	856,000
1943	132,970,000	615,000

A segregation between Farm and Urban mortgage principal owing has been made for 1942 and 1943 and the figures for these two years are as follows:

<i>Western</i>	1943	1942
Farm	\$44,015,000	\$49,140,000
Urban	17,087,000	19,540,000
Total	61,102,000	68,680,000
<i>Eastern</i>		
Farm	7,937,000	8,632,000
Urban	125,033,000	131,543,000
Total	132,970,000	140,175,000
Total Farm	51,952,000	57,772,000
Total Urban	142,120,000	151,083,000
Grand Total	194,072,000	208,855,000

Collateral Loans:

The total of these loans for both Loan and Trust Corporations has substantially decreased this year from the previous year. The total this year is \$14,382,000 as compared with \$16,096,000 in 1942.

Bonds and Debentures:

Bonds and Debentures held by Loan Corporations total \$41,655,000 and by Trust Companies \$87,239,000, a total for both Loan and Trust Corporations of \$128,894,000, which represents an increase of \$28,228,000 over the previous years total of \$100,666,000.

The investment in Dominion Government bonds has increased \$29,629,000, while Provincial, Municipal and other bonds have decreased \$1,401,000.

The following table shows the trend of Bonds and Debentures of Loan and Trust Corporations for the years 1941 to 1943 inclusive.

	1941	1942	1943
Dom. of Canada ..	\$41,648,000	\$ 51,989,000	\$ 81,618,000
Provincial ..	23,187,000	23,134,000	22,526,000
Municipal ..	12,162,000	11,188,000	11,267,000
Other ..	17,441,000	14,355,000	13,483,000
Total ..	94,438,000	100,666,000	128,894,000

In 1942 and 1943 these companies have been able to invest some 40 million dollars in Government Victory Bonds and this has been possible because of the substantial payments being made on mortgages that are not reinvested in new mortgages, while cash payments made on numerous sales of Real Estate have also provided funds for investment. In 1943 there was also a substantial increase in the amount of deposits left with these companies by the public.

Holdings of Dominion of Canada bonds have increased from 10.4% of total assets of Loan and Trust Companies in 1941 to 22% in 1943 and this trend, if continued, is bound to decrease the average interest return on investments and may perhaps compel a reduction in the rates of interest paid on deposits, debentures and guaranteed funds.

Stocks:

The holdings of stocks by Loan Corporations increased \$634,000 in 1943 to a total of \$11,282,000, while Trust Companies' holdings at \$11,383,000 show an increase of \$1,437,000.

Cash:

Cash held by Loan Corporations increased \$1,283,000 to a total of \$9,622,000 in 1943 as compared with a total of \$8,339,000 in 1942 while total cash held by Trust Companies decreased \$146,000 to a total of \$10,146,000 in 1943.

Earnings:

Net profits of Loan Corporations (excluding transfers to and from investment reserves) amounted to \$3,067,700 as compared to \$2,990,000 in 1942. Trust Companies' net profits on the same basis were \$2,658,800 as compared with \$2,284,000.

The net amount transferred to investment reserves that has been eliminated from the above figures is \$856,600 for Loan Corporations and \$418,400 for Trust Companies, which compares with \$888,000 and \$271,000 respectively in 1942.

Dividends:

Dividends declared by Loan Corporations in 1943 amounted to \$1,971,000 and by Trust Companies to \$1,623,000 as compared with \$1,986,000 and \$1,632,000 respectively in 1942.

Liquid Position:

The percentage of liquid securities held by Loan and Trust Corporations that accept deposits to the amount of deposits was 96.88% on December 31st, 1943, as compared with 80.41% in 1942, 72.24% in 1941, 69.71% in 1940, 67.35% in 1939.

All of which is respectfully submitted.

A handwritten signature in dark ink, appearing to read "A. W. Leitch", is written over a horizontal line.

Registrar of Loan Corporations.

Toronto, November 15th, 1944.

Principal 146,331 60
Interest 24,302 70

CONSTATING INSTRUMENTS

This corporation was incorporated under Special Act of the Dominion of Canada, 62-63 Victoria (1899), c. 101, under the name of "The Canada Permanent and Western Canada Mortgage Corporation," for the purpose of acquiring the assets and business of the Canada Permanent Loan and Savings Company, the Western Canada Loan and Savings Company, the Freehold Loan and Savings Company, and The London and Ontario Investment Company, Limited, which several purchases were confirmed by Special Act of Ontario 63 Victoria, 1900, c. 129. The name was changed to the "Canada Permanent Mortgage Corporation" by 3 Edward VII (1903), c. 94 (D), which Act also amended its lending powers. By 3-4 George V (1913), c. 86 (D), further amendments were made to the Incorporating Act.

Of the constituent companies, the Canada Permanent Loan and Savings Company was incorporated by declaration filed under The Building Societies Act. (Cons. Stat U.C., c. 53) in 1855, under the name of the Canada Permanent Building and Savings Society, which name was changed to the Canada Permanent Loan and Savings Company by 37 Victoria (Ontario), 1874, c. 100.

The Western Canada Loan and Savings Company was also incorporated by declaration filed under The Building Societies Act in 1863, under the name of the Western

CANADA PERMANENT MORTGAGE CORPORATION—Continued

Canada Permanent Building and Savings Society, and its name was changed to the Western Canada Loan and Savings Company by 37 Victoria (Ontario), 1874, c. 79.

The Freehold Loan and Savings Company was also incorporated by declaration filed under The Building Societies Act in 1859 under the name of The Freehold Permanent Building and Savings Society; the name being changed to The Freehold Loan and Savings Company by 36 Victoria (Ontario), (1873), c. 104.

The London and Ontario Investment Company was incorporated by the Act of Ontario 39 Victoria, 1876, c. 62.

In 1918 the corporation purchased the assets and business of The Oxford Permanent Loan and Savings Society, which purchase was ratified by Order-in-Council of Ontario, dated July 31, 1918, pursuant to The Loan and Trust Corporations Act.

In 1921, the corporation also purchased the assets and business of The London and Canadian Loan and Agency Company, Limited, which purchase was ratified by Order-in-Council of Ontario, dated September 23rd, 1921, pursuant to The Loan and Trust Corporations Act.

In 1927 the corporation purchased the assets and business of The Royal Loan and Savings Company, which purchase was ratified by Order-in-Council of Ontario, dated March 4th, 1927, pursuant to The Loan and Trust Corporations Act.

In 1927 the corporation purchased the assets and business of The British Columbia Permanent Loan Company, Vancouver, B.C.

In 1927 the corporation also purchased the assets and business of The Canada Landed and National Investment Company, Limited, which purchase was ratified by Order-in-Council of Ontario, dated December 30th, 1927, pursuant to The Loan and Trust Corporations Act.

Date of last Annual Meeting, January 20th, 1943.

CONSTATING INSTRUMENTS

1884—Letters Patent (under the Ontario Government Joint Stock Companies' Letters Patent Act) incorporating The Central Canada Loan and Savings Company of Ontario, with a capital of \$2,000,000, in 20,000 shares of \$100 each, dated 7th March, 1884.

1890—Act (of the Legislature of the Province of Ontario), 53 Vic., c. 129; declares capital to be \$5,000,000, in 50,000 shares of \$100 each; confirms the purchase of the assets of the Peterborough Real Estate Investment Company, Limited; authorizes the issue of debenture stock; authorizes agencies in the United Kingdom; defines the limit of borrowing powers.

1893—Supplementary Letters Patent (of the Province of Ontario), dated 8th June, 1893, extending the Company's purchasing and lending powers with regard to bonds, stocks and debentures to the Province of Manitoba.

1896—Act (of the Legislature of the Province of Manitoba), 59 Vic., c. 33, authorizes Company to exercise in the Province of Manitoba, with respect to real and personal property, all the rights, powers and privileges that it possesses in Ontario.

1897—Supplementary Letters Patent (of Ontario), dated 6th May, 1897, amending the original Letters Patent by expunging therefrom powers of Company to buy and sell land.

1898—Act (of the Parliament of the Dominion of Canada), 61 Vic., c. 97.

1899—Act (of the Legislature of the Province of Manitoba) authorizing Dominion Company to exercise in Manitoba all its rights, powers and privileges; defining the powers of the Company and vesting all the assets of the old company in the new company.

1900—Act (of the Legislature of the Province of Ontario), confirming and validating the conveyance and assignment of 1st December, 1898 (see form of the conveyance and assignment in schedule to 61 Vic., c. 97), and transferring and vesting the assets of the Provincial Company in the Dominion Company.

CONSTATING INSTRUMENTS

Incorporated under The Building Societies Act, 9 Vict., c. 90 (Province of Canada), by declaration filed on 27th March, 1847, with the Clerk of the Peace for the Western District. The original corporate name was "The Port Sarnia Building Society." The society was reorganized as "The Lambton Permanent Building and Investment Society" under the said Act and other Acts, all of which became consolidated as Chapter 53 of the Consolidated Statutes of Upper Canada, by declaration filed 19th June, 1855, with the Clerk of the Peace for the County of Lambton. This latter corporate name was changed by Order-in-Council, 4th June, 1880, to The Lambton Loan and Investment Company.

The lending and the borrowing powers are governed by The Loan and Trust Corporations Act, R.S.O. 1937, c. 257.

CONSTATING INSTRUMENTS

Incorporated under The Building Societies Act, Consol. Sta. U.C., Chap. 53, by declaration filed with the Clerk of the Peace for the United Counties of Northumberland and Durham, 5th July, 1872. (Decl. Book II, 127).

The corporate name was, by Order-in-Council of Ontario, 21st June, 1876 (Ibid.), changed to the Midland Loan and Savings Company.

A by-law altering the amount of the capital stock and par value of the share was, pursuant to The Loan Corporations Act, approved by Order-in-Council of Ontario, 3rd October, 1900.

The borrowing and lending powers are governed by The Loan and Trust Corporations Act, R.S.O. 1937, Chap. 257.

CONSTATING INSTRUMENTS

Incorporated under The Building Societies Act, Consolidated Statutes of Upper Canada, c. 53, by declaration filed in the office of the Clerk of the Peace for the County of Middlesex, 26th September, 1870. The original corporate name was The Ontario Savings and Investment Society.

By Order-in-Council of Ontario, dated 4th October, 1879, and also by Order-in-Council of Canada, dated 29th October, 1879, the corporate name was changed to The Ontario Loan and Debenture Company.

The Company as now constituted was formed under the provisions of The Loan Corporations Act of Ontario by The Ontario Loan and Debenture Company, taking in by amalgamation the Agricultural Savings and Loan Company under Order-in-Council dated 10th November, 1911, and operates under The Loan and Trust Corporations Act, R.S.O. 1937, chapter 257.

By Order-in-Council of Ontario, dated 12th March, 1930, 20,000 shares twenty per cent. called and paid were converted into 4,000 shares fully paid, the authorized capital thereby being reduced from 100,000 to 84,000 shares.

CONSTATING INSTRUMENTS

Incorporated under The Building Societies Act (R.S.O. 1877, c. 164), by declaration filed with the Clerk of the Peace for the County of York, 17th September, 1879, with the corporate name of the Real Estate Loan and Debenture Company. Decl. Book II, p. 57.

Letters patent of Canada (6th April, 1883) incorporating the Company under The Canada Joint Stock Companies Act, 1877, with the corporate name of The Real Estate Loan Company of Canada, Limited,—Lib. 85, folio 282, Office of the Registrar-General of Canada. The capital authorized by this instrument was \$2,000,000, being the capital of the said The Real Estate Loan and Debenture Company, with the same powers throughout Canada as now possessed by the said The Real Estate Loan and Debenture Company, and for the same purposes and objects, subject always to the provisions of the said last mentioned Act (Canada J. S. Co's. Act, 1877) and with all such further powers, purposes and objects as are conferred upon Loan Companies incorporated under the provisions of the said last mentioned Act.

1884. Act of the Dominion of Canada, 47 V, c. 101 (D), respecting sales of assets.

Supplementary Letters Patent of Canada, 20th June, 1892, reciting By-law No. 62 of the Company, and (as therein provided), reducing the capital stock from \$2,000,000 to \$1,600,000.

1913. Act of the Dominion of Canada, 3-4 George V, c. 184, increasing capital stock to \$2,000,000 in shares of \$100 each par value.

CONSTATING INSTRUMENTS

Incorporated as "The Toronto Real Estate Investment Company" by Letters Patent of Ontario (June 15th, 1885), issued under The Ontario Joint Stock Companies' Letters Patent Act, R.S.O. 1877, c. 150. Supplementary Letters Patent of Ontario (December 29th, 1887), were issued under R.S.O. 1887, c. 157, defining the borrowing powers, etc. Further Supplementary Letters Patent of Ontario (September 25th, 1889) were issued under the last mentioned Act, increasing the capital stock from \$400,000 to \$2,000,000. Further Supplementary Letters Patent of Ontario (March 30th, 1891) were issued under the same Act, conferring agency powers on the Company. The corporate name was by Order-in-Council (April 2nd, 1891) changed to "The Toronto Savings and Loan Company."

For the lending and borrowing powers, see the Letters Patent and the Acts, R.S.O. 1877, chap. 150; R.S.O. 1887, chap. 157; R.S.O. 1914, chap. 184; R.S.O. 1927, chap. 223; R.S.O. 1937, chap. 257.

CONSTATING INSTRUMENTS

Incorporated 20th May, 1905, by special Act of the Legislature of Quebec, 5 Edward VII, chap. 78.

Amendments to charter, 9 Edward VII, chap. 114, 7th May, 1909; 5th George V, chap. 125, 5th March, 1915; 7th George V, chap. 102, 22nd December, 1916; 9th George V, chap. 125, 4th March, 1919.

Authorized by special Act of the Legislature of Ontario, 10-11 George V, chap. 156, 4th June, 1920, to transact business therein as specified in Section 5 of the said Act, which enacts as follows:

"(5) The company shall be limited in respect of all business relating to property and civil rights or provincial objects in the Province of Ontario, to the powers mentioned in the schedules to The Loan and Trust Corporations Act, and shall be subject to the general provisions of the said Act and of the general public law of the said Province relating to trust companies and trusts."

The company has a deposit in the Province of Ontario amounting to \$50,000.00. Order-in-Council assented to August 23rd, 1934.

CONSTATING INSTRUMENTS

The British Mortgage Loan Company of Ontario was incorporated by Letters Patent of Ontario, dated October 5th, 1877 (Lib. 5, No. 52), issued under R.S.O. 1877, c. 150, which Act was continued by R.S.O. 1887, c. 157, and was as to Loan Corporations superseded by 60 Vic., c. 38 (O), now R.S.O. 1937, c. 257.

By 16 George V, c. 121, the Company was given trust company powers and its named changed to The British Mortgage and Trust Corporation of Ontario.

The lending and the borrowing powers of the Company are derived from its Letters Patent and the above public general statute.

CONSTATING INSTRUMENTS

Incorporated by declaration filed May 11th, 1885, with the Clerk of the Peace for the United Counties of Leeds and Grenville. The declaration was made by virtue of "The Building Societies Act," R.S.O. 1877, c. 164, continued by R.S.O. 1887, c. 169, and superseded by 60 Vic., c. 33 (O), now R.S.O. 1897, c. 205. See R.S.O. 1937, c. 257.

The lending and borrowing powers are derived from the above public General Acts.

By a Special Act of the Legislature of Ontario, 19 Geo. V, c. 130, the Company was granted the powers of a trust company and its authorized capital stock was increased from \$500,000 to \$1,000,000. Its name was changed to The Brockville Trust and Savings Company.

CONSTATING INSTRUMENTS

The Canada Permanent Trust Company was incorporated in 1913 by a Special Act of the Parliament of the Dominion of Canada, 3-4 Geo. V, c. 87.

Authorized by Order-in-Council (May 7th, 1913), to carry on business in the Province of Ontario as a Trust Company, pursuant to the provisions of The Loan and Trust Corporations Act. R.S.O. 1927, c. 223.

In 1927 the Company purchased the assets and business of The Brantford Trust Company, which purchase was ratified by Order-in-Council of Ontario, dated 31st day of August, 1927, pursuant to The Loan and Trust Corporations Act.

CHARTERED TRUST AND EXECUTOR COMPANY—Continued

CONSTATING INSTRUMENTS

The Company was incorporated by Act of Parliament of Canada, Chap. 162, 4-5 Edward VII, assented to 20th July, 1905, under the name of The Title and Trust Company with powers to carry on a general Trust Company business and also title insurance.

By Act of the Legislature of the Province of Ontario, Chap. 118, 7 Edward VII, 1907, assented to April 20, 1907, the Company was empowered to register under the Ontario Insurance Act and under the Loan Corporation Act of the Province.

April 18th, 1914, Amendment to Charter and by further Act of the Parliament of Canada, Chap. 70, 5 George V, assented to April 8th, 1915, the name of the Company was changed from The Title and Trust Company to Chartered Trust and Executor Company, the business of title insurance having been discontinued.

By further Act of the Parliament of Canada, Chap. 98, 9-10 George V, assented to July 7th, 1919, the Company was empowered to acquire the business of any other Company and to sell and dispose of its own business. (The last mentioned Act was preliminary to the acquisition of Guardian Trust Company, Limited.)

By Act of the Parliament of Canada, Chap. 75, 19-20 George V, assented to May 1st, 1929, the capital stock of the Company was increased to \$2,500,000.00.

By Act of the Legislature of the Province of Quebec, 25-26, George V, Chapter 150, the Company acquired the business of Quebec Savings and Trust Company on March 23rd, 1936.

CONSTATING INSTRUMENTS

The Grey and Bruce Trust and Savings Company, cited 16 Geo. V (1926), c. 123. This Act confirms the amalgamation of The Grey and Bruce Loan Company and The Owen Sound Loan and Savings Company, and constitutes the amalgamated corporation a new corporation under the name of The Grey and Bruce Trust and Savings Company, with Head Office in the City of Owen Sound, and empowers the new corporation to carry on the business of a trust company under The Loan and Trust Corporations Act.

The Grey and Bruce Loan Company was incorporated under The Buildings Societies Act, R.S.O. 1887, c. 169, as a permanent building society under the name of The Owen Sound, Grey, and Bruce Loan and Savings Company, by declaration filed with the Clerk of the Peace for the County of Grey, May 10th, 1889. The corporate name was by Order-in-Council of Ontario, September 15th, 1897, changed to The Grey and Bruce Loan Company.

The Owen Sound Loan and Savings Company was incorporated under The Building Societies Act, R.S.O. 1887, c. 169, by declaration filed with the Clerk of the Peace for the County of Grey on the 1st April, 1889.

The date of incorporation of The Grey and Bruce Trust and Savings Company being April 8th, 1926.

CONSTATING INSTRUMENTS

Incorporated under The Building Societies Act, R.S.O. 1887, c. 169, by declaration filed with the Clerk of the Peace for the County of Lambton, 20th August, 1889.

By Order-in-Council approved March 6th, 1907, pursuant to the provisions of Section 4 (6), cap. 27, 63 Victoria, the authorized capital stock of the Company was increased from \$500,000.00 to \$1,000,000.00

By 18 George V. Chapter 112, the Company was given Trust Company powers and its name changed to The Industrial Mortgage and Trust Company.

By 24 George V, Chapter 79, the Company assumed the liabilities and purchased under agreement the business, assets, etc., of The East Lambton Farmers' Loan and Savings Company.

The lending and borrowing powers are governed by The Loan and Trust Corporations Act R.S.O. 1937, c. 257.

By Order-in-Council approved 22nd April, 1936, the Lieutenant-Governor assented to The Industrial Mortgage and Trust Company assuming the liabilities and purchase under agreement dated 24th December, 1935, of the business, assets, etc., of The Crown Savings and Loan Company.

CONSTATING INSTRUMENTS

February 18th, 1929—Order-in-Council confirming By-law No. 14 of the Corporation incorporated on the 17th September, 1896, by Letters Patent of Ontario, issued under The Ontario Joint Stock Companies' Letters Patent Act, R.S.O. 1887, Chap. 157. See also The Loan and Trust Corporations Act, R.S.O. 1937, Chap. 257.

August 21st, 1929—Order-in-Council confirming By-law No. 18 of the Corporation to increase the capital stock from \$500,000.00 to \$1,000,000.00.

On the 10th day of September, 1929, His Honour the Lieutenant-Governor approved by Order-in-Council the removal of the Head Office of The London and Western Trusts Company, Limited, from the City of London to the City of Toronto.

By an agreement, dated the 15th day of October, 1929, The London and Western Trusts Company, Limited, of London, Ontario, purchased the assets and liabilities, business, rights, property and goodwill, etc., of The Standard Trusts Company with Head Office in Toronto, Ontario. The agreement was ratified and confirmed by the shareholders of both companies and was subsequently approved by the Lieutenant-Governor in Council. The transfer became effective on the 18th day of December, 1929. The Standard Trusts Company had, by authority of By-law No. 35, moved its Head Office from Winnipeg to Toronto, and was granted registry in Ontario under date of October 26th, 1929.

June 28th, 1932—Order-in-Council assenting to the conversion of partly-paid shares into fully paid shares equivalent to the amount paid in on account of subscriptions not including premiums.

MONTREAL TRUST COMPANY—Continued

CONSTATING INSTRUMENTS

The Montreal Trust Company was incorporated on the 21st day of March, 1889, by Special Act of the Province of Quebec, 52 Vic., c. 72 (Q) and the following subsequent special amending Acts, 54 Vic., c. 75; 55-56 Vic., c. 78; 63 Vic., c. 77; 20 Geo. V, c. 139; and 24 Geo. V, c. 121.

By Special Acts the name was changed in 1895 to Montreal Trust and Deposit Company, 59 Vic., c. 70 (Q), and again in 1909 to the Montreal Trust Company, 9 Edw. VII, c. 115 (Q).

Authorized by Order-in-Council to carry on business in the Province of Ontario as from the 11th day of March, 1909, subject to certain conditions and limitations.

Registered in the Trust Companies Register, January 21st, 1913.

By Order-in-Council, dated February 25th, 1928, the Capital Stock was increased from \$1,000,000.00 to \$2,000,000.00.

The Company has a deposit with the Province of Ontario amounting to \$200,000.00. Order-in-Council assented to 6th July, 1909.

CONSTATING INSTRUMENTS

The Prudential Trust Company, Limited, was incorporated in 1909 by a Special Act of the Parliament of the Dominion of Canada, 8-9 Edward VII, Chapter 124.

Authorized in 1911 by Special Act of the Legislature, 1 Geo. V, Chapter 139, to transact business in the Province of Ontario as specified in Section 1 (5) of the said Act, which enacts as follows:

“(5) The Company shall be limited in respect of all business relating to property, rights or interests in the Province of Ontario, to the powers mentioned in this Act or granted from time to time to trust companies by any Public Act or Order of the Lieutenant-Governor in Council of the said Province and shall be subject to the general public law of the said Province relating to trust companies and trusts.”

In 1922, by Chap. 71, George V, 12-13, the authorized capital was increased from \$1,500,000 to \$2,000,000 representing 20,000 shares of par value \$100.

In 1930, by Chap. 70, George V, 20-21, the capital structure was altered to represent 100,000 shares of stock with a par value of \$20 a share.

In 1934 by Bill No. 11, 5th Session, 17th Parliament 24, George V, the par value of the shares was reduced from \$20 to \$10.

Under the provisions of 1 Geo. V, c. 139, as amended by 10 Geo. V, c. 158, the deposit as security to do business in Ontario may be fixed from time to time by the Lieutenant-Governor in Council. By Order-in-Council, dated June 15th, 1920, the Company's deposit of \$200,000 was reduced to \$50,000.00. By Order-in-Council, dated July 4th, 1933, the deposit required was further reduced to \$30,000.00.

The Company has a deposit in the Province of Ontario amounting to \$30,000.00.

THE ROYAL TRUST COMPANY—Continued

CONSTATING INSTRUMENTS

The Royal Trust Company was incorporated in 1892, by Special Act of the Province of Quebec, 55-56 Vict., chap. 79, which was amended by 55-56 Vict. (1892), chap. 80 (Q), and by 59 Vict. 1895), chap. 67 (Q), and by 63 Vict. (1900), chap. 76 (Q), 6 Edw. VII (1906), chap. 73 (Q), 17 Geo. V (1927), chap. 96 (Q), 19 Geo. V. (1929), chap. 104 (Q).

Authorized by Special Act of the Legislature of Ontario, 2 Edw. V. (1902), chap. 103, to transact business therein as specified in Section 1 (5) of the said Act, which enacts as follows:

“(5) The Company shall be limited in respect of all business relating to property, rights or interests in the Province of Ontario, to the powers mentioned in the schedule to The Ontario Trust Companies’ Act, and shall be subject to the general provisions of the said Act and of the general public law of the said Province relating to trust companies and trusts.”

The Company has a deposit in the Province of Ontario amounting to \$200,000.00.

CONSTATING INSTRUMENTS

Incorporated on the 24th February, 1897, by Letters Patent of Ontario, issued under R.S.O. 1897, c. 191. See Ontario Trust Company Act (R.S.O. 1897, c. 206), and The Loan and Trust Corporations Act (R.S.O. 1937, c. 257).

Amendments to Charter: December 23rd, 1897, "The Ontario Companies Act"; February 25th, 1898; "The Ontario Joint Stock Companies Letters Patent Act" and "The Trust Companies Act, 1895"; August 14th, 1900, "The Ontario Companies Act"; March 28th, 1907, "The Ontario Companies Act."

By Order-in-Council, dated January 25th, 1934, the Lieutenant-Governor in Council formally approved an agreement dated December 7th, 1933, whereby Trusts and Guarantee Company, Limited, acquired the assets and assumed the liabilities of Union Trust Company, Limited.

By Order-in-Council, dated October 30th, 1940, the Lieutenant-Governor in Council formally approved decreasing the capital stock from Three Million Dollars (\$3,000,000) to One Million Five Hundred Thousand Dollars (\$1,500,000).

CONSTATING INSTRUMENTS

Incorporated under The Building Societies Act, 1887, c. 169, as amended by 56 Vic., c. 31 (O), by declaration filed with the Clerk of the Peace for the County of Victoria, on the 4th September, 1897.

The operations of the Company were for a time by law restricted to the County of Victoria (56 Vic., c. 31), continued by R.S.O. 1897, c. 205, s. 8 (4); but the Company, having fulfilled the statutory requirements, was by Letters Patent of Ontario, bearing date 11th November, 1898, relieved from the above restriction of its operations.

By a special Act of the Legislature of Ontario, 13 Geo. V, c. 107, the Company was granted the powers of a trust company and the name was changed to The Victoria Trust and Savings Company. (See also The Loan and Trust Corporations Act, R.S.O., 1937, chap. 257).

Interest		302 68
		<hr/>
		53,199 10

CONSTATING INSTRUMENTS

Originally incorporated as a Loan Corporation by Letters Patent, 7th April, 1913, under The Loan and Trust Corporations Act, 2 Geo. V, 1912, chap. 34, now R.S.O. 1937, chap. 257. The original corporate name was The Waterloo County Loan and Savings Company.

By a special Act of the Legislature of Ontario, 12-13 Geo. V, c. 148, the Company was granted the powers of a trust company and the name was changed to the Waterloo Trust and Savings Company.

THE WATERLOO TRUST AND SAVINGS COMPANY—Continued

Quarterly Statements

OF

DEPOSITS

AND

Securities on Hand and Available for Depositors

FILED BY

Loan and Trust Corporations

DECEMBER 31st, 1943, and JUNE 30th, 1944

Pursuant to Sections 49 or 19 (3) of the Loan and Trust
Corporations Act.

Sec. 49. Every loan company receiving deposits shall make a sworn return to the Registrar quarterly on the 15th days of January, April, July and October in each year, drawn in accordance with the form prescribed from time to time by the Registrar, showing the amount of such deposits and showing the amount of cash on hand and on deposit and the amount of debentures, bonds, stock or other securities of or guaranteed by the Dominion of Canada, and of or guaranteed by any province of Canada less any incumbrances thereon and the amount of bonds, debentures and other securities of any municipal corporation in Ontario or of any city in Canada, less any incumbrances thereon and the bonds or debentures issued by any incorporated company in respect of which bonds or debentures annual or semi-annual subsidy payments sufficient to pay both principal and interest thereof are, by virtue of any general Act of the Dominion of Canada, payable by the Government of the Dominion of Canada to a trust company as trustee for the holders of such bonds or debentures, and the principal amount of any moneys payable to the company on demand the payment of which is secured by the mortgage or pledge of any of the securities hereinbefore in this section mentioned as the said amounts stood at the end of the last preceding month, and stating that the same were at the date mentioned in such return on hand and available for depositors.

Sec. 19.—(3) Every trust company receiving deposits in the manner authorized by subsection 3 of section 19 shall make a sworn return to the Registrar quarterly on the 15th days of January, April, July and October in each year, drawn in accordance with the form prescribed from time to time by the Registrar, showing the amount of such deposits and showing the amount of cash on hand and on deposit, and the amount of debentures, bonds, stock or other securities of or guaranteed by the Dominion of Canada, and of or guaranteed by any province of Canada, less any incumbrances thereon, and the amount of bonds, debentures and other securities of any municipal corporation in Ontario or of any city in Canada, less any incumbrances thereon, and the bonds or debentures issued by any incorporated company in respect of which bonds or debentures annual or semi-annual subsidy payments sufficient to pay both principal and interest thereof are, by virtue of any general Act of the Dominion of Canada, payable by the Government of the Dominion of Canada to a trust company as trustee for the holders of such bonds or debentures, and the principal amount of moneys payable to the company on demand, the payment of which is secured by the mortgage or pledge of any of the securities hereinbefore in this subsection mentioned, as the said amounts stood at the end of the last preceding month, and including in such statement all such cash and securities and loans as defined in this subsection, whether owned by the company or held by it as guaranteed investments under the provision of subsection 2 of section 17, or subsection 4 of section 18, and stating that the same were at the date mentioned in such return on hand and available for depositors.

REPORT
OF THE
Minister of Public Works
FOR THE
PROVINCE OF ONTARIO
FOR THE
TWELVE MONTHS ENDING MARCH 31st, 1943

PRINTED BY ORDER OF
THE LEGISLATIVE ASSEMBLY OF ONTARIO
SESSIONAL PAPER No. 8—1944

ONTARIO

TORONTO

Printed and Published by T. E. Bowman, Printer to the King's Most Excellent Majesty
1944

To:

THE HONOURABLE ALBERT MATTHEWS,
Lieutenant-Governor of the Province of Ontario.

MAY IT PLEASE YOUR HONOUR:

As required by law, I submit for the information of Your Honour and the Legislative Assembly, the Annual Report of the works under the control of the Public Works Department, comprising the reports of the Deputy Minister, the Architect, Engineer, Secretary and Accountant, for the twelve months ending the 31st of March, 1943.

Respectfully submitted,

GEO. H. DOUCETT,
Minister of Public Works.

Department of Public Works, Ontario,
Toronto, March 21, 1944.

REPORT

OF THE

Deputy Minister of Public Works

THE HONOURABLE GEORGE H. DOUCETT, M.P.P.,
Minister of Public Works,
Parliament Buildings,
Toronto, Ontario.

SIR:

I have the honour to submit to you the accompanying reports of the Architect, Engineer, Secretary and Accountant for the financial year April 1, 1942, to March 31, 1943. These reports indicate the multitude of repair jobs that have been carried out, particularly to the mechanical service and equipment, every effort being made to maintain these services and equipment in working condition to avoid replacement as long as possible, to assist in conserving materials for the war effort.

ARCHITECT'S BRANCH

The expanding war activities of the Dominion necessitated the use of additional Provincial buildings and the following is a complete list of the institutions and buildings leased to the Dominion since the commencement of the war:

ONTARIO GOVERNMENT INSTITUTIONS LEASED TO THE DEPARTMENT OF NATIONAL DEFENCE FOR WAR PURPOSES

Institution	No. of Buildings	Valuation	Use of Institution
Ontario Hospital, St. Thomas	19	\$ 6,199,827	R.C.A.F. Training Centre.
Ontario Hospital, Port Arthur	1	125,000	Military.
Industrial Farm, Monteith...	14	373,000	Internment Camp.
Ontario Reformatory, Mimico	21	700,000	Internment Camp.
Agricultural College, Guelph	19	2,723,126	R.C.A.F.
Normal School, Ottawa.....	1	237,000	Office Accommodation.
Ontario Hospital, London (52 acres).....	land only	22,500	Military.
Ontario School for Deaf, Belleville.....	16	1,322,282	R.C.A.F.
Normal and Model School, Toronto.....	5	1,554,545	R.C.A.F.
Boys' Training School, Bowmanville.....	36	830,000	Internment Camp for Enemy Officers.
Ontario Hospital, Brampton..	1	274,803	Military.
Girls' Training School, Galt..	8	400,000	Naval School.
Agricultural School, Kempt- ville.....	7	400,000	Officers' Training School (Army) for administration.
TOTAL.....	148	\$15,162,083	

In addition to the aforementioned list of buildings, The Teachers' Technical Training College at Hamilton has been used by the Dominion for teaching technical educational courses for war purposes.

To provide facilities for the Department of Mines for the sampling and assaying of cobalt and silver ore, the Town Hall at Cobalt was purchased and will be remodelled to re-establish the Temiskaming Testing Laboratories which were destroyed by fire.

In addition to the regular work of the Department, a variety of services have been rendered in co-operation with other departments, in preparing plans and giving technical advice and carrying out various projects which are enumerated in detail in the Architect's report.

ENGINEER'S BRANCH

Repairs to the locks and dams in the Northern Districts have been carried out where necessary, the work being done by day labour. In accordance with the provisions of the Provincial Aid to Drainage Act, a grant of \$3,310.38 was made to the Township of West Gwillimbury towards the cost of the Holland Marsh Drainage Scheme.

A final payment of \$124,326.02 was made to the Grand River Conservation Commission, bringing the total grant by the Province toward the cost of the work to \$769,318.68. The Dominion also contributed a like amount, the balance of the cost being distributed amongst the benefitting municipalities.

SECRETARY AND ACCOUNTANT'S BRANCH

Owing to the large volume of construction being undertaken by the Dominion for war purposes, it was found expedient to carry out our works chiefly by day labour.

The revenue received totalled \$152,093.95, consisting chiefly of compensation from the Dominion Government in regard to the costs of providing temporary quarters for displaced personnel from institutions leased to the Department of National Defence and for rentals of other properties.

The expenditures are summarized as follows:

Main Office.	\$ 122,710.16
Maintenance and Repairs—Government Buildings.	638,907.61
Total Ordinary.	\$ 761,617.77

CAPITAL

Public Buildings and Public Works.	\$ 316,749.03
Total Net Expenditures.	\$1,078,366.80

I have the honour to be, Sir,

Your obedient servant,

R. A. McALLISTER,
Deputy Minister of Public Works.

TORONTO, March 20, 1944.

REPORT OF THE ARCHITECT

THE HONOURABLE GEORGE H. DOUCETT, M.P.P.,
Minister of Public Works.

SIR:

I have the honour to report on the work done by the Architect's Branch of the Department of Public Works, Ontario, during the fiscal year April 1st, 1942 to March 31st, 1943, as follows:

ONTARIO GOVERNMENT INSTITUTIONS LOANED
TO

THE DEPARTMENT OF NATIONAL DEFENCE, CANADA

During this fiscal year, two Province of Ontario Institutions were turned over, all, or in part, as described later in the body of this report, to the use of the Department of National Defence for the duration of the present war. These Institutions were as follows:

Ontario Training School for Girls, Galt.

Ontario Agricultural School, Kemptville, omitting the farm section of the Institution and certain other buildings of the School not required by the Department of National Defence.

These groups of buildings, together with the other eleven properties previously loaned for the purposes of the present war, now total thirteen institutions, all, or in part, which have been loaned to the Department of National Defence for the duration of the present war.

The Department's work this year, as previously in connection with the loan of these institutions, has included the preparation of agreements, making recording plans, reports on condition of buildings, surveys, general records, stock taking and preparation of inventories of furnishings and equipment loaned by the Province with the said buildings to the Department of National Defence. Such work has also included the surveying, leasing, remodelling and fitment of temporary premises where such were required by the Province to carry on certain essential parts of the work of the institution affected. The moving and storage of furniture in connection with the vacation of these premises generally by the Province was also dealt with by this Department in co-operation with other Departments having jurisdiction over these Institutions. Further reference has been made later in this report to those Institutions under their own particular subdivision.

LEGISLATIVE AND DEPARTMENTAL BUILDINGS

General minor repairs and replacements and minor changes were carried out generally in all the trades, but restricted to a reduced program of expenditure, having regard to present war conditions.

The repairs referred to for this group of buildings included repairs to roofs, to plastering, to windows, to plumbing, heating and electrical systems, to furniture and upholstery and renewal of linoleum. Considerable repainting work was carried out and extra shelving provided.

Apart from the said general minor items, certain work of a special nature was also carried out, as enumerated in the following paragraphs:

Parliament Buildings:

A store room was built in the basement for the Provincial Police and stands were made for A.R.P. equipment. A glass and wood partition was erected in

room No. 191. The lighting conditions of the Ontario Savings Office suite were improved by the installation of more efficient type of electric lighting fixtures in the room adjoining the vault and in the Assistant Director's office. Minor repairs were made to elevators. Glass in greenhouse was repaired.

East Block:

Room 5410 was divided to form two offices for the Ontario Department of Health. Glass and wood partitions were erected in room 5610, Department of Registrar General, rooms 5410, 5508 and 5512, Department of Health, and 5631 Industrial Hygiene section. A basin was installed in X-ray Clinic. Considerable alterations were made for the Department of Lands and Forests reorganization, including two tile partitions built in room 2502; new counter and register desk and rail in room 2522; a new acoustic ceiling in room 2506-08 and the cutting for and changing of various doors. A new dark room was installed for X-ray section in the basement of the south wing and Registrar General's storage space, which it displaced, was provided by partitioning a section from the basement storage space of the Department of Health. The Archives vault in the basement was divided in two to provide a new file room for the Welfare Department and the old basement fying space fitted up for the cheque machines which were removed from the fifth floor. Considerable work was done for the Department of Health X-ray division in making up lead shields, lead boxes and other special equipment requested. Considerable work was also done for the Department of Health Laboratory Division in making and fitting up special equipment. Progress repairs were made to elevators. New baffles were installed in boilers numbers 1, 2, and 3 and rivetted seams of number 1 boiler repaired. General repairs were made to stokers on numbers 1, 2 and 3 boilers, including renewal of sliding bottoms. New piston rings were installed on numbers 1 and 2 vacuum pumps and the pump impeller shaft repaired and motor couplings refaced on the return pump. Repairs were also made to brine pump and to ash hoist.

Subsidiary Buildings:

General repairs of an urgent nature in various trade branches were carried out in the following buildings, numbers 11, 15 and 39 Queen's Park, number 112 College Street, number 454 University Avenue (Liquor Control Board), number 807 Richmond Street West (Sewage laboratory), Department of Highway's garage, Leaside, and Department of Highway's and police garage, Surrey Place.

In addition to the above general repairs to subsidiary buildings, the following special work was done:

Laboratory Annex for Dept. of Health:

Plans were made to show the internal layout required by the Department of Health to use the Beverley Jones Cottage at the Old Victoria Industrial School, Mimico, for Serology Laboratory purposes, to give the additional space required for this class of work, the scope of which required to be considerably enlarged to cope with the requirements of the Department of National Defence. The work of remodelling and fitting the two storey and basement building for the purposes of the said laboratory was put in hand and completed during the fiscal year, including the building of two new animal houses for guinea pigs, mice and sheep which were required in connection with the work to be done at this new laboratory. The materials were purchased by the Department and work done on a day labour basis, using staff mechanics from the Parliament Buildings.

Duplex Residence (Old Victoria Industrial School Premises):

Minor repairs were made this fiscal year to the ground floor apartment of the duplex residence on the Old Victoria Industrial School premises, including the installation of new linoleum in the rear wing and new wallpaper in the two front rooms.

Osgoode Hall:

A restricted program of general repairs was carried out in the various building trade branches as approved, including repairs to stokers, carpenter and plaster repairs, plumbing and heating and electrical repairs, linoleum and furniture repairs and progress interior painting and decorating.

EDUCATIONAL BUILDINGS

Normal and Model Schools, Toronto:

As noted in my previous annual report for fiscal year 1941-1942, these premises were loaned by the Province to the Department of National Defence, for R.C.A.F. purposes during the present war and the Dominion's occupancy commenced as of July 10th, 1941.

The temporary premises for this school, known as the Earl Kitchener School, Pape Avenue, Toronto, are still held on lease by the Province from the Toronto Board of Education for normal school purposes. Minimum progress repairs were carried out by the Province during this fiscal year at the said Earl Kitchener School.

Normal and Model Schools, Ottawa:

As noted in my previous annual report for fiscal year 1941-42, these premises were loaned by the Province to the Dominion Government as of November 1st, 1939, and the normal school classes were accommodated, temporarily, in the Elgin Street Public School, Ottawa, which was leased by the Province from the Ottawa Board of Education. To accommodate a request of the Department of National Defence, the Normal School was afterwards moved from the said Elgin Street School to Mutchmor School, which opened for this purpose on September 22nd, 1942.

The alterations and fitments for the Mutchmor School Building were carried out, at the request of the Ontario Department of Education, by the Ottawa Public School Board with the understanding that they would be reimbursed by the Province of Ontario.

London Normal School:

Minor repairs were made to plumbing and heating systems and a small amount of painting was done, including flag pole.

Hamilton Normal School:

Minor repairs were made to plumbing and heating systems.

North Bay Normal School:

Temporary repairs were made to roof.

Peterborough Normal School:

Minor repairs were made to plumbing and heating systems.

Stratford Normal School:

Minor repairs were made to plumbing and heating systems.

Ontario School for Deaf, Belleville:

As noted in my previous annual report for fiscal year 1941-1942, these premises, omitting the farm division and one workshop building and Bursar's residence, were loaned by the Province to the Department of National Defence for R.C.A.F. purposes and the Dominion occupancy commenced as of July 10th, 1941.

A program of general repairs was carried on during this fiscal year in connection with the following premises, which were leased in the previous year by the Province for the temporary purposes of the Ontario School for the Deaf:

The Battery Building
St. Thomas Anglican Church Rectory
St. Thomas Anglican Church Parish Hall
Rankin House
Clare House
Lazier House
Mouck House
Bridge Street United Church (3 class rooms in basement)
Conner House

During this fiscal year a residence of the Bull estate was leased and altered and fitted for temporary residence purposes, at the request of the Ontario Department of Education. A fire escape was erected on the temporary building referred to as the "Clare House." The litter carrier at the cow barn was repaired. Plans were prepared for a temporary type school building to be erected on the property of the St. Thomas Anglican Church.

Ontario School for Blind, Brantford:

Minor repairs were made to plumbing and heating systems and to roofs.

Ontario Training College for Technical Teachers, Hamilton:

This College is being used by the Dominion Government for various training purposes in connection with the present and post-war requirements. Minor repairs were made to plumbing and heating systems.

CONSULTATION WORK ON SCHOOLS

At the request of the Department of Education, the following consulting and other services were rendered:

- A. Plans and specifications for proposed Sunnylea School at Etobicoke were examined and reported upon.
- B. Ventilation of basement class room in Smooth Rock Falls Continuation School was reported upon.
- C. Oakland Public School supplied with photostatic print of typical one room type school.
- D. School building SS No. 8 Morris was examined and reported upon.

AGRICULTURAL BUILDINGS

Ontario Agricultural College, Guelph:

As noted in my previous annual report for fiscal year 1941-42, the major portion of the College group proper at this College was loaned to the Department of National Defence for R.C.A.F. purposes and their occupancy commenced as of May 1st, 1941. The buildings still remaining to the use of the Dominion are as follows:

Watson Hall
Garage
Macdonald Institute
Macdonald Hall
Main dining room and kitchen building
Mills Hall

Maids' Dormitory Building
Trent Institute
Administration building and students' residence
Gymnasium
Memorial Hall
Skating rink
Mechanics' building (except blacksmith instruction shop)
Bursar's Hall
Laundry Building
Engineer's house and garage
Plumber's house

The College work is carried on in the buildings still remaining to the use of the College, which also includes the whole of the farm and the farm buildings.

The main cattle barn and bull barn were both destroyed by fire on March 20th, 1942. Following this fire, plans were prepared and the work of replacing these barns was carried on by day labour and the Province purchased the materials. Inmate labour, and their supervisors, from the Ontario Reformatory, Guelph, were loaned by the Department of the Provincial Secretary and used for the rebuilding of the bull barn referred to. Repairs were made to farm fence at the cattle barn referred to above.

Repairs were made to the roofs of the Massey Library and the Field Husbandry Building, the Poultry Building and the Dairy and Chemistry Buildings.

A new 8" cast iron water pipe line was installed between the existing water reservoir and the Power House, so that, in the event of fire, and to supplement the water storage in the existing elevated tank, the reservoir water would flow by gravity to the fire pump. An overflow line from the reservoir was also installed to provide for the necessary circulation of water to prevent stagnation of the reservoir water. The digging and back filling for this job was carried out by the inmates and their guards, loaned by the Ontario Reformatory at Guelph. The pipe work was carried out by the College Engineer and staff, assisted by temporarily employed mechanics. The frozen surface crust of the ground required to be broken by compressor operated drills, which were rented from the Ontario Department of Highways.

A public lavatory was built in the basement of the Massey Library. An insecticide laboratory was built in the basement of the Biology Building.

Ontario Veterinary College, Guelph:

The new Bangs Disease Testing Laboratory was finished, the electric wiring and fixtures installed for the work benches. The sidewalks and grading were done by the College.

Ontario Agricultural School, Kemptville:

Revised drawings were prepared for the erection of a Seed Cleaning Plant, but the erection of the building was deferred.

The balance of the cow barn and horse stable roofs were re-shingled with asphalt shingles. Part of this work had been done in previous years.

As referred to previously in this report, the major portion of the buildings of this School were loaned to the Department of National Defence for use as a "Canadian Army School of Administration" for the duration of the present war and their occupancy commenced as of November 6th, 1942. The buildings loaned, as referred to, were:

Administration building, including central heating plant
Students' residence
Mechanics building
Judging pavilion
Three staff residences.

Certain portions of the above buildings were retained for storage purposes, etc., by the Province, namely the attic of the Administration Building and the loft of the garage at the rear of Mr. Parrish's house were used as storage space for the Province and part of the basement of the Judging Pavilion was retained for the use of the Province as a chicken hatchery. The farm, farm buildings, farm residences, greenhouse, Principal's residence and the new Dairy Building were retained by the Province to carry on the work of the Agricultural School.

A hatchway was cut in the ceiling of the upper floor of the Administration Building to give access to the attic space for storage purposes.

The basements of the Parrish and Fraser Houses were improved by laying concrete floors, covering the ceilings over furnaces with Gyproc and plaster, reinforcing defective ceiling joist and changing the heating pipes and covering such pipes with asbestos.

Fusible plugs were installed in the two steam boilers in the Main Building and feed water lines and valves to these boilers were re-arranged and new regulating valves installed.

Western Experimental Station, Ridgetown:

Minor repairs were made to drains.

Demonstration Farm, New Liskeard:

Minor repairs were carried out to farm buildings and residences, including partial painting of residences.

Repairs were made to furnace in Superintendent's residence.

The Getty house was remodelled completely and put on new concrete foundations.

Horticultural Experimental Station, Vinelands:

Defective fire hose was replaced.

The glass work on roofs and side walls of two greenhouses and passageway between, was removed, the wood frame repaired and painted and the whole re-glazed.

Minor repairs were made to plumbing and heating systems.

DISTRICT BUILDINGS

The work done in connection with these district buildings was kept to a minimum and generally, the only work items carried out were those of a particularly urgent nature, as described in the following subdivisions:

Algoma:

At the Court House, Sault Ste. Marie, defective plaster ceilings in the main hall, on the ground floor, and in the office of the Agricultural Department were replaced. Repairs were made to the return pump on the vacuum heating system and a new motor was purchased for the Gaol in Sault Ste. Marie. Minor repairs were made to the heating system.

The Registry Office at Sault Ste. Marie is still being used by the Red Cross.

Cochrane:

At the Court House, the boiler brickwork was repaired and boiler mountings re-gasketed.

At the Lock-up and office building, Matheson, minor repairs were made to plumbing and heating systems.

Kenora:

At the Court House, general progress repairs were made.

At the Gaol, some new grates were purchased for the two heating boilers. Paint was supplied for the interior painting of this building, the work to be done by the inmates.

At the Government Building, Sioux Lookout, the ground floor offices were repainted and the top floor offices were also repainted in connection with a rearrangement of the occupancy of this section, and effective as of May 1st, 1943, the Department of Lands and Forests will occupy three offices, instead of one as previously. The Hydro will occupy one rear office, previously used by the Red Cross representative, who was requested to get other premises as of May 1st, 1943.

Manitoulin:

Included with the minor repairs, a pressure water supply was installed to the heating boiler in the Court House at Gore Bay and heating radiator was installed in the shower bathroom in the Gaol.

Muskoka:

At the Court House, Bracebridge, additional to minor repairs, a new set of grates were provided for the hot water heating boiler.

At the Registry Office, Bracebridge, the smoke pipe for the heating boiler was renovated and a cleanout "T" installed.

At the Gaol, Bracebridge, minor repairs were made to roof and brickwork and the smoke pipe on the heating boiler was renewed and the ceiling over, protected. A new No. 6½ round hot water boiler was purchased to install during the next fiscal year, to replace the present obsolete unit. Wallpaper was put in the Gaoler's quarters.

Nipissing:

The Court House at North Bay, including unused space formerly occupied as a Gaol, was, for the most part, altered and renovated throughout to provide space for local departmental offices, which were located in leased premises at scattered points in North Bay. The departmental offices accommodated, as a result of this work, were as follows: Department of Lands and Forests, Game and Fisheries, Agriculture, and Welfare.

Suitable rooms were also provided for the Magistrate, barristers and witnesses and the lavatory accommodation for the staff and public was remodelled and increased, as required.

The alteration work referred to extended and improved the general facilities for the public and Judiciary in connection with the work of the Courts.

In connection with the above alterations, temporary repairs were made to the old Court House boiler to carry over the winter season and a new boiler was ordered, so that the installation could be made during the summer of the next fiscal year.

In the Gaol at North Bay, minor repairs were made to the heating system.

Parry Sound:

Minor repairs were made to Court House, Registry Office and Gaol. A new domestic hot water boiler and coil heater was installed at the Lock-up, Burk's Falls.

Rainy River:

At the Court House, Fort Frances, minor repairs were made, including repairs to the heating system and new grates were installed in numbers 1 and 2 boilers. On the second floor of this building, alterations were made to accommodate the Department of Lands and Forests in space formerly occupied by the School Inspector, who was moved to available space on the ground floor.

At the old Registry Office (Provincial Police Lock-up) new grates were purchased for the heating boiler.

At the Gaol, repairs and replacements were made to radiator valves, new discs and handles and packing were supplied.

Sudbury:

General routine repairs were carried out at the Court House and Gaol, Sudbury. At the Court House, the walls and ceilings of the west corridor of the first floor were replastered. Plumbing repairs and repairs to heating plant were made.

At the Gaol, the return piping on the heating system was rearranged to dispense with pump and operate by gravity. Minor repairs were made to the water piping. The old flat key prison locks were replaced with new locks with fluted keys for the corridors and exit doors. A coal heater and thermometer were purchased for the root house. Paint was purchased for interior work, to be applied by the inmates.

Temiskaming:

General routine repairs were carried out at all the buildings in this district, including:

Court House, Haileybury, where repairs were made to two heating boilers and new grate bars supplied for each.

At the Registry Office, Haileybury, minor repairs were made to heating return system.

At the Gaol, Haileybury, repairs were made to jacket heater.

At the Mining Recorder's office, Swastika, additional valves were installed on the heating system.

At the Lock-up at Englehart, new grates were supplied for hot water heating boiler and smoke pipe renewed.

At the Lock-up, Elk Lake, new grates were supplied for boiler and mountings repaired.

At the office building, New Liskeard, repairs were made to heating system and new boiler section installed; general repairs were made, including redecoration of inside walls and ceilings and laying some linoleum.

Thunder Bay:

General routine repairs were carried out at practically all the buildings in this district, including the purchase of paint and heating repairs for Gaol, Port

Arthur, as well as installation of fan for clothes drying, repairs to boiler mountings, welding repairs to heating boiler and a new water supply pipe installed for the Gaoler's house at Port Arthur.

Repairs were also made to the electric domestic hot water heater at the Geraldton Lock-up.

ONTARIO HOSPITALS

Ontario Hospital, Brockville:

Repairs were made to roof over laundry. A new felt and gravel roof was laid over the four entrance stair projections of Main Building. Slate roof repairs were made to Main Building, Nurses' Residence and Cottages. The roadways from Highway number 2 to the Main Building were repaired and re-surfaced.

Ontario Hospital, Brampton:

A bull shed and fencing was erected at the south barn. The Department purchased the materials and employed part of the labour; the balance of the labour was provided by the Department of Health.

The new Administration Building and a major portion of the lands of this Institution, as noted in last year's annual report, are still on loan to the Department of National Defence for Army Training purposes. The remainder of the lands and farm buildings are used and operated by the Department of Health for farming purposes.

Ontario Hospital, Cobourg:

Plans were prepared for two sets of exit stairs from the Assembly Hall to replace existing worn out stairs.

Ontario Hospital, Fort William:

Shingles were provided to re-roof the Implement Shed, Horse Stable and two other small buildings. A contract was let for repainting the elevated water tank.

Ontario Hospital, Hamilton:

Alterations were made to the main switchboard system in the Power House, including installation of new circuit breaker and the re-calibrating of the graphic kilowatt meter.

A small fire occurred in Orchard House, between the joist at the steam pipe feed to one of the radiators. Repairs were made at this point and at similar steam pipes on the same floor.

Repairs were made to the roofs and gutters of the Main Building, Reservoir, Orchard House, Assembly Hall, Fire Hall and Hickory Farm Buildings.

The Department supplied the materials and the Hospital staff did the work of re-roofing the patients' cottage at Hickory Farm. A new roof was laid on a portion of the piggyery at the main farm.

The chimney of the main power house was repaired, including brickwork and lightning rod system. Plans were prepared for new implement shed.

A fire occurred on October 4th, 1942, at Hickory Farm and burned out the cow barn and horse stable building and the implement shed and chicken slaughter house. The woodwork on the silo was burned out. The stone foundation walls of these buildings were left standing, but will require considerable repairs and rebuilding if they are to be reused.

Ontario Hospital, Kingston:

Repairs were made to a portion of the copper cornice and gutters on the Main Building and to the roof flashings on the Laundry. A new roof was laid over the Industrial Building. The Hospital staff performed the work and this Department supplied the material to re-roof the main garage and to repair portions of the roofs at the Mowat Annex.

A contract was let to repaint the steel elevated water tank at Newcourt, the materials being supplied by this Department.

Drawings were made to fireproof the stair in the stores building.

Ontario Hospital, Langstaff and Concord:

The piggery at Langstaff was renovated, including insulation of walls, building new pens and laying concrete floor. The work was done by the patient labour at the Hospital and materials were supplied by this Department.

This Department supplied the materials and part of the labour for the erection of an additional root house, and also for the replacement of an existing five door garage at Langstaff.

Linoleum was laid in the general office at Langstaff.

One H20 hot water heater was purchased and installed in the laundry clothes drier, to replace the old No. 16 Gothic heater, at Langstaff.

At Concord, the pump cylinder was removed and reconditioned; the sand baled out and the cylinder shaft shortened. The standby pump was put into operation in the interval and a chlorinator was rented temporarily by the Department of Health therefor.

Ontario Hospital, London:

Repairs were made to the roofs of sundry buildings, including slate roofs of the main building and the Assembly Hall. This Department supplied the material for and the Hospital staff did the work of replacing about half of the flat roof over the boiler house.

Steam boilers numbers 5 and 6 at the power house were reset and relined and the steam header stop valves and non-return valves overhauled.

Repairs were made to the circulating pipe at the elevated water storage tank.

It is to be noted that a portion of this Hospital's lands are still on loan to the Department of National Defence.

Ontario Hospital, New Toronto:

The four brick chimneys on the Assembly Hall were taken down to the roof and the slate roofs repaired.

Plastering repairs were made in the Superintendent's residence, Administration Building and staff electrician's house.

One extractor motor from the laundry was re-wound and a new transformer and starter supplied in connection therewith.

Roofs were replaced on the electrician's and engineer's houses on 18th Street.

Arrangements were made to check up the whole rain water outfall system and the walls of the manhole on this system at Government Road were increased in height.

Ontario Hospital, Orillia:

Plans were prepared and the work started for the building of a new dormitory building for farm patients to replace the quarters previously rented and known as the Dunn Farm. The work was done by the staff and patients of the Hospital, augmented by a small portion of outside paid labour. This Department purchased the materials.

A contract was let to the R. A. Blyth Company for crossing under the highway with a 48" concrete pipe to carry steam water and other services from an existing hospital building to the new building for farm patients.

General repairs were made to slate roofs on all buildings and eavestrough repairs and replacements were made on three units of the male side of the Hospital.

The work of installing the new general service elevator in the Main building was completed.

Plaster ceiling of one children's dining room was repaired and half of the area replastered.

Repairs were made to the chimney at the power house.

The elevated steel water tower was repainted.

Ontario Hospital, Penetanguishene:

Arrangements were made to insulate the walls and roof of staff residence number 19, using some rock wool insulation from the hospital's stores and purchasing additional material as required. The work was done by the Hospital staff mechanics.

Extensive repairs were made to parapet walls and other brickwork and stonework generally on the existing building for the Criminally Insane.

A working drawing was prepared for a proposed additional piggery, to be erected in the following fiscal year.

Ontario Hospital, Port Arthur:

The new building and a portion of the lands, as stated in the previous year's report, are on loan to the Department of National Defence for the duration of the present war.

Ontario Hospital, 999 Queen Street West, Toronto:

An order was issued to the Canadian National Railway Company to repair the railway siding to the grounds of this Hospital.

Working drawings were prepared and the work completed of installing a new combination passenger and food service elevator in the west wing of the Main Building. A contract was let for the elevator car, machinery and entrances and doors and the balance of the work was done by day labour. This work included removal of the old hydraulic hoist and relocation of one attendant's duty room and the patients' clothing rooms and the installation of a pent house and small stair thereto.

Psychiatric Hospital, Toronto:

General progress repairs were made, as required, to mechanical services.

Ontario Hospital, Whitby:

The staff residences, known as the Willis and Polly Smith houses, were altered to two duplex residences. Plans were prepared, materials purchased by this Department and the work was done, for the most part, by the Hospital. Some

outside paid labour was employed by this Department and a contract was let for the plumbing work. New forced warm air heating systems were installed in these duplex residences.

The hot air furnaces of six staff residences were replaced by new furnaces, purchased by this Department, the installation work being done by the Hospital staff mechanics.

Major repairs were made to tile roofs throughout the Hospital; the work being done on a day labour basis.

The exterior walls around shower rooms at the baths in cottages numbers 8 to 16 inclusive, were overhauled and waterproofed and re-tiled.

The linoleum floors of the two main corridors in each of the male and female pavilions were replaced with terrazzo, the work being done by contract. The tile floors in the kitchen of the dining hall number 2 were replaced.

Working drawings were prepared for a farm office and patients' comfort station for the main farm centre. The work was done by Hospital staff labour and patients and some outside paid labour.

Working drawings were prepared for a slaughter house and for an additional piggery unit.

Ontario Hospital, Woodstock:

A nurses' lavatory was installed in boys' unit, Ward D, the materials being supplied by this Department and the work done by the Hospital staff.

Twenty-three window guards were installed on patients' dining room building in the T.B. Division; also eight window guards were installed in cottages E.F. 5 and 6.

This Department made the plans and supplied the materials for the building of an additional piggery unit. The work was done by the Hospital.

Ontario Hospital, St. Thomas:

As stated in my report of the previous fiscal year, this Institution is now on loan to the Department of National Defence for R.C.A.F. training purposes, except the farm portion, which is under the jurisdiction of the Department of Public Works.

When the land was purchased for this hospital, this Department did not acquire the premises occupied by School section number 17, Yarmouth Township, which had a 200 ft. frontage on the east side of Highway number 4, and was in active use for school purposes. Early in 1942, arrangements were made with the Public School Board of Section 17 of the said Township to exchange their said premises on the east side of the said highway, for a portion of the hospital premises located opposite and on the west side of the highway. An exchange of deeds was made as of April 28th, 1942, to consummate this arrangement.

EXAMINATION OF PLANS FOR THE DEPARTMENT OF HEALTH

Plans were examined and recommendations forwarded to the Department of Health in connection with proposed alterations or additions to General Hospitals, Red Cross Hospitals, Sanatoria and Private Hospitals and in connection with new projects for such hospitals. Proposals of various kinds were dealt with in connection with the following:

Red Cross Hospital, Atikokan.
Red Cross Hospital, Bancroft.

Red Cross Hospital, Beardmore.
 General Hospital, Bowmanville.
 General and Marine Hospital, Collingwood.
 General Hospital, Cornwall.
 General Hospital, Arnprior.
 Red Cross Hospital, Emo.
 Sanatorium, Fort William.
 Nurses' residence, General Hospital, Hamilton.
 Nurses' residence, General Hospital, Kitchener and Waterloo.
 Civic Hospital, Ottawa.
 Psychiatric Wing, Victoria Hospital, London.
 Nurses' residence, St. Joseph's Hospital, North Bay.
 York County Hospital, Newmarket.
 General Hospital, Parry Sound.
 General Hospital, Sarnia.
 St. Joseph's Hospital, Sarnia.
 Plummer Memorial Hospital, Sault Ste. Marie.
 General Hospital, St. Catharines.
 Memorial Hospital, St. Thomas.
 East General Hospital, Toronto.
 Canadian Mothercraft Society, 49 Clarendon Avenue, Toronto.
 Western Hospital (Examination unit) Toronto.
 Welland County General Hospital, Welland.
 Isolation Hospital, Toronto.
 Mrs. Hall's Private Hospital, Dundas.
 Strathcona Private Hospital, Toronto.
 Allen Private Hospital, 867 College Street, Toronto.
 Fenwood Private Hospital, 626 Church Street, Toronto.
 Mayfair Private Hospital, 432 Sherbourne Street, Toronto.
 Port Perry Private Hospital, Port Perry.
 Polymer Corporation Limited Hospital, Sarnia.
 Abitibi Private Hospital, Smooth Rock Falls.
 Sutton Private Hospital, Sutton West.
 Whitby Private Hospital, Whitby.
 Oakville Private Hospital, Oakville.
 Rogers Private Hospital, London.

ONTARIO REFORMATORIES

Andrew Mercer Reformatory, Toronto:

The floor and foundations of the exercise yard shelter were removed and replaced in concrete. Minor repairs to roof and eavestroughs and conductors were made on the main building. The wooden fence on the east side of the boiler house yard was rebuilt.

Ontario Reformatory, Mimico:

As stated in the report of the previous fiscal year, this Institution is on loan to the Department of National Defence. The farm lands and farm buildings were omitted from the premises loaned to the Dominion, with the exception of certain small portions of the said farm lands, which were, by separate arrangement, loaned to the Dominion for garden purposes. The farm lands and buildings of this Reformatory, as referred to above, together with the premises of the adjoining Old Victoria Industrial School are being operated by the Department of Health.

Industrial Farm, Monteith:

As noted in the report of the previous fiscal year, this Institution is now on loan to the Department of National Defence and the whole premises are under their complete jurisdiction.

ONTARIO TRAINING SCHOOLS

Boys' Training School, Bowmanville:

This Institution is still on loan to the Department of National Defence and the premises known as the "Senkler House" and the "Alexander House," which were previously leased for temporary quarters of the School, are in use at present for this purpose. The alterations and fitment of the temporary premises were carried to completion during the fiscal year.

Girls' Training School, Galt:

An order was issued to the Canadian National Railway Company to repair the siding. This work was completed.

An order was also issued to the Public Utilities Commission at Galt, to repair a manhole on the water system of this School, located on Coronation Boulevard.

This Institution was loaned to the Department of National Defence for use by the women's branch of the Royal Canadian Navy for the duration of the present war and their occupancy commenced as of August 1st, 1942. The McCook premises in Cobourg were leased, altered and fitted to serve as temporary quarters for the Girls' Training School of the Province. The fitment of this residence included alterations and improvements in all trades generally, including the installation of a complete forced warm air heating system, as the residence was originally designed for summer occupation only.

FISH HATCHERIES

Hill's Lake Fish Hatchery:

Minor repairs were made to supply flume. Part of an adjoining farm from which sod was taken the previous year for sodding banks of ponds, was plowed ready for seeding to comply with agreement previously made with the owner in this connection.

ONTARIO HIGHWAYS BUILDINGS

New Buildings:

Working drawings and details were prepared and supervision given by the Department of Public Works, at the request of the Department of Highways, in connection with the building of the following buildings; the work for which was carried on under the direction of and paid for by the said Department of Highways.

- (a) Implement storage shed, Stratford.
- (b) Garage, Bancroft.
- (c) Alterations and additions to building at Rassbery Farm, to be used as a Hamilton Divisional Office.
- (d) Log cabin scale house, Northern Ontario.
- (e) Alterations and additions, electrical service building, Brown's Line.

Sketches Only:

Sketches only were prepared for:

Proposed Garage, Stratford.

Proposed layout Divisional Headquarters, Hamilton.

Proposed layout Divisional Headquarters, Fort Frances.

BOILER INSPECTION

The boiler inspection work of this Department was carried out by the Heating Engineer, as an addition to his duties as Chief Stationary Engineer for the Parliament Buildings.

Excluding the plants which have been loaned to the Department of National Defence for their own operations and responsibility in connection with the Institutions loaned for purposes of the present war, the inspection work covered this year under the above heading may be described as follows:

The boilers and boiler equipment and heating equipment of the Legislative and Departmental Buildings, Osgoode Hall, Educational Buildings, Agricultural Buildings, District Buildings, Ontario Hospitals, Ontario Training Schools and Ontario Reformatories were inspected and reported upon for safety and proper operation and to determine the extent of the repairs and materials needed for such repairs to properly maintain and operate the power and heating plants in the various building groups referred to. In the case of the Ontario Hospitals and the Ontario Reformatories, the reports, as referred to, were sent to the Departments of Health and Provincial Secretary respectively, for their attention in the matter of making the repairs recommended.

The recommendations contained in the reports regarding plants in all the other building groups referred to in this section, were attended to by the Department of Public Works.

PROVINCE OF ONTARIO SAVINGS OFFICES

Co-operation was given, in the usual manner, to the Head Office Management in the matter of general routine maintenance and repair work at the branches where such work was requested.

Renewal of expiring leases in connection with branch offices was negotiated and arranged, as required.

Re Branch Office, King Street East, Hamilton:

A fire occurred on January 1st, 1943, in the top floor of the Block in which these Savings Office premises are located and considerable damage was done by water to the Bank premises. The accumulation of water in the basement of the building submerged the stoker motor and put the heating plant out of commission for a time. The Lessors made arrangements to have the necessary renovations and adjustments carried out after the fire.

MISCELLANEOUS

Ontario Government Building, Kingston:

General progress repairs of a minor nature were made. It is to be noted that the following Departments have offices in this building,—Departments of Highways, Agriculture, Health and Public Welfare. The Canadian Red Cross Society (blood donor's clinic) has been given temporary accommodation in a portion of this building.

Air Raid Precaution Work:

In co-operation with various other government departments, the work in connection with the Public Utilities Division of the Civilian Defence Committee (A.R.P.) was continued during this year. Surveys were prepared as required; the preparation of a manual for advanced training was undertaken and a series of conferences and lectures were attended in this connection.

Residence for Mr. Oliva Dionne and family:

The plans and specifications were completed for a residence for Mr. Oliva Dionne and family and delivered to the Dionne Quintuplet Guardianship who called for the tenders and let the contract for the building. The work was well advanced during this fiscal year.

Boiler House and Engine Room, Lignite Development Scheme at Onakawana:

At the request of the Minister of Lands and Forests, lumber lists, working drawings and details were made according to plans previously prepared by others and submitted by the Department of Lands and Forests in connection with this development.

General Laboratory Equipment for Department of Health:

Electrical apparatus was purchased and installed in water baths, hot air ovens and incubators furnished by the Department of Health for their various laboratory centres throughout the Province and outfit boxes were made in the Parliament Buildings carpenter shop for field officers of the Laboratory Division of the Department of Health.

Temiskaming Testing Laboratory, Cobalt, Ont.:

At the request of the Department of Mines and to replace a building previously used for this purpose which was destroyed by fire, the Department of Public Works purchased the old Town Hall of Cobalt and prepared plans and details and proceeded with the work of altering and remodelling this brick building to accommodate a testing plant and sampling mill, as required by the Department of Mines in this District. The building is about 40 ft. wide and 100 ft. long and four storeys in height. The work included the fireproofing of about one half of the building with reinforced concrete floors and columns to suit extra heavy loads, the installation of a chemical laboratory, office and lavatory facilities and a freight elevator to serve all floors. The installation of special crushing, screening, sampling and dust collecting equipment will be included in the complete system of machinery and apparatus required to complete this plant. Part of this equipment will be completed this fiscal year and the balance during the next fiscal year. The existing equipment of the Province will be reused in this building, as far as possible.

Dominion-Provincial Creche:

Premises owned by the Salvation Army at 95 Bellevue Avenue, Toronto, were leased by the Province and altered and fitted to serve as a Creche for the care of war workers' children.

Fair for Britain:

Co-operation was given to other Departments in the matter of contributing to the completion of exhibits for this Fair. Materials were purchased and some staff mechanics from the Parliament Buildings were used to carry out the work requested.

Typical Dormitory Buildings for Farm Service Force:

At the request of the Department of Agriculture, working drawings were prepared for two typical dormitory buildings to be erected and used in connection with a general farm service force scheme.

I have the honour to be, Sir,

Your obedient servant,

GEORGE N. WILLIAMS,

Chief Architect.

Toronto, March 31st, 1943.

REPORT OF THE ENGINEER

THE HONOURABLE GEORGE H. DOUCETT, M.P.P.,
Minister of Public Works,
Parliament Buildings, Toronto.

SIR:

I have the honour to report on the work done by the Engineer's Branch of the Department of Public Works, Ontario, during the fiscal year April 1, 1942, to March 31, 1943.

All the work was done by day labour under local foremen, employing local men and using local material wherever possible.

The usual maintenance of locks, dams, docks and navigable channels was carried out. One new concrete dam was built and one old timber dam remodeled. Drainage work was done in seven districts and aid given to one municipal drain under the Provincial Aid to Drainage Act.

Maintenance work was as follows:

Dollars Dams:

The north dam was leaking badly in several places and these leaks were stopped by sheeting and gravelling. The decks of both dams were repaired and the dams put in proper working order.

Huntsville Locks:

One of the gates in these locks could not be opened as the main post had become decayed. The gate was taken out and the decayed timber replaced with new timber. Other minor repairs were made to the locks to put them in proper working order.

Port Carling Locks:

The dock on the north side of the locks was rebuilt in timber from the swing bridge to the west end of the dock. Repairs were made to the gates, the swing bridge and the shelter house.

Repairs were also made to the following dams: Bala Dam, Tea Lake Dam, Joe Lake Dam, Ragged Lake Dam, Tasso Lake Dam, and Paudash Lake Dam.

All buoys in the Muskoka Lakes taken out by the spring floods were replaced and the boat channels kept clear of obstructions.

STORAGE DAMS

Pickerel River Dam:

On the upper section of the Pickerel River there is a series of five lakes which are excellent for fishing and tourist purposes and on which there are considerable lumbering operations. The fire rangers use this chain of lakes to transport their equipment in putting out fires. There is only one road to this waterway and it leads to the upper end of the route. To get to the lower lake three portages had to be made, one of which was about a mile long in low water.

This dam was built at the outlet of the lower lake to raise the water so that navigation for motor launches was made possible throughout the chain of lakes for a distance of about fifteen miles.

The dam is one hundred feet long and fifteen feet high. It was built of stone laid in concrete mortar. It has two sluiceways each fifteen feet wide provided with stop logs to control the level of the lakes. It rests on solid rock foundation.

The dam has been of great benefit to the tourists, the lumbermen and the fire rangers.

Deer Lake Dam:

This dam holds the water up on Deer Lake to provide navigation on the lake and the Magnetawan River for tourists. It was originally built for lumbering purposes.

It is a timber dam and was provided with three sluiceways each twenty feet wide for log driving purposes. The top part of the dam had become badly decayed and was unsafe. As there are no longer lumbering operations on the lake, it was decided to take off the upper part of the dam, leaving it just high enough to hold the lake at the proper level, and making it into a tumbling dam. The lower part of the dam was fairly sound and will stand for several years.

MUNICIPAL DRAINAGE

Municipal Drainage was carried out in the following districts: Victoria and Haliburton, Nipissing, Parry Sound, Muskoka, Peterborough, North and South Renfrew, and Temiskaming.

The work in Temiskaming District consisted of cutting a new channel from Moose Creek to the Blanche River. This channel takes the flood water of Moose Creek direct to the Blanche River, whereas it formerly followed the old, crooked creek bed for a distance of seven or eight miles before entering the Blanche River and flooded a large area of land and roads in Hilliard, Harley and Casey Townships. The new channel cut was 3,300 feet long, 4 to 5 feet deep and 20 feet wide at the bottom. It has proven a great relief to the lands and roads in these townships.

The work in the other districts consisted mainly of road drainage.

PROVINCIAL AID TO DRAINAGE

Holland Marsh Drainage Scheme:

This is a pumping drainage scheme in which about seven thousand acres of low-lying marsh land in the Townships of West Gwillimbury and King and the Village of Bradford is drained by pumping the water over the embankment which surrounds the marsh. The old channel of the Holland River which serves as a drain to carry the water to the pumps had become filled with sediment at the upper end so that it would not drain the upper half of the marsh.

The repairs to the scheme were made by the Township of West Gwillimbury under the provisions of the Municipal Drainage Act, in accordance with report, plans and specifications prepared by Mr. G. A. McCubbin and Mr. W. G. McGeorge, Civil Engineers, of Chatham, Ontario.

The work consisted of the dredging of the upper end of the channel for a distance of four-and-one-half miles. The dredge cut was twenty feet wide at the bottom with side slopes of one to one and averaged about three-and-one-half feet in depth. The embankments surrounding the marsh had settled in several places, endangering the marsh during flood times. These embankments were raised by filling with earth to make them safe against overflowing. Some repairs were also made to the two pumps which had become worn.

The final cost of the work as certified to by the treasurer of the township was \$16,551.93.

The work was examined and found to be completed satisfactorily and on report a grant of \$3,310.38, being twenty per cent. of the cost of the work, was paid to the Township of West Gwillimbury in accordance with the Provincial Aid to Drainage Act.

I have the honour to be, Sir,

Your obedient servant,

J. W. HACKNER,
Engineer of Public Works.

Toronto, March 31st, 1943

STATEMENTS
of the
ACCOUNTANT
of
Public Works Department
1942-1943

Department of Public Works, Ontario.

TORONTO, March 31st, 1943.

HONOURABLE GEORGE H. DOUCETT, M.P.P.,

Minister of Public Works, Ontario.

SIR:

I have the honour to submit detailed statements of Ordinary Expenditure of Civil Government and Maintenance and Repairs of Government Buildings and Public Works; also Capital Expenditure on Provincial Public Buildings and Public Works, during the fiscal year which ended on the 31st of March, 1943.

I have the honour to be, Sir,

Your obedient servant,

S. WOOD,

Secretary and Accountant.

SUMMARY OF EXPENDITURE
FOR FISCAL YEAR APRIL 1st, 1942 to MARCH 31st, 1943

Service	Ordinary	Capital	TOTAL

TO THE HONOURABLE ALBERT MATTHEWS,

Lieutenant-Governor of the Province of Ontario.

MAY IT PLEASE YOUR HONOUR:

The undersigned has the honour to present the Thirty-sixth Annual Report of the Department of Game and Fisheries for the Province of Ontario, for the year ending 31st March, 1943.

Respectfully submitted,

G. H. DUNBAR,

*Minister in Charge,
Department of Game and Fisheries.*

THIRTY-SIXTH ANNUAL REPORT

OF THE

Department of Game and Fisheries of Ontario

TO THE HONOURABLE G. H. DUNBAR,

*Minister in Charge,
Department of Game and Fisheries.*

SIR—

I have the honour to submit to you herewith the Thirty-sixth Annual Report of the Department of Game and Fisheries, outlining a summary of the activities of the various Departmental services, and including condensed statistics for the fiscal year ended March 31st, 1943, as well as certain comparative tables.

INTRODUCTORY

The natural resources of a nation form the foundation of a stable economic superstructure and its resultant wealth.

Wild-life is an integral part of the natural resources of the Province of Ontario, and an evaluation of its worth will show that it is an important part of the total economy of the entire Dominion. Briefly, it provides a measure of food and clothing, (fish, flesh and fur), through the usual channels of industry and through the sporting activities of countless thousands of our residents to whom its pursuit affords pleasure and healthful exercise; it creates employment for thousands of our citizens in the important fur industry and its related activities, in the commercial fishing industry, in the manufacture and supply of necessary equipment, as well as for an army of guides, whose business it is to know where and how it may be obtained; it is the greatest asset of our tourist trade, in normal times one of the principal industries of the Province, and which plays an important part in fostering those friendly relations which have prevailed and which now prevail between us and our neighbours to the south.

While the economic value of the wild-life of this Province can thus be computed in monetary terms, it has a moral and recreational value which is of even greater importance particularly to our own residents, for it is the incentive which attracts countless thousands of people into the great outdoors, where the environment of field and stream is conducive to health, happiness and good citizenship.

Wild-life is a public trust, in which every citizen of the Province has an equity, and the administrative policies of the Department have been formulated and developed on that premise. It is essential that this division of our natural resources shall not be impaired and that its perpetuation shall be assured. Having this in mind the work of the Department has been directed towards the protection and rehabilitation of these resources and the progressive development of conservation policies intended to promote wise use without reduction of existing stock. Details of how these plans have been advanced during the period under review, as well as information on the present status of such resources, will be found elsewhere in this report.

The broad policy of conservation which has characterized administrative control for more than three decades has assumed a new importance during the present emergency. The public has become deeply conscious of the value of conservation as an aid to economic security

through the necessity for regulating supply and demand as determined by our war effort. This in turn has emphasized the contribution which wild-life makes to the food supply of the nation, and the necessity for public co-operation in its protection and sane use. The success of Departmental plans for maintaining an adequate reserve of fish and game to meet ever increasing demands depends in large measure upon public support, and it is pleasing to note that this phase of the conservation programme continues to receive encouragement and stimulation through the efforts of organized sportsmen.

Despite the national emergency and the curtailment of many activities occasioned thereby, provision has been made whereby it has been possible to carry on the essential work of the Department for the achievement of the foregoing objectives.

FINANCIAL

The following table shows the total revenue collected by this Department during this particular fiscal year. It outlines the various sources from which this revenue is derived and in detail gives the respective amount collected from each of these sources:—

REVENUE FOR THE FISCAL YEAR ENDING MARCH 31st, 1943

ORDINARY—

MAIN OFFICE

GAME—

Licenses—

Trapping	\$ 39,602.45
Non-resident hunting	93,245.00
Deer	118,083.55
Moose	4,372.50
Gun	102,244.96
Dog	6,450.55
Fur Dealers	26,288.00
Fur Farmers	6,250.00
Tanners	130.00
Cold Storage	209.00

396,576.01

Royalty

122,032.15

\$518,908.16

FISHERIES—

Licenses—

Fishing (Commercial)	74,355.00
Angling	306,263.85

380,618.85

Royalty

10,152.32

\$390,771.17

GENERAL—

License—

Tourist Camps	6,565.00
Guides	6,840.00

13,405.00

Fines 17,718.20

Costs Collected (Enforcement of Game Act) 546.00

Sales—Confiscated Articles etc. 14,779.25

Rent	3,149.00	
Commission—Retained by Province on sale of Licenses	1,758.55	
Miscellaneous	1,315.56	
		52,671.56
Net Ordinary Revenue		\$962,350.89

The total collections represent a decline of more than \$220,000.00 as compared with the revenue produced in the previous fiscal year. The principal reason for this decrease is the reduced amount of fees received from the sale of non-resident licenses, both angling and hunting. In 1941-42 the revenue from the sale of these licenses reached the impressive total of \$600,884.95. The amount received this year from this source was \$399,508.85, a decrease of more than \$201,000.00. This decrease had been anticipated and was unquestionably due to a condition to which reference was made in our previous Annual Report, viz:—the United States now being involved in war would necessarily result in restrictions on travel and transportation facilities, which with the added necessity of stern application to the production of vital war material, would undoubtedly result in a very noticeable decrease in the number of American citizens visiting this country for vacation purposes. Other important reductions in the collection of revenue when compared with that of the previous fiscal year will be observed in the amounts received from the sale of commercial fishing licenses, which decreased \$13,500.00, from penalties imposed on those convicted of violations of provisions of the Game and Fisheries Act, and from the sale of articles confiscated following such convictions, which decreased \$16,000.00, and from fur royalties, which decreased \$8,500.00. It may, however, be of interest to make reference to the fact that the amount of \$231,151.56 received from the sale of various types of hunting licenses to residents of Ontario was \$29,000.00 in excess of the amount derived from the same source in the preceding year.

The following tables include details with reference to the sale of hunting and angling licenses:

ANGLING LICENSES ISSUED

Non-resident:—

Individual (Seasonal)	27,320
Individual (Three-day)	31,567
Family	14,388
Manitoba Residents	697
Boys' Camp	20

HUNTING LICENSES ISSUED

Resident:—

Deer	31,530
Deer (Camp)	373
Deer (Farmers')	7,288
Moose	750
Gun	118,268

Non-resident:—

Small Game	1,473
Deer	1,518
General	795
Bear (Spring Season)	232

Details of expenditure, both ordinary and capital, are set forth in the following statement:—

EXPENDITURE FOR THE FISCAL YEAR ENDED MARCH 31st, 1943

ORDINARY—

Main Office	\$ 52,385.16
General	39,950.68
Enforcement	209,647.93
Game Animals and Birds	17,949.05
Macdirmid	3,673.20
Biological and Fish Culture Branch	205,599.97
Grants	5,400.00
Wolf Bounty	33,606.62
Special Warrant—Bear Bounty	3,640.00
Total Ordinary	\$571,852.61
Capital	2,879.88
Total Expenditure	\$574,732.49

The principal items of expenditure were made for the payment of salaries and expenses of members of the Enforcement Service and for the maintenance of services provided by the Biological and Fish Culture Branch in connection with the raising, distribution and the planting of fish in suitable waters throughout the Province. More details of the work performed by these two important branches of the Department will be found further on in this report.

There is an additional item of expenditure included in this statement, i.e., for the payment of bounty on bears killed in certain sections of the Province, as provided by the Order-in-Council dated August 19th, 1942, more details of which regulation and expenditure are also incorporated later on in this report.

The sum of \$5,400.00 which was provided for the payment of grants was allotted as follows:—\$2,500.00 to the Ontario Fur Breeders Association to augment the funds of this organization and to permit them to continue their services on behalf of fur farmers who are established and operating in Ontario; \$500.00 to the Ontario Federation of Anglers and Hunters for their educational campaign, one of the principal objectives of which is to emphasize the importance of proper observance of provisions of the Game and Fisheries Act; \$500.00 to Professor W. J. K. Harkness for his services in connection with fish culture research and which services are supplementary to those provided by Departmental Biologists; and the remaining \$1,900.00 to Mr. Jack Miner, Mr. Thomas N. Jones and Miss Edith L. Marsh, who provide sanctuaries for birds, both migratory and native species, on their properties located respectively in the counties of Essex, Elgin and Grey.

From the year's operations it will be noted that there was a surplus of \$387,618.40, which may be considered a satisfactory condition.

The following table details Departmental revenue and expenditure for the various fiscal years from and including the period ended March 31st, 1936.—

	Revenue	Expenditure (Ordinary & Capital)	Surplus
1935-36	\$ 663,938.72	\$451,041.91	\$232,896.81
1936-37	782,217.63	474,128.95	318,088.68
1937-38	866,558.19	563,938.33	302,619.86
1938-39	914,475.24	575,437.79	339,037.45
1939-40	1,015,350.82	568,198.55	447,152.27
1940-41	984,800.69	512,834.70	471,965.99
1941-42	1,183,269.29	576,762.26	606,507.03
1942-43	962,350.89	574,732.49	387,618.40

GAME

Herewith is a summary of conditions as they apply to the various species of game animals and birds found in Ontario, which information has been compiled from reports secured from officers of the enforcement service throughout the Province—

DEER:—Generally speaking in those portions of the Province in which the regular open season for the hunting of deer has been in effect conditions with reference to the prevalence of these animals have continued to be quite satisfactory. The period during which they may be lawfully taken as at present provided is not excessively lengthy, and those sportsmen who avail themselves of this opportunity for recreation have displayed an earnest desire to co-operate with the Department in complying with various regulations which govern and which have been provided by the Legislature and which are established on the premise that they are necessary for the future welfare of the existing deer herds. There is good reason to believe that the fine quality of hunting which is at present available in the various deer sections of this Province will prevail for the enjoyment of generations to come, provided there is no relaxation in the present regulations which apply and that the existing co-operation of hunters continues, and also that there arises no contingency detrimental to the existence of this species which is at present unforeseen. In many areas in the extreme southwestern portion of the Province in which this species has been provided the protection of an entire closed period for the past several years there has been a noticeable increase in the number of these animals and which improvement has resulted on some occasions in complaint to the Department regarding damage to field crops. The popularity of this branch of hunting is revealed in the fact that the number of Ontario residents who purchased licenses to hunt deer during the open season of 1942, exclusive of those who purchased farmer's licenses, showed an increase of twenty-five per cent over the number who purchased such licenses during the previous year, or an increase of 6,305 in actual numbers.

The general open season for deer in Division (d), i.e., Southern Ontario, exclusive of the southwestern counties and certain eastern counties was provided by order-in-council to extend from November 2nd to November 17th. The same period of open season was also provided for that portion of the County of Carleton lying west of the Rideau River, (excepting the Township of Marlborough) and for the Township of Roxborough in the County of Stormont. In the Counties of Simcoe, Dufferin, Grey and Bruce and the northern portion of the County of Huron the hunting of deer was permitted during the period from November 16th to 21st, with the provision that no dogs were to be used during this open season.

The Counties of Northumberland, Durham and Prince Edward and that portion of the County of Ontario lying south of the north boundaries of Brock and Scott Townships as well as the Township of Cambridge in the County of Russell, were included among the areas in which the hunting of deer was prohibited at all times.

MOOSE:—Conditions applicable to moose showed no important changes during the year. Some slight increase was reported in scattered areas in the northern portion of the Province which are favourable to their existence, but as a general rule they are not found in sufficient numbers to justify any extensive hunting. The protection at present provided would appear to be essential for the continued existence of this species. The usual period of open season provided by the Game and Fisheries Act was in effect in Northern Ontario, while a restricted period of open season, extending from October 15th to 30th, 1942, was established by Regulation effective in those portions of the Districts of Nipissing, Sudbury and Temiskaming defined in clause (i) of subsection (b) of Section 7, and in the District of Ramy River and those portions of the Districts of Kenora and Thunder Bay defined in clause (ii) of subsection (b) of Section 7 of the Game and Fisheries Act.

CARIBOU:—This species exists only in very limited numbers and in but few isolated areas. The hunting of caribou is prohibited at all times, and this complete protection would appear to be quite necessary for the maintenance of this species even in its present limited proportions.

ELK:—Little improvement has been reported from the various sections in which these animals are to be found. The original stock was brought into the Province several years ago from Western Canada, and limited numbers were liberated on subsequent occasions in suitable portions of the Counties of Bruce and Peterborough, and in the Districts of Nipissing, Sudbury, Algoma and Thunder Bay. Some specimens are also located on Beausoleil Island in Georgian Bay off the county of Simcoe. The original importations were placed on the Petawawa Crown Game Preserve in the County of Pembroke, where numerous specimens still exist.

BUFFALO:—These animals are to be found only on lands in the Burwash Crown Game Preserve in the District of Sudbury, where they were placed after being brought from Alberta in 1939. Little increase has been reported.

BEAR:—Bear continue to be quite plentiful throughout the northern portion of the Province and increased numbers were reported from many areas. The hunting of this species provides some measure of sport and recreation and as has been stated previously in this report, the Department disposed of two hundred and thirty-two non-resident licenses for the taking of bear during the 1942 spring season, i.e., from April 1st to June 15th.

During the year a regulation was provided to authorize the payment of a bounty of \$10.00 on each bear killed in defence or preservation of live-stock or property. This regulation applied only to bears over the age of twelve months which had been killed in any township in which not less than twenty-five per cent of the total area is devoted to agriculture and which are located in Northern Ontario, the Districts of Parry Sound, Muskoka and Haliburton and in the Counties of Bruce, Frontenac, Hastings, Lennox and Addington, Peterborough, Renfrew and Victoria, and was payable only in respect to bear killed by a resident of the Township in which such bear was actually killed.

RABBITS:—Reports received in the Department would indicate that the various species of rabbit which inhabit the different sections of the Province were quite plentiful, and sneaking generally, there would appear to have been some increase in their numbers in many districts. Cotton-tail rabbits prevail throughout the western and central portions of southern Ontario, the European hare, or jack rabbit, throughout the southwestern counties generally, while snow-shoe rabbits, or varying hare, are to be found in the northern and eastern portions of Southern Ontario and throughout that portion of the Province lying north and west of the Mattawa and French Rivers and Lake Nipissing. In some portions of the south-central and

eastern counties some decrease was reported due to the prevalence of fox. The hunting of rabbits continued to provide excellent sport during the late fall and early winter months for a multitude of interested sportsmen.

PARTRIDGE:—During the period under review there was some decline throughout the Province in the numbers of partridge, though the various species of this fine game bird continued to be sufficiently plentiful to warrant the provision of a short open season, with a restricted take. The general open season, which was effective, covered two periods: viz: October 3rd to 17th and November 2nd to 14th, with a limit of five birds per day and not more than twenty-five in all over the two periods. In the Townships established as Regulated Game Preserve Areas the dates on which partridge could be taken coincided with those provided for the taking of pheasants therein, with a limit of five birds per day. The shooting of partridge was also permitted in the County of Lambton on October 31st, and in the counties of Essex and Kent, on October 29th, 30th and 31st, with a bag limit in each case of five birds per day.

HUNGARIAN PARTRIDGE:—There are but few sections of Ontario which these birds are reported to inhabit, and those areas are restricted in extent, being chiefly in the extreme southwestern counties and in two or three of the eastern counties. Such as are to be found here have resulted from re-stocking undertaken by the Department in previous years. Shooting of this species was restricted to the Counties of Essex and Kent, on October 29th, 30th and 31st, with a bag limit of two birds per day.

PHEASANTS:—In 1942 the Department was responsible for the distribution of 22,399 pheasants, comprised of 20,986 poults, 1171 adult hens and 242 adult cock birds. The actual purchase price was \$17,400.00. These birds were liberated under the supervision of Departmental field officers, principally in the various Townships established as Regulated Game Preserve Areas, and which distribution totalled 20,070 birds. Of the remainder 2,200 were liberated in suitable areas in a few additional Southern Ontario counties, while various branches of the Ontario Bird Dog Association were allocated 129 birds for use in connection with their spring and fall bird dog trials. Details of this distribution are set forth herewith, and in all cases except as indicated the birds so liberated were poults:—

Regulated Game Preserve Areas:—County of Brant, (three townships—Burford, South Dumfries and Onondaga), 710 birds; County of Elgin, (five townships—Aldborough, Bayham, Dorchester South, Dunwich and Malahide), 1,000 birds; County of Haldimand, (ten townships—Canboro, Dunn, Moulton, Cayuga North, Cayuga South, Oneida, Rainham, Seneca, Sherbrooke and Walpole), 1830 birds of which 10 were adults; County of Halton, (four townships—Esquesing, Nassagaweya, Nelson and Trafalgar), 1554 birds of which 204 were adults; County of Lambton, (one township—Plympton), 195 birds; County of Lincoln, (eight townships—Caistor, Clinton, Gainsboro, Grimsby North, Grimsby South, Grantham, Louth and Niagara), 1665 birds; County of Middlesex, (two townships—Westminster (part) and Metcalfe), 500 birds; County of Norfolk, (four townships—Middleton, Townsend, Windham and Walsingham), 1020 birds; County of Ontario, (three townships—Pickering, Whitby East and Whitby West), 1315 birds of which 205 were adults; County of Oxford, (two townships—Dereham and Oxford East), 546 birds; County of Peel, (five townships—Albion, Caledon, Chinguacousy, Toronto (part) and Toronto (Gore), 1714 birds, of which 229 were adults; County of Prince Edward, (one township—Marysburgh South), 120 birds; County of Welland, (eight townships—Bertie, Crowland, Humberstone, Pelham, Stamford, Thorold, Wainfleet and Willoughby), 1935 birds; County of Wellington (one township—Puslinch) 300 birds; County of Wentworth (eight townships—Ancaster, Barton, Beverley, Binbrook, Glanford, Flamboro East, Flamboro West and Saltfleet), 2100 birds of which 300 were adults; and the County of York, (seven townships—Gwillimbury East, Gwillimbury North, King, Markham, Scarborough Vaughan and Whitechurch) 3361 birds of which 441 were adults.

General:—County of Essex, 1000 birds; County of Kent, 700 birds, County of Lambton (excluding Plympton Township), 405 birds; County of Leeds, 30 birds; County of Peterborough, 45 birds; and the County of Wellington, 20 birds.

Miscellaneous:—Ontario Bird Dog Association—129 birds, 24 of which were adults, for Niagara, St Catharines, Toronto and London trials.

The favourable conditions which resulted from a satisfactory natural hatch and the intensive re-stocking previously outlined encouraged the provision of special regulations for the shooting of pheasants in certain areas, as detailed herewith:

(a) On Pelee Island the dates provided were October 28th, 29th, and 30th, 1942, with a limit of four birds per day, one of which was to be a hen. Hunters participating, in addition to having the regular hunting license as provided by the Game and Fisheries Act, were also required to be in possession of the special hunting license which the municipality of Pelee Island was authorized to issue for such hunting.

(b) In the Township Regulated Game Preserve Areas, other than the Townships of East Oxford and Plympton, pheasant shooting was permitted on October 23rd and 24th, with an additional day, October 28th, being made available for such shooting provided this last mentioned date was approved by the Controlling Organization in each respective Township area. The date provided in the Township of East Oxford was October 24th, and in the Township of Plympton, October 31st. Special hunting licenses were also required of sportsmen participating in this shoot in these Township Regulated Game Preserve Areas. Bag limits were three cock birds per day.

(c) In the Counties of Essex and Kent such shooting was permitted on October 29th, 30th and 31st, and in the County of Lambton on October 31st. In these counties the bag limit was three cock birds per day.

QUAIL:—These birds are not at all plentiful, and in a great proportion of the Province are practically non-existent. Their prevalence is restricted to the more southerly counties, and the conditions pertaining thereto have been such that it has been impossible to permit hunting of this species in any areas except the counties of Essex and Kent. The Regulation which was provided in 1942 permitted such shooting only in the aforementioned counties for three days, October 29th, 30th and 31st, with a bag limit of four birds per day.

DUCKS:—Conditions applicable to ducks continued to be quite satisfactory. In most areas they are reported to be fairly plentiful with some improvement noticed in various sections. The several varieties which cross Ontario in their southerly fall migration provided excellent opportunities for recreation for the goodly number of hunters to whom this branch of the sport of hunting has an especial appeal. The regulations which are in effect for their protection are provided under the Migratory Birds Convention Act by the Federal Government with the co-operation of the various Provinces of the Dominion, and conditions were sufficiently satisfactory to warrant an extension of fifteen days in the period during which they could be legally taken in the year 1942.

GEESE:—The areas in which favourable wild goose shooting is available in this Province are extremely few and scattered. The best sections possibly are those along the western shore of James Bay and in the extreme southwestern counties. Hunting of this species is regulated by provisions of the Migratory Birds Convention Act, and as in the case of wild ducks the period of open season was extended in 1942 for fifteen days, except in the Counties of Essex,

Kent and Elgin, where the extension was limited to two days, thereby permitting such shooting over New Year's Day (1943).

WOODCOCK:—These birds as a general rule are quite scarce throughout. There are but few sections in which they can be hunted with any degree of success, which areas may be stated as located in some of the counties along the shore of Lake Erie and one or two adjoining counties to the north thereof, as well as in a few of the eastern counties. The period of open season established by the Migratory Birds Convention Act which governs, viz:—October 1st to 31st, applied throughout the Province.

SNIPE:—It may be stated that this species as a general rule is not too plentiful, though there are some scattered localities in which successful hunting prevails, principally in the more southerly counties of the Province. The regulations for their protection and shooting thereof are provided by the Migratory Birds Convention Act, and in 1942 the bag limits were reduced from twenty-five per day to twenty per day and not more than two hundred for the season, which extended over a period of two months, from September 15th to November 15th in the northern division and from October 1st to November 30th in the southern division.

PLOVER:—Reports would indicate that plover are not at all plentiful in any section of the Province, and while some improvement was observed in a few sections, conditions generally were such that the protection of an entire closed season again prevailed throughout 1942 with respect to this species. As in the case of wild ducks, wild geese, woodcock and snipe the regulations which apply are provided under the Migratory Birds Convention Act.

FUR-BEARING ANIMALS

The following information with reference to the various species of fur-bearing animals which inhabit Ontario has been assembled from reports submitted by members of the Departmental Field Service Force:—

BEAVER:—In the southwestern and southeastern counties these animals are not at all plentiful due to the lack of favourable habitation. In the remaining sections, and more particularly to the north, there is every indication that beaver are fairly plentiful, with some improvement in their numbers being reported from numerous areas. This condition may be attributed in some measure to the protection they have received in past years when a complete closed season prevailed and in more recent years when only a limited period of open season has been provided in suitable areas during the first part of December. A regulation was adopted which provided an open season from December 1st to 21st, 1942, for the taking of beaver in that portion of Ontario lying north and west of the French and Mattawa Rivers and Lake Nipissing (excepting therefrom the District of Rainy River and portions of the Districts of Kenora and Thunder Bay lying south of the main trans-continental line of the C.N.R. and west of the line of the C.N.R. running south-easterly from Superior Junction to Fort William), in the Districts of Manitoulin, Parry Sound, Muskoka and that portion of the District of Nipissing lying south of the Mattawa River, and in the Counties of Victoria, Haliburton, Peterborough, Hastings, Lennox and Addington, Frontenac and Renfrew. All persons who trapped beaver during this open season were required to have proper trapping licenses and each trapper was authorized to take not more than ten beaver. In addition, and in view of complaints regarding damage to property by beaver, an open season extending from November 1st to 30th, 1942, was provided in the county of Grey. Only residents of this county were permitted to trap during this open season, and each trapper was permitted to take not more than ten beaver. In this case the pelts were disposed of by the Department and the proceeds were remitted to the trappers concerned. Departmental returns show that

24,191 pelts were taken during these periods of open season, and it has been estimated that their value to the trappers was practically \$779,000.00. The average value of these pelts was almost fifty per cent in excess of that received for such pelts during the season of 1941.

FISHER:—These animals are practically non-existent in Southern Ontario, and they are extremely scarce in the northern portion of the Province. But few specimens are taken during the regular trapping season and there has been a steady annual decline in the catch.

FOX:—This species continued to be very plentiful throughout almost the entire area of the Province. This prevalence was responsible for a condition which was detrimental to the welfare of domestic poultry stocks as well as that of native game birds, with the result that enforcement officers were authorized by the Department to permit the hunting and trapping of foxes in southern Ontario for an additional fifteen days, or until March 15th, 1943, as a means of further reducing the numbers of these predators. Organized fox drives were carried on throughout the open season in many of the southern counties, while some Municipal Councils continued to pay bounty on foxes which were killed within the limits of such municipalities. There was a slight reduction in the number of red fox pelts which were taken during the year but increases were reported with respect to the number of cross fox silver fox and white fox pelts which were taken in the prevailing open season, though the three last mentioned varieties of this species are not at all plentiful anywhere in this Province.

LYNX:—This is another one of the species which are very scarce. As in the case of Fisher they are practically non-existent in Southern Ontario, and trappers are successful in taking but few specimens in the north. There is little variation in the numbers which are trapped from year to year.

MARTEN:—Continues to be extremely scarce. This is another species which has practically ceased to exist in the south portion of the Province. There has been a steady decline in the annual catch, no indications of any general improvement have been reported, nor does it appear that such improvement can be anticipated.

MINK:—Favourable conditions continued to exist quite generally throughout the entire Province, and trappers again were rewarded with a measure of satisfactory results from their operations for the taking of mink. This is one of the species contributing in an important way to the revenue derived by licensed trappers from the sale of pelts of fur-bearing animals taken by them, and the return from the sale of mink pelts taken during the 1942-43 season was exceeded only by such returns from the sale of muskrat and beaver. While it would appear from reports that the number of mink was about normal in the south, some increase in their number is reported from most sections of the north.

MUSKRAT:—While there was a decrease in the catch of muskrat taken during the period of the open season which prevailed in 1942-43 as compared with that of the previous season, it may be stated that insofar as this species is concerned fairly satisfactory conditions again prevailed. Due to varying conditions which exist in different sections of the Province, the limited period of open season which was provided by Regulation was established in these different sections to coincide with prevailing weather conditions which would be favourable to trapping operations. Muskrat pelts were again the principal source of revenue derived by licensed trappers.

It has been estimated that in 1942-43 more than \$1,446,000.00 was received by trappers from the sale of their muskrat pelts. This amount is slightly in excess of that derived from the same source in the previous year, notwithstanding the fact that the total number of pelts taken was 80,000 less. The sum referred to represents forty per cent of the total proceeds derived by trappers from the sale of all pelts taken in their trapping operations.

OTTER:—This species is not at all plentiful anywhere in Ontario, and there would appear to be little, if any, change. There was a decrease in the number which were taken by licensed trappers during the open season which prevailed.

RACCOON:—These animals are to be found only in Southern Ontario. They are not at all plentiful, and there are but few sections in which even slight improvement has been in evidence. The number which is reported to have been taken during the open season which prevailed in the period under review would represent the average catch of more recent seasons.

SKUNK:—While these animals continue to be quite plentiful throughout the entire Province, there was a considerable decrease in the number taken and disposed of by trappers. The number reported taken is only slightly more than fifty per cent of the catch reported in the previous year. It is altogether probable that trappers generally are not greatly interested in this particular species.

WEASEL: This species is reported to be fairly plentiful throughout Ontario. The number taken during the season shows a considerable decrease when compared with the previous season's total, and it is possible that the demand for weasel was not sufficient to encourage intensive trapping operations.

The following comparative table shows the numbers of pelts of the several varieties of fur-bearing animals taken by licensed trappers, and which were either exported or dressed, in each fiscal year since 1939-40:—

	1939-40	1940-41	1941-42	1942-43
Bear	295	274	384	288
Beaver	33,530	21,605	25,197	24,194
Fisher	1,382	858	884	691
Fox (Cross)	981	722	1,780	2,649
Fox (Red)	19,925	15,059	32,215	31,297
Fox (Silver or Black)	101	67	206	265
Fox (White)	36	91	114	185
Lynx	514	383	537	552
Marten	1,790	1,439	1,652	1,417
Mink	36,518	38,976	63,996	60,331
Muskrat*	689,706	739,224	722,387	642,810
Otter	4,101	3,931	3,880	3,557
Raccoon	14,493	11,973	13,499	13,420
Skunk	74,176	72,005	94,656	48,337
Weasel	95,832	53,719	80,776	62,553
Wolverine	2	2	3	6

From information supplied to the Department by licensed fur-dealers it has been estimated that the value to the trappers of the pelts taken during 1942-43 was \$3,545,937.52. The principal species contributing to this total in the order of their importance were muskrat, beaver, mink and the several varieties of fox, the returns from these pelts being ninety per cent of the entire total value.

Pelts taken from animals raised on licensed fur farms, viz:— silver or black fox, cross fox, blue fox and mink, and disposed of during the year by the operators of such fur farms, were estimated to have realized the sum of \$1,489,501.45, an increase of more than \$450,000.00 as compared with the results of operations in the preceding year, and thus making the value of the total fur production of the province for the year 1942-43 the sum of \$5,035,438.97, as compared to a total of \$4,207,144.53 for the year 1941-42.

FUR-FARMING

A declining market for raw furs during the pelting season in the fall of 1941, an increasing cost of feed and a scarcity of necessary help caused some further recession in the fur farming industry in the year under review. During this period there were some 1,475 fur farmers' licenses issued, a net decrease of nine per cent. In spite of the unfavourable prospects mentioned 154 of these licenses were for newly established fur farms.

As is indicated in the following table, mink and foxes are and have continued to be the principal species propagated. Experiments in connection with the raising of fisher, marten, muskrats and beaver were negligible and devoid of definite results. Mink were raised on 981 farms, and while silver foxes are still the principal other species, there is considerable interest being displayed in the new type foxes, i.e. white marked foxes which were raised on 122 fur farms, and platinum foxes which were raised on 62 fur farms.

BREEDING STOCK ON LICENSED FUR FARMS

as at January 1st.

	1940	1941	1942	1943
Beaver	4	13	18	21
Fisher	27	26	16	15
Cross Fox	168	134	112	68
Red Fox	96	65	73	96
Silver Black Fox	18,327	15,034	15,630	12,901
Blue Fox	209	397	644	595
*Platinum Fox				125
*White Marked Fox				1,379
Lynx	2	2	2	2
Marten	19	16	19	15
Mink	31,989	34,277	38,650	29,345
Muskrat	235	179	119	52
Otter	2	2	0	0
Raccoon	243	139	124	121
Skunk	10	7	5	2

*New type foxes previously included with silver black foxes.

Transactions undertaken by fur farmers during the year 1942-43 as recorded with the Department, show disposition of pelts from stock raised on such licensed premises, as follows:

55,493 Mink, 79,244 of which were exported, and the remaining 6,249 dressed within the Province.

27,563 Silver Black Foxes, 18,254 of which were exported and the remaining 9,309 dressed within the Province.

1,333 Blue Foxes, 1,296 of which were exported, and the remaining 37 dressed within the Province.

166 Cross Foxes, 122 of which were exported, and the remaining 44 dressed within the Province.

CROWN GAME PRESERVES

During the period under review the only addition which was made to the system of Crown Game Preserves prevailing throughout the Province was the establishment of an area in the District of Patricia as a beaver sanctuary. This area is designated as the Albany River

Beaver and Fur Preserve. The boundaries may be generally described as follows:—on the north the Albany River, on the west the Chipie River, on the south the Kwataboahegan River, and on the east the westerly shore of James Bay. The regulation which governs was provided at the request of the Department of Mines and Resources for the Dominion of Canada to permit of the restocking of the area with beaver, and to control the annual take of beaver therein, if and when such trapping is authorized, and to provide a restricted and controlled trapping ground for the benefit of resident Indians. This is the third such sanctuary so established.

The system of Regulated Game Preserve Areas which has been in effect during recent years was extended to include the Township of East Oxford in the County of Oxford.

WOLF BOUNTIES.

The following is a comparative statement showing annual wolf bounty statistics and payments for a period of four years ending with the 1942-43 fiscal period:—

Period	Timber	Brush	Pups	Total	Bounty and Expenses
For the year ending March 31, 1940	1,107	614	22	1,743	\$25,058.12
For the year ending March 31, 1941	738	400	8	1,146	16,477.43
For the year ending March 31, 1942	1,199	577	37	1,813	40,593.77
For the year ending March 31 1943	935	497	32	1,464	33,606.62

Various factors have influenced the prevalence of wolves and the number taken, including the basic rate of bounty, enlistments in the armed forces and employment in war industries, and the abundance of game, but weather conditions would appear to be the most important. The winter of 1942-43 was exceptionally severe and during this period only 714 wolves were taken. Generally speaking fifty per cent of the wolves are snared and the special wire required for this purpose is not available at present.

SUMMARY OF WOLF BOUNTY CLAIMS

County	Timber	Brush	Pups	Total

Total in Districts	861	416	21	1,298
Grand Total	939	504	32	1,475

There were 1,120 claims submitted in respect to 1,475 wolves. These, together with four claims in respect to 4 wolves outstanding as at April 1st, 1942, were considered. Fourteen claims with respect to 15 wolves were rejected for the following reasons:—8 of the pelts were domestic dogs, 1 was a red fox, on 4 pelts insufficient evidence was produced, and 2 of the wolves from which pelts were submitted were not killed by the applicants making the claims.

Information assembled from the applications for bounty which were forwarded to the Department shows that 449 of these wolves were destroyed by farmers, 715 by Indians and trappers, 203 by hunters, rangers, guides and tourist outfitters, and the remainder by miscellaneous persons.

Previous to November 1st, 1942, these wolf pelts were returned to the respective persons who had taken the same, but the regulation which provided for such disposition was repealed on the date mentioned, since when such pelts have been delivered or made available to the Seamen's Fur Vests War Project for manufacture into garments for sailors, both in the Naval Service and Mercantile Marine. The number of wolf pelts of which such disposition was made during the period between November 1st, 1942, and March 31st, 1943, was 1,005.

Reporting in connection with this endeavor by the Seamen's Fur Vests War Project, Mr. Alexander D. Schatz, Chairman of the Ontario Division, stated in a letter to this Department:—

"We take pride in pointing out that this voluntary War Effort on the part of the Fur Industry of Ontario had the fullest support and co-operation of employers and workers, as well as the generous assistance of Institutions, Organizations and numerous individuals."

Of interest in this connection is the following letter addressed to the Seamen's Fur Vests War Project by the Commanding Officer of one of the vessels in the Canadian Naval Service:—

"Not so long ago 25 Fur-lined Jackets came aboard this ship. Their arrival was watched with interest by members of the crew, most of whom had been out on the North Atlantic before, and knew just how cold it can get out there, and what protection your jackets afford. In due course they were distributed, and once again the eager eyes were evident.

If you could come aboard some night when we are at sea and watch how your Jackets are passed about by members of the crew going on and coming off watch, this letter of thanks would not be necessary. Each member of the crew stands 8 hours on watch duty per day, but your Jackets are on 24 hours duty.

On behalf of the ship's company, I wish to take this opportunity to thank your organization for this splendid and much appreciated gift."

GENERAL

TOURIST OUTFITTERS:—

Further rationing of gasoline and additional travel restrictions or other difficulties attributable to present war-time conditions again had an adverse effect on the tourist traffic to and within the Province. Many of the tourist outfitters' camps were affected by these conditions, particularly those catering to the transient tourist and those which are accessible only to road traffic. It may be stated that such unfavourable conditions were responsible for the reduction in the number of tourist outfitters' camp licenses which were issued to cover operations during the year under review, viz:—615, which number was 50 less than the number of such licenses issued for the previous year. Of these licenses 565 were issued in favour of resident operators and the remaining 50 in favour of non-resident operators.

These camps are located in districts set forth in the following tabulation:—

Algoma	87
Cochrane	7
Kenora	144
Manitoulin	50
Nipissing	86
Parry Sound	100
Patricia	2
Rainy River	42

BEAR BOUNTY:—

The Order-in-Council which governed the payment of bounty on bears was dated the 19th of August, 1942, and was applicable to bears killed during the period between August 1st and November 30th, 1942. This bounty was paid on a total of 364 bears which were destroyed

in accordance with the provisions of this Order-in-Council. Applications for the payment of bounty on an additional 22 bears were refused for various reasons, the principal reason being that the bears had been destroyed in Townships which were not in the proper classification regarding agricultural development, and this condition applied in respect to 14 bears. Rejection of claims was also made for the following reasons:—

2 killed before August 1st, 1942.

4 killed by persons not residents of the Township in which the bears were killed.

1 killed in a Crown Game Preserve.

1 killed by a person other than the applicant.

Grateful acknowledgement is made of the valuable co-operation of Agricultural Representatives and other officials of the Department of Agriculture who provided the necessary information to enable our Department to determine which Townships were within the classification stated in the Regulation, i.e., those in which not less than twenty-five per cent of the total area was devoted to agriculture.

The following statistical table indicates the total number of bears killed in each of the Districts and Counties, and in respect of which applications for the payment of bounty were submitted:—

County or District	Total
Algoma	10
Cochrane	20
Kenora	6
Manitoulin	7

GAME AND FISHERIES ACT:—

Amendments to the Game and Fisheries Act which were adopted by the Legislative Assembly provided:—

- (a) For the exportation by non-resident anglers of the lawful catch of one day's fishing or the lawful catch of two days' fishing in the case of commercial fish taken from Great Lakes.

- (b) That the provision of Section 65 (Trespass) would not apply in the case of persons travelling on water with fishing tackle so encased or dismantled as to prevent its use while in transit.

Regulations additional to those already referred to in other portions of this report were adopted, and provided:—

- (a) An open season for black and grey squirrels in Southern Ontario, on November 5th, 6th, and 7th, 1942, with a bag limit of five per day.
- (b) That it would be unlawful for any person to take minnows in excess of a total weight of forty pounds from the waters of Lake Simcoe and Lake Couchiching, during the period from October 1st, 1942, to March 31st, 1943.
- (c) That it would be unlawful to hunt deer or moose in the open season in the territory lying within one and one-half miles on either side of Highway No. 70, between Kenora and Fort Frances.
- (d) That certain Townships in the District of Algoma, as enumerated, be transferred from Division "C" to Division "B" for the purpose of the open season for deer and moose.

ENFORCEMENT

Enforcement of provisions of the Game and Fisheries Act and other legislation which has been provided for the protection of game and fish in Ontario, such as the Migratory Birds Convention Act and the Dominion Special Fishery Regulations, is assigned to the regular staff of Game and Fisheries Overseers, and the services performed by the members of this branch of Departmental services play an important part in maintaining and improving our efforts towards the conservation and preservation of the game and fish resources of this Province. These services are augmented by the co-operation provided throughout the year by members of the Ontario Provincial Police Force, and by the services of seasonal overseers who are engaged periodically, but more particularly for the purpose of providing additional patrol services through the critical fish spawning periods in the spring of the year. Considerable assistance is also received from the many hundreds of interested persons who voluntarily act as Deputy Game and Fishery Wardens, without remuneration, under the authority of their annual appointments. Quite a proportion of these Deputy Game Wardens are appointed on the recommendation of the Municipal Councils of the Townships which have been established as Regulated Game Preserve Areas and for the most part these appointees are active only in the Townships in which they reside.

The duties of the officers to whom is entrusted this work of enforcement are greatly assisted by reason of the active co-operation received by them from the majority of sportsmen who in more recent years have become convinced of the necessity for proper observance of the various provisions of the Game and Fisheries Act which are essential for the adequate protection and conservation of this division of our natural resources. Such a satisfactory condition is to a very great extent attributable to the educational programmes undertaken by the Fish and Game Protective Associations, and other organizations having similar objectives, and which associations and organizations now exist in practically every section of Ontario.

Nevertheless it is still true that there are occasions on which it is necessary for our enforcement officers to make seizures and undertake subsequent prosecutions for offences involving violations of provisions of this protective legislation.

During the period covered by this report the seizure of articles from offenders was reported in a total of 1443 cases. Such seizures were made by Game and Fisheries Overseers

in 1272 cases, by Deputy Game and Fishery Wardens in 45 cases, by Provincial Police Constables in 25 cases and by members of various Municipal police forces in 20 cases. Co-operative action by Overseers, Deputy Game Wardens and Provincial Police resulted in seizures in 63 cases, and in the remaining 23 cases by co-operative action on the part of Overseers and members of Municipal Police Forces

The following is a summary of the articles which were confiscated in these seizure cases:

Live animals and birds	in 3 cases
Birds, game animals and meat	in 225 cases
Fire-arms and ammunition	in 668 cases
Fish	in 174 cases
Nets and fishing equipment	in 137 cases
Angling equipment	in 113 cases
Pelts and hides	in 261 cases
Traps and trapping equipment	in 86 cases
Motor boats, rowboats, canoes	in 19 cases
Outboard motors	in 5 cases
Motor vehicles	in 7 cases
Flashlights and lanterns	in 22 cases
Spears	in 43 cases
Miscellaneous articles	in 57 cases

The apparent discrepancy as between the actual number of cases in which seizures were reported and the total of the above summary would be accounted for by reason of the fact that in many of the instances a combination of articles was seized, such as fire-arms and game, nets and boats, fishing tackle and fish, pelts and traps, spears and artificial lights, and so forth.

Details of the fire-arms which were confiscated are as follows:—single-barrel shotguns 87, double-barrel shotguns 82, automatic shotguns 4, repeating shotguns 44, 410 gauge shotguns 12, combination shotgun and rifle 3, 22 calibre rifles (various types) 337 heavy calibre rifles 85, .25-.20 calibre rifles 13, revolvers 6, and air guns 25.

Confiscated pelts of fur-bearing animals were as follows:—291 beaver, 3 fisher, 34 fox, (Silver Black, cross and red), 1 lynx, 160 mink, 800 muskrat, 13 otter, 35 raccoon, 15 skunk, 79 squirrel, 90 weasel as well as 66 deer and moose hides.

The miscellaneous articles which were seized included two axes, two bicycles, 316 duck decoys, eight ferrets, seven grappling poles, two hounds, fifteen packsacks and haversacks and two trunks or suitcases.

With reference to prosecutions, charges were laid in 1210 cases. This action resulted in convictions and the imposition of penalties in 1,146 of these cases. The charges laid were dismissed by the presiding magistrates in 54 of the remaining cases, while in the balance of 10 cases the charges were withdrawn. In the cases in which convictions were registered, the informations were laid by Game and Fisheries Overseers in 1,085 instances, by Provincial Police in 22 instances, by joint action by Overseers and Provincial Police in 8 instances, by Municipal Police in 24 instances, and by private land-owners (trespass) in 7 instances. In actions which were dismissed the informations were laid by Game and Fisheries Overseers in 46 instances, by Provincial Police in 1 instance, and joint action in 7 instances. Charges were withdrawn in 9 instances by Game and Fisheries Officers and in 1 instance by the Provincial Police.

REPORT OF THE FISH CULTURE BRANCH

Fish cultural operations were carried on during the year in twenty-seven provincial government hatcheries and rearing stations. Due to wartime conditions there was no expansion of the hatchery system to include new plants, and only proper maintenance and essential repair work were undertaken.

THE CULTURE AND DISTRIBUTION OF FISH

A detailed account of distribution of hatchery reared fish by county or district, species, age-class, and number planted is given in appendices I and II. In the following paragraphs, comparison of the year's distribution with that of the previous year and other pertinent data are given. The total output of all species for the year was approximately 14% higher than in 1941-42.

Speckled Trout:

The distribution objective was 3,000,000 speckled trout yearlings, but the year's total was somewhat lower, namely 2,918,500. Due to congestion at the Dorion Trout Rearing Station it was necessary to plant a fairly large number of fingerlings, namely 380,000. For the same reason smaller numbers were planted from Hill Lake, Sault Ste. Marie, Chatsworth and Codrington. The private hatchery at Caledon had approximately 170,000 fingerlings which could not be accommodated; these were distributed as effectively as possible in suitable and publicly fished waters. On the whole, approximately 60% more fingerlings were planted as compared with the preceding year.

Brown Trout:

The production of brown trout yearlings was 3.8 per cent. greater than that of the preceding year.

Rainbow Trout:

Distribution of rainbow trout yearlings was 9.8 per cent. greater than in 1941-42.

Kamloops Trout:

This species was introduced to a number of carefully selected lakes in Ontario, and it promises to provide excellent game-fish possibilities, at least in some of the lakes chosen.

During the year 24,800 yearlings were planted as compared with 25,000 in 1941-42.

Lake Trout:

Due to inclement weather which occurred during the lake trout spawning season in the fall of 1942, the egg collection was somewhat reduced. As a result the distribution of fry and fingerlings for the year under discussion was correspondingly reduced. The total production of eyed eggs, fry and fingerlings was 18 per cent. less than that of the preceding year. However, over 10,680 yearling lake trout were planted, which should have a compensatory and equalizing effect.

Whitefish:

The number of whitefish planted was approximately 5 per cent. greater than that of the preceding year.

Herring:

The collection of herring eggs at Glenora and Kingsville hatcheries was more than twice that of the preceding year, an increase of 114 per cent.

Yellow Pickerel (Pike-perch):

A favourable increase of 32 per cent. over last year's distribution of eyed eggs and fry of yellow pickerel was realized.

Small-mouthed Black Bass:

One of the main annual objectives as regards bass culture is to increase the output of bass fingerlings by using all the facilities available as effectively as possible. In this we were successful to the extent of increasing by 4 per cent the previous year's output.

Large-mouthed Black Bass:

The culture of large-mouthed bass in two ponds at the Mount Pleasant hatchery was a success. Compared with the preceding year's production, the percentage increase of fry and fingerlings was 68 per cent. and 8 per cent. respectively.

Yellow Perch:

Annual collections of perch spawn from Lake Erie in the vicinity of the Kingsville hatchery vary greatly in abundance from year to year. Although 24,000,000 fry were planted this year this number was 24 per cent less than that of the preceding year.

Maskinonge:

Compared with the preceding year there was a decrease of approximately 25 per cent. in the distribution of fry, and 53 per cent. in the distribution of fingerlings.

Weather conditions have a pronounced effect on successful spawning and hatching of maskinonge. The spawning, hatching and feeding seasons in 1939 and 1940 were good, because the seasons were late, followed by mild and favourable weather. Changeable weather following an early opening is decidedly unfavourable.

The effect of weather conditions is most striking on the spawning grounds in the Pigeon River. The Pigeon River receives considerable warm surface water from the surrounding land, opens early and provides a maskinonge spawning season of comparatively short duration. A short spawning season, generally speaking, reduces the percentage hatch. On the Lakfield spawning grounds, conditions are quite different. Owing to the large body of ice which forms in Stony Lake each winter the spawning season for maskinonge is later, and the hatchability and general condition of the eggs are much better.

Reduction in the number of maskinonge fingerlings may also be attributed to weather conditions. Unsatisfactory weather conditions interfere with the spawning of suitable minnows, resulting in a poor yield and retarded growth of the minnows. When live minnow food, which is the most important item in the diet of maskinonge fingerlings is interfered with the normal growth and production of maskinonge suffer.

CLOSED WATERS

Establishing closed water areas is one of the practical methods employed in maintaining and improving the fishing in our lakes and streams. The closed area acts as a source of supply for replenishing the immediately adjacent open area with the natural increase **provided** year after year. If closure is continuous the area becomes a sanctuary of very great practical value.

The waters in the following list were closed during the year April 1, 1942, to March 31, 1943, to supplement those already closed:

ADAM LAKE

Unorganized territory north of Clay Lake between Fluke Lake and Segise Lake, District of Kenora. Closed for maskinonge propagation. Adam Lake is a feeder of Clay and Segise Lakes.

GEORGIAN BAY (Portion located as follows:)

- (a) An area approximately 1 mile square lying west of Electric Island;
- (b) An area approximately 1 mile square lying west of Lot 51, Concession VIII, Township of Harrison, District of Parry Sound;
- (c) An area lying east of and extending approximately 2 miles along the shore line opposite Concessions XIII and XIV, Township of Harrison, District of Parry Sound.

HARVEY CREEK (Nogie's Creek)

Townships of Galway and Harvey, County of Peterborough. Sanctuary for maskinonge.

LUKINTO LAKE

Unsurveyed territory, 12 miles east of Longlac, and 6 miles north of Seagram, District of Thunder Bay. Closed to provide additional protection for speckled trout.

MASKINONGE CREEK

Part of Maskinonge Lake, and part of Little Vermilion Lake, Townships of Pickereel and Vermilion, District of Kenora. Closed to provide additional protection for maskinonge with a view to maintaining and if possible increasing the supply of maskinonge by natural means.

TASSO, CAMP, BLUE AND CLEAR LAKES

Township of Finlayson, District of Nipissing. Closed to protect trout during winter months.

TWELVE MILE CREEK

Townships of Nelson and Trafalgar on certain specified lots and concessions, County of Halton. Closed to provide protection for small-mouthed black bass so that the closed area will help to replenish adjacent areas of the river from year to year.

WHITEFISH, CLEAR, PORTAGE AND BIG JOSEPH LAKES

Township of Humphrey, District of Parry Sound. Closed to winter fishing to protect lake trout.

REMOVAL OF COARSE FISH

Hoop nets were operated at the outlet of Charleston Lake for the purpose of removing ling. Owing to changeable weather conditions the spawning run was small, although the spawning period was more prolonged. The total catch of ling was 1,100.

Similar work was undertaken on Otty Lake, Township of North Elmsley, County of Lanark. The total catch was 368 ling, weighing about 3 lbs. each, or a total weight of 1,104 lbs.

The purpose of operations on Loughborough Lake and West Rideau Lake was to remove quantities of whitefish and herring, and coarse fish. A trap net was set in Loughborough Lake but only catfish were taken. After sounding and determining the type of bottom, pound nets were set on what was considered the best whitefish grounds in West Rideau Lake. Trap nets were also set on suitable whitefish grounds and the fish taken were game fish and ling, the former being liberated and the latter turned over to fox farmers in the district. From November 15 to November 26, 1942, the following fish were taken from West Rideau Lake: 308 lbs. of whitefish, 514 pounds of catfish, and 12,228 lbs. or approximately 6 tons of ling.

All the operations were under the direct supervision of local overseers or the hatchery supervisor. Nets and other equipment were supplied by the Department and considerable assistance was given by local residents. The whitefish and catfish were sold at a very nominal price, and the ling were disposed of to local residents and fox farmers.

BIOLOGICAL SURVEYS

At frequent intervals from April 27 until June 26, a study of the spawning of small-mouthed black bass, Long Point Bay, Lake Erie, was undertaken. It was not until June 23 that the first small-mouthed fry were taken off the nests. The study indicated the danger of opening the season too early without substantial evidence of spawning conditions.

A study of two quarry ponds at Hagersville and a small pond at Guelph was made.

For the most part, technical studies were confined to the hatcheries and rearing stations in connection with the care and feeding of the fish reared therein.

The Ontario Fisheries Research Laboratory of the Department of Zoology, University of Toronto, continued field and laboratory studies in Algonquin Park, limiting the work to the more urgent and important needs of fish culture.

In co-operation with the Park Staff, 60,000 speckled trout yearlings, provided by the Ontario Department of Game and Fisheries, were distributed as recorded in appendix I under the District of Nipissing.

Another measure for the maintenance of good fishing is the alternate closure of lakes to fishing, which was initiated in 1938 and has been continued as shown by the following table:

Year	Number of lakes closed
1938	4
1939	5
1940	24 (the 21 reported for 1940 and 1941 should read 24)
1941	17
1942	20

The creel census is proving to be the most successful means of determining the trends in the abundance of game fish and although it does not give a complete record of the number of fish taken it is a measure of both the total number taken and their availability or the number taken per hour by anglers. Where the creel census is carried on continuously for the same lakes and streams over a number of years it indicates the results of uncontrolled or unlimited angling, angling under controlled conditions as by alternate closure of lakes and other remedial measures, such as stocking and introduction of forage fish which are being applied as major experiments in fish culture. It is especially desirable to carry out the creel census as a war time activity, as it gives a measure of the influence of the war on the number of anglers, as well as information on the stocks of game fish which is a guide to post-war fish culture needs.

The following table gives a summary of the creel census records for lake trout and bass from those lakes in Algonquin Park for which information is available.

LAKE TROUT

Year	1936	1937	1938	1939	1940	1941	1942
Number of lake trout recorded	1414	3855	3083	4681	1827	2452	1832
Number of lakes for which anglers have reported	23	51	41	59	24	47	44

SMALL- MOUTHED BLACK BASS

Number of bass recorded	1202	1891	1694	1582	1640	1520
Number of lakes for which anglers have reported	4	8	11	15	14	18
Number of bass recorded from Lake Opeongo	688	731	270	404	494	217

During 1942 the creel census recorded the valuable information that numbers of whitefish were taken by anglers from Lake Opeongo and brown trout from Brewer Lake. The value of the creel census is in direct proportion to the co-operation received from anglers to whom much credit is due for their active participation without which this important measurement of fish culture work could not be carried out.

It has been found that the whitefish, perch and suckers constitute the most important lake trout food, particularly in Lake Opeongo. The small perch and perch fry are most important from midsummer into the fall, and studies of the feeding and food supply of this important forage fish have been continued.

The speckled trout living in the streams feed upon the aquatic insects which are present in great numbers and which include such well known forms as blackflies, midges, mayflies, caddis flies and stoneflies. There is a marked variation in the numbers from year to year which is shown by the following table giving the total insect emergence from one square yard of the same stream each year over a period of years.

Year	Total number of insects emerging from one square yard of stream
1937	13,385
1938	15,077
1939	10,836
1940	13,504
1941	11,343
1942	16,553

Under natural conditions beavers frequently build dams in trout streams and in stream improvement, dams and deflecting weirs are constructed to form deep pools of quiet water. Such dams or deflecting weirs create changes in streams which have a marked influence upon the insect fauna. The nature of this change is important insofar as it results in the production of different species and numbers of aquatic insects as compared to those present before such dams are built. It has been learned that the aquatic vegetation which often appears as the result of such dams definitely increases the number of insects, and further work is being carried out to determine whether the aquatic insects produced in this way are available to and constitute the food selected by the trout and to what extent the other conditions resulting from the dams are favourable or unfavourable to trout production.

Examination of the fish of the Park waters shows that some of them carry fish parasites and although none of these parasites are injurious to man they may be quite harmful to the fish. Much of the information from these studies is of value in the local fish culture work, as it has been learned that the same species of fish in different lakes carry parasites of different kinds and degree of harmfulness which is a warning against indiscriminate transfer of fish from one lake to another. There is a relation between the fish parasites and the food, so that in a large lake fish in one area may be parasitized, while those in another area may be free of that particular parasite, which suggests a possible approach to parasite control. Lakes containing small-mouthed black bass had several species of fish infested with larval cysts of the cestode, *Protococephalus ambloplitis*, while fish from lakes that do not contain small-mouthed black bass do not carry this cestode."

ACKNOWLEDGEMENTS

In closing this report I desire to express my appreciation of the excellent spirit of co-operation which has been displayed throughout the year by the Ontario Federation of Anglers and Hunters and its various constituent Game and Fish Protective Associations, and by the officials and members of the Northern Ontario Tourist Trade Association, as well as others who are interested in the services rendered by this department on behalf of hunters, anglers and trappers. Such contacts cannot but be of inestimable value and assistance to us in the performance of duties required in connection with the proper administration and conduct of the Department.

Regarding the work of the staff. May I state that members of the Departmental Service generally have been very conscientious in carrying out their duties and courteous in their contacts with the public in their efforts to produce the best results.

All of which is respectfully submitted.

I am, Sir,

Your obedient servant,

D. J. TAYLOR,
Deputy Minister of Game and Fisheries.

REPORT OF THE DEPUTY MINISTER OF LABOUR

For the Fiscal Year Ending March 31, 1943.

TO THE HON. CHARLES DALEY,
MINISTER OF LABOUR.

SIR:

I have the honour to submit a report on the work of the Department of Labour of the Province of Ontario for the fiscal year ending March 31, 1943.

Included herein are reports on the administration of the following Acts within the jurisdiction of the Minister of Labour:—Department of Labour Act; Factory, Shop and Office Building Act; Operating Engineers Act; Steam Boiler Act; Industrial Standards Act; Apprenticeship Act and the Minimum Wage Act, as well as a report on the Conciliation Service of the Department of Labour. The report on the Workmen's Compensation Act will be submitted by the Workmen's Compensation Board.

LEGISLATION

The Collective Bargaining Act was enacted and the Workmen's Compensation Act was amended at the 1943 session of the Legislature of Ontario.

THE COLLECTIVE BARGAINING ACT, 1943: This Act establishes the right by law of employees to form or join any bargaining agency and to select or designate any such agency for the purpose of bargaining collectively with their employers. Employers are required to bargain with duly appointed or elected representatives of a collective bargaining agency certified under the Act. The Act is to be administered by the Labour Court of Ontario, provided for under an amendment to The Judicature Act, or a judge of this Court. The full text of the Act will be found on pages 55 to 59 of this report.

THE WORKMEN'S COMPENSATION AMENDMENT ACT: This amendment provides for increased benefits in certain instances. The maximum average earnings upon which compensation may be based were raised from \$2,000 to \$2,500. Compensation payable to a widow or invalid widower was increased from \$40 to \$45 a month and, if the limitation of sixty-six and two-thirds per cent of the workman's average earnings set out in the Act applies, a minimum monthly payment of \$55 shall be payable for a widow and one child, with a further monthly payment of \$10 for each additional child unless this amount exceeds the workman's average earnings. Compensation in respect to a child may, in the discretion of the Board, be paid up to the age of eighteen years instead of sixteen, where it appears advisable to continue the child's education, and compensation may now be paid to the mother of an illegitimate child on the same terms as to a foster-mother.

A new section added to the Act entitles a workman or dependants to compensation for an accident happening out of Ontario on a steamboat, ship or vessel, whether the workman had been previously employed in Ontario or not and regardless of the duration of his employment out of Ontario, if the workman's residence is in Ontario and if either the chief place of business of the owner or charterer is in Ontario or the ship or vessel is registered in Canada.

Several sections of the Act were amended in order to clarify the intent of these sections.

INDUSTRIAL CONDITIONS

The industrial war effort resulted in an extremely high level of employment in Ontario during the fiscal year 1943. The growth in the volume of employment, however, was generally less pronounced than in the two preceding years, as the expansion during these two years and the recruitment for the armed forces had greatly depleted the labour market. With the continuing demand for munitions and the increasing problem of shortage of labour and materials, a shift of workers to essential war production became more and more necessary, and the numbers employed in the iron and steel and other heavy manufacturing industries almost trebled since 1939, while the numbers in mining, construction, trade, pulp and paper and the textile industry were lower than in the preceding year.

According to reports of the Dominion Bureau of Statistics, based on the 1926 average as 100, the annual index number of employment in 1943 was 182.8, as compared with 167.6 in 1942, or an increase of more than 9 per cent over the previous year, and an increase of 63 per cent over 1939, when the index number was 112.0.

The index number in the manufacturing group as a whole advanced 28.1 points, while in the iron and steel industry it advanced 69.5 points during the year.

There was a decline in the percentage of unemployment reported among trade union members, the average of 1.3 being 1.8 points lower than the preceding year and 11.6 points lower than in 1939.

The value of building permits issued in Ontario during the fiscal year 1943 amounted to \$45,353,545, as compared with \$63,144,485 in 1942.

INDUSTRIAL DISPUTES

During the fiscal year 1943 there were 98 strikes in Ontario, in which 32,582 workers were involved in a time-loss of 171,178 man-working days. In 1942 the numbers were 109 strikes, involving 28,690 workers in a time-loss of 298,393 man-working days. Thirty-seven of these strikes lasted one day or only a few hours and forty-seven strikes in the manufacture of metal products caused 83 per cent of the total time-loss, or 140,955 man-days.

Out of the total of 98 strikes, 60 involved less than 100 workers; 30 involved from 100 to 499 workers; 4 from 500 to 999 and 4 involved more than 1,000 workers. An analysis of time-loss shows that 50 strikes caused a loss of less than 100 man-working days; 28 caused from 100 to 499 days; 9 from 500 to 999 days; 8 from 1,000 to 10,000 and 3 more than 10,000 man-working days. One strike in a vehicles factory caused a loss of 85,000 man-working days, or approximately one-half of the total time-loss due to strikes.

The chief cause of strikes concerned wage increases or cost of living bonuses, there being 42 for this cause alone, and 6 strikes in which this was among the demands of the workers.

Out of the total of 32,582 workers on strike, 2,686 were successful in obtaining their demands; 5,844 were partially successful; 2,502 were unsuccessful, and 20,500 were involved in strikes which resulted in work being resumed pending negotiations or reference to a Board. The remaining 1,050 workers were involved in strikes which were indefinite in result or unterminated at the close of the fiscal year.

The tables on pages 45 to 54 of this report give details of the strikes.

MEDIATION, CONCILIATION AND ARBITRATION

During the fiscal year 1943 the Regional War Labour Board of Ontario referred 556 cases to the conciliation officers of the Department of Labour for investigation and report. These officers handled 21 arbitration hearings, involving 54 grievances, most of the cases arising out of collective labour agreements providing for the appointment of an arbitrator to be named by the Minister of Labour of Ontario. Prompt action on the part of the conciliation officers at

the request of employers and employees resulted in many strikes being averted, and in 50 cases where the question of bargaining agency arose firms agreed to secret ballot under the supervision of the Department. Of the 45 strikes reported to the conciliation officers during the fiscal year, 90 per cent were settled within a few hours.

FACTORY INSPECTION BRANCH

During the fiscal year 1943 there was an increase of 1,837 in the number of inspections made for the enforcement of the Factory, Shop and Office Building Act, and an increase of 92 in the number of establishments inspected. Employees in the firms inspected numbered 753,111, as compared with 511,032 in the firms inspected the previous year. A very large portion of the inspectors' time was spent in war plants where the accident and occupational disease hazard is greatest. While there was an increase in the number of accidents reported for the year, the accident rate was lower, and there was a gratifying decrease in the number of fatal accidents, the total being 66 as compared with 85 in 1942.

The Factory Inspection Branch continued to co-operate with the Dominion Controller of Construction by reporting as to whether or not projects for which firms applied for construction permits were essential to the health, safety and welfare of employees, and would thus contribute to the war effort. The standard of working conditions has steadily improved throughout the Province in spite of wartime difficulties in obtaining materials. The examination of plans of buildings has been of great value in ensuring good building design and provision for adequate ventilation, lighting, exits, sanitation, first aid and other facilities for employees.

The plans for new factories, shops and office buildings or additions to and alterations of such buildings approved by the Examiner of Reports and Designs numbered 751, the value of the construction work amounting to \$32,567,070.

BOARD OF EXAMINERS OF OPERATING ENGINEERS

The Board reports a definite shortage of certificated engineers available for power plant operation due to the numbers of engineers employed in other essential industries. The number of certificates issued during the year totalled 17,770, of which 16,046 were renewals, and examinations conducted by the Board totalled 2,466.

The net revenue amounted to \$31,367.33, the highest figure since the inception of the Board and an increase of \$402.84 as compared with the previous year.

BOILER INSPECTION BRANCH

The volume of work accomplished by the Boiler Inspection Branch during the fiscal year 1943 was greater than in the previous year, although this fact is not indicated in some of the figures contained in the report. The number of designs surveyed, registered and re-registered in the Branch totalled 761, as compared with 569 in 1942, or an increase of 32 per cent. New boilers and pressure vessels inspected numbered 1,871, and 1,112 used boilers and pressure vessels being extensively repaired, sold or exchanged were inspected. In accordance with the Factory, Shop and Office Building Act, 5,709 annual inspections were made of boilers and pressure vessels. The number of certificates issued by the Branch totalled 6,092.

The total monies transmitted to the Treasurer of Ontario amounted to \$46,248.74, as compared with \$48,948.78 in 1942.

INDUSTRY AND LABOUR BOARD

The Industry and Labour Board administers the Industrial Standards Act, the Apprenticeship Act and the Minimum Wage Act.

INDUSTRIAL STANDARDS ACT: At the close of the fiscal year 1943 there were 99 schedules in effect pursuant to the Industrial Standards Act.

Arrears of wages amounting to \$4,064.58 were collected from 32 employers on behalf of 182 employees. Of this amount the sum of \$243.42 was diverted to the Crown with the approval of the Industry and Labour Board. There were seven prosecutions during the year, resulting in six convictions and one case withdrawn. Fines amounting to \$30 were imposed.

APPRENTICESHIP ACT: Every effort was made by the Apprenticeship Branch to increase the numbers of apprentices in the building trades. Local apprenticeship committees were established in the larger towns and cities and close contact with the primary and secondary schools was maintained so that lads would be made aware of the opportunities for training in these trades.

During the fiscal year 337 apprentices registered pursuant to the Apprenticeship Act, and of this number 160 were in the building trades, an increase of 60 as compared with the previous year, 56 were in the motor vehicle repair trade and 121 in barbering and hairdressing. A total of 211 apprentices completed their training and 1,149 were still in training at the end of the year. Thirty-two contracts of apprenticeship were registered by employers in trades other than designated trades.

At the request of the Department of Pensions and National Health the facilities of the Apprenticeship Branch are to be available in helping to provide training for returned men, who had not completed their trade training before joining the service or who require further training to complete that obtained while in the service in order to fit them for civilian life.

MINIMUM WAGE ACT: During the fiscal year 1943 wage returns were submitted to the Minimum Wage Branch by 22,781 employers, having 714,451 employees, of whom 224,879 were female employees. The corresponding figures for the previous year were 16,264 employers, having 631,631 employees of whom 210,257 were female employees.

A check on these wage sheets resulted in orders for increases for 178 female employees in 120 establishments, as compared with 968 employees in 637 establishments the previous year. Arrears of wages were collected from 60 employers on behalf of 151 employees in the amount of \$2,374.69, as compared with 202 employers on behalf of 345 employees, with a total of \$7,432.17 in 1942.

Court action was taken against two employers during the year. In one case for violation of the Factory Order a conviction and fine of \$25 and costs was imposed in addition to the payment of arrears amounting to \$299.20. The other case was dismissed by the Court.

GENERAL

In March, 1943, Mr. J. C. Adams, who had been Solicitor of the Department of Labour, Secretary of the Industry and Labour Board, and later on loan to the Regional War Labour Board as Chief Executive Officer, resigned from the Department. He was succeeded by Mr. J. B. Metzler, formerly of the Department of Lands and Forests.

In August, 1942, Miss Mary Mangan, Vice-Chairman of the Industry and Labour Board, resigned to join the staff of National Selective Service.

In October, 1942, Mr. O. C. Jennette, Conciliation and Industrial Standards Officer, transferred to the Department of Lands and Forests, and in November, 1942, Mr. Patterson Farmer of the Minimum Wage Branch transferred to the staff of the Regional War Labour Board.

In April, 1942, the Farm Service Force was transferred from the Department of Labour to the Department of Agriculture.

The following members of the staff of the Department of Labour enlisted during the year:—W. J. Munro of the Composite Inspection Branch, and J. W. Davis, R. Robertson and E. J. Taylor of the Aircraft Training School, Galt.

I have the honour to be, Sir,

Your obedient servant,

J. F. MARSH,

Deputy Minister of Labour.

FACTORY INSPECTION BRANCH

CHIEF INSPECTOR, DEPARTMENT OF LABOUR—J. R. PRAIN

The fifty-seventh annual report of the Factory Inspection Branch covers the fiscal year ending March 31, 1943.

The statistical section of the report shows an increase in the number of inspections made for the enforcement of the Factory Act and a decided decrease in the number of investigations made on behalf of other branches of the Department. Ninety-two more firms than in 1942 were inspected, and the employees in the firms inspected numbered 753,111, or an increase of 242,079 as compared with the previous year. Most of the inspectors' time was devoted to war industries where the accident and occupational disease hazards are greatest.

INDUSTRIAL HAZARDS

With the increased number of workers in industry, especially of inexperienced workers, there was a considerable increase in the number of accidents reported, but a gratifying decrease in the number of fatalities. The longer hostilities continue, the greater will be the number of unskilled persons who must be taken into industry, and even though machines are guarded, accidents do occur because of lack of experience. Every "green" employee should be thoroughly instructed in the use and the hazards of the machine he is to operate before starting as a production operator.

One difficulty in this phase of safety work is the objection of many female workers to wearing suitable head covering. Many scalping accidents which usually mean disfigurement for life occur in industry and every effort should be made to educate these objectors along safety lines.

The punch press is another source of accident that merits special attention. A machine of this type always bites hard with resultant mutilation, and employees should be thoroughly trained not only in the operation of the machine but also in the necessity for having guards in place and working properly.

The ever increasing use of harmful chemicals and the generating of dusts, gases and fumes increase the industrial disease problem. Our appreciation is again extended to the Industrial Hygiene Division of the Department of Health for the assistance given in handling the numerous cases.

CHILD LABOUR

There has been an alarming increase in the number of children employed contrary to law, a child being defined in the Factory, Shop and Office Building Act as a person under the age of fourteen years. Violations of the child labour law usually occur during the school vacation period, July and August, when boys and girls under fourteen years of age should be getting the benefit of the fresh air, instead of being confined in the workshop where the danger of accident, even to experienced workers, is always present. The extreme shortage of manpower, particularly in industries not directly associated with the manufacture of munitions, makes this problem increasingly difficult to control, especially where both parents are employed in war industry and children are left to their own devices.

HOURS OF LABOUR

The Province is approaching maximum war effort and while it is realized the figures cited in the statistical section of this report do not represent the total employees in industry and commerce, they do show the vast increase that has taken place during the past four years in the number of persons employed. Employers and labour administrators soon understood that excessive hours over an extended period do not result in maximum production, and this report will show a decrease in the number of overtime permits issued and the use made of

them. The last report of the Factory Inspection Branch stated an attempt would be made to indicate in a comprehensive manner the actual extent to which labour permits are utilized and some interesting figures have been developed to this end. While overtime permits are reduced in number and use in comparison with the previous year, the use of multiple shifts has increased and numerous authorities have been granted for such shifts during the past three years by the special committee within the Department which has authority to grant concessions beyond the limitation of statute in order to facilitate production of war essentials.

The following summaries under each type of labour permit issued depict the trend in industry with relation to hours of labour.

Overtime Permits—Section 30, Factory, Shop and Office Building Act.

Employment of Females and Youths later than 6:30 p.m. and until 9 p.m.

	Fiscal year 1941	Fiscal year 1942	Fiscal year 1943
No. of firms using permits.....	759	775
No. of permits issued.....	2,005	3,482	2,569
No. of nights worked.....	21,198	15,892
No. of females employed overtime.....	17,289	12,858

(Note: Above permits were issued for limited periods).

Special Authorities granted for Employment of Females on Multiple Shifts

Shifts	Fiscal year 1941			Fiscal year 1942			Fiscal year 1943		
	No. of Employees			No. of Employees			No. of Employees		
	Firms	Male	Female	Firms	Male	Female	Firms	Male	Female
2 8-hour shifts.....	3	853	264	14	7,368	1,387
2 9-hour shifts.....	4	551	398	5	5,053	2,540	16	2,542	1,967
2 10-hour shifts.....	17	6,122	2,694	44	25,578	7,748	94	35,555	13,020
3 8-hour shifts.....	19	12,785	3,807	28	22,989	12,371	63	32,891	8,752

(Note: Many of the above authorities were issued to continue during the wartime emergency and those issued in 1941 and 1942 could be considered as still effective and additional to those issued in 1943).

In addition to the authorities for multiple shifts granted by the special committee for essential war industry, 251 double shift permits were issued under Section 31 of the Act for limited periods enabling the employment of females and youths for two 8-hour shifts between 6 a.m. and 11 p.m. in general industry.

BAKING INDUSTRY

Under Section 69 of the Factory, Shop and Office Building Act employment of male bakers is restricted to a 9-hour day and a 56-hour week unless a permit is issued for the extension of these hours. In the fiscal years 1941, 1942 and 1943, such permits were issued in 69, 42 and 19 cases respectively. This steady reduction in the permits was occasioned by the issuing

of authorities by the special committee for employment of a 10-hour night shift in the baking industry. Commencing in 1942, eight such permits were issued and 1,008 males and 522 females were employed. In 1943, sixteen additional permits were issued and 1,565 males and 921 females were employed on these shifts.

The development of these shifts has greatly alleviated production problems without the necessity of increasing plants and has permitted the employment of women to replace men who have entered the various armed services or gone into munition work.

RESTAURANTS

The increased use of night shifts in industry gave rise to another problem, that of feeding the workers on these shifts. For this purpose special permits were issued under Section 29 of the Act extending the hours of labour for women in restaurants from 11 p.m. until 2 a.m., but the hours of their employment are still limited to 10 hours per day and 60 hours per week. Six hundred and ninety-three such permits were issued in the fiscal year 1942 and a further 136 issued in 1943 to continue during the period of the war or until cancelled for cause. Many large industries operating on multiple shifts installed cafeterias and restaurants within their premises and in 33 cases the special committee granted authorities for the employment of females on shifts in the restaurant or cafeteria similar to the plant concerned. Under these circumstances it is not necessary for employees to leave the plant in the middle of the night in search of a suitable eating place, sometimes quite distant and through a neighborhood which is difficult to police properly.

HOMEWORK

Many non-essential industries find great difficulty in securing adequate employees for their plants but can secure the services of married women with families, or other persons unable to leave their homes, who can very well carry out some processes of manufacture or assembly at home. Under Section 49 of the Act permits are issued to employers to give out such work, at rates of pay approved by the Minimum Wage Branch, to persons who are in possession of a homemaker's permit issued by the Factory Inspection Branch. Two hundred and ninety-eight employers' permits were issued for firms in 1943 and 3,220 homeworkers' permits were in effect at the close of the year.

ENFORCEMENT OF THE FACTORY ACT

The various concessions which have been authorized in war industries have assisted greatly in alleviating the problems of manpower shortage and in facilitating production with the plant equipment available. Plant managements have co-operated very well in these efforts and the hours of employment in industry are more readily controlled by these provisions during the existing emergency.

Production figures in wartime must be raised to the limit and employers soon found that excessive hours are not conducive to maximum production. Accordingly hours of labour and overtime in Ontario have been, generally speaking, reduced to an eight, nine or ten-hour day in a way similar to that prevailing in other belligerent countries.

Employees, however, do not always take kindly to the reduced hours and request permission to operate unlimited overtime from a purely mercenary motive, rather than operate on a shift basis. Numerous petitions and requests have been received from employee groups and from employers on behalf of their staff for concessions beyond the statute. However, opinion has prevailed that unlimited overtime is injurious to both workers and the war effort, and this Branch has been adamant under this pressure.

Prosecutions were resorted to in ten cases of violation of the hours of labour limitations and convictions were recorded by the magistrates in nine instances.

Complaints relating to safety and working conditions were investigated fully in every instance irrespective of their source, and of the 309 cases so handled, 169 were upheld, 107 not

upheld and 33 were found to be not under the jurisdiction of this Branch. We appreciate the interest in workers' welfare shown in these complaints and by investigation are able to find and correct conditions which otherwise might continue for some months until the particular plant was again inspected in the regular manner.

The members of the inspection staff have co-operated splendidly under the stress of war-time emergency and have carried out their manifold duties conscientiously, many times late at night and on week-ends or holidays. An improved filing system set up during the year has resulted in more efficient and speedy handling of records.

A three-day conference of all factory inspectors was held during the slacker winter season, when problems of guarding, safe practices in industry, new processes in industrial chemistry and their hazards and proper reporting and recording of data were discussed. It is hoped that this may become an annual event as too much stress cannot be placed on the value of such meetings of the staff. All factory inspectors have been provided with handbooks of industrial safety standards in order to ensure that they are kept informed on new and practical guards and safe practices in industry.

PLANS FOR BUILDINGS

The Examiner of Reports and Designs approved 751 plans of new factories, shops and office buildings or additions to and alterations of such buildings during the fiscal year. The total value of the construction work was \$32,567,070, a decrease of 4.86 per cent from the previous year's value of \$34,224,030.

The following table shows the distribution of construction projects by the various trades and industries.

CLASSIFICATION OF APPROVED BUILDING PLANS

Trade or Industry	No. of Plans	Value of Building	Percentage of Total Value
Bakeshops.....	4	\$ 7,850	.02
Chemicals.....	86	16,479,250	50.60
Clay, Glass and Stone.....	28	555,700	1.72
Clothing.....	6	16,450	.05
Conveyances.....	74	4,246,100	13.02
Food.....	53	564,500	1.75
Garages.....	6	28,000	.09
Laundries.....	11	20,000	.06
Leather.....	2	23,500	.07
Metals.....	348	9,732,520	29.85
Offices.....	6	33,800	.10
Paper Trades.....	8	95,900	.29
Printing and Publishing.....	10	43,970	.14
Rubber.....	4	38,000	.12
Shops.....	7	48,300	.15
Textiles.....	17	128,610	.40
Warehouses.....	41	282,750	.88
Wholesale.....	11	39,500	.13
Woodworking.....	24	151,370	.47
Unclassified.....	5	31,000	.09
TOTALS.....	751	\$32,567,070	100.00

The chemical industry led all others in value of projects by accounting for 50.6 per cent of the total and showed a value increase over last year's figure in excess of nine million dollars. For several of the projects, the one approval included all building within the plant

and thus the total number of buildings was actually much greater than the 86 shown for the industry. The explosives manufacturing and shell filling programme was greatly curtailed.

The largest single undertaking was the erection of a synthetic rubber plant at Sarnia by a Dominion Government owned corporation. The final product will be shipped to existing rubber processing plants located elsewhere in the Province. A small synthetic rubber plant, the first in the British Empire, was erected at Elmira and it will assist the war effort by producing a type of rubber used, among other purposes, for aircraft fuel handling equipment.

The first factory to produce alcohol from waste sulphite pulp liquors was put into operation and may possibly be the forerunner of others as Ontario's large sulphite pulp plants are not able to utilize this wasted material at present.

The demand for gas for various types of metal treating furnaces has resulted in the construction of a very large coke gas plant in Hamilton. Another new gas plant at Sarnia utilizes gases from a nearby petroleum refinery to augment natural gas supplies. During summer, the period of peak petroleum refining, the manufactured gas is forced back into the natural gas wells, from which it is withdrawn during the colder months, the period of peak gas consumption.

There were 348 plan approvals for the metals group, as compared with 372 last year, but the value decreased about five million dollars, chiefly due to the fact that fewer large armament factories were being built. Ontario has benefited by the increased demand for aluminum products as a large aluminum foundry and substantial additions to forging and plate mills have been erected. This light and strong metal is destined to be used on a large scale for civilian purposes in the post-war period.

The conveyances group again greatly increased production facilities by the erection of new buildings costing \$4,246,100, as compared with \$3,648,200 last year. Firms producing aircraft or important component parts spent \$3,386,300 of this amount. A number of furniture factories have been altered to produce wood components for one of the fastest bombers. There were 19 plan approvals for shipyard buildings with a total estimated cost of \$212,000.

The production of artificial abrasives has been increased almost continuously and many new factory buildings were required. This industry is centralized in the Niagara Peninsula due to the availability of the necessary electrical energy for the melting furnaces.

The dehydration of vegetables and the drying of eggs for export purposes have resulted in several plant alterations and extensions. There are four egg-drying plants in Ontario and the resultant conservation of ocean shipping space and safe delivery of the egg powder have made this valuable food available to Great Britain. In February, 1942, the British Food Ministry ordered that all eggs be sent in powdered form.

The Factory Inspection Branch has continued to co-operate with the Dominion Controller of Construction by furnishing reports on the essentiality of projects affecting the health, safety and welfare of employees of the firms applying for construction permits. The shortage of metals, materials and labour has dictated that only where the war effort will be assisted should any alteration or additions be made. The improvement of working conditions in essential industries has been consistently considered as contributing to the war effort.

The shortage of steel has forced the temporary acceptance of a few wooden fire escapes until steel for fire escapes is again made available by the Dominion Steel Controller. Municipal building officials have necessarily followed this practice for the same reason and all such escapes will be replaced as soon as possible.

One hundred and eighty-one field inspections were made to facilitate the approval of building plans and to investigate special hazards reported by district inspectors. A total of 536 office interviews were held to discuss proposed manufacturing operations and building approvals. Two hundred and fifty-seven letters were sent to owners to request the submission of duplicate building plans.

ESTIMATED VALUES
OF BUILDINGS
APPROVED BY THE
FACTORY INSPECTION
BRANCH

The Examiner of Designs collaborated with the Chief Coroner in the investigation of the collapse of a partially constructed plant building in which five contractor's employees were killed and twenty-eight injured. Telescopic steel shores were being used to support forms for a high concrete roof and while no specific cause for the collapse was found, it was thought to have originated in the shores or their bracing.

The standard of working conditions throughout the Province has steadily improved in spite of wartime difficulties in obtaining many materials. There has been an increased use of mechanical ventilating and exhaust systems and the resulting benefits will be shared by non-essential industries when such equipment can be made available to them by the relaxation of present war controls.

The examination of building plans has been of inestimable value in procuring improved working conditions as it has ensured good building designs and the provision of adequate ventilation, lighting, exits, sanitation, first aid, eating rooms and other facilities for employees. To make alterations for such facilities after a building has been erected is generally impractical and, at best, results in an expensive make-shift job. Plan examination also minimizes the number of recommendations by district inspectors in new or altered buildings.

The total values of buildings approved by the Factory Inspection Branch during each of the past seventeen years are shown on the accompanying diagram.

INSPECTION STATISTICS

The following is the distribution of the services rendered by the inspectors of the Composite Inspection Branch:

FACTORY INSPECTION BRANCH:	1942	1943
First inspections.....	14,481	14,573
Second inspections.....	2,498	5,473
Visits re homeworkers.....	1,122	3
Visits re fruit camps.....	—	69
Visits re exhibitions.....	180	—
	18,281	20,118
Minimum Wage.....	1,471	483
Industrial Standards.....	720	320
Apprenticeship.....	2,848	1,908
Main Office.....	3,280	169
Steam Boiler.....	2,492	2,344
Operating Engineers.....	251	169
	11,062	5,393
TOTALS.....	29,343	25,511

In addition there were investigations of accidents and the usual visits, office calls and conferences incidental to inspection.

Employees in the above industries, mercantile establishments and office buildings numbered 753,111, classified as follows:

Fiscal years	Males over 16	Males 14-16	Females over 18	Females 14-18	Totals	Children under 14 dismissed
1942	358,897	59	151,982	94	511,023	17
1943	508,514	517	243,289	791	753,111	97

HOURS OF LABOUR

Male Workers					Female Workers				
45	50	54	58	60	45	50	54	58	60
111,804	170,171	52,964	38,833	72,601	81,532	80,438	19,830	13,895	27,812

Also 83,231 employees, male and female, were working approximately 50 hours per week.

The numbers of orders issued relating to various requirements of the Factory, Shop and Office Building Act totalled 10,615 as compared with 5,801 in 1942.

COMPLAINTS

Three hundred and nine complaints were received during the fiscal year. Upon investigation 169 were upheld, 107 were not upheld and 33 were not under the jurisdiction of this Branch. Some investigations covered more than one complaint. Subject of complaints were as follows:

	1942	1943
Safety of building.....	..	1
Working without overtime permit.....	12	7
Working without double shift permit.....	3	2
Working without homeworkers permit.....	1	..
Long hours.....	66	55
Fire hazard.....	..	3
Ventilation.....	1	4
Fire exits.....	7	14
Fumes.....	3	4
Long hours for bakers.....	2	3
Elevators.....	12	5
Toilet accommodation.....	8	10
Child labour.....	14	25
Dust.....	6	7
Lunch period.....	10	1
Sanitation.....	6	17
Heat.....	8	32
Guarding machinery.....	1	2
Noise of machinery.....	2	..
Miscellaneous.....	68	96
One day's rest in seven.....	1	4
Gasoline hazard.....	1	..
Spray booth.....	3	..
Multiple.....	19	17
	<hr/> 254	<hr/> 309

EXPLOSIONS

Explosions during the year totalled 70, of which 62 caused injuries to employees and 8 caused no injuries.

Explosions causing injuries:

- March 19, 1942...Blow occurred on electrode on furnace throwing hot mix on floor and on employee.
- April 6.....Stopping metal from coming out when it exploded.
- April 7.....Water trapped in airbag exploded.
- April 12.....Furnace exploded.
- April 25.....Hot slag dumped into water cooling pit where granulation takes place caused an explosion.
- April 29.....Explosion while welding refrigerator cars.
- April 30.....Gas seeping into manhole ignited and caused an explosion.
- May 4.....Boiler of steam pressing iron exploded.
- May 16.....Explosion in ball mill.
- May 16.....Explosion in powder mixing room.
- May 19.....Motor exploded and burned hand.
- May 20.....Explosion of thinners at dump.
- May 24.....Explosion in paint shop.
- May 29.....Spark from grinder struck a barrel of chrome manganese silicon.
- June 29.....Dampness in chill caused explosion.
- July 3.....Molten aloxite when poured into mould caused an explosion.
- July 23.....Boiler exploded.
- July 29.....Bronze from furnace exploded.
- July 25.....Moisture in mould caused metal to explode.
- July 29.....Gasoline exploded.
- August 13.....Ladle of cyanide of potassium exploded.
- August 13.....Capping heat and butt exploded.
- August 17.....Molten babbitt exploded.
- September 2.....Furnace exploded.
- September 2.....Pot of metal exploded.
- September 19.....Explosion occurred in inspection hole.
- September 24.....Box of ore in furnace exploded.
- October 1.....Gasoline exploded.
- October 9.....Hot metal exploded.
- October 21.....Gas line on furnace exploded.
- October 23.....Chemical explosion.
- November 3.....Furnace exploded.
- November 18.....Gasoline tank exploded.
- November 22.....Switch exploded.
- November 23.....Furnace exploded.
- November 26.....Laid an angle on top of an empty toluol paint reducer barrel and an explosion occurred.
- November 28.....While flashing a tube it exploded.
- November 30.....Run breaker exploded throwing out hot oil.
- December 6.....Gas oven exploded.
- December 7.....Switch box exploded.
- December 10.....Boiler exploded.
- December 17.....Steam heating boiler leaked water into ash pit causing an explosion of ashes, cinders and hot water.
- January 6, 1943...Chemical explosion.
- January 19.....Acetylene torch exploded.
- January 23.....Throwing paint into boiler caused paint to explode.
- January 25.....Pilot light exploded.

EXPLOSIONS—(Continued)

January 27, 1943 .Metal furnace exploded.
 January 27Metal exploded.
 February 7Furnace exploded.
 February 8Furnace exploded.
 February 15Furnace exploded.
 February 17Molten pot of aluminum exploded.
 February 17Mould of metal exploded.
 February 20Explosion occurred in the incinerator.
 February 24One of the pockets in the piston on the shaft being heated generated steam and exploded.
 February 26Acetylene torch exploded.
 February 27Steam press exploded.
 March 3Nitric acid in Winchester exploded.
 March 9Shell exploded.
 March 10Tank exploded.
 March 15Gas furnace exploded.
 March 19Torch exploded.

Explosions causing no injuries:

March 25, 1942 . . .Chemical explosion.
 June 17Boiler exploded.
 July 21Chemical explosion.
 September 1Thermostat in ovens exploded.
 September 11Dust explosion.
 December 22Explosion in drying tumbler.
 January, 1943Explosion in sulphur mill.
 February 16Explosion in pent house.

PROSECUTIONS

Under the Factory, Shop and Office Building Act, proceedings were taken against nine firms. In one case two charges were laid. Convictions were recorded in nine cases and one was withdrawn, as follows:

Hours of labour for youth, young girl or woman	Section 29(b)	9 convictions
		1 case withdrawn

VIOLATIONS

Violations of the Acts in the enforcement of which the inspectors have a responsibility were reported as follows:

	1942	1943
Minimum Wage Act	1,400	1,714
Operating Engineers Act	51	84
Steam Boiler Act	6	2
Adolescent School Attendance Act	118	153
TOTALS	1,575	1,953

The violations of the Minimum Wage Act were chiefly cases of employers neglecting to keep minimum wage cards posted in their establishments.

ACCIDENTS

During the year 14,521 accidents were reported to the Factory Inspection Branch as compared with 10,189 reported in 1942, and 66 were fatal accidents, as compared with 85 the previous year.

Fatalities were due to:

Burns and scalds.....	5
Cranes and derricks.....	3
Elevators.....	4

BOARD OF EXAMINERS OF OPERATING ENGINEERS**CHAIRMAN: JOHN SHARP****MEMBERS OF THE BOARD: W. J. SCOTT, S. G. ROSE**

The Board presents the thirty-fourth annual report covering the activities of the Operating Engineers' Branch for the fiscal year ending March 31, 1943.

The attached statement of revenue, which is the highest attained by this Branch, shows an increase of \$402.84 over the previous year, and this increase is due mainly to the increase in text-book sales. The total number of certificates issued was 17,770, which does not include the certificates maintained in good standing of operating engineers in the armed services.

There were 2,466 examinations conducted by the Board. Thirty-eight per cent of the candidates who wrote examinations failed to pass, which is a marked increase in the number of failures. As the standard of examinations has not been raised, the increase has been due to insufficient preparation and study on the part of engineers trying for a higher grade of certificate.

The number of applications reviewed by the Board was 1,498, of which number 95 were rejected as they did not comply with the Regulations regarding operating experience.

The text-books issued by the Department have a definite value for student engineers, as indicated by the increased revenue of \$240.00 from the sale of these books.

Enforcement of the Act under present conditions, without interfering with the production programme, has been a major problem. The definite shortage of certificated engineers available for power plant operation is acknowledged and is attributed to engineers employed in other essential industries at a higher wage rate and shorter working hours than that prevailing in their own line of work. The Board is co-operating with National Selective Service in an endeavour to adjust this condition. As the protection of life and property is the basis of The Operating Engineers Act, it is not considered advisable to lower the standard of safety by permitting the operation of plants not in accordance with the Regulations. During the year an inspector was appointed to the Branch to assist in carrying out inspections and to report on special cases involving adjustments to meet compliance with the Act.

The successful administration of the Act is dependent to a great extent upon the co-operation of the operating engineers and their various organizations, and the Board wishes to take this opportunity to express its appreciation and acknowledge with thanks the assistance given.

BOILER INSPECTION BRANCH

CHIEF INSPECTOR, DEPARTMENT OF LABOUR—J. R. PRAIN

EXAMINER OF REPORTS AND DESIGNS—J. N. BRIGGS

SUMMARY OF WORK FOR FISCAL YEAR 1943

Drawings and Specifications Surveyed, Registered and Re-registered:

	Designs
Boilers.....	44
Pressure vessels.....	343
Accessories.....	27
Pressure piping layouts.....	25
Special rulings (Ontario).....	322
TOTAL.....	761

New Boilers and Pressure Vessels:

	Inspections
Boilers.....	658
Pressure vessels.....	1,213
TOTAL.....	1,871
Pressure piping layout installations.....	28

Used Boilers and Pressure Vessels Inspected:

Boilers.....	663
Pressure vessels.....	443
Annual inspections.....	6
TOTAL.....	1,112
Second and final inspections.....	2,269

Annual Inspections (Factory, Shop and Office Building Act):

Boilers.....	2,492
Pressure vessels.....	3,217
TOTAL.....	5,709

Certificates issued:

Class A—new pressure vessels.....	1,307
Class B—used pressure vessels.....	851
Class C—heating boilers—low pressure.....	189
Class D—new pressure vessels—accepted by affidavit.....	905
Class E—new boilers under 3 H.P.....	23
Duplicate Certificates.....	34
OA—Annual inspections (Factory, Shop and Office Building Act)...	2,783
TOTAL.....	6,092

Total amount of monies transmitted to the Treasurer of Ontario amounted to \$46,248.74.

MEDIATION, CONCILIATION AND ARBITRATION

CHIEF CONCILIATION OFFICER—LOUIS FINE

The increasing tempo of all war production during the year ending March 31, 1943, plus the growing knowledge of employers and employees throughout Ontario regarding the Conciliation Service of the Department of Labour, added greatly to the work and responsibilities of this Branch.

INVESTIGATION AND MEDIATION

The Regional War Labour Board of Ontario referred 556 cases to the Department of Labour for investigation during the year. These were all investigated by the conciliation officers of the Department and detailed reports were submitted to the Regional Board. The majority of these cases concerned requests for wage adjustments, wage increases, cost of living bonuses, premium for overtime and hours of work.

ARBITRATION

Twenty-one arbitration hearings involving 54 grievances were handled by the conciliation officers of the Department, many of them requiring sessions lasting for several days and the study of hundreds of pages of evidence submitted by the parties concerned. Most of these cases arose out of collective labour agreements which contain provision for the appointment of an arbitrator to be named by the Minister of Labour of Ontario if the parties fail to reach an agreement.

CONCILIATION AND VOTES

Many strikes were avoided as a result of the intervention of the conciliation officers and in the large majority of cases these officers were present at the request of the employers and employees to advise them and endeavour to resolve the differences. Prompt and effective settlements were reached in the majority of cases and, where the question of bargaining agency arose, many companies agreed to a secret ballot under the supervision of this Department. Fifty such votes were held, 38 by consent and 12 by reference from an Industrial Disputes Inquiry Commissioner.

A large number of cases were referred to this Branch by the Department of Labour, Ottawa, and a number of preliminary investigations have been made by the conciliation officers before Boards of Conciliation and Investigation have been appointed.

Numerous cases of alleged discrimination have also been referred to the conciliation officers for attention and in a large majority of cases satisfactory conclusions were reached.

STRIKES

Forty-five strikes were reported during the year to this Branch, but of these 90 per cent were settled within a few hours, and should rather be designated stoppage of work pending the arrival of a conciliation officer. In practically all of these cases the employees agreed immediately to return to work on request of the officer and the resulting time-loss was thus very small.

Thanks and appreciation are due to the employers, the employees and their representatives for the co-operation they have extended to this Branch during the year.

INDUSTRY AND LABOUR BOARD

J. F. MARSH—CHAIRMAN

J. B. METZLER—MEMBER

The Industry and Labour Board administers the Industrial Standards Act, the Apprenticeship Act and the Minimum Wage Act.

INDUSTRIAL STANDARDS BRANCH

At the close of the fiscal year 1943 there were 99 schedules in effect in Ontario pursuant to the Industrial Standards Act, as follows:—

(a) Schedules covering local zones:

Barbering.....	58
Bricklaying and stonemasonry.....	1
Bricklaying, stonemasonry and plastering.....	1
Building industry.....	1
Carpentry.....	11
Common labourers.....	2
Electrical repair and construction.....	5
Painting and decorating.....	3
Plastering.....	2
Plumbing and heating.....	5
Coal.....	1
Coal hoisting.....	1
Baking.....	1
Taxicab industry.....	1
Gasoline service.....	1
Soft furniture.....	1

(b) Schedules covering entire Province:

Brewing.....	1
Hard furniture.....	1
Ladies' cloak and suit.....	1
Men's and boys' clothing.....	1

TOTAL.....	99

APPRENTICESHIP BRANCH

DIRECTOR OF APPRENTICESHIP—FRED J. HAWES

DISTRICT INSPECTORS

WALTER THORNE AND A. C. DENNIS, TORONTO J. R. JOHNSON, OTTAWA

The past year has been one of increasing activities in the Apprenticeship Branch. Greater efforts were made to increase the number of apprentices in the building trades. In June a large deputation representing building trades met the Cabinet and was successful in demonstrating to the members of the Government present the necessity for additional time and attention being devoted to opening up opportunities for apprentices and to seeing that boys leaving school were acquainted with the opportunities now available to those who have a desire to learn these trades.

An additional district inspector was appointed to the outside staff of the Branch and local Apprenticeship Committees were organized in all larger towns and cities and a closer contact established with primary and secondary schools. The trade instruction classes for registered apprentices have again become fully active and all apprentices in the building trades in the first and second year of their apprenticeship are given an opportunity to attend classes during the months of January and February, these classes now being financed by the federal and provincial governments.

During January and February, 68 apprentices in five building trades received day class instruction, classes being established in Central and Danforth Technical Schools and Northern Vocational School in Toronto. The classes again demonstrated just what can be accomplished by this form of school training for those actively engaged in the trade and on the job. At the conclusion of the school period prizes were presented to the apprentices who were recommended by the instructors. The closing exercises were attended by representatives of the Canadian Construction Association and trade unions who expressed great satisfaction at what was being done to assist apprentices to become competent mechanics.

The motor vehicle repair trade, while badly disrupted by war conditions, continues to provide opportunities for boys to become apprentices but the difficulty at this time is in obtaining boys, the larger wage rate of armament factories being more attractive.

The number of registrations of hairdressing apprentices was lower than last year, as fewer girls are now interested in learning this business, since wages paid in munition plants are considerably higher than apprentices' rates of pay.

After having been warned that a second offence would mean prosecution, a woman conducting a hairdressing establishment was charged in the Police Court with conducting a school without a license. Conviction was obtained and sentence was suspended at the request of the Department.

The barbering trade does not attract at this time and very few make application for this particular business.

The Department of Pensions and National Health have asked for the co-operation of the Apprenticeship Branch in the rehabilitation of members of the armed forces as they return from active service. At the meetings of the Provincial Advisory Committees this matter has been discussed and plans are being made whereby the facilities of this office are to be used in giving all assistance possible in helping to provide training for returned men, who had not the opportunity to fully learn a trade before joining the service, or who have been engaged while in the service in certain trades and require additional training to enable them to take their place in civilian life.

During the year 32 contracts of apprenticeship were registered by employers in trades other than designated trades.

MINIMUM WAGE BRANCH

PATTERSON FARMER—ACTING CHIEF ENFORCEMENT OFFICER

The returns collected by the Minimum Wage Branch show a continuing increase in the numbers of employers reporting, the total number of employees and the number of female employees reported. In the following table is given the record for the four years since the commencement of the war:—

	Fiscal years			
	1940	1941	1942	1943
Employers reporting.....	14,954	16,967	16,264	22,781
Employees of reporting firms.....	432,892	535,906	631,631	714,451
Female employees of reporting firms.....	129,111	151,278	210,257	224,879

WAGE RETURNS

Wage returns covering one to four weeks were received from 22,781 employers. For the purpose of analysis and checking, employers are divided into some 35 groups and for further consolidation they are placed in the 21 classifications as given in the tables on pages 35 to 44 of this report.

WAGE ADJUSTMENTS

As returns submitted by employers are received they are checked, and minor cases of underpayment and non-compliance with the law revealed in these returns are handled by correspondence. In this manner increases in wage rates were ordered for 178 employees in 120 establishments during the year, as compared with 968 employees in 637 establishments during the previous year.

ARREARS OF WAGES

As a result of complaints and repeated violations revealed in the wage sheets, arrears of wages were collected from 60 employers on behalf of 151 employees in the total of \$2,374.69. Arrears collected in 1942 amounted to \$7,432.17 from 202 employers on behalf of 345 employees.

COMPLAINTS

The number of complaints received totalled 44 as compared with 149 in 1942 and 312 in 1941. Improved employment conditions account for this decrease.

PROSECUTIONS

Court action was taken against two employers in connection with two separate violations of the Minimum Wage Act, as compared with Court action against three employers in the previous year. One of the cases was dismissed by the Court. In the other case, which was for violation of Order No. 19, Factory Order, a conviction and fine of \$25 and costs was imposed in addition to the payment of arrears in the amount of \$229.20.

HOMEWORK

Rates for homework are approved as requested by employers, provided such rates are in no case lower than the minimum rates as prescribed in the Orders under the Minimum Wage Act. Rates for homework were approved for 276 employers in 1943 as compared with 219 in 1942.

AN ACT TO PROVIDE FOR COLLECTIVE BARGAINING

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In this Act,—

Interpreta-
tion,—

- (a) "bargain collectively" shall mean negotiate in good faith with a view to the conclusion of a collective bargaining agreement and so to negotiate from time to time during the term and in accordance with the provisions of a collective bargaining agreement, and "bargaining collectively" shall have a corresponding meaning; "bargain collectively";
- (b) "collective bargaining agency" shall mean any trade union or other association of employees which has bargaining collectively amongst its objects, but shall not include any such union or association the administration, management or policy of which is dominated, coerced or improperly influenced by the employer in any manner whether by way of financial aid or otherwise; "collective bargaining agency";
- (c) "collective bargaining agreement" shall mean an agreement in writing between an employer and a collective bargaining agency setting forth terms and conditions of employment; "collective bargaining agreement";
- (d) "court" shall mean "Labour Court" as defined in *The Judicature Act* or a judge thereof; "court";
- (e) "employee" shall mean any person in the employment of an employer as defined in this Act, except, "employee";
 - (i) an officer or official of an employer; and
 - (ii) a person acting on behalf of the employer in a supervisory or confidential capacity, or having authority to employ, discharge or discipline employees;
- (f) "employer" shall mean any person or association of employers employing within the Province one or more persons; "employer";
- (g) "employer's agent" shall mean, "employer's agent";
 - (i) any person or association acting on behalf of an employer; or
 - (ii) any officer, official, foreman or other representative or employee of an employer acting, in any way, on behalf of an employer in respect to the hiring, discharging or disciplining, or any of the terms or conditions of employment of the employees of such employer;
- (h) "registrar" shall mean registrar of the court. "registrar".

2.—(1) A collective bargaining agency and the acts thereof shall not be deemed to be unlawful by reason only that one or more of its objects are in restraint of trade. Collective bargaining agency not deemed unlawful.

(2) Employees may form, join or assist any collective bargaining agency and may select or designate any collective bargaining agency for the purpose of bargaining collectively with their employers. Right to join and select collective bargaining agency.

Acts done by two or more members.

3.—(1) Any act done by two or more members of a collective bargaining agency, if done in contemplation or furtherance of a trade dispute, shall not be actionable unless the act would be actionable if done without any agreement or combination.

Collective bargaining agency—party to action.

(2) A collective bargaining agency shall not be made a party to any action in any court unless such collective bargaining agency may be so made a party irrespective of any of the provisions of this Act.

Collective bargaining agreement—subject of action.

(3) A collective bargaining agreement shall not be the subject of any action in any court unless such collective bargaining agreement may be the subject of such action irrespective of any of the provisions of this Act.

Organizing in working hours.

4. Nothing in this Act shall be construed to give an employee the right to work for or to attempt to organize a collective bargaining agency in his working hours.

Requiring employees to join collective bargaining agency.

5. A provision in a collective bargaining agreement requiring all or any specified employees of an employer to be members of a specified collective bargaining agency certified pursuant to the provisions of this Act shall not be deemed to be in conflict with or in contravention of any of the provisions of this Act, but no such provision shall apply to a member of a learned or scientific profession.

Employer to bargain collectively.

6. No employer shall fail or refuse to bargain collectively with the duly appointed or elected representatives of a collective bargaining agency certified pursuant to the provisions of this Act with respect to the employees of the employer or a unit thereof appropriate for collective bargaining purposes.

Discrimination forbidden.

7. No employer or employer's agent shall discriminate against an employee in any manner whether by discharging him from employment or otherwise by reason of his membership in or activity in connection with a collective bargaining agency, or by reason of his instituting or participating in any proceeding or prosecution pursuant to the provisions of this Act.

Illegal conditions of employment.

8. No employer or employer's agent shall require as a condition of employment that any person shall abstain from joining or assisting any collective bargaining agency or from exercising any right provided by this Act or by any collective bargaining agreement.

Coercion of employees forbidden.

9. No employer or employer's agent shall coerce, restrain or influence an employee, whether by way of financial aid or otherwise, with respect to the exercise by him of any right provided by this Act or by any collective bargaining agreement.

Writings to indicate who responsible therefor.

10. No person shall issue, publish or distribute any writing relating to any of the terms and conditions of employment with an employer unless the name of the person or collective bargaining agency together with the street address and post office address of the said person or agency responsible for the issuing, publication or distribution thereof is clearly indicated thereon.

Persons acting under Act protected.

11. No person shall wilfully interfere with any person carrying out any duty required or authorized under this Act or under any order of the court.

Application of 1942, c. 31 (Dom.)

12. The provisions of *The Reinstatement in Civil Employment Act, 1942*, being chapter 31 of the statutes for the third session of the nineteenth Parliament of Canada, shall apply in Ontario notwithstanding the termination of the war between Canada and Germany, Italy and Japan, and notwithstanding the repeal thereof by the Parliament of Canada.

13.—(1) A collective bargaining agency claiming to represent the majority of the employees of an employer or of a unit thereof for collective bargaining purposes may apply to the court to be certified as a collective bargaining agency. Application for certification.

(2) Where a *bona fide* dispute exists between an employer and a collective bargaining agency or between two or more collective bargaining agencies as to which collective bargaining agency is entitled to certification as the collective bargaining agency entitled to bargain collectively with an employer, such employer may apply to the court for an order determining which, if any, collective bargaining agency represents a majority of his employees or a unit thereof for collective bargaining purposes and is entitled to certification as a collective bargaining agency. Idem—by employer

(3) A collective bargaining agency or an employer may apply to the court upon grounds to be set out in the application for an order revoking any certification of a collective bargaining agency, provided that no such certificate shall be revoked within one year from its date except on the ground of fraud affecting the granting thereof. Application for revocation.

(4) An applicant under this section shall serve notice of the application, together with the material in support thereof, upon the employer or collective bargaining agency or agencies, as the case may be, which are affected by the application. Notice of application.

(5) Upon any such application the court may,—

- (a) ascertain what unit of employees is appropriate for the purposes of collective bargaining, and determine whether such unit shall be the employer unit, craft unit, plant unit or a subdivision thereof;
- (b) certify that a collective bargaining agency represents a majority of the employees in such unit, indicating the names of the persons who have been duly appointed or elected representatives thereof;
- (c) subject to subsection 3, revoke any certification of a collective bargaining agency;
- (d) inspect the employment lists of an employer to ascertain what employees, including any person who in the opinion of the court was improperly discharged from employment, are entitled to vote and may take a vote of such employees by secret ballot and authorize any person to enter the premises of an employer for any of such purposes; and
- (e) cause such inquiries to be made, acts or things to be done and proceedings to be had as it may think proper to carry out the provisions of this section.

Powers of Court on application.

14. Any party to a collective bargaining agreement made under the provisions of this Act on written notice to the other party thereto, may apply to the court to construe, and the court shall have the power to construe, the provisions of such agreement. Application to construe agreement.

15.—(1) The court shall have exclusive jurisdiction to examine into, hear and determine all matters and questions arising under this Act. Exclusive jurisdiction of court.

(2) No appeal shall lie from a decision of the court. No appeal.

(3) No order shall be made as to costs in any proceedings under sections 13 and 14. Costs.

Constitution,
names of
officers to
be filed.

16.—(1) Every collective bargaining agency shall, upon making application for certification, file with the registrar a true copy of its constitution, rules and by-laws, and a statement of the names and addresses of its officers and thereafter shall file a true copy of any amendments to its constitution, rules or by-laws or a statement of any change in the names and addresses of its officers forthwith upon the making of such amendment or change.

Default
under
subs. 1.

(2) A collective bargaining agency which is in default under this section shall not be certified as a collective bargaining agency and if a certificate has been issued it may be revoked.

Financial
statement
to be
furnished.

17. Every collective bargaining agency which collects fees from its members shall upon the request of any of its members furnish him, without charge, with a financial statement of its affairs to the end of the last fiscal year certified to be true by its treasurer, and if ordered by the court so to do shall file with the registrar within such time as the court may determine, a financial statement of its affairs to the end of its last fiscal year verified by the affidavit of its officers or by such of its officers as are responsible for the handling and administration of its funds, and shall furnish a copy of such statement to such persons as the court may direct.

Inspection of
documents.

18. No statement, document or proceeding filed in court shall be open to inspection by any person without the consent of the court.

Alleged
violations.

19.—(1) A collective bargaining agency or an employer may apply to the court to inquire into any alleged violation of the provisions of this Act by any person.

Powers of
court on
inquiry.

(2) The court may, if it appears that the alleged violation has occurred,

- (a) restrain such person from continuing such violation;
- (b) direct such person to comply with the provisions of this Act;
- (c) direct the reinstatement of any person discharged from employment contrary to the provisions of this Act and the payment to such person of an amount not exceeding the monetary loss which he has suffered by reason of such discharge; and
- (d) make such other or further order as it deems proper.

Status of
any person.

20. Upon the application of an employer or a collective bargaining agency the court shall have power to determine whether any person engaged in any calling or undertaking is an employer or an employee within the meaning of this Act.

Forms, fees,
rules.

21. Subject to the approval of the Lieutenant-Governor in Council the court may, notwithstanding anything contained in *The Judicature Act*,

- (a) prescribe forms;
- (b) prescribe fees payable to the Crown in respect of proceedings under this Act; and
- (c) make rules regulating the practice and procedure in the court and generally for the better carrying out of the provisions of this Act.

Delegation
of court's
powers.

22. The court may delegate to the registrar or to any other person or persons any of its powers which are not of a judicial nature.

23. Nothing in this Act contained shall be deemed to take away the right of an individual employee to present any of his personal grievances to his employer. Rights of employees preserved.

24. This Act shall not apply to,

Where Act not to apply.

- (a) the industry of farming;
- (b) domestic servants;
- (c) members of any police force;
- (d) The Hydro-Electric Power Commission of Ontario; and
- (e) any municipal corporation, board of public school trustees, board of separate school trustees, high school board, board of education or any board or commission created or established by a municipal corporation pursuant to statutory authority unless such municipal corporation, board or commission has by by-law, if it has power to pass by-laws, or by resolution or minute, declared this Act applicable thereto and to its employees or any section thereof and any such by-law, resolution or minute may be revoked by a subsequent by-law, resolution or minute, as the case may be.

25. In carrying out the provisions of this Act the court shall make such orders as appear to it just and agreeable to equity and good conscience. Orders agreeable to equity and good conscience.

26. This Act shall come into force on the day upon which it receives the Royal Assent. Commencement of Act.

27. This Act may be cited as *The Collective Bargaining Act, 1943*.

Short title.

THE SCHOOL CHILDREN SPEED UP THEIR SHARE TOWARD VICTORY

Since the commencement of World War II, Ontario school children of the provincial system have donated \$9,600,000 toward victory, \$6,600,000 of which has purchased war savings stamps and certificates and another \$1,500,000 has bought bonds.

Their tenacity of purpose is shown in the fact that one-third of this total effort was made in the school year 1943-44. Purchases have been as high as \$250,000 per month.

Their donations toward war relief cover a wide field of organizations, such as the British War Victims Fund, Malta Relief, The Soldiers' Comfort Fund, Aid to Russia, The Navy League, Chinese Relief, The Queen's Fund, The Merchant Seamen's Clothing Fund, The Milk to Britain Fund.

Many schools have adopted corvettes or frigates named after their town and regularly supply them with reading matter and cigarettes. Examples are the corvettes "Napanee", "Tillsonburg", "Parry Sound", "Runnymede" and the frigates "Fort Erie" and "Stone Town". Oakville pupils have adopted the destroyer "Niagara" and the corvette "Rimouski".

The school children of other areas have contributed in whole or in part during the past year toward the purchase of Fleet Cornell and Anson training planes and also "Hurricane" bombers. In this connection may be named the pupils of Peterborough, Victoria, Haliburton and Simcoe Counties, Cities of Sarnia and Sault Ste. Marie, Forest Hill Village, Lansdowne and Williamson Road Public Schools, Toronto.

REPORT

OF THE

Minister of Education

FOR THE YEAR 1943

TO THE HONOURABLE ALBERT MATTHEWS, LL.D.,
Lieutenant-Governor of the Province of Ontario.

Your Honour,

I beg leave to present to your Honour the Report of the Department of Education for the year 1943.

As was to be expected, the war continued to exert an influence on every aspect of education in the province, but the effect varied considerably in different parts of the system. It was therefore possible to achieve considerable progress in some directions while in others changes were of necessity deferred because of war conditions. For this reason, the intelligent planning of reforms for the educational system in the post-war period continues to be a most important part of the work of the Department.

In the interest of economy and efficiency, the closing of schools with an enrolment of less than nine pupils has been encouraged, and sixty-five small schools were closed during the year. Rural boards of trustees have been helped to set up systems of transportation for pupils to attend secondary schools, with the Department paying fifty per cent. of the cost. The movement toward the township area as a unit of administration has also been fostered, and there were, at the end of 1943, 187 such areas involving 1,009 former school sections.

Legislative grants have shown an annual increase for many years. For elementary education the grants for the 1942-43 fiscal year were \$5,561,381; for secondary academic schools they were \$1,000,663, and for vocational schools \$1,902,764. It is expected that the figures for 1943-44 will show substantial increases in all these amounts.

The Department has continued to foster and extend a number of special services which have proved of great value in the school system. The Correspondence Branch furnished lessons for 2,371 pupils who would otherwise have had no formal teaching. This branch has also assisted the work of the Canadian Legion in supervising lessons for Service personnel. The scope of the auxiliary and opportunity classes has been extended and the needs of a special group of pupils are being met in this way. The Railway School Cars have continued to perform a most useful service in the north country. The Travelling Library extended its facilities to include all Continuation Schools of the province, providing both curricular and recreational reading material. For visual education the circulation of slides and films was continued, and the Provincial Archivist set up a travelling exhibit of historical source material which aroused enthusiasm

in all the schools it reached. The Department co-operated with the Canadian Broadcasting Corporation in educational and musical programmes for the schools.

The difficulty in maintaining adequate forces of trained teachers has continued. Of 529 persons to whom permits for elementary schools were issued, 311 had had some professional training; all but 9 had Middle School academic standing or better. The academic secondary schools with 4,000 more pupils than the previous year operated with 99 fewer teachers, because of enlistments and the difference in the normal balance of new certificates and retirements. Similarly in the Vocational Schools there has been a movement of teachers into the Forces, the war emergency programme, and war industry. The supply of teachers entering the profession through the Normal Schools and the College of Education has shown a decrease through the past three years.

The total school enrolment for the province for the school year 1942-43 was 664,637, an increase of 4,447 over the previous year. The Public School population changed only slightly, with a decrease of 848; there was an increase in both vocational and academic secondary school attendance but a decrease in the night classes of the vocational schools. Daily attendance was well maintained, with the elementary schools achieving an average of 89.6% and the secondary schools 92%. Employment certificates were issued under the regulations and after investigation, to 12,792 pupils, but some of these were for holiday periods. Large numbers of secondary school pupils were enabled by the regulations to shorten their school year and assist on farms or in food-producing plants. It is worth noting that pupils who leave in May and return in October will in four years lose the equivalent of a full year in school. To maintain their standing under these conditions requires a real effort. Provision has been made for granting certificates of academic standing without departmental examination to pupils who, having successfully completed a reasonable portion of the year's work, enlist in any of the Services or complete a period of useful farm service. It is felt that generally speaking the co-operation of principals, teachers and pupils has made it possible to grant these certificates without serious lowering of academic standards.

The war effort of the schools has been magnificent. Facing the difficulties already mentioned,—the larger number of pupils, the smaller number of teachers, and the shortened school year,—the teachers have responded nobly. The pupils too have had difficulties to overcome, consciously or unconsciously. The nervous strain of war-days, the absence of parents in the Forces or in war-industry, the opportunities for work outside school hours, have all had their effect and yet the pupils have in general continued to strive for and achieve success in their school work. Pupil activities in the Red Cross, War Savings, War Relief and Salvage campaigns have been directly useful in the war effort of the country. By correspondence and the despatch of comforts to former students, most schools have done good work in maintaining morale. In all these ways they have also taught themselves useful lessons, and caught something of the spirit of those former pupils now serving their country on distant battlefields.

Respectfully submitted,

G. A. DREW,
Minister of Education.

Toronto, January 5, 1945.

ELEMENTARY EDUCATION

Legislative Grants

Over a period of years it has been the policy of the Department of Education to recommend annually to the Legislature the making of a larger appropriation than that of the preceding year for educational purposes. The elementary schools have shared in these larger appropriations. In the fiscal year 1943-44 the amount expended on elementary education was \$5,750,606.60, an increase of \$193,648 over the similar expenditure for the fiscal year 1942-43. It is expected that the expenditure on elementary schools for the fiscal year 1944-45 will show a still larger increase. Of this expenditure for the fiscal year 1943-44 the amount of \$4,904,262.40 went to pay the regular legislative grants to public and separate schools, \$66,897.52 was paid in assisted grants, and \$48,990.11 was spent on the transportation of pupils resident in rural municipalities.

Township School Areas

Each year the larger unit of administration for rural elementary schools gains greater acceptance. Twenty-two Township School Areas were formed between January 1st and July 1st, 1943, involving the dissolution of 146 school sections. Each year also the movement becomes more widespread. Heretofore few areas had been formed in South-western Ontario, but during the past two years a number of these larger units have been formed in this part of the province and there is evidence that accelerated progress will be made within the next two or three years.

The following list gives the location of the new areas formed in 1943:—

Township	No. of School Sections	County or Districts	Inspector	Date

The Temporary Closing of Small Schools

A rural ungraded school with fewer than twelve pupils seldom functions as efficiently as one with twenty to thirty pupils. Where there are fewer than five pupils in a class-group or grade there is lacking the stimulus needed for healthy competition, co-operation and that individual contribution to the class obtained through free discussions. Again, the play-life on the school grounds loses its zest and interest when, because of small numbers, organized games cannot be carried on successfully. Thus, for the welfare of the pupils, the Department of Education has encouraged the temporary closing of schools with an enrolment of eight or fewer.

The following schools were closed temporarily during the year 1943:—

Inspectorate	Inspector	School	Enrolment
Bruce East.....	J. M. Game.....	No. 10 Carrick.....	9

Transportation of Pupils to Secondary Schools

During the past few years many rural boards of trustees of elementary schools have co-operated in providing transportation for pupils of their sections and areas to secondary schools, and the Department has paid a grant of 50% of the net cost of transportation under approved schemes. This has meant that the opportunity of attending a secondary school has been made available to a greater number of rural pupils. In the statistical portion of this report a detailed table is given showing the particulars of this service which is becoming more widely extended each year in the rural areas of the province.

The Supply of Teachers

There was a slight decrease in the number of unqualified teachers for elementary schools during the calendar year 1943. Although there were further enlistments of both men and women teachers in the Armed Forces, the decrease in unqualified teachers was probably due to the Federal Order-in-Council which prevented teachers from leaving their positions to engage in other types of remunerative employment, and to the general increase in the salaries of teachers.

During the school year 1942-43, 534 unqualified teachers were employed by the boards through permission given to them by the Department. An analysis of these permits is given below for the school years 1942-43 and 1943-44.

A GROUP	1942-43	1943-44

Correspondence Courses

The correspondence courses are meeting in a very effective manner the purpose for which they were established. Their success is evidenced by the large enrolment from year to year. As a direct result of the war many young boys and girls have had to shoulder heavier home responsibilities and are unable to devote as much time to home study as they otherwise might. Nevertheless, the response to the opportunity given by the correspondence courses has been most gratifying. No part of Ontario is too isolated for the correspondence lessons to reach. Anyone in the province between six and twenty-one years of age, who is eligible, may further his education by home study while living at home or carrying on his regular work. In addition, lessons are sent to pupils temporarily domiciled outside the province and to children of Ontario missionaries and others in far-away lands. Inmates of Sanatoria and Preventoria are included, as well as those who are ill or physically handicapped, regardless of their distance from a school.

The courses cover all grades from I to X inclusive. Lessons in French are given in Grades I and II to French-speaking pupils. Carefully prepared lessons, based on the authorized text books, are sent out at regular intervals, and the answers returned are examined by a staff of twenty-four qualified teachers who make all necessary corrections and submit explanations to the pupils.

During the year 1943, 2,371 pupils were enrolled; 542 promotions were made; and 57,654 lessons were completed. Thirty-four pupils obtained High School Entrance standing, and the work in Grade IX and Grade X was completed in an equally satisfactory manner.

The Correspondence Branch also supervises the courses in English, Social Studies and Elementary Arithmetic introduced by the Canadian Legion for Active Service men.

Railway School Cars

In 1926 the Railway School Car project was first launched, and since that time the number of cars has increased to seven, all of which are serving the educational and community interests in the various parts of Northern Ontario. There have been no changes in staff personnel, although on some railway lines stops have been added or deleted according to the increase or decrease in population in surrounding areas.

For many of the cars Saturday is a regular teaching day, as time is often lost moving the car from place to place. Usually one week is spent at each stop, and the number of circuits made in a school year averages about nine. Besides doing the regular school work, the cars are usually community centres, and various activities are carried out under the guidance of the teachers. One teacher employed in a Railway School Car recently wrote as follows:—

"Sixteen trackmen, representing nine different countries in Europe, were delayed from six p.m. until after dark in a downpour of rain, and we gave them shelter. An Indian woman came to ask me to cable \$10.00 to her son in Sicily, who is there running a Canadian army tank in order that Ontario may continue as Ontario. To make matters more vivid to her, I outlined a map of Italy on the blackboard, leaving out all confusing marks and names. Sixteen trackmen smoking vile pipes, and an obese Indian woman all squeezed into juvenile school seats, together with five children looked and listened for two hours while I held up bits of pictures from newspapers, magazines and school books."

The foregoing paragraph relates but another of those incidents of the work performed by the School Cars in a land which can be reached only by the "ribbon of steel."

Health Teaching and School Medical Inspection

An increasing interest in the health of school-age children, which is a natural corollary to four years of war, has resulted in official action at the county level in a significant number of instances. Legislation introduced some four years ago, whereby the County Council may, by agreement with the local school boards, establish and pay for an acceptable type of school health supervision, has been utilized during the year 1943 by four additional counties, while evidence of interest in this type of health service has been exhibited by four others. A similar extension of community concern in the health of the secondary school age-group has been evident throughout the year. These tangible signs of concern in health matters augur well for the time when it will be possible to extend to every town, village and township all of the advantages of an acceptable type of health service.

Religious Instruction

During the past several years there has been a noticeably increasing demand from all parts of the province for a greater measure of religious instruction in the public schools. The records show that before and after school hours the pupils of some 2,000 classrooms in our public schools are receiving religious instruction from the clergymen of the locality. More and more of the clergy have been taking advantage of the regulations which, under certain conditions, permit them to give religious instruction to pupils, and more and more public school boards of trustees have arranged for this instruction to be provided.

A careful study has been made of religious instruction as an essential subject of the school curriculum, and consideration is being given to the possibility of having this important work incorporated as an integral part of the programme of studies in all public schools.

Visual Education

The Visual Education Branch of the Department of Education maintains a library of lantern slides and 16 mm. instructional motion picture films, both sound and silent. These films and lantern slides are available to the schools of the province and no covering or rental charge is made, the borrower being required to pay only the express charges one way. Over 300 users have taken advantage of this service during the year, resulting in 6,932 screenings of the slides and films of the Visual Education Branch in our schools. In this same period many additional sound films have been secured and listed in the film library.

Projectionists of the National Film Board serving rural areas have screened instructional films provided by the Department of Education. This has meant

that many pupils attending rural schools have had an opportunity to view these films, an educational aid which would not have been available but for the combined services of the Department of Education and the National Film Board.

Because of priorities it has not been possible for school boards to purchase motion picture projection machines, but an increasing interest has been shown in this field, and when machines and colour film are once more available, there is every reason to believe that visual aids of this nature will play an increasing role in assisting teachers in the instruction of pupils.

Radio in the Schools

There are more than 700 public and separate school buildings in the province equipped with radio receiving sets. In addition, there are many schools where the teacher or pupils bring their own sets to hear special programmes, and several schools have loud-speaker attachments. Undoubtedly, as soon as restrictions are removed and receiving sets become available for school use, a greatly increased number of schools will be equipped with modern radios.

The Department of Education has co-operated with the Canadian Broadcasting Corporation in sponsoring musical and other educational programmes for school listeners. A study of the whole field of radio as an aid in education is being made, and to this end an official of the Department has been appointed a member of the National Advisory Council on School Broadcasting to the Canadian Broadcasting Corporation.

The Department of Education has further co-operated with the Canadian Broadcasting Corporation in providing for schools and teachers a booklet on school broadcasts entitled "Young Canada Listens," which contains particulars of school broadcasts available over the C.B.C. network in each province of Canada.

Interchange of Teachers

The following exchanges were arranged for the school-year 1943-44:—

Miss Doris J. Railton, of the Toronto Public School staff, with Miss Margaret Davies, of the Vancouver Public School staff.

Miss Wilma B. Murray, of the York Memorial Collegiate Institute staff, with Miss Esther Harrop, of the Vancouver High School staff.

War Effort of the Schools

To all those who were actively interested in education throughout the year, it was apparent that pupil activity in relation to the war effort was carried forward with unabated vigour. This was made possible only as a result of the co-operation of teachers, inspectors, boards of trustees and many organizations which assumed responsibility for special phases of war service. Considered as a whole, war activities have constituted a widespread enterprise within the schools, and in many ways have formed an integral part of the regular programme. As in past years, good citizens, old and young, under the direction of the Junior Red Cross, the Navy League of Canada, the Imperial Order Daughters of the Empire, the Home and School Associations, and Women's Institutes, have given freely of their time and talent to further war endeavours on the home front. In addition, however, pupils in our schools have served through the acceptance of farm employment, through the purchase of War Savings Stamps and Certifi-

cates and through energetic efforts in support of scrap drives to conserve essential supplies. Participation of pupils throughout the province in the presentation of a most acceptable Empire Day programme, authorized for use by the Minister, reaffirmed loyalty to the King and Empire, and to our democratic way of life.

The Provincial Inspectoral Staff, 1943

I. IN MEMORIAM:

Mr. James Colling, B.A., who retired from service as inspector of public schools in Hastings North on December 31st, 1933, died at his home in Bancroft in the spring of 1943. Mr. Colling was born at Port Dalhousie on November 9th, 1862. He received his elementary education at the Port Dalhousie and St. Catharines Public Schools, and his secondary education at the St. Catharines Collegiate Institute, and upon his graduation won the Governor-General's medal. After teaching public school for three years near St. Catharines he entered the University of Toronto, from which he graduated in 1890 with the degree of Bachelor of Arts with honours, and was awarded the Gold Medal in Classics. Mr. Colling served as Classics teacher in Napance and Lindsay Collegiate Institutes. In 1906 he was appointed principal of the Cobourg Collegiate Institute, and in 1908 principal of Belleville Collegiate Institute. Chosen public school inspector of Hastings North in 1912 by the Hastings County Council, Mr. Colling served in this capacity until his retirement in 1933. After his retirement he continued to live in Bancroft among the hills, lakes and woodlands of the area, for which he had a most ardent admiration. Mr. Colling was indeed a kind, scholarly gentleman and was particularly helpful to the younger teachers who came to serve in the schools of his inspectoral area. He was held in highest esteem by his teachers as well as by a large circle of friends and associates.

Mr. Robert Galbraith, B.A., was a native of Guelph, where he attended public school. At a later date his family moved to Morriston to reside, and he attended the Galt Collegiate Institute and later Queen's University, from which he graduated, specializing in Mathematics. He also attended the Mount Forest Model School and the School of Pedagogy, Toronto. Mr. Galbraith taught in public schools in Puslinch Township, and afterwards in the high schools in Fergus, Port Hope, Almonte and Simcoe. He was appointed public school inspector in Wellington North in 1905, and continued to perform his duties efficiently and acceptably until his retirement in 1929. Mr. Galbraith took an active interest in community activities. He was a member of the Mount Forest Utilities Commission, a member of the Hospital Board, President of the Patriotic Society, a member of the Agricultural and Horticultural Society and an enthusiastic member of the bowling and curling clubs. A man of strong and genial personality, Mr. Galbraith was a lover of clean sport, a person of good judgment and a community man as well as an educationist. He died on April 26th, 1943.

Mr. Robert Gillies, B.A., was born near Bethany in Durham County, and received his elementary and secondary school education in the schools of Bethany and Port Hope. His training as a teacher was obtained at the Port Hope Model School and the Ottawa Normal School. Mr. Gillies taught in the Pontypool Public School in Durham County for five years, in the Havelock Public School for three years, and in Port Hope as assistant and later as principal of the public

school for a period of twenty years. From Port Hope Mr. Gillies took a position on the Toronto Public School staff, where he served for eight years. In 1916 he graduated with the degree of Bachelor of Arts from Queen's University, and in 1917 obtained his Permanent First Class certificate and the High School Assistant's certificate. In 1925 he completed the requirements for the Public School Inspector's certificate and received appointment to a district inspectorate with residence at Sudbury. In 1930 Mr. Gillies was transferred to the inspectorate of York No. 1, with residence at Aurora, and in 1934 he was again transferred, this time to the inspectorate of York No. 6 with residence in Toronto. On August 31st, 1939, Mr. Gillies retired from his duties as inspector and enjoyed a well-earned leisure to the time of his death on February 17th, 1943. Mr. Gillies combined in fine balance those qualities of personality necessary for a good teacher, a firm, tactful and efficient principal, and a sympathetic and inspirational inspector. He was esteemed and beloved by pupils, teachers, trustees and parents, and the schools under his supervision made splendid advancement during his period of service.

Mr. J. L. Mitchener, B.A., died suddenly at his home in Cayuga on April 9th, 1943. He was born at Clear Creek, Norfolk County, and received his early education in the Clear Creek Public School, Port Rowan High School, and the Aylmer Collegiate Institute. Subsequently he graduated from McMaster University with honours in Science. Mr. Mitchener attended the Simcoe Model School and the Ottawa Normal School. His first teaching experience was in public schools in Norfolk County. As a high school teacher he was principal of the Caledonia High School, the Vankleek Hill Collegiate Institute, the Dutton High School and the Ridgetown Collegiate Institute. He became public school inspector of Haldimand County in January, 1919, a position which he held to the time of his retirement in August, 1942. Mr. Mitchener was especially well fitted for the position of inspector, and was held in very high esteem and respect. Before his retirement the teachers of his inspectorate presented him with an illustrated scroll on which was inscribed the following complimentary reference:—"For a generation of service, faithfully and unstintingly given that the course of education might be advanced and the standards of the teaching profession elevated." Mr. Mitchener took a keen interest in community and church affairs, and his passing was a distinct loss to his community as well as to the cause of education.

Mr. R. A. Paterson, B.A., was a native of Oxford County. He obtained his elementary education in a rural school at Dickson's Corners in his native county, and his high school education in the Ingersoll High School. He graduated with first class honours in Mathematics and Physics from the University of Toronto. In addition he was a graduate and medallist of Osgoode Hall. Mr. Paterson taught in the public schools of Oxford County and in the high schools in Gananoque, Whitby, Strathroy, Ingersoll, Woodstock and Simcoe, and for seven years was principal of the Perth Collegiate Institute. Appointed public school inspector of Oxford South in January, 1910, Mr. Paterson served his area efficiently until his retirement in 1932. As an educationist Mr. Paterson's work was always outstanding. He was a scholar of ability and an excellent teacher. A fondness for literature, especially for the writings of Robert Burns, was a noteworthy characteristic. As a successful inspector, Mr. Paterson was a man of high integrity, and his influence was always for good. He was a resident of Ingersoll for forty years. He died on June 28th, 1943.

Mr. J. E. Wilkinson, B.A., B.Paed., was born in the village of Morpeth, Kent County, receiving his elementary education in the Morpeth Public School and his secondary education in the Ridgetown Collegiate Institute. He was a graduate of the University of Toronto with specialist standing in the department of Mathematics and Physics. He also held the Bachelor of Pedagogy degree from his Alma Mater. In addition, Mr. Wilkinson was the holder of an Art Specialist's and High School Principal's certificates. Mr. Wilkinson obtained his professional training in the Chatham Model School and the Ontario Normal College, Hamilton. As a teacher he began his career in a public school in the Township of Harwich, Kent County. Subsequently he became principal of Elgin Public School, Smith's Falls, and later taught as commercial master in the Ryerson Public School and Orde Street Public School, Toronto, in Paris High School, St. Mary's Collegiate Institute, and as Master in Mathematics in St. Thomas Collegiate Institute, Windsor Collegiate Institute and Harbord Collegiate Institute, Toronto. In 1927 Mr. Wilkinson was appointed public school inspector in York County and served most acceptably for sixteen years in the inspectorates of York No. 2, No. 5 and No. 6. As a tribute to his educational services he was elected President of the Supervising and Training Department of the Ontario Educational Association in 1934-35. Over a period of forty years Mr. Wilkinson made a worthy contribution to the cause of education in the province. Genial and courteous, he had a host of devoted friends among whom were the teachers and children, who will not soon forget him. He died while still in active service on April 6th, 1943.

II. RETIREMENTS:

Mr. D. M. Eagle is a native of Puslinch Township, in the County of Wellington. He was educated in S.S. No. 11 Puslinch and in the Galt and Hamilton Collegiate Institutes. Mr. Eagle received his professional training in the Galt Model School and the Ontario Normal College. His outstanding services as teacher, Model School principal, high school teacher and inspector cover a period of forty-six years. He began his teaching career in a rural school in Waterloo County in 1896, and later taught in Galt, the Windsor Model School, Windsor Collegiate Institute and the English-French Training School at Sandwich. He inspected the English-French Separate Schools in Essex and Kent Counties before being appointed as inspector of public schools in the inspectorate of Essex No. 1. Mr. Eagle was a most efficient inspector and had many interests outside of educational affairs. Before he became inspector he was reeve of Sandwich for seven years, and was also warden of Essex County in 1926. He has travelled abroad extensively. He retired on December 31st, 1943, two years under the retiring age.

Mr. T. R. Ferguson, M.A., retired from his duties as public school inspector for Ontario County (North), on December 31st, 1943, owing to poor health. Mr. Ferguson was born at Black Horse, near Kincardine, on October 30th, 1878, and received his elementary and secondary education in the town of Wiarton. In 1904 he graduated from Queen's University, where he obtained his Master of Arts degree in Honour Mathematics and Physics, and during the session of 1906-07 attended and completed successfully the course at the Ontario Normal College, Hamilton. Mr. Ferguson taught in rural schools and was later principal of the Oil Springs Public School. He served also in the secondary schools of Wiarton, Georgetown, Midland and Cornwall, and at the time of his appointment as public school inspector for Ontario North, in 1913, was principal of the

Uxbridge High School. In addition to Mr. Ferguson's work as an inspector in Ontario North, he inspected schools for a time in Muskoka District and York County. For thirty years he served as inspector in Ontario North, and during that time gave splendid service and contributed greatly to the advancement of education in his own county and throughout the province.

Mr. R. A. Hutchison, B.A., public school inspector for Ontario South retired from active duty on August 31st, 1943, after completing a most successful inspection service of 33 years in the County of Ontario. Mr. Hutchison was born in Norfolk County and received his elementary education at the Walsingham Public School and his secondary education in the Port Rowan High School and the Aylmer Collegiate Institute. He attended Simcoe Model School in the year 1894 and taught in rural schools in Norfolk and Victoria Counties for a period of six years. In 1904 Mr. Hutchison graduated from Queen's University with honour standing in Mathematics, and attended the Ontario Normal College in Hamilton during the term 1904-05. His secondary teaching experience was obtained at the Georgetown, Simcoe and Uxbridge High Schools. In 1910, while principal of the Uxbridge High School, he was appointed public school inspector for Ontario North, and in 1913 was transferred to the inspectorate of Ontario South by the County Council, to succeed the late Dr. John Waugh who had been appointed Chief Inspector of Public and Separate Schools. Mr. Hutchison served as inspector in Ontario South from 1913 until his retirement in 1943. During that period there was a great increase in the number of classrooms, particularly in the City of Oshawa and its suburban area. That Mr. Hutchison gave splendid advice to boards of trustees is now evidenced by the splendid schools of this district. In 1921 Mr. Hutchison and the late Mr. J. E. Benson, who was public school inspector for the City of Windsor, were sent by the Department of Education to study the rural schools of the State of Wisconsin. The report of their visit and investigations made a valuable contribution to the cause of education in Ontario, particularly with respect to rural schools. Mr. Hutchison's genial personality, his scholarship, and his ability to get things done aided materially in educational progress, not alone in his own inspectorate but in the broader provincial field.

Mr. R. A. A. McConnell, B.A., retired from his duties as public school inspector for Grenville County on August 31st, 1943, before reaching the age limit for the retirement of inspectors, because of impaired health. Mr. McConnell is a graduate of Queen's University. He had experience as a teacher and principal in the public schools of Madoc, Meaford and Sudbury, and also served as a Model School principal at these centres. He was principal of the Palmerston Continuation School when he received his appointment as public school inspector for District Division XI on September 1st, 1928, with residence at Haileybury. Mr. McConnell served this area as inspector until 1935, when he was transferred to Lanark County with residence at Perth, where he was inspector until 1939, when he was again transferred to Northumberland and Durham Counties with residence at Port Hope. On January 1st, 1941, he was transferred to Grenville County, with residence at Prescott. Mr. McConnell was an efficient teacher and principal, a very conscientious inspector, and advanced appreciably the cause of education in the different areas where he had inspectorial supervision.

III. APPOINTMENTS:

The following appointments were made to the provincial staff of inspectors during the year 1943:—

1. City of Fort William: E. J. Transom, M.A., B.Paed., Principal of Central Public School, Timmins, duties beginning September 1st. This is a new city inspectorate, Fort William formerly being included in District Division III.
2. Glengarry: Howard Robertson, B.A., B.Paed., Principal of Victoria Public School and Supervising Principal, Brockville, duties beginning September 1st.
3. Grenville: H. W. Knight, B.A., Principal of Ritson Public School, Oshawa, duties beginning September 1st.
4. District Division II: D. A. Lapp, B.A., Principal of Rideau Public School, Kingston, duties beginning September 1st.
5. District Division VI: A. P. Silcox, B.A., B.Paed., Principal of Ryerson Public School, London, duties beginning September 1st.
6. R.C.S.S. Division III: J. E. A. Godbout, B.A., B.Paed., a member of the staff of the University of Ottawa Normal School, duties beginning September 1st.

HELPING TEACHER:

7. Welland (in part) and Lincoln (in part): C. R. MacLeod, B.A., Principal of Elmira Public School, to assist Inspector Charles Howitt, duties beginning September 1st.

IV. TRANSFERS:

The following transfers were made in the provincial staff of inspectors during the year 1943:—

<i>Inspector</i>	<i>Former Inspectorate</i>	<i>New Inspectorate</i>	<i>Date</i>
1. Arthur Archibald, B.S.A.....	Haldimand.....	Ontario South.....	Sept. 1
2. Laurier Carriere, B.A.....	R.C.S.S. Div. II.....	R.C.S.S. Div. XXIV.....	Sept. 1
3. W. E. Eade, B.A., B.Paed....	District Div. II.....	Haldimand.....	Sept. 1
4. A. Gascon, M.A., B.Paed....	R.C.S.S. Div. XXI.....	Special work for Dept. of Educ.....	Sept. 1
5. C. A. Lapp, B.A., B.Paed....	York No. 1.....	York No. 5.....	Sept. 1
6. O. M. MacKillop, B.A., B.Paed.	District Div. VII.....	York No. 1.....	Sept. 1
7. William MacMillan, B.A., B.Paed.	District Div. VI.....	District Div. VII.....	Sept. 1
8. Remi Millette, M.A., B.Paed., Ph.D.	R.C.S.S. Div. III.....	R.C.S.S. Div. II.....	Sept. 1
9. R. O. Staples, B.A., B. Paed.	Glengarry.....	Huron South.....	Sept. 1

V. EXCHANGES BETWEEN INSPECTORS AND NORMAL SCHOOL MASTERS, FOR ONE YEAR FROM SEPTEMBER 1ST, 1943:

S. A. Watson, B.A., of the Department of Education, to replace W. K. F. Kendrick, B.A., B.Paed., returning to the Toronto Normal School from Simcoe South and York (in part).

G. H. Dobrindt, B.A., Public School Inspector for Waterloo (No. 1), with F. C. Biehl, B.A., B.Paed., of the Stratford Normal School.

E. H. McKone, M.A., B.Paed., returned to Peterborough Normal School as Principal, after one year in Huron South.

Conclusion

The staffing of our elementary schools has become increasingly difficult as the war years pass in slow succession. Continued enlistments in the armed services, by both men and women teachers, and the transfer of teaching personnel to other positions, have forced upon local boards and inspectors a major problem in filling vacancies in the profession. In this connection, tribute is here paid to those unqualified teachers who volunteered their services, and particularly to many certificated teachers who returned to the profession, often at great personal sacrifice after a period of some years.

Worthy of note in 1943 was the increasing interest in audio-visual education as an aid to the teacher in her classroom procedure. Films available from the Department secured a wide distribution on a loan basis, and many teachers have offered commendation for the service. Of particular value in the field of radio was the inauguration of a series of music broadcasts sponsored by the Department, with the approval of the Minister, and heard by the pupils on Friday afternoons. Reports from the Travelling Libraries Branch, from Public Libraries, and from teachers have given sufficient proof of the ever-increasing circulation of all children's books. Our world to-day is so full of a number of things that the younger generation is availing itself of every means possible to strengthen and enrich its store of knowledge.

The publication of the report and recommendations of a special committee of The Canada and Newfoundland Education Association, appointed to survey educational needs in the Dominion, submits a new venture in the national field. It suggests progressive plans and ideals in all phases of educational activity, but gives large emphasis to the need for equal educational opportunity. To the teacher and administrator, it may well become the book of the year as a directive in present and post-war planning.

Educational progress in time of war, even more than in days of peace, is possible only with the whole-hearted co-operation of boards of trustees, teachers and inspectors. To all of them, but to the inspectors in particular, recognition is gratefully acknowledged of services rendered beyond the call of duty, so that our boys and girls may not be deprived of their educational birthright, despite full participation in the war effort.

A number of fellow officials have contributed to this report, and sincere appreciation is here expressed for this assistance, and still further for their close co-operation throughout the year.

V. K. GREER,

Superintendent of Elementary Education.

Toronto, March 31st, 1944.

SECONDARY EDUCATION

I have the honour to submit herewith the reports of the High School Inspectors and the Director of Vocational Education for the school year 1942-43.

A. G. HOOPER,

Superintendent of Secondary Education.

July 3rd, 1944.

1. COLLEGIATE INSTITUTES, HIGH SCHOOLS AND CONTINUATION SCHOOLS

During the school year 1942-43 the 72 Collegiate Institutes, 161 High Schools, and 198 Continuation Schools in Ontario operated with 99 fewer teachers although there was an increase of 4,110 pupils over the enrolment of the previous year. It would appear that since the outbreak of the war the total enrolment reached its lowest point in 1941-42 and it is to be hoped that when the teacher supply permits, the increase in staff personnel will keep pace with the increase in attendance. Otherwise, in many of our schools, exceedingly large classes will again have an adverse effect on teaching conditions and pupil progress.

In the course of this school year 107 secondary school teachers enlisted for service in the Armed Forces bringing the total enlistments to 678. Married women, many of them the wives of service men and many of them excellent teachers, have come to the rescue. The province owes a great deal to these married women teachers. Without them some of our smaller schools would have been forced to close and many of our schools would not have been able to operate efficiently.

It would be difficult to estimate the value of the contribution to the national war effort made by our secondary school students during this fourth year of the war. The records show that 2,717 from the academic secondary schools alone enlisted in the Navy, the Army or the Air Force. The students were extremely active in the Red Cross organizations within their schools. They maintained their interest in War Savings. They rendered real assistance in salvage campaigns. They raised funds for medical supplies and other equipment. They participated in drives for money and clothes for War Relief. Senior students donated blood to the various blood banks throughout the Province. They wrote thousands of letters and sent hundreds of boxes overseas to former students of their schools who only a short time before were taking classes with them. Moreover, the Department of Agriculture estimates that approximately 30,000 secondary school students were employed on farms or in plants engaged in processing food during the 1943 season. The records show that 3,816 students obtained Middle School standing and 3,209 obtained Upper School standing under the provision of Circular 27 as a result of this employment.

Participation in these activities has cost our students much in the way of time and effort. Since many students who engage in farm employment leave school about the 1st of May and do not return until the 1st of October, it follows that in the course of four years they have sacrificed one year in actual attendance.

This is especially true in the case of students in our rural communities. Added to this, there is a feeling of unrest, of uncertainty, and of anxiety caused in many cases by the enlistment of members of the family, of relatives, or of intimate friends. The adverse effects of the war on our schools have been cumulative but the students have carried on exceedingly well. The province may well be proud of the record of its secondary school pupils.

After details had been worked out in co-operation with representatives of the three branches of the Armed Services the course in Defence Training was introduced in September, 1942, and during that summer 923 secondary school teachers attended the summer course conducted by the Department at Geneva Park. The teachers worked hard to make the course a success. However, early experience indicated that a downward revision in content was necessary. The scarcity of teachers of Physical Education added to the difficulty of rounding out suitable programmes in many of our schools and it became increasingly apparent that a permanent problem existed with regard to the teaching of this course in our small High Schools and Continuation Schools. Since this was so and particularly in view of the rapidly growing interest in Health Education it was felt that the work required more supervision than the Inspectors could possibly give and Mr. F. L. Bartlett, Director of Physical Education for the City of Toronto, was appointed part-time Director of Defence Training and Physical Education.

During the school year 1942-43 Mr. Robb was on loan to the Vocational branch of the Department and Mr. Rendall's services were loaned to National Selective Service, Department of Labour, Ottawa, from June until the end of December. Nevertheless, the Inspectors visited all of the Collegiate Institutes and High and Continuation Schools mentioned above and they also inspected the work of the Middle School classes in 91 private secondary schools. It is evident that Boards of Trustees are becoming more keenly interested in the work of the schools. They are anxious to know whether or not their schools are meeting the needs of their communities and they are particularly concerned with the possibility of introducing a more definite guidance programme which might be of assistance to the young people in planning their life work.

It is with considerable pride that the Inspectors refer to the work of the teachers. During these years of national stress they have done much more than teach school. Their willingness to work and their ability to organize have enabled them to prove their worth in their various communities. They have kept the schools running as normally as possible and despite increased strain and obvious handicaps they have continued to make an outstanding contribution.

2. VOCATIONAL SCHOOLS

Attendance

An almost continuous drop has been shown in day enrolment in vocational schools since the outbreak of war, due mainly to the exodus of senior pupils to enlist in the armed forces or to enter industrial employment. Statistics for 1942-43 show a slight increase in day school enrolment and a decrease in night school enrolment over the previous year. It is perhaps inevitable that school enrolment and attendance should suffer in wartime, when not only the armed forces but industrial plants all over the Province have been anxious to attract young people, with even the slightest training of a practical character, to assist in essential war work. The slight increase during the past year may have little significance but, on the other hand, it may be the turn in the tide. The reason for the decline in night school enrolment is not clear, but is probably caused by the increasing difficulty experienced by adults in attending classes while engaged on war work; it will be seen that the enrolment was fairly well sustained until last year. Comparative statistics are given below.

	1939-40	1940-41	1941-42	1942-43
Number of Schools—Day.....	62	62	62	62
Number of Schools—Evening.....	48	49	50	49
Number of Pupils—Day.....	36,502	30,967	28,632	29,889
Number of Pupils—Evening.....	34,983	32 135	33,388	28,391
Number of Teachers—Day.....	1,632	1,684	1,614	1,614
Number of Teachers—Evening.....	1,081	1,045	1,043	943
Government Grants*.....	\$1,185,220	\$1,362,313	\$1,341,499	\$1,308,637
Municipal Expenditure (Net)**.....	4,595,902	5,283,589	5,170,205	5,152,200

**Previous Calendar Year.

Shop Records, Organization, Unit Lessons

An attempt is being made to establish a uniform policy in the vocational schools throughout the Province with regard to shop records, the improvement of shop organization, and the general adoption of the lesson unit plan. This policy aims to encourage shop directors to take a greater interest in the supervision of shop organization and teaching methods. During the past year inspectors have given considerable attention to developing collaboration with and among heads of departments in order to ensure that the prescribed courses of study are presented to advantage. With the addition of Mr. T. O. W. Fowler and Mr. E. J. Davies to the inspectorial staff, it is hoped that still more time may be devoted in future to these important objectives, as inspectors will be able to stay sufficiently long in the schools to give worthwhile assistance to all members of the staff.

Definite advances have been made in most schools, particularly in the development of unit lesson courses for shop work. This phase of shop organization is progressing favourably and has proved a great help to pupils taking industrial courses. The unit lesson plan makes it possible for pupils to progress according to their individual ability instead of being restricted to the speed and capacity of the least efficient member of the class. Its introduction has the effect of removing irksome restrictions for pupils of outstanding merit, resulting in the acquirement of maximum skills with minimum supervision. Incidentally, the teacher is freed to devote his time as a consultant and confidant of the pupils instead of being confined to the drab process of turning each one out of the same mould.

Collaboration with Boards and Advisory Committees

Another gratifying feature of the past year has been the extent to which the inspectors have found time to confer with school boards and advisory committees. The opportunities which have been afforded by board members to meet with them and with the employer and employee representatives of local business and industry, have been greatly appreciated. Such conferences provide a splendid opportunity for the inspectors and board members to discuss freely the organization and management of the school as well as the school curriculum and the progress of the classes. It is also apparent that individual members of boards and committees appreciate these opportunities to become more familiar with the schools over which they have jurisdiction and the many problems with which principals and teachers are confronted. Regular conferences and the exchange of ideas form a far more effective method of developing a school programme than the submission of written reports which necessarily must be restricted in character and content.

Scarcity of Teachers

Owing to the necessity of employing a large number of substitute instructors to fill the positions of qualified teachers absorbed by the forces, by the war emergency programme and by war industry, the usual high standard of instruction in the day schools has been difficult to maintain. Pupils have undoubtedly suffered from the absence of experienced teachers who have gone into service, and unfortunately, because of the necessity of closing down the Ontario Training College for Technical Teachers, there has been no reservoir from which new teachers might be drawn. The College has been used for some time for training R.C.A.F. and Army personnel.

It is hoped that the drain on the teaching profession will diminish considerably during the coming year, in view of the gradual disappearance of civilian war emergency classes through the exhaustion of available sources of adult material.

War Activities

Details of the original war programme have been given in previous reports. A recent development seeks to utilize the vocational schools to some extent to provide rehabilitation training for ex-members of the forces and persons discharged from war occupations. The Dominion Vocational Training Co-ordination Act makes provision for carrying on a wide variety of such training, and includes financial assistance to the Provinces in respect of vocational schools operating under provincial jurisdiction.

The war has brought the vocational school closer to industry than ever before. Many industrialists have learned for the first time that the schools are ready to function in the training of employees in a way which they had not previously believed possible. They have discovered that competent instructors with a broad background of trade experience are available to assist them in their problems. Unfortunately for the schools some have been only too ready to induce these specialists to desert the schools and re-enter industrial employment.

That the vocational school has profited from this close association with employers and industrial workers is freely admitted. We have learned that the school needs the guidance of industry as much as industry needs the assistance of the school. Industry has shown a keen interest in courses in inspection and foremanship training inaugurated by the war emergency branch, and is displaying

an unusual willingness to co-operate with the schools in a scheme for part-time training of workers. It is apparent that technical training in industrial pursuits is becoming imperative, and that industry is beginning to recognize the importance of vocational schools as a possible means of solving their production and organization problems.

Survey of Successful Vocational Students

A survey of the achievements of Ontario vocational school graduates and ex-students conducted by the Vocational Branch is illustrative of the fine type of citizen which the system has produced. The war has claimed a majority of the more recent graduates, and these are at present serving their country in all parts of the world. Apart from war services the survey discloses that many ex-pupils have risen to considerable eminence and today are occupying positions of importance in business and industry. That their vocational training has been invaluable in attaining success in their chosen occupations is enthusiastically acknowledged. The list which follows includes craftsmen, foremen and executives. This record is ample proof that vocational training constitutes a real preparation for successful personal achievement and the development of able and worthy citizens.

Partial List of Positions Occupied

Accountants	Estimators	Private Secretaries
Architects	Foremen (all trades)	Production Engineer
Artists	Inspectors (Shop)	Professor (Maths.)
Carpenters	Machinists	Sales Managers
Cashiers	Managers (Business, Shop)	Statisticians
Contractors	Motor Mechanics	Superintendents
Draftsmen	Nurses	(Plant, Office)
(Architectural, Mechanical, Machine-Design)	Pattern Makers	Teachers
Electricians	Paymasters	Tool and Die Makers and Designers
Engineers (many fields)	Personnel Director	Turbine Operator
	Plasterers	

THE TREND OF VOCATIONAL EDUCATION

Polytechnical Schools

The demand for practical and technical training which will arise in the post-war period to cope with the rehabilitation of service personnel and workers from war industry, together with the fact that 95% of our total elementary school population does not proceed beyond the secondary school, presents a broad opportunity for service at the present time. It is felt that the establishment of Provincial Technical Schools at strategic points throughout the Province would serve the double purpose of bridging the gap between present vocational schools and the engineering faculties of universities, and of providing technical training for those not served with such facilities locally. It is suggested that because of the recognized responsibility of the Federal Government for re-establishment projects, schools of this type should be developed by the Province with Dominion financial assistance, and that after the rehabilitation period the schools could revert to the Province. They could then provide advanced vocational training for graduates of existing schools, and specialized courses in such technical subjects as tool and die-making, jig and fixture design, printing and lithography, industrial chemistry, electronics, plastics, textiles and synthetics. Such a programme would help to create a body of highly-skilled practical technicians to meet post-war competition in what will undoubtedly be a highly mechanized and industrial era.

Fort William Vocational School

Classes in Co-operation with Industry

Another desirable development now being explored is the promotion of a plan under which pupils in vocational schools would spend part time in some industry or business and part time in the school classrooms and workshops. The project envisages a class with an even number of pupils, the class being divided into two groups, each group alternating for a given period between school activities and business or industry. Education of this type has been in operation successfully in the United States for some time, and is probably the most fruitful in employment placement of any method yet devised. The Boards of Education of both Toronto and Hamilton are planning to introduce this scheme of co-operative training during the coming year, the former through the Danforth Technical School, and the latter in connection with the Hamilton Technical Institute.

The pivot of the plan is that the boys shall receive remuneration for the time spent on the job and be recognized as part of the organization. One of the main objectives is that they shall be self-supporting in order to encourage them to remain at school until the completion of their courses. It is felt that considerable motivation will result from such an arrangement and that the pupils will realize the importance of obtaining good standing in Mathematics, Science and English if they are to make progress in the trade selected. Another important factor in favour of the co-operative plan is that industry, in its competitive production methods, has much to teach the student which cannot be learned at school. This feature is of paramount importance to the success of any school, inasmuch as it conduces to bringing the vocational programme into closer relationship with the business life of the community and its varied interests and occupations. The training on the job anticipates official recognition as part of the course, and eligibility on the part of graduates to receive the Ontario Secondary School Graduation Diploma. This would place them on a parity with their fellow-students who follow the normal curriculum.

This conception of co-operative education is receiving strong support from many industrialists and business executives in Ontario who feel that a scheme of this nature is essential to the production of trained Canadian workers for post-war development. There is reason to believe that once such a scheme became operative it would develop rapidly; its many educational and economic advantages over the full-time vocational school would quickly popularize it, and its adoption would benefit both employers and employed and result in the provision of a pool of workers trained in accordance with the requirements of modern industry and commerce.

Apprenticeship

Under the Ontario Apprenticeship Act, apprenticeship is being provided in a wide variety of trades connected chiefly with the building industry. In view of the anticipated shortage of mechanics after the war, this phase of instruction is being fostered in every possible way. The Federal Government has passed an order-in-council offering financial assistance to the Provinces in the development of apprenticeship training. School boards are being encouraged to take advantage of these provisions in co-operation with the Apprenticeship Branch of the Ontario Department of Labour, which is conducting a campaign throughout the schools to interest pupils in the advantages of becoming indentured to some particular trade. Such a far-sighted plan of seeking to produce our own skilled mechanics is dependent upon the training facilities provided in vocational

schools. The trend of apprenticeship preparation leans more and more towards a balanced combination of theoretical instruction in the classrooms and shops and practical experience on the job.

F. S. RUTHERFORD,

Director of Vocational Education.

Toronto, June 15, 1944.

PROFESSIONAL TRAINING

Attendance at Training Schools

Change from 1942-43.....	-26	-68	-94

Since 1940 applicants with eight of the nine required Upper School papers have been admitted to Normal Schools by special wartime regulations. The numbers so admitted have been: 1940, 101; 1941, 75; 1942, 185; 1943, 166. In 1943, 71 applicants were admitted on seven Upper School papers on condition that if successful they would be granted a deferred certificate until the additional Upper School paper had been completed. The Normal School records and the reports of the Inspectors' surveys would indicate that these candidates are only slightly less efficient than regularly admitted students.

Medical Inspection of Training Schools

All applicants to Training Schools are required to submit to a medical examination before they are finally accepted. In 1937 seventeen applicants were rejected; in 1938 twenty-seven; in 1939 twenty-six; in 1940 thirteen; in 1941 seventeen; in 1942 eight; in 1943 nine. Applicants suffering from physical handicaps of a less aggravated nature are permitted to enter on signing a waiver to claims for disability pension under the Teachers' and Inspectors' Superannuation Act. In 1939-40 two signed waivers; in 1940-41 seven; in 1941-42 thirty-eight; in 1942-43 forty-six; in 1943-44 forty.

Cost of Medical Inspection

Amount paid physicians for medical examinations: 1,118 at \$4.00.....	\$4,472.00
Amount paid for consultants obtained by the Medical Board.....	245.00

Exchange

In September, 1943, Mr. F. C. Biehl, Master in the Stratford Normal School, exchanged duties for one year with Mr. G. H. Dobrindt, Inspector, Waterloo No. 1. Mr. J. E. A. Godbout, Master in the University of Ottawa Normal School, was placed in charge of R.C. Separate School Division III. Mr. W. K. F. Kendrick, who had been on exchange for two years as Inspector, Simcoe South, returned to his duties as Master in the Toronto Normal School.

Changes in Staffs

In addition to those recorded above the following changes occurred on the staffs of the several Normal Schools of the Province:

J. A. Bannister, B.A., D.Paed., Principal of the Peterborough Normal School, retired August 31st, 1943. Dr. Bannister was born in Norfolk County where he received his early academic and professional training. After teaching in this vicinity for several years he graduated from Queen's University and the Ontario Normal College. After spending three years in educational work in Chicago he became Master in the Cobourg Collegiate Institute and Principal of the Chesley High School. In 1917 he was appointed Public School Inspector for the district of Temiskaming, in 1920 English Master in the North Bay Normal School and in 1929 Principal of the Peterborough Normal School. He will long be remembered throughout the Province for his kindly interest in the welfare of teachers and for his humanitarian interpretation of the aim and purposes of education.

H. E. Ricker, M.A., B.Paed., Principal of the North Bay Normal School, retired August 31st, 1943. Mr. Ricker was born in the County of Halton and received his early academic and professional education and teaching experience in that vicinity. In 1913 he obtained his M.A. degree at Queen's University. After several years' experience in rural and continuation schools in southern Ontario he entered the secondary school field as Master in Waterdown High School and Guelph Collegiate and Principal of Wingham High School. In 1915 he was appointed to the staff of the North Bay Normal School and in 1932 became Principal of that institution. Mr. Ricker will live long in the minds of teachers throughout the Province as the man who taught them to appreciate the beauties of both nature and childhood.

On September 1st, 1943, E. H. McKone, B.A., B.Paed., succeeded Dr. Bannister as Principal of the Peterborough Normal School. Mr. McKone had charge of the departments of Mathematics and English in the London Normal School for nineteen years, served as Principal of Kindergarten Primary Summer Courses in both London and Toronto and as Instructor in Summer Courses in Education given by the Department of Education in Nova Scotia. During the preceding year he had been on exchange acting as Public School Inspector, Huron South.

On September 1st, 1943, J. A. Partridge, M.A., B.Paed., was appointed Principal of the North Bay Normal School in succession to Mr. Ricker. Mr. Partridge was in charge of Science at the Hamilton Normal School for thirteen years. He is the author of several works on the teaching of Science which are highly regarded by Inspectors and Teachers throughout the Province. He was connected with the Summer Courses in Education since their inception and has had practical field experience as Public School Inspector, Halton County.

Mr. J. K. Evans was transferred from the Ottawa to the Hamilton Normal School as successor to Mr. Partridge. In February, 1944, Mr. F. S. Rivers, Principal of the Ottawa Normal School, was transferred to the Department as Assistant Superintendent of Elementary Education. Mr. R. A. Johnston, Master in the Toronto Normal School, was appointed Acting Principal in his place.

In September, 1943, Colonel Stanley Watson, who had been on leave of absence from the Toronto Normal School for the purpose of serving with His Majesty's Forces, returned to the Department and was appointed Acting Inspector of Simcoe South. In February, 1944, he returned to the Toronto Normal School to assume the duties of Mr. Johnston during the absence of the latter in Ottawa. In November, 1943, Miss Mabel E. Hay, Instructor in Home Economics at the Toronto Normal School, was granted sick leave of absence during the remainder of the Normal School session. Miss O. I. Johnston of the Peterborough Normal School supplied part-time each week for Miss Hay.

H. E. AMOSS,

Director of Professional Training.

Toronto, July 7th, 1944.

SCHOOLS ATTENDED BY FRENCH SPEAKING PUPILS

The French-speaking Inspectoral Staff

TRANSFERS:

The following transfers were made at midsummer 1943:

1. Mr. Adélarde Gascon, M.A., B.Paed., of Ottawa, was relieved of his inspection duties and was asked to devote his whole time to the preparation of correspondence courses and the revision of text-books for French-speaking pupils.
2. Mr. Falconio Choquette, B.A., of Ottawa was transferred from R.C. Separate Division XXII to R.C. Separate Division XXI.
3. Mr. Laurier Carrière, B.A., B.Paed., was transferred from R.C. Separate Division II, P.S. Simcoe North (No. 1), and P.S. District Division VII (2), Sudbury, to R.C. Separate Division XXIV and P.S. Glengarry (No. 2), with residence at Cornwall.

The establishment of a new French-speaking inspectoral centre at Cornwall permitted a redistribution of the Eastern Ontario French-speaking inspectorates into more compact units.

4. Dr. Rémi Millette, M.A., B. Paed., Ph.D., was transferred from R.C. Separate Division III and Public School District VII (3) to R.C. Separate Division II, Public School Simcoe North (No. 1). and P.S. Division VII (2), to succeed Mr. Carrière.
5. Mr. Arthur Godbout, B.A., B.Paed., was transferred from the staff of the University of Ottawa Normal School to R.C. Separate Division III and Public School District VII (3) with residence at Sudbury.

Teachers' Training and Qualifications

In 1942-43 there were 113 teachers-in-training at the University of Ottawa Normal School, 20 of whom were enrolled in the First Class course, and 93 in the Second Class course. As a result of the term and final examinations 16 students were awarded First Class certificates, and 92 obtained Second Class certificates.

The following table shows the number and percentage of Ontario French-speaking elementary school teachers holding First or Second Class certificates in November, 1943, and the progress made in this regard since 1929:—

	1929	1939	1940	1941	1942	1943
Total number of French-speaking teachers in Elementary Schools.....	1,087	1,390	1,416	1,438	1,441	1,448
Number of above teachers holding I or II Class certificates.....	273	1,271	1,311	1,307	1,274	1,272
Percentage of French-speaking teachers holding I or II Class certificates.....	25.11	91.43	92.58	90.89	88.41	87.85

The slight decrease since 1941 in the number of First and Second Class certificated teachers is due to the abnormal situation caused by the war.

Secondary School Classes

The following table shows the number of French-speaking students enrolled in December, 1943, in the advanced French courses of Collegiate Institutes, High, Continuation, and Vocational Schools under the supervision of the Department of Education:—

SCHOOL	GRADE					Total
	IX	X	XI	XII	XIII	
Alexandria High.....	17	8	8	1	34
Cochrane High.....	6	3	1	10
Cornwall Collegiate and Vocational.....	23	27	18	2	3	73
Embrun High.....	24	17	12	12	65
Espanola Continuation.....	6	2	3	11
Hawkesbury High (for French-speaking Pupils).....	54	27	27	18	126
Hearst High.....	10	3	2	1	16
Kapuskasing High.....	20	14	8	3	45
Kirkland Lake Collegiate and Vocational...	28	9	2	39
Mattawa High.....	8	5	6	19
Ottawa Technical.....	53	35	27	115
Paincourt Continuation.....	6	6	6	6	24
Penetanguishene High.....	27	15	9	8	59
Plantagenet High.....	23	22	14	17	11	87
Rockland High.....	18	14	11	10	53
Smooth Rock Falls Continuation.....	7	6	4	1	18
Sturgeon Falls High.....	32	35	24	8	3	102
Sudbury High and Technical.....	60	15	10	12	5	102
Tilbury High.....	6	2	3	11
Timmins High and Vocational.....	75	40	9	9	133
Vankleek Hill Collegiate.....	13	7	6	1	27
Totals.....	516	312	205	114	22	1,169

NOTE:—The absence of students in the higher grades of some of the above schools is due to the fact that the advanced French courses were just recently established in those schools.

In the following table are shown the enrolment totals of French-speaking students in the secondary schools of the provincial system for the period 1938-1943:

Year	Grade					Total
	IX	X	XI	XII	XIII	
1938.....	327	182	155	143	32	839
1939.....	392	235	203	130	67	1,027
1940.....	440	310	172	132	48	1,102
1941.....	584	336	168	119	32	1,249
1942.....	531	336	189	101	30	1,187
1943.....	516	312	205	114	22	1,169

It will be noted that good progress was made in the total enrolment until 1941. The slight decrease since 1942 is due to the war situation.

There are, besides the 1,169 students reported above, some 2,500 Ontario French-speaking students who are pursuing their studies in the Grade IX and Grade X classes of the elementary schools, [Table No. 00 (A), page 00, of this report], and in private schools. Some of the latter are inspected by the Department of Education for the purpose of accepting, or not accepting the teachers' recommendations in respects to pupils who are candidates for Middle School certificates.

The following are excerpts taken from a report on the Advanced French classes of the secondary schools submitted by Mr. Henri Lemieux, B.A., B.Paed., High School Inspector:

“Satisfactory general progress may be reported in the Advanced French classes in the Secondary Schools.

In order to obtain more uniform standards of achievement in the different schools throughout the province, it has been found desirable to aim at a certain degree of uniformity in the methods of teaching used by the different teachers. Satisfactory results have already been attained in this direction and efforts will be continued.

In the teaching of French Literature a gradual shift of emphasis from the “explanatory” type of approach to the “appreciative” treatment of literary pieces is being encouraged. In French Composition a need is felt for more suitable text-books which would help to introduce in the teaching a greater degree of continuity, integration and uniformity.

A gratifying feature of the work of the Advanced French classes is the increased interest which is being developed in supplementary and general reading. As a result of a “mot d’ordre” given last year, a campaign is in progress with a twofold aim: (1) to increase the number of French books in the school libraries where needed and (2) to encourage the students to read more, to acquire a love of books and a desire for self-information. Commendable results in this line are attained at the Timmins High and Vocational School, in particular, which has over 300 French books in its library, and where the pupils also take advantage of an excellent French section of over 5,000 books in the Public Library.

During the months of May and June, return visits were paid to most of the Advanced French classes in the province. On the occasion of those second visits, and on other occasions, in several localities, public meetings were arranged with the parents and efforts were made to promote a greater desire for higher education among the French-speaking population.

The French contest which has been held in the Primary Schools since 1938 has been extended this year to the Advanced French classes of the Secondary Schools. Regional contests were held in the Spring at Hawkesbury, Ottawa, Sudbury and Timmins, and the final provincial contest was held at Ottawa during the Easter Week. The winners, one boy and one girl, were awarded scholarships at the Ottawa University and at the Rideau Street Convent, respectively.

Four teachers of the Advanced French classes resigned their positions during the year in order to enlist in the Armed Forces: Roch Cadieux, Vankleek Hill Collegiate; Marcel Bellehumeur, Mattawa High School; Sylvio Régimbal, Sturgeon Falls High School; M. Cataford, Kapuskasing High School.”

Elementary Schools

- Age-Grade Distribution of Pupils

The tables on pp. 31-39, present a compilation of the French-speaking School Inspectors’ Annual Age-Grade Reports for May, 1943.

NOTE.—Heavy lines denote ideal age spread for each grade.

The following comparative table, for the years 1938, 1939, 1942, and 1943, shows the marked progress which has been achieved, during the period under review, in the grade-enrolment distribution of French-speaking classes in all elementary schools:—

Separate and Public Schools

Grade	1938		1939		1942		1943	
	Num-ber	Per-cent	Num-ber	Per-cent	Num-ber	Per-cent	Num-ber	Per-cent
I.....	11,216	23.66	8,955	18.16	7,648	17.39	7,375	17.22
II.....	6,992	14.75	7,148	14.49	6,245	14.20	6,200	14.47
III.....	4,974	10.49	6,631	13.45	5,979	13.59	5,831	13.61
IV.....	5,548	11.71	6,364	12.90	5,842	13.28	5,514	12.88
V.....	5,828	12.30	5,883	11.93	5,275	11.99	5,292	12.36
VI.....	4,775	10.07	5,136	10.41	4,528	10.30	4,607	10.76
VII.....	3,764	7.95	4,018	8.15	3,747	8.52	3,560	8.31
VIII.....	2,913	6.15	3,436	6.97	3,191	7.25	3,112	7.27
IX.....	727	1.52	893	1.81	795	1.81	768	1.79
X.....	443	.93	587	1.19	471	1.07	398	.93
Auxiliary Classes.....	217	.46	268	.54	265	.60	171	.40
Totals.....	47,397	100.00	49,319	100.00	43,986	100.00	42,828	100.00

The decrease in the total enrolment since 1942 is due largely to the movement of a great number of French-speaking families from mining and other places to wartime industrial centres where French-speaking classes were not yet organized.

While the enrolment in each of the first six grades is now almost normal and the percentage of enrolment in the Grade VIII classes has increased from 6.15, in 1938, to 7.27, in 1943, it is evident that the successful effort made in recent years by teachers and inspectors should be relentless until the enrolment in each of Grade VII and Grade VIII classes has reached at least 10 per cent of the total school enrolment.

Provincial Contest

ELEMENTARY SCHOOL SECTION

The finals of the sixth annual provincial contest among the Grade VIII French-speaking pupils were held in Ottawa on April 29th, 1943. After winning preliminary tests in their own schools and inspectorates, twenty-four contestants—one boy and one girl from each of the twelve French-speaking inspectorates—took part in this final competition. The four provincial winners, the first two of whom were awarded secondary school scholarships, were as follows:—

1st boy: Jean-Marcel Touchette, 13, Garneau School, Ottawa;

1st girl: Marie Corbeil, 12, St. Charles School, Timmins;

2nd boy: Jean-Yves Gougeon, 12, St. Jean-Baptiste School, Ottawa;

2nd girl: Jeannine Lascelle, 13, Sacré-Coeur School, Hawkesbury.

Since 1938, when the first provincial contest was held, the scholarships awarded each year have been generously given by private educational institutions of Ontario and Quebec. So far, sixteen talented boys and girls have been thus enabled to pursue their studies beyond the elementary school level, and, from the regular reports received on their school work, give good promise of becoming leading citizens.

In view of the manifest advantages of this annual competition and the ever-increasing interest it arouses among the French-speaking population of this province, L'Association Canadienne-Française d'Education d'Ontario decided in 1940 to establish a scholarship fund for the benefit of the most deserving contestants. It is hoped that, with the assistance being offered by the Department of Education, gifted French-speaking students of Ontario will seize in ever greater numbers these splendid opportunities to complete their secondary and university education.

SECONDARY SCHOOL SECTION

The first province-wide contest among the Grade XII and Grade XIII French-speaking students was held during the year. It proved quite successful. Preliminary contests were held in four regional centres and were followed by the final competition in Ottawa at the same time as the elementary school contest, on April 29th. The two provincial winners, who were awarded valuable scholarships by the University of Ottawa and the Bruyère College, Ottawa, were the following:

François Morisset, 17, University of Ottawa High School;

Yvette Laviolette, 18, Rockland High School.

A Successful Experiment

As in previous years the French-speaking school inspectors submitted interesting reports on special enterprises undertaken in their respective inspectorates. The following is a résumé of the report received from Dr. Rémi Millette, of Sudbury:

The Kindergarten-Primary Class, Sault Ste. Marie

"St. Ignace school, Sault Ste. Marie, Ontario, caters to 240 pupils of French-speaking parents.

In September, 1940, a Kindergarten-Primary class with an average enrolment of 30 pupils was established in this school. Pupils 5 years of age were thus given an opportunity of acquiring, through conversation, work and play, a basic vocabulary in the French language as a preparation for more formal work in the grades.

Experience has now proven that the pupils concerned have benefited by frequent opportunities to speak French and have acquired a more extensive vocabulary adapted to their intellectual level. The authorized Pre-Primer, "Frou-Frou et Fin-Fin" has been the basis for interesting conversation lessons in the mother-tongue, which take the greatest part of the day's programme. Yet, time is allotted to number-work, to singing, rhythmic, recitation, simple exercises in physical training, games, manual work in cutting, pasting and colouring. The sandtable serves frequently for modelling and various kinds of constructive work. Pupils learn happy confidence in themselves from these rightly directed activities. Smoothly, without cleavage or shock, the young child is conditioned to a certain mode of behaviour in this special class, which mode of behaviour is continued in the grades. Thus, school is an entity with "progress from ingress to egress" along a smoothly constructed gradient.

Approach to the studies as begun in Grade I is made in the incidental informal method. Group routines of the grades are learned gradually. Pupils spend three hours per day in the classroom for a full day's programme.

It is now noted, after four years of experience with this special class, that the pupils concerned, now in the first three grades, have benefited greatly by this course. They are up to and above standard in the French subjects of Grade I to Grade III inclusive, and also in English and in the other subjects of the Programme of Studies".

It is hoped that the successful experiment reported above by Dr. Millette will set an example to be followed in many other inspectorates. School boards, in urban centres especially, would be well advised to establish kindergarten-primary classes, which eventually would mean both a saving in school costs and a betterment in educational results.

"L'Association de l'Enseignement Français de l'Ontario"

The provincial association of French-speaking teachers and inspectors held its fourth annual convention in Ottawa, on April 29th and 30th, 1943. Mr. Adélarde Gascon, M.A., B.Paed., of Ottawa, was elected president for the year 1943-44.

Outstanding among the Association's achievements of the year was the publication in December, 1943, of a school magazine entitled "L'Ecole ontarienne". This 140-page magazine, the first of its kind to be published in Ontario, contains articles in French and in English which are of interest to both the elementary and the secondary school teachers. The articles were contributed by teachers actually engaged in teaching in schools attended by French-speaking pupils. In his foreword, the President of the Association expresses the hope that "L'Ecole ontarienne" may continue to be published at least annually.

Correspondence Courses

In June, 1943, ended the first school year in which correspondence courses were given to French-speaking children of Ontario. The great usefulness of this service was evidenced by the large enrolment of beginners—152 Grade I French-speaking pupils—and by the satisfaction expressed by many parents regarding their children's progress during the year. As a mark of appreciation some parents sent in the photographs of the children enrolled in the courses. One mother wrote in June: "I am quite satisfied with the Grade I studies. — has done very well. She recognises all the words and reads fluently. She completed her French primer a month ago. I thank you." Another parent, writing at the end of the school year, said: "I am happy to tell you that — and — understand what they read and that they are now able to read the whole book. I am perfectly satisfied with the results obtained and I wish to thank you."

In September, 1943, the courses for French-speaking pupils of Grade II were ready for distribution. The total enrolment during the school year 1943-44 was as follows: Grade I, 101; Grade II, 110. It is evident from the reports received that this service is highly appreciated by the French-speaking population of Ontario.

The lessons for French-speaking pupils of Grade III and Grade IV, which have been prepared by Inspector Adélarde Gascon, M.A., B.Paed., will be available in September, 1944.

Music

Notable progress was made in this field of French education during 1943. Under the able guidance of Mr. G. Roy Fenwick, Mus. B., Provincial Supervisor of Music, Mr. Joseph Beaulieu, Mus. B., Assistant Supervisor of Music, was successful in giving much impetus to the teaching of music in the schools attended by French-speaking pupils.

Besides paying regular visits to the schools and meeting with school boards and inspectors, Mr. Beaulieu fostered the organization of pupil choirs and gave several demonstration lectures to groups of teachers and to the students of the University of Ottawa Normal School.

A series of seven song books for classes of Grade II to Grade VIII was developed during the year. These books each containing 24 selected songs in French and in English were well received by the teachers and have contributed

in a large measure to the progress of vocal music in schools attended by French-speaking pupils.

Junior Red Cross

In September, 1943, the Junior Red Cross Society of Ontario appointed a French-speaking field-secretary, Miss Juliette Fortin, R.N., of Sudbury.

As shown by the following figures, marked progress in the Junior Red Cross activities was achieved in schools attended by French-speaking pupils during the last four months of the year:

ENROLMENT

June, 1943,	323	branches	with	11,100	members;
December, 1943,	604	"	"	19,368	"

It is anticipated that at the end of 1944 there will be approximately 1,000 branches of the Junior Red Cross with some 30,000 French-speaking members.

Teachers and inspectors are to be highly commended for their successful effort in bringing within reach of their pupils the wonderful advantages offered by the Junior Red Cross Society.

ROBERT GAUTHIER,
Director of French Instruction.

Toronto, June 27th, 1944.

AGRICULTURAL CLASSES

Elementary Schools

Agriculture in the elementary school is an optional subject which, under present Regulations, may be taken in Grades VII and VIII. Introduction and continuance of instruction in the individual school depends upon the attitude of the trustees and the qualifications and interest of the teacher. In many schools a permanent programme has been established while in others there is lack of continuity as trustees or teachers change. There is still a tendency to assume that the subject matter of the courses which is more or less common knowledge to adults is also a part of the experience of pupils. This is not correct and rarely do pupils outside of school gain experience or knowledge of the subject matter covered in these courses.

The present programme for rural schools includes improvement of school grounds; school gardening, when conditions are suitable; consideration and discussion of many topics related to farm activities and products; the use of reference books and magazines on agricultural topics; and in some areas displays of work at the school fair or at the fall fair. When Agriculture is taught these activities become a part of the school programme in which pupils find a real interest and from which they learn important facts.

The programme in urban schools includes care of lawns, shrubs and flowers; use of vacant city lots or other areas for school gardens; classroom instruction on the nature and production of farm crops; recognition of important features of common breeds of poultry and live stock; and consideration of the movement of farm products from the producer to the consumer. In this programme, valuable experience and knowledge is gained by all pupils, which, for many would not be available if the subject were not taught in the school. Agriculture with practical applications in gardening and care of grounds is taught in the schools of Hamilton, Kitchener, Ottawa and Windsor. A good programme with less stress on outdoor activities is carried on in schools of London and Toronto.

Under present Regulations agricultural topics are included in the Natural Science and Science courses for Grades IV to VIII and a special course in Agriculture for the two senior Grades. The decrease in qualified teachers during the war period has reduced the number of schools reporting the special course in Agriculture. A revision of the courses of study to provide a compulsory minimum course in Science and Agriculture in Grades V, VI, VII and VIII and a maximum course for those wishing to qualify for special grants would be an improvement on the present programme.

Public and Separate School Inspectors are consistently encouraging instruction in Agriculture and in several areas the number of schools reporting has shown little decrease. The revised Regulations, Circular 56E, 1943, effective from September 1st, 1942, provided for increased grants to Boards and also allowed for payment of grants when the teacher held no special certificate in Agriculture but was doing good work. As a result the number of schools reporting for the school year ending June 30th, 1943, was 2,596 as compared with 2,566 in the previous year.

Secondary Schools

In the fall of 1943 Agricultural Science was taught in 26 Collegiate Institutes, 78 High Schools and 49 Continuation Schools. The subject was introduced in one Collegiate Institute. Because of changes in teachers, and scarcity of teachers with special certificates in Agriculture, the subject was discontinued in 2 Collegiate Institutes, 3 High Schools and 2 Continuation Schools. Lower and Middle School courses were taken in 109 schools. The number of teachers employed was 196 of whom 91 held the Specialist Certificate in Agriculture and 63 were graduates of the Ontario Agricultural College. Thirty-three teachers of Science were granted permission to teach Agricultural Science for 1943-44. Since 1939, 41 male teachers, 26 of whom were graduates of the Ontario Agricultural College have joined the armed forces. Enlistment, coupled with the discontinuance of summer courses, has materially reduced the number of teachers qualified to teach Agricultural Science in secondary schools. The courses in Agricultural Science have met with general approval in the schools where they have been introduced. Before 1939 the subject was being introduced in several new schools each year. Since 1939 the subject has been introduced in one or more schools each year, but has been discontinued in other schools so that the total number of schools has been reduced each year.

Agricultural Departments under the High School Regulations are maintained at Drayton, Elmira, Listowel, Port Perry, Whitby and Wheatley. Regulations concerning the organization and conduct of such departments were included in Circular Agric. 6 issued in September 1943. The Board of St. Mary's Collegiate Institute introduced Agricultural Science in Grade IX in September 1943 with the intention of introducing work under the Department scheme in September 1944. Other schools are also interested in the introduction of courses under this plan. Agricultural Departments under Vocational Regulations are maintained at Beamsville, Kemptville, Simcoe, Stamford, Renfrew and Ridgetown. The courses in Agricultural Science are taught in these schools but additional time is provided for Agriculture and greater stress is given to practical applications. In schools with Departments under High School Regulations all pupils take additional practical work in Grades IX and X and those who have not discontinued French and Latin may proceed with Middle and Upper School work without any loss of time. In schools under Vocational Regulations all pupils of Grade IX take the same course with the extra time on practical subjects. In Grade X a choice must be made. Those who take the Vocational course discontinue the study of French and Latin. The former scheme is best for schools of 200 or less enrolment, the latter can only operate effectively in larger schools.

Practical activities are stressed as far as possible in schools where Agricultural Science is taught, as well as in those with departments. All schools are well equipped for instruction in agricultural topics. School gardens are maintained at 130 schools. Fruit trees and small fruits have been planted in many gardens and on larger areas a three-year crop rotation is followed. Small poultry houses have been provided at 15 schools. Chicks are raised in the spring, fowl fattened in the fall, and laying birds kept through the winter months in most of these buildings. One or more colonies of bees are kept at 13 schools. Frequently pupils start beekeeping at home as a result of practical instruction at school. Continued attention is being given to productive home projects. Students in many schools are rearing chickens, keeping records of egg and milk production and growing farm crops, at home. Many students are members of

various Clubs conducted by Agricultural Representatives and frequently secure high standing. Two students of Pelham Continuation School, Kelvin Crossley and Barbara Arnbrust, were the Championship team in the Dominion of Canada Potato Club award for 1943.

The subsequent paragraphs of this report give statistics and comments relative to the progress of agricultural instruction in elementary schools, secondary schools and the normal schools.

Year	Number of Schools	With School Gardens	With Home Gardens
1903.....	4
1914.....	264	208	56
1926.....	3,395	1,059	2,336
1937.....	5,065	1,580	3,485
1942.....	3,472	978	(indefinite)
1943.....	3,299	871	(indefinite)

Figures prior to 1942 are based on the number of schools qualifying for grants. For 1943 the figure covers the schools where the courses were taught. Grants were claimed for 2,596 of these schools.

The following table shows the certificates held by teachers engaged in the work for the years given.

Year	Elementary	Elementary Part I	Intermediate	Intermediate Part I	Totals
1934.....	1,552	86	144	10	1,792
1936.....	2,092	208	188	22	2,510
1938.....	2,864	444	259	52	3,619
1941.....	1,956	94	236	17	2,303
1942.....	1,603	80	159	9	1,851
1943.....	1,362	49	124	7	1,542

In addition to the courses for Form III and Form IV, Agriculture of the Lower School course was taken in fifth classes of 154 schools under the Regulations for Public and Separate Schools. The Lower School courses are taken under the High School Regulations in the following schools: Elizabeth Ziegler Public School, Waterloo; St. Andrew's West Separate School; St. Raphael's West Separate School; Victoria Public School, Kitchener; Toronto Public Schools: General Mercer, McMurrich, Perth Avenue.

Instruction in Agriculture in secondary schools is provided under three schemes as stated below and may be taken in those schools which meet the requirements of the Department of Education.

1. Optional classes in Lower and Middle School as a part of the course for Normal School Entrance or Matriculation.
2. Department of Agriculture under the High School Regulations.
3. Department of Agriculture under the Vocational Regulations.

Under scheme (1) above, Agriculture was taught during the year in the schools listed below. Under (a) are the schools in which Lower School courses only are taken, and under (b) both Lower and Middle School courses.

Collegiate Institutes

(a) Clinton, Cornwall, Goderich, Ingersoll, Kitchener, Oshawa, Perth, *St. Mary's, Seaforth, Runnymede, York Memorial. Total 11.

(b) Barrie, Belleville, Brockville, East York, Fort William, Lindsay, Napanee, Orillia, Picton, Port Arthur, Renfrew, Scarborough, Smith's Falls, Stamford, Strathroy. Total 15.

High Schools

(a) Bracebridge, Cobalt, Durham, Essex, Markham, Maxville, Meaford, Merriton, Mount Forest, Niagara, Orangeville, Port Credit, Tilbury. Total 13.

(b) Alexandria, Alliston, Amherstburg, Arthur, Athens, Beamsville, Blenheim, Bowmanville, Brighton, Burford, Burlington, Caledonia, Cayuga, Chesterville, Dundas, Dunnville, Elmira, Fergus, Fort Frances, Grimsby, Hagersville, Haileybury, Harrow, Havelock, Iroquois, Kemptville, Kincardine, Kingsville, Lakefield, Leamington, Listowel, Lucan, Madoc, Markdale, Midland, Milton, Mitchell, Morewood, Nepean, Newburgh, Newcastle, New Liskeard, Norwich, Norwood, Oakville, Petrolia, Port Elgin, Port Perry, Ridgeway, Saltfleet, Shelburne, Simcoe, Smithville, Stirling, Streetsville, Sydenham, Trenton, Tweed, Uxbridge, Waterdown, Waterford, Watford, Whitby, Williamstown, Winchester. Total 65.

Continuation Schools

(a) Ailsa Craig, Arkona, Bothwell, Chatsworth, Eganville, Elgin, Forest Hill Village, Grand Valley, Minesing, Seeley's Bay. Total 10.

(b) Agincourt, Ayr, Beaverton, Brooklin, Brownsville, Comber, Drayton, Drumbo, Embro, Florence, Fordwich, Ilderton, Inglewood, Lynden, Lyndhurst, Merrickville, Milverton, Mindemoya, Mount Albert, Mount Brydges, Mount Elgin, Mount Pleasant, New Dundee, New Hamburg, Orono, Pelham, Port McNicoll, Princeton, St. George, Sparta, Stevensville, Sundridge, Tamworth, Teeswater, Thamesford, Thamesville, Tiverton, Wheatley, Woodville. Total 39.

The following abbreviated table shows the development in this phase of instruction since its beginning in 1913 and the number of schools now taking the work.

Year	Collegiate Institutes	High Schools	Continuation Schools	Total
1913.....	1	1	2
1918.....	8	13	4	25
1928.....	14	44	23	81
1941.....	27	82	59	168
1942.....	27	81	51	159
1943.....	26	78	49	153

The following schools are taking work under the scheme indicated in (2) above: Drayton, Elmira, Listowel, Port Perry, Wheatley and Whitby. Additional time is given to Agriculture and practical phases of the subject are stressed. At Elmira, Port Perry and Whitby provision is made for Shop Work for boys and Home Economics for girls.

Under (3) above, the following schools are qualifying for grants under the Vocational Regulations: Beamsville, Kemptville, Renfrew, Ridgeway, Stam-

*Introduced Agriculture in September, 1943.

ford and Simcoe. In all, provision is made for instruction in Shop Work and in all except Stamford for Home Economics. The regular courses in these subjects, with special emphasis on agricultural applications, are being followed. In all centres practical applications of agricultural topics are stressed, a regular programme of home project activities is conducted and the teachers visit the homes of pupils to inspect the projects undertaken.

Normal Schools

There have been no material changes in the Normal School course in Agriculture. Except in the University of Ottawa Normal School, instruction in Agriculture is a part of the regular course and the subject is taken by all students. Some time is now being given to Science and Agriculture at the University of Ottawa Normal School. Students who have taken four years of Agriculture in an approved school during their Secondary School course are granted an Interim Elementary Certificate on successfully completing the Normal School course. Others must attend summer school to secure a certificate in Agriculture.

Facilities for instruction in practical phases of gardening and other topics are provided, the instructors are all qualified in Agriculture and a good course is given as far as the time allotment on the Normal School programme will allow.

Summer Schools

As mentioned in different places in this report the discontinuance of summer schools has greatly reduced the number of teachers with special certificates in Agriculture, with a resultant reduction in the number of schools teaching the subject. Resumption of summer school activities is desirable at the earliest possible date.

NORMAN DAVIES,
Inspector of Agricultural Classes.

Toronto, July 24th, 1944.

AUXILIARY CLASSES

Teachers' War Service

Three teachers enlisted in the Army and the Air Force in 1943. Miss Ida M. Lutton, Governor Simcoe School, London joined the Royal Canadian Army Medical Corps; Miss Jane Simpson, Prince of Wales School, Barrie joined the Canadian Women's Army Corp; and Mr. Edward Monkman, Church St. School for Boys, Toronto joined the Royal Canadian Air Force.

A summary of teacher enlistment shows that approximately forty per cent. of the male assistants required to staff existing classes have enlisted.

Urban Organization

Surveys were conducted in accordance with instructions and at the request of the School Boards concerned in Cobourg, Dundas, Huntsville, Kingston, Leaside, Port Colborne and Port Hope. As a result of these surveys and those conducted in previous years new classes were opened in September 1943 as follows:—

Opportunity Classes:	Alexandria.....	1
	Dundas.....	1
	Hamilton.....	1
	North York.....	1
Handicraft Classes:	Kingston.....	1
	Kirkland Lake.....	1
	St. Catharines.....	1
	Sault Ste. Marie.....	2
	Toronto.....	3
	Toronto Separate.....	1
	Welland.....	1
Hard of Hearing Classes:	East York.....	1
Partial Classes:	Huntsville.....	2
Sanatorium Classes:	Mountain.....	1
Sight Saving Classes	East York.....	1
Speech Correction Classes:	East York.....	1
	York Twp.....	1

The following classes were closed during the year for various reasons, one of which was the shortage of specially trained teachers:—

Opportunity Classes:	Hamilton Separate.....	1
	Port Arthur.....	1
Institutional Classes:	Tarentorus.....	1
Partial Classes:	Pembroke.....	1
Handicraft Classes:	Windsor.....	1

Rural Organization

Opportunity, Sight Saving, Speech Correction, Home Instruction and Transportation Units are available, under the Regulations for Auxiliary Classes, for areas where there is not a sufficient number of pupils to warrant the establishment of a special class. These auxiliary units are set up in the small schools after a special examination has shown that academic or physical handicaps exist. Individual advisements for each such pupil are prepared in the Auxiliary Classes Branch to indicate books, materials, methods and techniques by which the pupil may be readjusted to grade work or to his individual capacities.

Courtesy Toronto Board of Education

Orthopaedic Class

The Department of Education provides reimbursement grants to boards to cover the cost of any special equipment needed in any auxiliary unit; salary grants to provide instruction for home-bound pupils; and transportation grants towards the cost of transporting crippled children who would otherwise be unable to attend school.

Auxiliary units are established usually after a survey of an inspectorate has been conducted at the request of the resident inspector. Pupils in Grades I-IV who are one and one half years retarded, pupils in Grades V-VIII who are two or more years retarded and pupils who are physically handicapped are examined if they have been reported by the teacher. Over ninety per cent. of the pupils examined are retarded in Reading and Arithmetic and show maladjustment in other ways.

The results of giving individual instruction to pupils located in small schools are reviewed annually by means of Progress Reports collected by inspectorates. The Progress Report provides a means by which the resident inspector and the auxiliary class inspectors can follow up pupils in need of remedial work. These reports over the years show that 60% of the pupils are definitely readjusted, 20% of the pupils remove to other schools and the remainder appear to make little progress.

Reports for grant purposes and to show pupil progress are most numerous in the year immediately following a survey. In each succeeding year the number is reduced by pupils adjusting to grade work, by graduation or by removal. The use of individual materials for special pupils goes on because the school authorities continue to provide these aids without making application for equipment grants.

In 1943 there were no complete surveys made, due to transportation difficulties which prevent visitation of every one-roomed school in an inspectorate. The following table shows the survey work conducted during the year by Miss DeLaporte and myself with the assistance of the inspectors concerned.

Organization

Brief courses were given in each of the Normal Schools to acquaint teachers-in-training with methods of dealing with academically and physically handi-

capped pupils, especially with those in the rural schools. The fact that over one hundred communications are received annually from recently graduated teachers describing the educational problems created by the presence of exceptional children is proof of the usefulness of these Normal School lectures.

The Special Class Section of the 1941 O. E. A. was well attended. One representative of the Ontario Auxiliary Class Teachers attended the 1943 Convention of the International Council For Exceptional Children held in Indianapolis.

The "Special Class Teacher", a magazine devoted to the interests of special education and published by the Special Class Section of the O. E. A. continues successfully to publish and distribute interesting articles and valuable suggestions contributed by auxiliary class teachers throughout the province.

The Summer Courses in Auxiliary Education were not given this year. As a substitute which would provide some help to teachers who had been granted temporary certificates valid in special classes, a Reading Course was organized. Fifty teachers were enrolled during the year.

Seven teachers' groups are organized for discussion of the problem of educating exceptional children. The teachers of Speech Correction and Lip Reading met monthly during the school year for lectures by Miss MacDonald. A group in London met weekly to attend a course in Intelligence Testing given by Miss E. McCallum B.Sc. Each of these groups meets at least twice annually and four groups hold a monthly meeting.

Employment of Graduates of Special Classes

Since the 1942 report, principals and teachers have shown increased interest in the employment or vocational destinations of the graduates of classes for the academically and physically handicapped. They have assembled complete lists showing the present employment of all boys and men who attended three separate classes. In one school of four rooms there is now a list showing the present occupations of about two hundred graduates and plans have been made for the collection of data on approximately two hundred others. Most of the senior schools annually collect information which shows the employment entered immediately after graduation.

All reports show a very high percentage of employment and a very low percentage of delinquency or mental illness among graduates. The percentage of pupils who subsequently choose factory employment is well over fifty per cent. A study of the collected data shows that pupils who have spent two or more years in a special class are adjusting themselves in industrial work.

A similar general conclusion was derived from employment statistics gathered during a depression. It was discovered at that time that so-called non-academic pupils were successful in securing jobs.

Physically Handicapped Pupils

New problems were created by the enrolment of two girls who are both deaf and blind. One of these is six years of age and the other is two years old. A teacher residing in the same village as the six-year-old undertook to carry out an instructional programme which has progressed to the stage where the pupil recognizes and executes requests spoken by the teacher into the pupil's hand. There has been a marked development in the child's awareness of vibrations

particularly through the hands and feet as her attention can be attracted by music in a radio programme and by tapping on the floor.

The education of two home-bound crippled children in the subjects of Grades 11 and 12 has been arranged by having competent teachers visit the home for periods longer than are given in the usual Home Instruction Units. This development was made necessary by the fact that there are no correspondence courses available for these particular grades. The courses which are most like those required by Ontario pupils are given by the British Columbia Department of Education.

The Muskoka Sanatorium Classes use the British Columbia Correspondence Courses for teaching French and Bookkeeping. This enables their students to carry on after discharge the courses they began while in hospital. This kind of educational therapy is approved by the medical staff and more such courses are needed.

There was a great increase in the number of applications for sight saving units during the year. One hundred and eighty new pupils were enrolled in units and one new class was formed. A special magnatyped edition of Life and Literature Book I, the reader authorized for Grade VII was prepared for the use of partially-sighted pupils enrolled in classes and units. Letters from the teachers concerned indicate that this book is a welcome addition to their class libraries.

The following pamphlets on the education of the physically handicapped were prepared in the Auxiliary Classes Branch with the voluntary help of selected teachers and have been distributed to the inspectors, principals and teachers concerned.

1. The Organization and Operation of Sight Saving Units In Ontario Schools.
2. Recognizing and Recording Common Speech Defects.
3. Data on Stuttering.
4. Supplementary Book List For Sight Saving Classes.

It is planned to supplement this series with other pamphlets dealing with habilitation of cripples, home instruction, teaching the hard-of-hearing in the small school, instruction of the paralytic and other aspects of speech training and speech correction.

A sharp increase has been noted in the demand for habilitation training of cripples who have completed their formal academic education. Seven pupils who have completed the training planned by the resident inspector in association with the Auxiliary Classes Branch have been vocationally successful. Four are completely self-supporting, two contribute materially to their own support and one is irregularly employed. Training programmes for seven pupils have been under consideration this year. This is as many as were given training in the previous four years.

C. E. STOTHERS,

Inspector of Auxiliary Classes.

Toronto 2, June 30th, 1944.

SCHOOL ATTENDANCE

Every child in the Province of Ontario has the moral right to the best education he can receive consistent with his ability and it is the moral obligation of those charged with his care to see that this is provided. For his own good, and the good of the state as a whole, compulsory school attendance is necessary. This has been in force in this province for nearly sixty years and the result is that the parents, teachers and pupils are now most co-operative in this respect. The percentage attendance for all schools for a number of years past has been over 90.

Table No. 1—Enrolment

	1940-41	1941-42	1942-43	Increase or Decrease
Public Schools.....	433,597	426,183	425,335	848 decr.
Separate Schools.....	100,317	99,258	102,182	2,924 incr.
High Schools and Collegiate Institutes.....	67,301	63,582	67,563	3,981 incr.
Continuation Schools.....	9,202	8,986	9,115	129 incr.
Vocational and Special Industrial Schools—				
Day Classes.....	33,082	28,793	31,801	3,008 incr.
Night Classes.....	31,848	33,388	28,641	4,747 decr.
	675,347	660,190	664,637	4,447 incr.

Again the enrolment in the Public schools has decreased, this year by 848, the effect of the decreased birth rate during the depression days and the period immediately following not having been completely eradicated. In all other types of schools except night classes in the Vocational schools, the enrolment shows a total increase of 4,447 pupils.

Table No. 2—Percentage Attendance

Class of School	1938-39	1939-40	1940-41	1941-42	1942-43
City Schools.....	91.5	92.8	92.5	92.7	91.6
Town Schools.....	92.2	93.3	92.5	94.7	91.4
Village Schools.....	91.0	92.7			
County Rural Schools.....	89.6	90.3	89.3	89.6	89.6
District Rural Schools.....	87.4	89.9			
All Urban Schools.....	91.6	93.0	92.5	92.8	91.5
All Suburban Schools.....					87.9
All Rural Schools.....	88.0	90.2	89.3	89.8	85.9
All Elementary Schools.....	90.3	91.9	91.3	91.7	89.6

Although the percentage attendance is not quite as high as in the former years yet the average of over 90 is, on the whole, quite satisfactory.

Table No. 3—Public School Attendance

	1941-42		Days Lost per pupil	1942-43		Days Lost per pupil

Other Reasons.....	448,307	6.12	5.62	5.54	4.50
Total days lost.....		8,403,488	8,754,858	8,338,886	9,961,625
The above losses are classified—					
Lawful.....		6,327,689	6,529,268	6,111,368	7,442,875
Unlawful.....		2,075,799	2,225,590	2,227,518	2,518,750
Percentage Attendance.....		91.9	91.3	91.7	89.9

The above table shows the number of pupil-days lost in 1942-43 and the percentage attendance for the last four years. The total of days lost in 1942-43 was 1,622,739 more than in the previous year. Of this loss, illness accounted for 838,307 days as epidemics were prevalent in several parts of the Province. The winter was exceptionally severe and in many places roads were blocked for several days. This accounted for an increase of 277,624 lost days. Many schools were closed for this reason, the loss due to this factor amounting to 405,772 days. These three factors alone accounted for a total loss of 1,521,703 days. Due to the shortage of man power, particularly in the rural areas, the loss for Home Help increased by 50,121. An increase of 75,432 days is a natural result of the present-day conditions. The father's absence in the armed service, the mother's interests in war work, the lack of supervised play activities for the children, and the attendance at movie shows not of the best type, all have had a tendency to weaken parental discipline. The result has been an increase in losses due to Parental Neglect and Truancy.

Table No. 8—Summary of Attendance Officers' Reports

	1939	1940	1941	1942
School Children's Employment Certificates issued	710	1,343	1,318	1,382
Home Permits Issued	1,389	1,885	2,938	2,717
Employment Certificates Issued	2,146	4,871	9,416	12,792
Cases Brought Before Magistrates	528	614	709	820

In the above table many of the certificates issued were for short periods only. The School Children's Employment Certificates are good for not more than six weeks in a term, are issued only in cases of emergency and cannot be renewed during the term. Home Permits are often for short periods only, to cover emergencies in the home. In the number of Employment Certificates issued there are many duplicates as a change in employment means a new certificate. No certificates are needed during the holidays but many are issued as a convenience to the employer as the Attendance Officer is often in a better position to know a pupil's age. Many students granted Home Permits or Employment Certificates are required to attend part-time classes, and many who are given full time certificates return to school.

Table No. 9—Secondary Schools

Schools	No. of schools	No. of teachers	Enrolment		Percentage Attendance	
			1941-42	1942-43	1941-42	1942-43

*Day Classes only.

R. D. KEEFE,
Director of Attendance.

THE SCHOOL FOR THE DEAF

I have the honour to submit the Annual Report of the Ontario School for the Deaf for the financial year ending March 31st, 1944.

Attendance

O.S.D. residential school, Belleville:—

	Boys	Girls	Total
April, 1943.....	99	117	216
May.....	99	117	216
June.....	99	117	216
September.....	111	124	235
October.....	109	126	235
November.....	110	124	234
December.....	110	124	234
January, 1944.....	109	124	233
February.....	109	124	233
March.....	109	122	231

Average attendance for the year—228

O.S.D. day classes, Toronto, Hamilton and London:—

	Boys	Girls	Total
April, 1943.....	34	27	61
May.....	34	27	61
June.....	34	27	61
September.....	33	27	60
October.....	33	27	60
November.....	33	27	60
December.....	33	27	60
January, 1944.....	33	27	60
February.....	33	26	59
March.....	33	26	59

Average attendance for the year—60

Average attendance for the whole school for the year—288

Twenty-five pupils left the Belleville residential school during the year. Of these nine entered other schools and thirteen are working.

A total of 43 new pupils were admitted to the Belleville residential school. Of these 14 had attended other schools and 6 returned to their homes on account of ill-health, or immaturity, or to attend other schools. The ages at the time of admission of the 23 pupils now attending school for the first time were:

4 years—	2 pupils
5 " —	10 "
6 " —	5 "
7 " —	4 "
8 " —	1 pupil
9 " —	1 "

Eight pupils left school from the O.S.D. day classes in Toronto, Hamilton and London and five new pupils were admitted.

The War Years

The school vacated the Ontario School for the Deaf buildings during the summer of 1941 and moved to temporary quarters in Belleville. Members of the teaching staff and other employees are to be commended for the services they have rendered during these war years. Parents and children, also, have co-operated to the fullest extent.

It is a great satisfaction to know that the education of deaf children in this province has not been seriously interrupted by the war and that the pupils can look forward to continuing their education in their own buildings at the Ontario School for the Deaf next year.

Respectfully submitted,

W. J. MORRISON,
Superintendent.

Belleville, May 19th, 1944.

Dental Report for the School Year 1943-44

Boys: Fillings—(a) Amalgam, 62; (b) Porcelain, 14.
Prophylaxis, 44.
Extractions—(a) Permanent, 9; (b) Deciduous, 45.

Girls: Fillings—(a) Amalgam, 65; (b) Porcelain, 17.
Prophylaxis, 41.
Extractions—(a) Permanent, 7; (b) Deciduous, 41.

G. E. CALDWELL,
Dentist.

Medical Report for the School Year 1943-44

From April 1, 1943, to March 31, 1944, there were 286 admissions to the School Hospital, including one case of acute uraemia, one of chronic kidney trouble and one of pneumonia. Epidemics of measles, chickenpox and influenza occurred, each patient requiring a longer period of hospitalization than usual.

All children who had not received immunization for scarlet fever, diphtheria and smallpox were immunized.

All children requiring attention for eyes and ears were given treatment by Dr. Chant.

It is hoped that in the future parents will not send children to the school from homes in which there has recently been any contagious or infectious disease.

R. W. TENNENT,
Physician.

15.....	2	22.....	1
17.....	6		
		Total.....	33

Of the above list of 33 pupils, 24 are gainfully employed; one eighteen-year-old boy is in a mental hospital; one eight-year-old boy was excluded because he was not sufficiently matured to begin school; one seven-year-old lad, through an operation, regained sufficient sight to carry on in a school for the seeing, and another seven-year-old lad had sufficient sight to return to a school for the seeing. (He should never have come to us). An eight-year-old boy was taken home by his mother because she was lonesome for him.

There remain four from whom we have had no definite report. I have reason to believe that 3 of these are working. The fourth boy of this group is a low grade mental, has the further handicap of a troublesome heart condition, and might be classed as unemployable.

The Canadian National Institute for the Blind, through their Field Officers, have placed these graduates, for the most part, in industry. Over the past two years, 14 of them have served in Brantford factories. I herewith submit extracts from letters of report on five of these cases:

A and B "The last two named boys are working at present in our wings department of the aircraft division doing a very fine job of filing, dressing and in forming of both Anson and Mosquito Bomber parts. These two boys are doing a very fine job for us, and are very co-operative in every way."

C "This boy has worked for us for two years now, and we have always found him to be a diligent and conscientious employee. He performs much useful work about the factory, and there is very little limitation in the use of his services due to his handicap."

D "——— has now been working with us for almost a year. I have pleasure in advising you that we are perfectly satisfied with the manner in which this young man is performing his work. He has been assembling nuts and bolts in aircraft fuel tank stiffening rings, filing and reburrring aluminum plates, operating a sanding machine, and also a drilling machine. I have no doubt that we will be able to find a place for this young man when we again return to peace time operations."

E "Miss B . . . has been making a bonus on wrapping from the term of her training period. She has found herself a steady job on our packing conveyor."

New Pupils

10.....	2	17.....	3
11.....	1	18.....	2
13.....	4	21.....	1
		Total.....	27

Of the 27 new students listed above, those in the age groups of 13 to 21 are largely made up of partially sighted pupils who have been able to complete their work in elementary school by means of special help and sight saving devices. With their limited vision, they could not do High School work in a seeing school, and so they came to us.

Mental Ratings of New Students

Intelligence Quotient	No. Pupils	Intelligence Quotient	No. Pupils

90 to 110.....	5	Untested.....	10
		Total.....	27

Of the ten untested in this group, five of them withdrew for various reasons before the tests were made. Two were French students who would have had

language difficulty with the tests, and so their tests have been postponed. The remaining three were rather low-grade for a satisfactory test, and their tests have been postponed for a year.

Totals.....	11	9	13	8	11	15	19	12	12	16	12	5	5	4	5		157

The over-age students in Grade I are low mentals, who entered school late. The 13-year-old has already repeated the grade, and the 12-year-old will repeat next year. The twelve-year-old in Grade II was promoted in mid-year, after this report was drawn up. The 14-year-old in Grade III is withdrawing this year, having reached his academic peak. In Grade IV, the 19-year-old is an Indian lad who came to us from Montreal, and has been excluded this year, having reached his academic peak. One 16-year-old entered for the first time this year, after having been out of primary school for several years, due to his eye condition. The other two 16-year-olds are low-grade mentals. In Grade V, the 21-year-old is a boy of very low I.Q., but he has made real progress over the past four years, and his reading is quite up to his grade. The 17-year-olds are a French lad and an Indian lad, who entered school in their teen-age years, and are making progress. Eleven of Grade VI pupils are of the auxiliary type. One 17-year-old lad began school 2 years ago, and in that time, has covered six grades. A 16-year-old French girl came to us from Montreal a year ago. She is of good average intelligence, and has taken her place well, even in her English class, at the end of the school year. The 17- and 18-year-old students in grade VII are of low-grade mentality.

We shall make an effort this year to give the approximately 20 pupils of low-grade mentality special hand work. I suggest that it would be better to remove these students from the regular classes and form an auxiliary class for them.

School and Student Honours

Our Madrigal Choir again took first honours at the Stratford Musical Festival, winning the Stratford Beacon-Herald Trophy. Our male chorus again tied for first place with the Listowel High School Chorus, for the possession of the Pounder Trophy.

The Ethel Charlton Memorial Scholarship for general proficiency was won this year by Leonard Morin of Earleton, Ont., and Oscar Amyotte of Bonfield, Ont., and the character cup was won by Gloria Mortimer of Toronto. This young lady also won the Girls' Public Speaking prize, the boy winner being Oscar Amyotte. Our Athletic cup winners were as follows: Senior, Germaine Normandin and Peter Lipnicki; Intermediate, Ruth Beal, and Kenneth Gill; Junior, Rita Rathwell and Tedouce Lipnicki.

Staff Changes

Miss Anna Cook was appointed School Nurse, to replace Miss Mildred Howell, who left to get married during the last school year. Miss Marie Butler, Literary teacher, was appointed to replace Miss Isobel Draper, who left last year to get married. Both Miss Cook and Miss Butler give promise of being valuable staff members.

The School at War

Our pupils, large and small, have endeavoured throughout the year to be constantly doing something to help our national war effort.

We have made and sent off 222 articles to members of the armed services and also to civilian war victims in Britain. These articles range from wash cloths and handkerchiefs to panties, dresses, quilts and afghans. Cigarettes and chocolate bars were also sent overseas. The major part of this work has been done in our sewing and knitting departments. The Junior Red Cross members have contributed the small articles.

We have raised in cash \$113.36. Of this amount, \$57.25 was sent to China through Dr. Robert McClure. Dr. McClure visited us in the mid-war period and told us a thrilling story of China's stupendous efforts. Since his visit, our people have enthusiastically supported his work in aid of the Chinese soldiers and civilians.

Thirty-four members of our student and teacher group have made 94 donations of blood to the Red Cross.

Mr. Joseph Hyde, a member of our academic staff is serving overseas in a theatre of war.

Library Report

During the school year, 160 volumes of Braille reading were added to our library. These consisted mostly of fiction, some for seniors and some for junior readers. The number of readers showed an increase over the previous year. As most of our Braille books come from the National Institute for the Blind in London, England, we have been unable to obtain some on order, owing to the fact that they are out of print for the duration of the war.

W. H. LITTLE,

Librarian.

Report of the Ophthalmologist

Condition of Sight, New Pupils	Male	Female	Total
1. Limited vision in both eyes.....	6	7	13
2. Limited vision in one eye.....	4	4
3. Quantitative light perception in both eyes.....	1	3	4
4. Quantitative light perception in one eye.....
5. Without light perception in either eye.....	1	1
Total	11	11	22

In considering the degree of sight as revealed by our examination of this year's class, we find that it compares favourably with that noted in former years. The majority of the pupils fall into the group that has some vision, either little or considerable sight in each eye. Four others have reasonably good vision in one eye. These two groups make a total of 17 out of 22 that have sufficient sight to be of some use to them in everyday living. Of the remaining five, four have light perception only, while one represents the unfortunate group that is sightless in both eyes.

Diseases Causing Blindness	Male	Female	Total
1. Ophthalmia Neonatorum and Keratitis.....	1	1	2
2. Congenital Diseases of the Lens.....	5	3	8
3. Myopia.....	2	2
4. Optic Strophy.....	1	4	5
5. Fundus Lesions, Diseases of Retina and Choroid.....	2	3	5
Totals.....	11	11	22

In connection with this table, we find a marked similarity to the diseases found responsible in former years. The types and numbers are so similar that we feel no special reference is necessary.

Following an examination of the 1943-44 pupils, we made a complete ocular survey of all the other pupils in the school. Suggestion and advice was given as to the use and care of the eyes, and in a number of cases it was found necessary to make a change in the glass correction worn.

It was very encouraging to note in a great many of the pupils that there was a definite improvement in their vision; also, there was a corresponding decrease in the number of minor ocular affections usually found throughout the school year.

All of which is respectfully submitted,

NORMAN W. BRAGG, M.D., F.A.C.S.

(Note: In the above report, five students entered as new pupils, had withdrawn before Dr. Bragg's examinations were made.)

Dental Report

I have pleasure in submitting my report for the term 1943-44.

	Boys	Girls
Fillings inserted.....	121	91
Pupils having no fillings.....	27	24
Pupils having one filling.....	17	16
Extraction of permanent teeth.....	12	10
Extraction of deciduous teeth.....	22	26

At the close of the term it is a pleasure to know that the above work was accomplished with so little trouble. One thing was quite noticeable, the new pupils required much less attention than usual.

Respectfully submitted,

J. R. WILL,

Dentist.

Superintendent.

PUBLIC LIBRARIES

I have the honour to submit the following report of the Public Libraries Branch for the year 1943, with statistics of the public libraries of the province for the year 1942, and a statement of the Legislative Grants paid in 1943.

Public Libraries of the Province

At the end of the year 1943 there were on our official list 232 free libraries, 255 association public libraries, 9 county library associations, and 1 township library association. No association libraries were removed from the list in 1943, but four were added. There are a few association libraries that have not reported for two years. These have been written to, and as far as possible, visited, and final action is pending.

The sum of \$44,192.69 was paid in Legislative Grants to the free, association, and county library associations of Ontario in 1943. The population served by the free public libraries was 2,160,278, and by the association public libraries 199,335. The total number of volumes in the free libraries was 2,787,372 and in the association libraries 667,027. The circulation of these throughout the Province was 13,388,953.

The Ontario Library Review

Judging by the widespread and steadily increasing subscription list and the letters of commendation received, this publication, which is edited by the Public Libraries Branch, is finding favour throughout the library world. Several of the well-known American journals and library periodicals have quoted and reprinted editorials and articles from it. Some of the articles have been made required reading in the Ontario Library School course.

County Library Associations

A library association for Bruce County was added to the list in 1943, making the ninth of these associations in the Province. After organization, the Bruce county council gave a grant of six hundred dollars, to which was added a legislative grant of the same amount, and an additional grant of seventy dollars to cover initial expenses. With these two amounts and payments by the member libraries, the association will have about fifteen hundred dollars for the purchase of new books, and these will be the means of helping many of the small libraries in this county.

In further reference to the county library problem, may I suggest for consideration the following post-war programme for the extension of library work throughout the Province? The cost of this programme would be from \$25,000 to \$30,000 annually, but this expenditure would be well worth while in raising the standard of library work, and in extending its facilities to the rural portions of the Province. My suggestion is that a county librarian be appointed for each of the counties where there are a given number of libraries, and that one be appointed for two or more counties where the number of libraries is smaller. The duty of the librarian would be to visit each library in the county or counties at least three times in each year, spending possibly a day or more in each community, giving instruction in library work, and helping to raise, as far as possible, the standard of each library. The librarian could also arrange the circulation of books through distributing stations and other means from each library so that communities and schools in remote or isolated rural areas might also have library privileges. Such a county librarian would be directly responsible to the Minister

or his Inspector for instruction and guidance. County councils would be requested to pay a proportion of the maintenance cost of the county librarian in addition to any grant given where a county library association is in operation. For districts, it might be necessary for the Province to assume the whole cost of a district or regional librarian, but the need for library service in these districts is very great. This roughly outlined scheme might well be given careful consideration. It would be a distinct forward movement in provincial library work.

Certified Librarians

For some years a special grant of fifty dollars has been paid to libraries and branch libraries in municipalities of less than 100,000 population, where a librarian or assistant was employed holding a certificate of qualification from the Ontario Library School, or its equivalent as recognized by the Minister. In 1943, the sum of \$2,600 was included in the legislative grants paid to fifty-two libraries qualifying under this ruling.

Ontario has about one hundred and sixty libraries in places with a population of five hundred or less and in these the librarian either serves voluntarily or for very small salary and there are frequent changes. In these cases care is needed to determine whether the qualifications of the librarian should be officially recognized.

New Libraries Added In 1943

Five association public libraries were added to the list in 1943:—Casselman, Leaside, Long Branch, Smooth Rock Falls, and Wawa.

The Leaside library is perhaps the most outstanding. Before the library was opened, a grant of fifteen hundred dollars was given by the town council, the Leaside Rotary Club donated eight hundred dollars with the proviso that the money be spent exclusively on books for children, and one hundred and seventy-five memberships were secured at one dollar each. On December 6, 1943, a by-law, under the Public Libraries Act, Part 1, was submitted by the council to the electors, and carried by a vote of 2,253 to 159. This is a remarkable record of library progress. The members of the library board, and the town of Leaside are to be congratulated.

Library Inspection

Under the restrictions governing tires, gasoline, and railway travel and because of the extra duties of the office, only those libraries were visited during the year for which an inspection was absolutely necessary. This meant an increase in correspondence, but it has worked out satisfactorily as the library boards and members co-operated, and no library has been seriously neglected.

Travelling Libraries

This section of the branch is increasing its usefulness each year. During 1943 the travelling library service was extended to all continuation schools in the province, and well over two thousand cases of books were applied for and delivered. The only cost to the schools was the freight charge one way. The books sent out were modern and up-to-date, of recreational as well as curricular value, and have been appreciated by the teachers. The rural and sparsely settled sections of the province are also being taken care of—as far as possible by this section of the Public Libraries Branch.

Tables giving statistics for the year 1942, and the legislative grants paid thereon in 1943, are appended.

S. B. HERBERT,

Acting Inspector of Public Libraries.

PUBLIC RECORDS AND ARCHIVES

The war has, of course, reduced the number of graduate students wishing to use the material in the Archives but many other researchers have called on the Department for information. This has been given personally, by telephone, and also by mail to all parts of Canada as well as to many States of the Union.

Historical Exhibit

Our historical exhibit, prepared as an aid in teaching Canadian History and sent free of expense to any school, has been kept active throughout the school year. The following comments from various teachers show that this service is greatly appreciated:

From London South Collegiate Institute.

Students and teachers alike found the exhibit of value as well as of interest: in fact, when the package was sent up to me at 4.15 p.m. in the detention room, keeper and inmates alike forgot for the rest of the period the purpose for which they were there. The teachers of Canadian history found the papers of value in bringing to their students the realization that names of people in the text books were names of real people, not merely words in the text.

You ask for suggestions for the furthering of this department of your work—or, at least, you say that comments will be welcome. I realize that many of your papers cannot safely be sent out indiscriminately but it is possible that among those of less importance you might find others to make up a second collection which I am sure would be welcomed by all who have had the first. Could you provide a set of pictures of others of greater value, or of persons or places of historical interest?

From Beamsville High and Vocational School.

Our Canadian history teacher was very much pleased with the exhibit and found it quite useful. I think such concrete material makes history more real—the newspapers and deed we thought particularly interesting.

From Elora High School.

We wish to thank you for the loan of the travelling historical exhibit which Elora High School was privileged to have this week.

While on display at the school, it proved of interest to the students, not merely from the point of view of idle curiosity but also for its value as research material. It so happened that in our Upper School class we were this week studying the social reforms of the 1830's in England. The copy of the *Colonial Advocate* included in the exhibit contained proceedings of the Reformed Parliament which most pertinently recorded notices of motion to introduce legislation for the abolition of slavery and for the regulation of employment in factories.

It was our good fortune to be able to make the Archives Exhibit a part of our display for our "Open House" in Education Week. The parents and ratepayers who saw the display were quite interested. One item which caused comment was the notice of a marriage in the neighbouring township of Eramosa. One lady observed that the *Buell* mentioned in the P.S. of W. L. Mackenzie's letter from exile was an ancestor of her mother. A retired weekly newspaper editor who lives in this village was especially interested in the old newspapers, and next day brought to the school an 1852 copy of "The Elora Backwoodsman" and a photostatic copy of the *London Times* (Eng.) of 1815 which contains an account of the Battle of Waterloo.

We feel that the exhibit has been a real value in creating and sustaining interest in our own early history and further in arousing the interest of students in historical research. We hope that we may be able to have another such exhibit visit our school next year.

From Waterdown High School.

On behalf of Waterdown High School, I wish to thank you for the fine historical exhibit. Our pupils found it very interesting and I trust instructive.

From Westport R.C. Continuation School.

The exhibit was of great interest to both teachers and pupils—the latter took pleasure in reading the *Colonial Advocate* which they found differed greatly from the newspapers of to-day.

The documents relating to the Rebellion of 1837-38 were of particular interest to the pupils of grades IX and X who are reading *The Forging of the Pikes* as part of their English course.

From Teeswater Continuation School.

The students of the Continuation School, particularly those studying Canadian and Modern history, found the exhibit of considerable interest. The principal of the Public School had the exhibit for a day, too, for his entrance class. It has helped make the nineteenth century story of Canada more real to us. Thank you for the service your department has rendered.

From Alexandria High School.

I should like to thank you most heartily for lending our High School your very interesting collection of documents. The copy of the *Colonial Advocate* was the most popular article in the collection. Our pupils would appreciate seeing other source materials related to Glengarry County but we can readily appreciate the difficulty of packing and of transportation.

From Owen Sound Collegiate Institute.

It awakened considerable interest around the school and we hope that this service may be extended into other fields of our history.

From Mimico High School.

I was amazed at the interest displayed by the students. I had intended the exhibit for my Canadian History students in the Grades X, but the other Grades were so interested I tried to arrange so that as many as possible could see them.

Now that I know the nature of the display, I could make better arrangements for the student inspection next term, if we are fortunate enough to have the display again.

Acquisitions

Two collections of manuscripts have been acquired during the past year, the Papers and Letters of the Hon. Alexander Morris, which are in the process of being calendared, and a larger group consisting of the correspondence of Sir Alexander Campbell, covering the years 1870-1890. These promise to be of great value when made available to the public.

We are indebted to Miss C. Jean Walker for a volume of the *Grand River Sachem*, 1866-68; to Mr. S. D. Holmes for a copy of *The Traveller*, or, *Prince Edward Gazette*, August 19, 1836, and one of the *Prince Edward Gazette* and *Bay of Quinte Advertiser*, January 16, 1846; and to Miss Mary Macdougall for a copy of *Picturesque Canada*; all welcome additions to our collections.

H. McCLUNG,
Provincial Archivist.

July 14, 1944.

MUSIC

The following statistics show for a period of years the percentage of classrooms in the Elementary schools of Ontario providing a regular course in music, under the supervision of qualified music teachers. The figures of the first column are based upon reports from schools applying for the special music grants on June 30th, 1943.

	1943	1942	1941	1940	1939	1938	1937	1936
Cities.....	98.3	98.3	98.7	100.0	100.0	97.7	95.0	95.0
Counties.....	69.8	72.6	78.0	77.4	73.0	64.7	51.5	40.0
Districts.....	47.5	51.2	52.7	52.0	45.0	41.7	28.6	21.0
Separate (English).....	35.0	39.0	35.0	27.7	26.3	21.0	30.0	24.0
Total.....	69.0	71.3	71.8	71.0	68.0	62.2	55.5	48.2

NOTE: The remainder of the Elementary schools offer some music instruction under the direction of the regular teachers.

The number of Secondary schools offering a course in music is as follows:—

	1943	1942	1941	1940	1939	1938
Collegiate Institutes.....	64	66	67	57	52	17
High Schools.....	113	115	120	112	94	51
Continuation Schools.....	115	126	134	123	115	53
Total.....	292	307	321	292	261	121
Percentages.....	68	71	74	68	60	28

NOTE: Several Vocational schools also offer a music course. No special music grant is provided for this type of school.

The slight loss shown above is caused by the shortage of teachers and the difficulties of transportation, both due to war conditions. Interest in music on the part of parents, pupils and teachers is increasing, and credit is due to all for the resource and enthusiasm shown by the schools in attempting to provide an adequate course in music under very difficult circumstances.

Temporary Permits

Fifty-five Elementary and 26 Secondary school teachers are teaching or supervising music by reason of special temporary permits issued by the Department. Many more hold a lower certificate than is required by the regulations. This situation will tend to become worse, and no remedy is possible until the Departmental Summer Courses are re-established.

French-Speaking Schools

Previous to 1943 the French-speaking schools received no special supervision in music. On January 1st, 1943, Mr. Joseph Beaulieu, Mus. B., was appointed Assistant Provincial Supervisor of Music for these schools. During the year Mr. Beaulieu has devoted his time to the following activities—visiting rural, urban and normal schools; meeting inspectors, teachers and school boards; lecturing and demonstrating with children; organizing boys' choirs; giving

concerts with specially trained boys; compiling books containing French and English songs suitable to the various grades. The French-speaking children generally possess superior musical talent, and are responding with enthusiasm. Satisfactory progress has been made and the outlook for music in the French-speaking schools is most encouraging.

Music In The War Effort

The children have been encouraged to find in music an expression of their loyalty and devotion to Canada and the Empire. Not only in connection with Empire Day observance, but throughout the year, special emphasis has been placed on the singing of patriotic and Empire songs. Music has also been actively employed in the pupils' efforts in behalf of the Victory Loan Campaigns.

Normal Schools

Continued improvement is noted in the ability and the attitude towards music of students in the Normal schools and the Ontario College of Education. As music gradually develops in the Elementary and Secondary schools, students enter the teacher-training institutes with a better understanding of the subject and, as a result, more attention can be given to methodology and the specific problems which they will meet in the schools of the Province.

Matriculation Music

Music has been added to the list of optional subjects in Grade XIII. This consists of either a school course or extramural music represented by certificates from certain accredited music schools and conservatories. Since Secondary school music has been for the most part confined to Grades IX and X it will be some time before any considerable number of pupils will be prepared to choose this option, but three schools have signified their intention to present candidates for Grade XIII school music in June, 1944.

Music Festivals

A large number of music festivals were held in 1943. Transportation problems caused the temporary dropping of some rural festivals where children had to be brought to a central hall from long distances, but most festivals were continued on a reduced scale, and several new ones introduced to serve smaller areas.

Sound Films

Eight music sound films were added to the Department Library which now contains seventeen subjects dealing with music. Music lends itself to presentation by visual as well as aural means and the music films are among the most useful in the library. The aggregate number of screenings for the seventeen films during 1943 was 514, seen by 7,805 adults and 74,622 children.

Radio

During January, February and March many schools listened to a series of ten weekly broadcasts "Music for Young Folk" sponsored by the Canadian Broadcasting Corporation. These programmes were carried on a network of five stations between Toronto and Windsor, and featured the Toronto Symphony Orchestra and smaller instrumental groups. Many valuable comments and

G. R. FENWICK,

Provincial Supervisor of Music.

Toronto, February 10th, 1944.

TRADE-SCHOOLS

I beg leave to present the report of the operations of the Trade-Schools Regulation Act for the year 1943.

This Act has been in force since 1938 and has proved its protective value to the citizens of the Province of Ontario as desired by the Legislature when it was enacted. Not only has it saved our citizens many thousands of dollars by furnishing guidance and protection in intended investments for courses of study which might have brought nothing more than discouragement and disappointment; it has put an end to the fantastic stories of high-pressure salesmen regarding the Utopia which awaited all who followed the course which they offered and had made the necessary and binding financial contract. Instead of this type of salesmanship the Act has encouraged the development of a fine ethical type of school which offers a desirable and worthwhile course fitting into the needs of the business and industrial life of the community and at a cost which is fair to all concerned. The Act has encouraged and promoted the best efforts of these reputable schools, which are furnishing a distinct contribution to the educational status of the Province. These reputable schools, which have been granted registration under the Act, are unanimous in their praises of the protection offered, since it freed them from the unpleasant reputation which a few individuals had brought on the whole group of private schools. These registered schools are rendering a very useful service. Such schools value highly the recognition given to them by the Department of Education and are most anxious to co-operate in every way. Courses are being improved and revised and cordial relations are being maintained between the school management and the students. Student complaints are now very rare and are readily adjusted.

The continuance of the war has affected the enrolment in most Trade-Schools. The call for an all-out effort to successfully end this world-wide conflict permits little time for serious application to educational courses. However, there is evidence that many, now engaged in war-work, are thinking seriously as to what steps they should take to ensure post-war employment and economic safety when the present opportunities in war industry have ended. Such a trend is shown by the ever-increasing correspondence received from men and women seeking information regarding the reliability and dependability of various trade-schools and the prospects in the employment field after the completion of such courses of study as are offered by these schools.

It is still necessary to be alert in seeing that organizations, which have little or nothing of value to offer to the public, are not permitted to enter the field controlled by the Trade-Schools Regulation Act. Such organizations frequently make glowing representations regarding their work and its value but all must be subjected to the closest scrutiny. Advertising appearing in the local press and other periodicals is subject to analysis and approval before being published. The Press is rendering every co-operation possible, the value of which we fully appreciate.

From information supplied by reputable business schools, and other sources, it would appear that early steps should be taken to include all privately-operated Business Schools and Colleges under the supervision of the Act. Such business schools were not included at the time of the passing of the Act but it now appears that some Departmental supervision is necessary in order to protect the reliable school from adverse criticism as a result of the entrance of fly-by-night organizations into this field. It is also desirable to have greater uniformity in the courses offered by these schools so that students who graduate may be able to present more nearly standard qualifications.

These schools should also be required to furnish such accommodations as will guarantee a full measure of safety, fire protection and decent sanitary conditions for the students attending. No school should be allowed to operate where such hazards exist. We must admit that serious conditions in these respects do exist in many unsupervised schools.

It is not often that court action has to be taken in connection with the administration of the Trade-School Regulation Act but, where such action has been necessary, the Act has proved to have considerable restraining power. Heavy fines and imprisonment have been levied for serious violations of the Act.

The greatest value which has come from the administration of this Act is the almost universal desire of the management of registered schools to operate in conformity with the requirements of the Act and to even go beyond the letter of the law to render improved services to the student. This cements a closer bond of friendship and greater loyalty of the student to his Alma Mater.

There is no doubt but that these registered schools are rendering a most valuable service to the citizens of this Province. This Department appreciates this very evident co-operation and the existing cordial relations which have been established. Much excellent work is being done. Under such conditions there should be no fear or misgivings on the part of either the management of the schools or with those whom they endeavor to serve. The Trade-Schools Regulation Act controls, but with very little friction and with an abundance of good will being developed amongst all concerned.

W. S. KIRKLAND,
Registrar of Trade-Schools

Toronto, March 15, 1944.

PART II

GENERAL STATISTICS

of

THE PROVINCIAL
SCHOOL SYSTEM

A. M. CAMPBELL,
Statistician.

TERMINOLOGY

Assessment—The valuation placed upon property for tax levy purposes. The County Council generally makes an equalization annually of local assessment figures, and this equalized figure is used in the computation of Legislative grants to schools.

Attendance Efficiency—The percentage relation of the actual days attended to the perfect aggregate.

Auxiliary Classes—These are provided for gifted, socially or educationally maladjusted, retarded, or physically-handicapped pupils.

Capital Charges—Debenture instalments, or sinking fund deposits, made on debt incurred for school buildings and equipment.

Compulsory School Age—Children 8 to 14 must attend full time; children from 5 to 8, if enrolled, must attend full time to the end of the school term for which they are enrolled. Adolescents, 14 to 16, who have not attained University matriculation standing must attend full time; those exempted on the plea of circumstances compelling them to go to work must attend part time (400 hours a year) in municipalities where part-time courses are provided. Urban municipalities with a population of 5,000 and over, are required to provide part-time courses.

Consolidated School—An amalgamation of two or more rural schools, or of rural schools with a village or town school, either for the purpose of strengthening the means of school support where the original schools were small or poor, or for the purpose of providing a graded school and other advantages, such as conveyance, instead of the original one-room school.

Correspondence Courses—Reach those more isolated than the school car pupils. They supplement the work of the regular school when remoteness, winter weather, ill-health, or physical disability prevent regular attendance. Twenty-five hundred is an approximate year's enrolment for these courses, which reach from Grade I to X, and are sets of carefully prepared lessons based on the new Course of Studies. A Departmental staff handles this correspondence with extreme promptness, and a pupil's progress depends entirely upon his own efforts. About 80% of these pupils live in Northern Ontario, and half of them are of foreign parentage. These courses are entirely free.

Cost per Pupil-Day—The cost of educating one pupil of actual attendance, for one day. It is found by dividing the total cost of education of the group of pupils concerned by the actual aggregate attendance of this group for the period under consideration.

County Pupil—A secondary school pupil living within the County but outside any secondary school district.

District—The eleven defined areas of Northern Ontario which do not constitute municipal units for any purpose. With the exception of Parry Sound and Muskoka, these areas lie north of the French River and Lake Nipissing. This region is newer and more sparsely populated than Southern Ontario, and produces most of Ontario's extensive mineral and forest wealth.

Enrolment—The number recorded on the school register as in active attendance. The school census for the Province is now taken annually on the last school day in May.

Fifth Classes—Grades IX and X in Elementary Schools, doing work similar to the first two grades of Secondary Schools. The majority of these classes are in rural areas.

Free School Age—The Public Elementary Schools are free to all resident pupils between the ages of 5 and 21 whose parents are public school supporters. The Separate Schools are free to the children of the separate school supporters. The Secondary Schools are free to all except non-resident pupils.

General Maintenance—Ordinary, current expense, as opposed to capital outlays and debenture charges.

Inspectorate—The area under the supervision of a local Departmental representative.

Kindergarten Primary—A class combining the work of the kindergarten and Grade I.

Non-Resident Pupil—A secondary school pupil who is neither a resident nor a County pupil.

Public School Section—Is a subdivision of a township for elementary school purposes, containing a minimum of 50 children between the ages of 5 and 21, and having a maximum area of four square miles.

Resident Pupil—A secondary school pupil living within the secondary school district.

School—Provincially controlled schools may be classified as:

I. **Elementary**—Those doing the work of the first eight grades. A few have Fifth Classes (see above).

- (a) **Public**—The first school established in any school section or urban municipality, and supported by the ratepayers.
- (b) **R.C. Separate**—For the children of Roman Catholics.
- (c) **Protestant Separate**—For the children of Protestants in centres preponderantly Roman Catholic.

II. **Secondary**—Those doing the work of Grades IX to University Matriculation.

(a) **Academic:**

- 1. **Collegiate Institutes.**
- 2. **High Schools.**
- 3. **Continuation Schools.**

These schools are differentiated by minimum staff requirements. Continuation Schools are located mostly in villages or rural areas. Academic Courses are designed to lead to Universities and Teacher-Training Schools.

(b) **Vocational:**

- 1. **Technical High School.**
- 2. **Commercial High School.**

In the smaller centres academic and vocational departments are frequently found in the one building, which is then called a composite school. Vocational courses are designed to lead to industry, trade and commerce.

School Car—A school on wheels, carrying education and social betterment to small communities scattered along the railway lines of Northern Ontario. There are 7 of these cars at present, each with a definite route of about 175 miles, which is covered in a month or six weeks. Each stop is from 4 to 6 days. Problems are solved, work is outlined and assigned. Parents come to night classes, where English, spelling, writing and arithmetic are taught them, and where daily problems of life are discussed. Ninety per cent of the pupils are non-English speaking. The Department supplies all school needs free. The enrolment is about 275.

School Year—The school year consists of two terms, September 1 to December 22, and January 3 to June 30. In addition to the intervals between these terms there is a vacation of one week following Easter. In this Report statistics cover the school year where possible. Financial data remains on the calendar year basis.

Secondary School District—Is the area over which the secondary school board exercises supervision. Each city and separated town is a secondary school district. The County Council may establish a secondary school district composed of an urban municipality only, a group of school sections only, or a combination of both. In the territorial districts of Northern Ontario any municipal council or councils may establish the whole or any part of the municipality or municipalities as a secondary school district, with the approval of the Minister of Education.

SCHOOL YEAR AND HOLIDAYS

1943 - 1944

PROVISIONS OF THE SCHOOL ACTS

The school year shall consist of two terms, the first of which shall begin on the first Tuesday of September following Labour Day and shall end on the 22nd day of December, and the second of which shall begin on the 3rd day of January and end on the 29th day of June.

When the 3rd day of January is a Friday, the schools shall not be opened until the following Monday, and when the 29th day of June or the 22nd day of December is a Monday, the schools shall be closed on the preceding Friday.

Every Saturday, every public holiday, the week following Easter Day, and every day proclaimed a holiday by the authorities of the municipality in which the teacher is engaged and every day upon which a school closed under the provisions of The Public Health Act, or the regulations of the Department of Education shall be a school holiday.

HOLIDAYS

The following are the holidays in the schools during the school year 1943-44:

- (1) Thanksgiving Day.
- (2) December 23rd to 31st—part of Christmas vacation.
- (3) The first two days in January—part of Christmas vacation.
- (4) Easter Holidays—April 7th to April 16th, both days included.
- (5) Summer vacation—June 30th to September 4th, both days included.

The Minister suggests that Remembrance Day, Victoria Day and the King's Birthday, although not now statutory holidays, be appropriately observed by suitable exercises in the schools.

DATES OF OPENING AND CLOSING OF SCHOOLS

The following are the dates of the opening and closing of Secondary and Elementary Schools:

Open.....	September 7th	Close.....	December 22nd
Reopen.....	January 3rd	Close.....	April 6th
Reopen.....	April 17th	Close.....	June 29th

NUMBER OF TEACHING DAYS

In the Secondary and Elementary Schools, the number of teaching days is as follows:

September.....	18	January.....	21
October.....	20	February.....	21
November.....	22	March.....	23
December.....	16	April.....	14
		May.....	23
		June.....	21
	<hr/>		<hr/>
	76		123
		Total.....	199

The date for Thanksgiving Day has not been announced. In the above computation it has been assumed that it will be celebrated in October. Should this not be the case, the teacher will make the necessary adjustments.

The total number of teaching days for the academic year will be 199 and the teaching days for the calendar year 1943, 197.

¹Department of Agriculture in 1942-43 spent \$784,700 on Education, of which \$637,666 went to the Ontario Agricultural College, Guelph. War Emergency Classes cost the Province \$578,345. An additional \$49,468 was spent on Education by other Departments.

²Gross Municipal Expenditure less Provincial Grants.

³Five Month Period.

⁴The original estimate for 1940 was 3,775,000 but as this was larger than the actual Census figure, 1941, the 1939 estimate was used.

⁵Includes Capital Outlays paid out of Current Revenue. In previous years no Capital Outlays are included.

⁶1941 Census—3,787,655 (final).

⁷Includes Capital Outlays.

⁸Includes a grant of \$13,481 beginning 1925-26, and \$52,158 beginning 1927-28, payable annually for 20 years to the University of Toronto, on account of lands and buildings. Provincial expenditure for the Gov't. fiscal year, Municipal for the calendar year first shown.

	5,545	582	1,737	1,036	4,702	13,602			

The upward trend in teachers' salaries is most evident in the group \$1,051 to \$1,550 which has increased from 25.2% to 40.8% of all teachers. The ordinary rural school again shows the most marked increase. The most common salary here was \$700 in 1940-41. In the next three years it rose \$100 a year, becoming \$1000 in 1943-44. Returns already received for 1944-45 show that it has reached \$1,200 now. A table of average salaries for different types of schools may be found in the comparative section of the book.

MONO TOWNSHIP SCHOOL AREA

Courtesy Farmer's Advocate

The Township School Board on its annual inspection
of school properties

This is the largest rural school unit in Ontario, containing twenty sections.
Some leading advantages of Township School Areas are:

- Increased and equalized services and opportunities to pupils.
- A broadened type of community interest in the schools.
- Increased power and prestige for the local board, attracting highly qualified trustees.
- More economic and efficient local administration.
- More congenial working conditions, and therefore better service by teachers.
- Better opportunities for the Department of Education and the Public School Inspector to assist the local communities.

^a Includes Debtenture Levy.

^b In default.

^c In the Districts, in place of a County grant, the Province pays for outside pupils at the rate of \$100 per pupil of average daily attendance.

^d Includes District Non-Resident Grant of \$41,618.

^e In the process of refunding a grant of \$594,126.94 was paid (\$136,622.74 in cash and \$457,504.20 in City of Windsor bonds held by the Province) as a final settlement covering arrears and payments not yet due. This special payment is not included in the Totals.

UNIVERSITY OF TORONTO
REPORT
OF THE
BOARD OF GOVERNORS
FOR THE
YEAR ENDED 30th JUNE
1943

PRINTED BY ORDER OF
THE LEGISLATIVE ASSEMBLY OF ONTARIO
SESSIONAL PAPER No. 12, 1944

TORONTO

Printed and Published by T. E. BOWMAN, Printer to the King's Most Excellent Majesty
1944

UNIVERSITY OF TORONTO

REPORT OF THE BOARD OF GOVERNORS

FOR THE YEAR ENDING 30TH JUNE, 1943

To His Honour the Lieutenant-Governor-in-Council:

The Governors of the University of Toronto have the honour to present their thirty-seventh annual report covering another exceptional war year in the financial administration of the University, and also the President's report on the academic work of the University and its Colleges for the Session 1942-43 and covering the activities of different departments.

The funds and assets, including investments, etc., are shown as they stood at the close of business on 30th June, 1943, together with detailed statements of receipts and expenditures of the Board for the fiscal year which ended on that date, and the certificate of audit of the same by Mr. G. T. Clarkson, of the firm of Clarkson, Gordon, Dilworth and Nash.

The Auditor reports that he made an examination of the Balance Sheet as at 30th June, 1943, and that he examined or tested the accounting records; that the securities representing the investments of the University, the Endowments and Trust Funds which are held for safekeeping by the Canadian Bank of Commerce, were produced for his examination on 2nd July, 1943, and found to be in agreement with the Bursar's records; and that this officer's records are well kept.

The general revenue for the year amounted to \$2,118,311, which together with the Special Legislative Grant of \$1,050,000 made a gross total of \$3,168,311. The expenditures under the appropriations made by the Board for salaries and maintenance totalled \$2,908,816 (exclusive of the Ontario College of Education which is maintained by a separate vote), to which was added \$70,578 representing interest written to certain scholarship and trust funds and including interest on bank accommodation, together with \$81,184 for Wartime Bonus paid to salaried employees, making a total expenditure of \$3,060,579, which resulted in an excess of revenue over expenditure for the year of \$107,732. An amount of \$80,000 has been appropriated as a reserve for Deferred Maintenance leaving \$27,732 as the balance carried to the credit of Revenue Account for the year.

The accumulated debit balance at 30th June, 1941, stood at \$616,940, and following the receipt of a letter from the Government, from which the Board of Governors understood that the Government would take care of the shortage, this amount was reduced during the year 1942 and also the year 1943 by the receipt of Special Legislative Grants of \$100,000 in each year, reducing the balance to \$416,940. (This amount was paid in full by the Government, January, 1944). The excess of receipts over expenditures for the year ending 30th June, 1943, after providing for an appropriation for Deferred Maintenance, was \$27,732 and the excess of Expenditures over Receipts for the previous year was \$24,497 leaving a balance on operations for the two years of \$3,235. This when deducted from the \$416,940 resulted in a balance at debit of the Revenue Account at 30th June, 1943, of \$413,704.

Additional funds, totalling \$907,000 were administered by the Office of the Bursar during the year, consisting chiefly of National Research Council and other Dominion Government grants for 61 war research projects undertaken by various members of the staff, together with funds for the training and accommodation of members of the Navy, Army and Air Force taking special courses at the University at the request of the Dominion Government. In addition, funds were also administered in connection with loans to students from the Federal Department of Labour, Kellogg Foundation, etc., for the accelerated courses in Medicine, Dentistry, Science and Engineering, together with the distribution of Province of Ontario Scholarship awards.

All controllable expenditures were reduced during the year and considerable saving in the original Estimates was effected.

All of which is respectfully submitted.

January 27, 1944.

D. BRUCE MACDONALD,
Chairman.

AUDITOR'S REPORT

Toronto, January 22, 1944.

To the Governors of the University of Toronto:

GENTLEMEN:

I have examined the balance sheet of the University of Toronto as at 30th June, 1943, and the related schedules 1 to 10. In connection therewith I examined or tested the accounting records of the University and obtained all the information and explanations I required from the Bursar and other employees, but I did not make a detailed audit of the transactions.

The securities representing the investments of the University, the Endowment and Trust funds, are held in safekeeping by your bankers, The Canadian Bank of Commerce, and were produced for our examination on 2nd July, 1943. These were found to be in agreement with the records kept by the Bursar. The aggregate approximate market value of these investments as at 30th June, 1943, was greater than their book value by \$784,473.65. Certain non-trustee securities (including non-interest bearing securities) received as bequests are still held.

I have not examined the titles to the various properties.

I report that in my opinion, based upon my examination, the accompanying balance sheet and related schedules 1 to 10 have been properly drawn up so as to show the financial position of the University at 30th June, 1943, and the results of its operations for the year, according to the best of my information and the explanations given me, and as shown by the books. The Bursar's records are well kept.

Yours faithfully,

G. T. CLARKSON, F.C.A.,
Auditor.

APPENDIX II.
Revenue Expenditures 1942-43

	Appropriation	Supplementary	Unused	Total
I. Administration:				
Salaries.....	\$ 112,595.00	\$ 4,294.52		\$ 116,889.52
Pensions and Retiring Allowances.....	110,327.00		\$ 1,020.57	109,306.43
President's Office.....	1,000.00		5.94	994.06
Bursar's Office:				
Mechanical Accounting Equipment for Bursar's Office.....		2,530.75		2,530.75
Booklet: "The University of Toronto: Its Work and Needs".....		1,864.84		1,864.84
(Transferred from Miscellaneous and General):				
Auditor's Fees.....	3,000.00			3,000.00
Insurance.....	25,000.00		4,519.92	20,480.08
Law Costs.....	1,000.00		345.02	654.98
Taxes.....	7,500.00			7,500.00
Unemployment Insurance.....	6,000.00		491.83	5,508.17
Registrar's Office.....	5,780.00		760.26	5,019.74
(Transferred from Miscellaneous and General):				
Convocation Expenses.....	600.00		320.09	279.91
(Transferred from Section IV):				
Examinations.....	19,400.00	184.54		19,584.54
Superintendent's Office.....	3,750.00		84.37	3,665.63
(Transferred from Miscellaneous and General):				
Central Stores.....	4,600.00		150.00	4,450.00
Grounds.....	21,500.00		3,155.11	18,344.89
Protective Service.....	18,650.00		1,192.84	17,457.16
Telephones.....	14,600.00		989.30	13,610.70
Convocation Hall and Simcoe Hall.....	12,753.00	1.14		12,754.14
Alterations, Convocation Hall and Simcoe Hall, Bursar's Office—Ladies Wash-room.....		1,792.07		1,792.07
86 Queen's Park.....	200.00		200.00	
49 St. George Street.....		1,001.89		1,001.89
184 College Street.....	1,565.00		258.62	1,306.38
	<u>\$ 376,320.00</u>	<u>\$ 11,669.75</u>	<u>\$ 13,764.20</u>	<u>\$ 374,225.55</u>
II. Library:				
Salaries.....	\$ 58,890.00		\$ 1,361.05	\$ 57,528.95
Maintenance.....	47,400.00		3,938.22	43,461.78
Building.....	5,200.00	243.80		5,443.80

A. G. Huntsman, Marine Biology, without salary.....

Associate Professors:

W. H. T. Baillie.....	4,000.00
J. W. MacArthur.....	4,000.00
E. H. Craigie.....	3,850.00
W. J. K. Harkness, at \$3,550 plus \$200 additional allowance ...	3,750.00

Assistant Professors:

Dr. Norma H. C. Ford (paid also \$300 in School of Nursing)	\$3,150.00
K. C. Fisher	2,850.00
F. P. Ide, Entomology, at \$2,400; on war service from December	1,450.00

Lecturers (Sessional):

F. E. J. Fry, at \$2,150, of which \$1,250 paid from Special Research; on war service; contribution to T.I. & A.A.	107.52
R. R. Langford, also Demonstrator to First Year Medical Students (paid also \$1,250 in Special Research)	1,500.00
G. M. Neal, Demonstrator, Sessional, at \$900 plus \$150 additional allowance—\$1,050; Class Assistant for Easter Term—\$300	1,350.00

Demonstrators (Sessional):

Dr. V. E. Engelbert, at \$800 plus \$300 additional allowance (paid also in Connaught Laboratories and \$200 in School of Physical and Health Education)	1,100.00
Mrs. R. D. C. Marvel, at \$800 plus \$300 additional allowance (paid also \$200 in School of Physical and Health Education)	1,100.00
J. G. Aldous	800.00

Assistants (Sessional):

D. B. Waddell, at \$450 plus \$166.66 additional allowance	616.66
L. G. Woodside (paid also \$25 as Technical Assistant)	450.00
C. L. Peterson	400.00
H. S. Robinson	225.00
J. G. Oughton (paid also in Royal Ontario Museum)	150.00
F. A. Walden	150.00
Mrs. Virginia S. Black (paid also in Special Research)	120.00
F. L. Balmer	110.00
A. R. A. Taylor	110.00
H. M. Good	75.00
E. R. Flewelling, Michaelmas Term (paid also \$21 as Laboratory Attendant)	35.00

Easter Term:

J. H. Follwell (paid also \$500 in Special Research)	165.00
Miss M. McDowell (paid also \$720 as Technical Assistant)	50.00
Mrs. Grace W. Scott (paid also \$10 as Technical Assistant)	40.00

Technical Assistants:

A. Quantrill	1,500.00
S. Clare, at \$1,000; on war service from September	351.67
T. Stovell, at \$1,000; on war service from August	270.63
Mrs. Audrey H. Shortt, 10 mos.	800.00
Miss M. McDowell, 9 mos. (paid also \$165 as Assistant)	720.00
Miss R. Thomas, from 1 February at \$1,000	416.67

Temporary:

Sprague Troyer	358.25
L. G. Woodside (paid also \$450 as Assistant)	25.00
D. Bryan, 10 days at \$14 per week	22.16
Mrs. Grace W. Scott (paid also \$40 as Assistant)	10.00
W. J. LeRay, Curator of Vivarium	1,750.00

Assistants in Vivarium:

D. G. LeRay at \$900; on war service; contribution to pension fund	24.75
R. Hannah, 16 weeks, 4 days at \$14 (paid also \$294 as Chief Laboratory Attendant)	233.33
F. Laughlin, 10 weeks, 2 days, at \$14	144.85
Mrs. Ethel Taylor, 6 weeks, 3 days at \$16	104.00
D. McIntosh, 6 weeks, at \$14 (paid also \$300 as Laboratory Attendant)	84.00
E. Gilbert, 6 weeks, 12 hrs. at \$11	73.83
L. Steele, 4 weeks, 2 days at \$14	60.00
B. McIntosh, 15 hours at 25 cents	3.75

Chief Laboratory Assistants:

A. Prince, at \$900; on war service from July	170.63
R. Hannah, 23½ weeks at \$14 and \$15 (paid also \$233.33 as Assistant in Vivarium)	346.50

Temporary Laboratory Attendants and Messengers:.

D. McIntosh, 24 weeks at \$12.50 (paid also \$84 as Assistant in Vivarium).....	\$ 300.00
R. Wright, 2 weeks, 2 days at \$15.....	35.00
E. R. Flewelling, 7 labs. at \$3.00 per lab. (paid also \$35 as Assistant).....	21.00
W. Smith, Laboratory Attendant and Stores Assistant, at \$1,000 plus \$400 additional allowance.....	1,400.00
E. C. Cross, Secretary, at \$1,800; on war service (also in Royal Ontario Museum) contribution to pension fund.....	58.50
Miss R. Jenkins, Acting Secretary, at \$1,200 plus \$300 additional allowance.....	1,500.00
Miss E. Caesar, Stenographer and Librarian.....	1,050.00
Secretarial Assistant in West Wing, at \$80 per month:	
Mrs. Ruth McGill, from 1 December.....	560.00
Miss M. Marriott, 2 mos. 5 days, resigned 21 November.....	180.00
	<hr/>
	\$ 60,628.70

(2) Departments in University College (\$141,150.99)

Classics

Gilbert Norwood, Professor, also Director of Classical Studies.....	\$ 6,250.00
(a) Greek:	
E. T. Owen, Professor.....	4,700.00
Associate Professors:	
D. E. Hamilton.....	4,200.00
M. D. C. Tait (paid also \$250 for Extension Work).....	3,600.00
(b) Latin:	
E. A. Dale, at \$4,700. of which \$2,250 paid by Trinity College ...	2,450.00
(c) Greek and Roman History:	
C. N. Cochrane, Professor (also Dean of Residence, with free house, heat and light valued at \$300).....	4,500.00
Miss M. C. Needler, Assistant Professor, at \$2,700; on war service from December.....	1,417.50
Mrs. Frances Norwood, Lecturer, Easter Term.....	1,000.00
	<hr/>
	\$ 28,117.50

English

Professors:

M. W. Wallace, (paid also \$1,500 as Principal of University College).....	6,000.00
R. S. Knox.....	4,900.00
J. F. Macdonald.....	4,500.00
A. S. P. Woodhouse, on leave of absence for Easter Term.....	4,200.00
W. H. Clawson, Associate Professor.....	3,900.00

Assistant Professors:

N. J. Endicott (paid also \$300 for Extension Work).....	2,900.00
J. R. MacGillivray (paid also \$224 for Extension Work and \$40 from University Press).....	2,900.00
A. E. Birney, at \$2,500; on war service from August.....	718.78
C. T. Bissell, Lecturer, Sessional, at \$2,000; on war service from November.....	750.00
Miss R. I. Jenking, Assistant (Sessional; part-time).....	600.00
John Grant, Temporary Assistant.....	100.00
	<hr/>
	\$ 31,468.78

French

Professors:

F. C. A. Jeanneret.....	\$ 5,500.00
J. S. Will.....	5,000.00
St. E. de Champ (paid also \$150 for Extension Work).....	4,500.00

Associate Professors:

W. J. McAndrew (paid also \$1,000 as Registrar of University College).....	3,700.00
H. L. Humphreys.....	3,600.00

Assistant Professors:

R. D. C. Finch (paid also \$300 for Extension Work).....	\$ 3,450.00
J. G. Andison (paid also \$436 for Extension Work).....	3,300.00
C. D. Rouillard, at \$3,200; on war service from August.....	920.06

Lecturers (Sessional):

Miss A. C. Cole, at \$2,350; ob. 7 November.....	979.16
G. L. Assie, at \$2,000; on war service from July.....	416.74
J. A. Houpert (paid also \$200 for Extension Work).....	2,000.00
Miss I. G. Balthazard (paid also \$72 for Extension Work).....	1,800.00
Miss M. D. MacDonald.....	1,800.00
	<hr/>
	\$ 36,965.96

German

Barker Fairley, Professor, also Head of Department.....	\$ 6,000.00
Thure Hedman, Associate Professor.....	4,000.00

Assistant Professors:

G. E. Holt.....	3,450.00
H. Boeschstein (paid also \$300 for Extension Work).....	3,000.00
Martin Joos, Lecturer, Sessional, at \$2,100; on war service from August.....	603.75
R. Coper, Instructor (Sessional).....	800.00
	<hr/>
	\$ 17,853.75

Semitics

Professors:

W. R. Taylor.....	\$ 5,500.00
T. J. Meek.....	5,500.00

Assistant Professors:

F. V. Winnett.....	3,000.00
W. S. McCullough.....	2,800.00

Readers (Easter Term):

G. H. Parke-Taylor.....	50.00
R. F. Schnell.....	45.00
	<hr/>
	\$ 16,895.00

Ethics

G. S. Brett, Professor (paid also as Professor of Philosophy and Dean of School of Graduate Studies).....	1,000.00
	<hr/>
	\$ 1,000.00

University College General

M. W. Wallace, Principal (paid also as Professor of English).....	1,500.00
Miss Marion B. Ferguson, Dean of Women (with living valued at \$400).....	2,500.00
W. J. McAndrew, Registrar (paid also as Associate Professor of French).....	1,000.00
Miss E. H. McAndrew, Assistant to the Registrar.....	1,050.00
Miss M. Blackburn, Secretary in the Registrar's Office.....	1,400.00
Miss C. Tocque, Stenographer in University College.....	1,400.00

G. P. Hamblin (paid \$250 in Pathological Chemistry)	

On War Service:

A. L. Chute, at \$300 (also in Physiology)	
J. R. Ross, at \$200.....	
W. A. Hawke, at \$200.....	
J. D. Keith, without salary.....	

Dr. Elizabeth C. Robertson, Research Fellow (Sessional—paid also \$60 from Special Funds)	200.00	
S. H. Jackson, Research Assistant in Chemistry (Sessional).....	900.00	

Technicians in Research Laboratories:

Miss E. Kesteven.....	700.00	
Miss W. M. Johnstone, without salary.....	
Miss M. L. Cassidy, Secretarial Assistant.....	500.00	
		\$ 9,550.00

Pathological Chemistry

Andrew Hunter, Professor.....	\$ 7,000.00	
T. F. Nicholson, Associate Professor.....	3,750.00	

Lecturers (Sessional):

D. L. Selby (paid also \$250 from Special Funds)	1,000.00	
R. W. I. Urquhart (paid also \$5,000 as Director of Health Service and \$187.50 from Special Funds).....	750.00	

Fellows (Sessional):

A. G. Gornall, at \$1,200; on war service from November.....	600.00	
C. S. McArthur (paid also \$1,133.34 from Medical Research Bant- ing Fund and \$200 from Special Funds)	800.00	

Demonstrators (Sessional):

D. H. Boddington (paid also \$135 from Special Funds)	500.00	
J. S. Wilson (paid also \$60 from Special Funds)	250.00	

Assistants (Sessional):

W. G. E. Eggleton (paid also \$2,400 in Physiology)	250.00	
G. P. Hamblin (paid also \$60 from Special Funds, also in Paedia- trics, without salary).....	250.00	
C. E. Downs, Technician.....	1,650.00	
C. H. Downs, Laboratory Assistant.....	1,200.00	

Laboratory Attendants:

Mrs. J. Faulds.....	\$ 750.00
Mrs. C. MacCallum (paid also \$243.13 in Faculty of Arts).....	350.00
Miss C. A. Shannon, Secretary.....	1,200.00
	<u>\$ 20,300.00</u>

Pathology and Bacteriology

Professors:

William Boyd.....	\$ 8,000.00
W. L. Holman.....	5,000.00
W. L. Robinson, Bacteriology; also Associate Director of Applied Bacteriology.....	2,200.00

Assistant Professors:

I. H. Erb.....	300.00
W. Magner.....	300.00
G. Shanks.....	300.00
D. N. Henderson, Associate, Gynaecological Pathology, without salary (paid \$500 in Obstetrics and Gynaecology).....

Lecturers (Sessional):

Dr. R. Margarite Price, Bacteriology and Serology.....	3,000.00
P. H. Greey, Bacteriology.....	1,800.00
D. E. O. Magner, at \$1,700; on war service; contribution to T.I. & A.A.....	85.08

Fellows (Sessional):

A. V. Postoloff, Senior in Pathology.....	1,200.00
Dr. Sara Dubo, Pathology.....	850.00
Dr. Alice E. Gray, Bacteriology.....	1,000.00
R. G. D. McNeely, in Museum, at \$850; resigned 30 April.....	708.33

Demonstrators in Pathology (Sessional):

J. G. Mickler.....	150.00
Dr. Mary I. Tom (paid also \$2,000 in Neuropathology).....	80.00
Dr. Ethel Morgan.....	60.00
J. A. Hannah.....	50.00
Dr. Vivian Laughlen.....	30.00

Demonstrators in Bacteriology (Sessional):

Dr. Margaret S. Thomson (paid also \$50 as Temporary Technician).....	100.00
E. J. Clifford without salary.....

Assistants in Laboratory:

Miss N. W. Simpson, Pathology.....	1,500.00
Miss H. M. Boyd, Bacteriology.....	1,100.00

Special Technicians:

Miss A. Alvey, at \$1,200; on war service from August.....	331.50
Miss M. W. Kirk, 5 mos. at \$70; 7 mos. at \$80.....	910.00

Technicians in Pathology:

Mrs. C. M. Westlake, at \$1,020; on leave of absence, without salary, from 1 September; resigned 31 March.....	170.00
Miss E. Lowrey, from 16 September to 31 March, at \$80 per month; transferred to be Autopsy Technician.....	459.67
Miss J. C. Burk, from 1 April at \$85 per month (paid also \$720 as Autopsy Technician).....	255.00

Attendants for Preparing Media:

Miss E. A. Gordon, Senior Technician, Bacteriology.....	1,200.00
---	----------

Attendants in Bacteriology:

Miss D. Nunn, at \$840; on war service from July.....	140.00
Mrs. Annie Jackson, from 18 July at \$65 per mo.	740.16

Junior Attendants in Bacteriology:

R. Gale, at \$55 per month; resigned 31 March.....	495.00
W. Hurst, from 30 March to 14 June at \$50 per mo.	126.55
K. Tulley, 7 days at \$50 per mo.	11.67
J. F. Payne, Preparator.....	1,800.00
Miss M. Wightman, Autopsy Recorder.....	960.00

Autopsy Technicians:

Miss J. C. Burk, 9 mos. at \$80; transferred to be Technician in Pathology.....	\$ 720.00
Miss E. Lowrey, from 1 April at \$80 per mo. (paid also \$459.67 as Technician in Pathology).....	240.00

Junior Attendants in Museum:

Miss V. Richards, 9 mos. 10 days at \$55 per mo.	513.33
Mrs. Erna MacNeill, 1 month; resigned.....	55.00
Miss G. K. R. Boyd, Secretary.....	1,260.00
Miss H. J. Williamson, Librarian and Assistant Secretary.....	1,020.00
Miss V. L. McKinnon, Museum Secretary.....	1,260.00
Miss E. Lytle, Clerical Assistant, 2 mos.....	140.00

\$40,621.29

Division of Neuropathology:

E. A. Linell, Professor.....	\$ 4,500.00
Dr. Mary I. Tom, Lecturer (paid also \$60 as Demonstrator in Pathology).....	2,000.00
D. Findlay, Fellow, at \$1,000; resigned 30 November.....	416.66
Miss M. G. Hein, Technician.....	1,140.00

Technician, Medicine and Surgery, at \$1,020:

Miss H. Rogers, resigned 31 July.....	\$5.00
Mrs. Honor P. Gray, from 8 September.....	\$28.75
Dr. Margaret S. Thomson, Temporary Technician.....	50.00
Miss C. A. Bell, Secretary.....	1,200.00

\$ 50,841.70

Pharmacy and Pharmacology

V. E. Henderson, Professor.....	\$ 6,000.00
G. H. W. Lucas, Associate Professor.....	4,000.00
J. K. W. Ferguson, Assistant Professor, at \$3,600; on war service; contribution to T.I. & A.A.....	180.00

Fellows (Sessional):

Mrs. M. M. O. Sweeten.....	1,500.00
Dr. Hilda D. Gunther.....	1,500.00
Allan Brock, Technical Assistant.....	2,200.00
A. C. Morrison, Technician at \$1,100; on war service; contribution to Pension Fund.....	30.25
Mrs. Elsie Long, Laboratory Attendant.....	900.00
W. Benson, Cleaner.....	900.00
Miss D. Caldecott, Clerical Assistant.....	550.00

\$ 17,760.25

Physiology

Professors:

C. H. Best (also at \$5,000 as Director and Professor, Banting and Best Department of Medical Research).....	\$ 6,000.00
N. B. Taylor.....	4,800.00

Associate Professors:

D. Y. Solandt, at \$3,700, of which \$2,010 refunded on account of Naval Stipend (paid also \$300 from Medical Research Best Fund and \$2,000 from Special Funds).....	1,690.00
E. T. Waters, at \$3,300; on war service; contribution to T.I. & A.A.....	165.00
J. Campbell, Assistant Professor, at \$2,500, of which \$1,000 paid from Medical Research Best Fund; on war service.....
E. H. Botterell, Lecturer (Sessional at \$1,500; also in Surgery) on war service; contribution to T.I. & A.A.....	75.00
E. Fidler, Lecturer and Research Associate (paid also \$300 from Medical Research Best Fund and \$450 for Extension Work)....	2,100.00

Research Associates:

W. G. E. Eggleton (paid also \$250 in Pathological Chemistry) ..	2,400.00
A. L. Chute, at \$1,500; on war service (also in Paediatrics).....
J. Markowitz, at \$200; on war service.....

Research Assistants:

Mrs. Margaret T. C. Mitford	\$ 2,000.00
L. B. Jaques (paid also \$1,400 from Special Funds)	1,400.00
W. S. Hoar (paid also \$744.34 from Medical Research Best Fund)	1,432.31
Miss H. J. Bell (paid also \$300 from Medical Research Best Fund)	1,200.00
Miss J. I. Hamilton, at \$1,000 to 31 March; paid from 1 April, \$300 from Special Funds	750.00
Gracient Eidt, at \$1,600; resigned 8 August	167.74
J. D. Brown, Technical Assistant in Bio-Physics	1,500.00
F. L. Robinson, Technical Assistant and Glass-Blower (paid also \$500 from Medical Research Best Fund)	2,000.00
G. Scattergood, Laboratory Assistant to Teaching Laboratories at \$1,250; on war service; contribution to Pension Fund	34.40
A. Elliott, Mechanician	1,850.00

Animal Caretakers:

G. L. Robinson, at \$1,350; on war service; contribution to Pension Fund	33.75
S. McCracken, at \$1,040; on war service
T. W. Kober, temporary	900.00

Assistant Animal Caretakers:

A. D. Crouch, at \$1,100; on war service; contribution to Pension Fund	30.25
J. D. Illingworth, at \$885, resigned 31 August (paid also \$17.16 from Medical Research Best Fund)	147.50

Temporary Technical Assistants:

Kerr M. Angus, 38 weeks, 5 days, at \$16	621.34
R. Thorpe, 3½ weeks at \$16	56.00
Mrs. Florence Lutton, 3 weeks at \$15	45.00
Miss M. Cory, Departmental Librarian	1,250.00
Miss D. Secord, Secretarial Assistant (paid also \$150 from Medical Research Best Fund)	1,250.00
	<hr/> \$ 33,898.29

Psychiatry

C. B. Farrar, Professor	\$ 5,000.00
E. P. Lewis, Assistant Professor (paid also \$135 from Special Funds)	500.00
Dr. Mary V. Jackson, Associate (paid also \$60 from Special Funds)	250.00

Demonstrators (Sessional):

G. W. Anderson (paid also \$100 in Psychology)	150.00
Dr. Ruth M. Franks (paid also \$200 for Extension Work)	150.00
G. H. Lugsdin (paid also \$30 from Special Funds)	150.00
B. T. McGhie	150.00
L. D. Proctor (paid also \$2,500 from Psychiatric Research)	150.00
J. G. Dewan, Research Fellow, without salary (paid in Psychiatric Research)
Miss A. F. Abbott, Secretarial Assistant (without salary)
	<hr/> \$ 6,500.00

Radiology

G. E. Richards, Professor	\$ 700.00
A. C. Singleton, Assistant Professor, at \$250; on war service

Senior Demonstrators (Sessional):

M. R. Hall (paid also \$60 from Special Funds)	200.00
A. H. Rolph (paid also \$60 from Special Funds)	200.00
J. Somers, at \$200; resigned 31 December (paid also \$30 from Special Funds)	100.00
C. L. Ash, Assistant (Sessional; part-time)	500.00
	<hr/> \$ 1,700.00

Special Lectures

Professor J. H. Elliott, History of Medicine, at \$700; ob, 18 December; one-half paid to Estate; one-half to daughter, Mrs. Grace Ashton Holmes (paid also \$250 in Medicine and \$30 in School of Nursing)	700.00
--	--------

Special Lecturers (Sessional):

History of Science and Civilization:

A. F. Coventry (paid also in Faculty of Arts).....	\$ 200.00
H. Wasteneys (paid also in Bio-Chemistry).....	200.00

Dentistry:

D. M. Tanner, at \$100 (also in Faculty of Dentistry) on war service.....	100.00
A. D. A. Mason (paid also \$5,000 in Faculty of Dentistry).....
G. S. Young, Medical Ethics and Economics, without salary.....

\$ 1,200.00

Surgery and Clinical Surgery

W. E. Gallie, Professor (paid also \$1,000 as Dean).....	\$10,000.00
--	-------------

Assistant Professors:

(each paid also \$75 from Special Funds):

T. A. J. Duff.....	300.00
R. R. Graham.....	300.00
R. I. Harris (paid also \$25 for Post Graduate Course).....	300.00
K. G. McKenzie (paid also \$25 for Post Graduate Course).....	300.00
Robin Pearse.....	300.00
D. E. Robertson.....	300.00
E. S. Ryerson (paid also as Assistant Dean and Secretary and in Faculty of Dentistry).....	300.00
N. S. Shenstone.....	300.00
G. E. Wilson.....	300.00
H. W. Wookey.....	300.00

Associates:

(each paid also \$65 from Special Funds):

G. S. Foulds.....	250.00
R. E. Gaby.....	250.00
A. B. LeMesurier.....	250.00
R. J. A. McComb.....	250.00
C. B. Parker.....	250.00
T. A. Robinson.....	250.00
R. H. Thomas.....	250.00

J. W. Ross, Associate at \$250; on war service.....
---	-------

Senior Demonstrators (Sessional):

(each paid also \$60 from Special Funds):

J. H. Couch (paid also \$40 for Post Graduate Course and \$20 in School of Nursing).....	200.00
C. R. B. Compton.....	200.00
C. W. Harris.....	200.00
R. M. Janes.....	200.00
J. C. McClelland.....	200.00
J. L. McDonald.....	200.00
J. Spence Reid.....	200.00
N. W. Roome.....	200.00

J. A. MacFarlane, Senior Demonstrator, Sessional at \$200; on war service.....
--	-------

Junior Demonstrators (Sessional):

(each paid also \$40 from Special Funds):

H. G. Armstrong.....	150.00
W. G. Carscadden.....	150.00
J. T. Danis.....	150.00
R. C. Laird.....	150.00
F. I. Lewis (paid also \$20 for Extension Work).....	150.00
D. W. G. Murray.....	150.00
D. W. Pratt.....	150.00
E. E. Shouldice.....	150.00
R. M. Wansbrough.....	150.00

Special Demonstrators (Sessional):

(each paid also \$40 from Special Funds):

M. H. V. Cameron.....	\$ 150.00
G. W. Carrow.....	150.00
H. F. Robertson (paid also \$20 in School of Nursing).....	150.00
Wallace A. Scott.....	150.00
R. V. B. Shier.....	150.00
W. O. Stoddart.....	75.00

Junior Demonstrators (Sessional at \$150 on war service):

J. W. Brennan.....
A. W. Farmer.....
S. D. Gordon.....
W. S. Keith.....
D. R. Mitchell.....
T. R. Sarjeant.....
C. H. Watson.....
W. K. Welsh.....
A. W. M. White.....

Fellows (Sessional):

Dr. Jessie C. Gray.....	1,800.00
E. H. Botterell, at \$1,500 (also in Physiology) on war service; contribution to T.I. & A.A.....	75.00

Fellows (Sessional; part-time):

S. A. Thomson.....	500.00
F. R. Wilkinson, at \$1,000; on war service to 31 December.....	500.00
R. G. McKenzie (paid also \$600 in Anatomy).....	500.00

Resident Fellows (Sessional):

Dr. Marjorie I. Davis (paid also \$100 from Special Funds).....	1,650.00
D. B. MacLaren (paid also \$100 from Special Funds and \$5.00 for Post Graduate Course).....	400.00

Assistant Resident Fellows (Sessional):

D. M. MacDougall.....	300.00
R. H. More.....	300.00
W. A. Shandro, at \$300; resigned 28 February.....	187.50
H. J. Sullivan.....	300.00
F. F. Sypher.....	300.00
D. R. Bohnen (Easter Term).....	150.00

On War Service at \$300:

J. E. Bateman.....
G. E. Cooper.....
N. C. Delarue.....
F. P. Dewar.....
J. R. Francis.....
G. A. Lane.....
P. F. McGoey.....
E. G. Meyer.....
W. T. Mustard.....
G. E. P. Wilson.....

Miss Helen Hare, Technician, from 1 February to 15 June at \$110 per month.....

495.00

Miss T. W. MacLaren, Secretary (also Secretary to the Dean).....

1,500.00

\$ 27,482.50

Therapeutics

R. F. Farquharson, Assistant Professor, also Head of Department
paid also \$1,000 in Department of Medicine).....

1,000.00

Associates:

H. J. Shields, in charge of Anaesthesia (paid also \$65 from Special Funds).....	250.00
W. J. Gardiner, in charge of Physical Therapy (paid also \$100 from Special Funds and \$500 for Extension Work).....	400.00
C. E. Cooper Cole, Senior Demonstrator (Sessional—paid also \$60 from Special Funds).....	200.00

Junior Demonstrators in Anaesthesia (Sessional):

(each paid also \$40 from Special Funds):

G. R. Balfour.....	\$ 150.00
W. Easson Brown.....	150.00
C. G. Bryan.....	150.00
S. M. Campbell.....	150.00
J. Chassels.....	150.00
N. S. Clark.....	150.00
S. J. Evelyn.....	150.00
H. R. Hargrave.....	150.00
K. M. Heard.....	150.00
C. H. Robson.....	150.00
A. R. Wilkins.....	150.00
K. E. Hollis, Junior Demonstrator in Anaesthesia at \$150 (Sessional) on war service.....
Assistants (Sessional):	
Dr. Jean. M. Meiners.....	50.00
D. J. McKenzie.....	50.00
A. J. Longmore.....	50.00
H. E. Pugsley, Research Fellow (Sessional).....	800.00
Miss R. Harland, Temporary Assistant in Physical Therapy.....	215.00
Mrs. Jean L. Reid, Secretarial Assistant (part-time).....	420.00
	<hr/>
	\$ 5,085.00
	<hr/>
	\$325,274.56

VIII. SCHOOL OF HYGIENE**Salaries****(1) Administration:**

R. D. Defries, Director; also Professor of Hygiene and Epidemiology and Head of Department of Epidemiology and Biometrics (paid also as Director of Connaught Laboratories)....	\$ 5,000.00
D. T. Fraser, Associate Director, without salary (paid in Department of Hygiene and Preventive Medicine and in Connaught Laboratories).....
J. Craigie, Secretary (paid also as Associate Professor of Virus Studies and in Connaught Laboratories).....	750.00
K. M. Kerns, Office Assistant, part-time, at \$625; on war service from September (paid also as Secretary, Department of Epidemiology and Biometrics).....	231.26
Miss B. M. Calvin, Acting Secretary, part-time, at \$550 from 1 September (paid also as Acting Secretary, Department of Epidemiology and Biometrics).....	458.33

(2) Epidemiology and Biometrics:

R. D. Defries, Professor of Hygiene and Epidemiology and Head of Department (paid as Director and in Connaught Laboratories).....
Associate Professors:	
N. E. McKinnon, Hygiene and Epidemiology, at \$1,000. (also in Connaught Laboratories); on war service; contribution to T.I. & A.A.....	50.04
Miss Mary A. Ross, Biometrics.....	3,000.00
W. Mosley, Public Health Administration (paid also \$3,641.67 in Department of Public Health Administration).....	362.50
Dr. Charlotte M. Horner, Demonstrator at \$2,075 (including wartime bonus); resigned 31 October.....	691.66
Dr. Marjorie L. Sutherland, Research Assistant, at \$1,800. from 1 January and \$52.09 Expenses.....	952.09
Mrs. Ella Kuitunen, Fellow in Medical Zoology.....	1,200.00

Laboratory Assistants:

W. Moore, at \$1,000; on war service; contribution to pension fund.....	\$ 27.50
Miss S. R. McCausland (including \$64.95 additional for extra services).....	1,024.95
Miss H. E. Thomson, at \$720. from 25 January.....	315.00
W. Nichols, from 1 April to 21 May, at \$27.50 per week....	178.75
Miss L. Beattie, at \$700; resigned 25 July.....	47.05
K. M. Kerns, Secretary, part-time; at \$625; on war service from September (paid also as Office Assistant, Administration)..	208.33
Miss B. M. Calvin, Acting Secretary, part-time, at \$550 from 1 September (paid also as Acting Secretary, Administration)	458.33

(3) Physiological Hygiene:

D. Y. Solandt (paid also in Physiology and in Connaught Laboratories).....	2,000.00
D. L. McLean, Associate Professor, at \$2,900; on war service; contribution to T.I. & A.A.....	145.08

Assistant Professors:

H. M. Barrett, Industrial Hygiene, at \$2,900; on war service
R. E. Haist (paid also in Physiology and in School of Physical and Health Education).....	400.00
J. G. Cunningham, Lecturer in Industrial Hygiene (Sessional—paid also \$10 for Extension Work; \$10 in School of Nursing and \$50 for Post Graduate Course in Medicine).....	500.00
Mrs. Ruth C. Partridge, Research Associate (paid also from Special Funds).....	300.00

Research Assistants, at \$70 per month:

Mrs. Ruth Townsend, from 18 September.....	663.33
Mrs. Grace A. McCann, from 18 September to 28 February; resigned.....	383.33
H. N. MacFarland.....	200.00
Miss M. Rutland, Research Fellow, at \$960 and wartime bonus, from 10 May.....	150.48

Technical Assistants:

K. Roseblade, at \$1,500; on war service from October.....	527.50
W. Staples, at \$950; on war service; contribution to Pension Fund.....	23.75
J. Horwood, 1 month at \$900; 11 mos. at \$1,200.....	1,175.00
R. N. Smith, at \$1,200 from 24 July.....	1,125.80
Miss M. Mingay, Secretary (paid also \$350. in Sub-Department of Nutrition).....	750.00

(4) Chemistry in Relation to Hygiene:

P. J. Moloney, Associate Professor (paid also in Connaught Laboratories).....	2,800.00
Miss E. M. Taylor, Lecturer (Sessional—paid also in Connaught Laboratories).....	500.00
G. Kimm, Technical Assistant.....	1,050.00

(5) Public Health Administration:

W. Mosley, Associate Professor, at \$4,350; on war service from April (paid also \$362.50 in Department of Epidemiology and Biometrics).....	3,641.67
O. C. Powers, Lecturer, at \$3,500 from 22 April.....	670.83
Dr. A. Helen Thompson, Lecturer, at \$3,000; resigned 31 May..	2,750.00
R. G. Struthers, Associate, at \$3,000 from 1 May.....	500.00

Associates:

Miss E. Wheler (including wartime bonus).....	2,356.00
J. T. Phair.....	300.00
A. L. McNabb.....	150.00
A. Berry, Lecturer, Public Health Engineering (Sessional—paid also \$1,000 in Applied Science).....	500.00

Visiting Lecturers:

D. V. Currey.....	300.00
Dr. Mary I. Jackson.....	100.00

Clinical Assistants:

R. H. Malyon	\$ 250.00
H. R. Elliott	250.00
Miss H. G. Morrow, Public Health Nurse Interne, 1 month and wartime bonus	109.17
Mrs. Jean E. Campbell, Laboratory Assistant, at \$660; resigned 20 February	424.30

6) Sub-Department of Nutrition:

E. W. McHenry, Associate Professor of Physiological Hygiene (paid also in Connaught Laboratories)	1,300.00
Miss H. J. Leeson, Clinical Assistant	2,500.00
Mrs. Helen M. Ferguson, Research Assistant, (including wartime bonus)	1,415.00

Technical Assistants:

Miss L. Barber (including wartime bonus)	1,089.00
Miss E. James	720.00
Mrs. Kathleen Wiman, at \$700 from 15 March	204.17
Miss M. Mingay, Secretary (part-time; paid also \$750 in Department of Physiological Hygiene)	350.00

(7) Sub-Department of Virus Studies:

J. Craigie, Associate Professor of Epidemiology (paid also as Secretary and in Connaught Laboratories)	500.00
D. M. Young, Research Assistant (including wartime bonus)	1,415.00

Lecturers (Sessional):

R. C. Parker	250.00
R. Hare, without salary (paid in Department of Hygiene and Preventive Medicine)
Mrs. Joan M. Scott, Senior Technical Assistant (including wartime bonus)	924.00
Miss M. Hand, Junior Technical Assistant, 6 mos. at \$600; 6 mos. at \$660. (including wartime bonus)	693.00
A. J. Bishop, Technician (paid also in Department of Hygiene and Preventive Medicine)	200.00

\$51,512.20

Less charged to Special Grants

18,920.43

\$ 32,591.77

Maintenance of Department

(1) Administration:

Supplies, telephone service, etc. (\$1,150.13):

Association of Schools of Public Health, membership dues	\$ 28.03
Canadian Engineering Publication, advertising	44.00
Canadian Public Health Association, advertising	25.00
Canadian National Telegraphs	10.98
El-ser-co Ltd., motor	10.95
Mimeograph Co., paper, ink	58.01
Photographic Service, prints, etc.	13.00
Postage	91.84
Sundry disbursements by department	10.00
University Press, printing and stationery	179.63
Accounts under \$10.00 (10)	51.92
Superintendent's Dept., telephone, \$344.20; labour, \$252.00; material, \$30.57	626.77

(2) Epidemiology and Biometrics:

Supplies and Equipment (\$988.90):

Joseph McDowell & Co., calculator	\$55.00
Mimeograph Co., paper, ink	36.14
Sundry disbursements by department	10.00
University Press, printing and stationery	80.99
Accounts under \$10.00 (2)	6.77

(3) Physiological Hygiene:

Apparatus and Supplies (\$2,977.65):

American Bolex Co., counter.....	\$ 21.25
Aremac Camera Co., camera.....	389.95
Canadian General Electric Co., tubes, etc.....	22.28
Canadian National Carbon Co., electrodes.....	34.13
Canadian Pacific Railway Co., telegrams.....	11.16
Central Scientific Co. of Canada, tubing, condenser, brushes, etc.....	126.20
Corning Glass Works, glassware.....	96.21
Eastman Photographic Stores, prints.....	44.62
Edmund Salvage Co., lens set.....	11.28
Fisher Scientific Co., capillary for electrode.....	62.28
Adam Hilger, powder.....	30.99
Johnson Office Furniture Co., desk-chair.....	32.00
George Levine & Sons, camera.....	521.61
W. R. McKee, repairs.....	18.95
Phaostron Co., meter.....	15.80
Phipps & Bird Inc., ink, manimeters.....	382.87
Postage.....	15.00
Ryerson Film Service, projector, etc.....	95.10
Scientific Glass Apparatus Co., glassware.....	26.16
Dr. D. Y. Solandt, travelling expenses.....	131.27
Utility Supply Co., nonex-viewer.....	49.67
Willoughbys, photostat, projector.....	188.00
University Press, printing and stationery.....	182.75
Accounts under \$10.00 (8).....	40.61
Sundry disbursements by department: stationery and drugs, \$12.93; postage and telegrams, \$9.60; sundries, carfare, etc., \$6.79; hardware and photo supplies, \$35.68.....	65.00
Superintendent's Dept., freight, \$302.64; telephone, 63 cents; labour, \$36.48; material, \$22.76.....	362.51

(4) Chemistry in Relation to Hygiene:

Supplies and Equipment (\$303.25):

Canadian Laboratory Supplies, chemicals, glassware, etc...	274.61
Central Scientific Co., glassware, etc.....	15.73
Accounts under \$10.00 (3).....	12.91

(5) Public Health Administration:

University Press, stationery.....	78.84
-----------------------------------	-------

(6) Nutrition:

Supplies and Equipment (\$411.80):

Ayerst, McKenna & Harrison, drugs.....	11.25
British Drug Houses, drugs.....	21.75
Central Scientific Co., stoppers.....	29.76
Eastman Co., chemicals.....	16.31
John Wyeth & Bros., drugs.....	265.33
University Press, printing and stationery.....	21.50
Accounts under \$10.00 (3).....	19.36
Sundry disbursements by department: hardware, \$6.31; stationery, slides, \$9.25; sundries, \$3.67.....	19.23
Superintendent's Dept., material.....	7.31

(7) Virus Studies (nothing spent).....

	\$ 5,910.57	
Less credits: sale of material.....	6.40	
	<hr/>	\$ 5,904.17
		<u><u>\$ 38,495.94</u></u>

IX. FACULTY OF APPLIED SCIENCE

Salaries

Dean's Office

C. R. Young, Dean (also Professor in Department of Civil Engineering:

Municipal and Structural without salary):

Salary.....	\$6,000.00	
Expenses.....	1,800.00	
		\$ 7,800.00

W. S. Wilson, Assistant Dean (paid as Secretary to Faculty).....		\$ 7,800.00
--	--	-------------

Applied Physics

K. B. Jackson, Associate Professor, at \$3,800 (part-time for 3 months)	\$ 3,500.00	
V. L. Henderson, Assistant Professor, (paid also \$150 in Civil Engineering: Municipal and Structural).....	2,150.00	
L. E. Jones, Lecturer (Sessional).....	2,150.00	
E. L. Dodington, Instructor (Sessional—paid also \$875 in Special Research).....	1,750.00	
Demonstrators (Sessional; part-time):		
F. S. Harwood.....	600.00	
H. C. Jones.....	600.00	
M. Adelman, Demonstrator (Easter Term; paid also \$1,057.14 in Chemical Engineering).....	300.00	
Miss R. Cave, Office Assistant and Librarian (part-time; paid also \$625 in Civil Engineering: Surveying and Geodesy and \$100 in Photographic Service).....	575.00	
H. V. Steer, Mechanician (Sessional; part-time; paid also \$525 in Civil Engineering: Surveying and Geodesy and \$675 in Special Research).....	600.00	
		\$ 12,225.00

School of Architecture

Professors:

H. H. Madill, also Head of Department, at \$4,700 (part-time) ..	\$ 2,200.00
E. R. Arthur, Architectural Design.....	4,500.00

Assistant Professors:

H. J. Burden at \$3,200; on war service; contribution to T.I. & A.A.	160.08
W. E. Carswell, Architectural Drawing.....	2,700.00

Special Lecturers (Sessional):

N. D. Wilson, Town Planning and Landscape Architecture.....	450.00
W. S. Wilson, Architectural Economics (paid also \$3,600 as Assistant Dean and Secretary to Faculty).....	250.00
A. S. Mathers.....	200.00
H. B. Dunington-Grubb, Landscape Architecture.....	100.00
A. P. C. Adamson, Lecturer in Architecture (Sessional).....	1,550.00
J. Layng, Special Instructor in Architectural Design (Sessional).....	900.00

Instructors (Sessional):

P. Brieger, Fine Art (paid also in Arts).....	300.00
F. Coates, Modelling.....	950.00
Miss J. C. Laing, Librarian and Instructor, Architectural History and French.....	1,900.00
T. H. Laccohee, Attendant in Drafting Room (Sessional).....	800.00
Miss E. W. Dyer, Office Assistant (10 months; paid also \$350 in Engineering Drawing).....	550.00

\$ 17,510.08

Chemical Engineering and Applied Chemistry

Professors:

J. Watson Bain, Chemical Engineering.....	\$ 5,700.00
M. C. Boswell, Organic Chemistry.....	4,900.00
E. G. R. Ardagh, Applied Chemistry, at \$4,500; retired 31 Dec.	2,250.00
E. A. Smith, Industrial Chemistry (6 months at \$3,500; 6 months at \$4,000.).....	3,750.00
R. R. McLaughlin (6 months at \$3,500; 6 months at \$4,000)....	3,750.00

J. G. Breckenridge, Lecturer at \$1,900 to 31 December; Assistant Professor at \$2,500 from 1 January (paid also \$525 in Special Research).....	\$ 2,225.00
Special Lecturers (Sessional):	
T. Linsey Crossley.....	150.00
A. V. De Laporte.....	150.00
Lecturers (Sessional):	
W. C. Macdonald at \$1,900; on war service; contribution to T.I. & A.A.....	95.04
A. M. FitzGerald.....	1,800.00
Instructors (Sessional):	
L. J. Rubin.....	1,414.25
E. T. Williams (paid also \$825 in Special Research and \$100 for Extension Work).....	1,371.41
W. G. MacElhinney, Demonstrator at \$1,100 to 31 December; Instructor at \$1,400 from 1 January).....	1,271.42
M. Adelman (paid also \$300 in Applied Physics).....	1,057.14
A. S. Hunt, Lecture Assistant and Glass-blower.....	1,800.00
Lecture Assistants:	
R. Mowat, at \$950; on war service from March.....	766.67
P. Dawson, Substitute, 27 April to 30 June.....	138.67
Demonstrators (Sessional):	
Mrs. Hilda Hampson.....	1,000.00
G. L. Milligan.....	1,000.00
L. H. Dakin.....	925.00
W. F. Graydon.....	925.00
C. M. Humber.....	925.00
C. Romanovsky.....	925.00
A. Tosoni.....	900.00
F. Kubath.....	850.00
H. I. Hadler.....	835.75
C. E. Drover (4½ months).....	787.50
Dr. Marianne Ganz (3 months 6 days).....	566.40
R. M. Mathieson at \$925; resigned 30 November.....	324.28
H. Hipkin at \$1,000; resigned 15 November.....	210.25
F. A. De Marco, 28 September to 10 October.....	35.58
W. T. Storton, Laboratory Assistant.....	1,400.00
Laboratory Attendants:	
John Martin.....	926.00
David J. Mitchell, 2 weeks at \$15, 39½ weeks at \$18.....	741.00
Donald Armstrong, 26 2/3 weeks at \$18.....	480.00
John D. Welsh, 29 1/3 weeks at \$15.....	440.00
Hawdon Brumell, 1½ weeks at \$10, 4 weeks at \$12, 24 weeks at \$14.....	399.00
William Sturgeon, 3 weeks at \$18.....	54.00
Miss D. Birkett, Office Assistant and Librarian (paid also \$200 in Secretary's Office).....	1,050.00
	<hr/> \$ 48,289.36

Civil Engineering: Municipal and Structural

Professors:

C. R. Young (paid as Dean of Faculty).....
T. R. Loudon, Applied Mechanics, at \$5,000; on war service; contribution to Pension Fund.....	200.00

Assistant Professors:

C. F. Morrison (paid also \$35 in Forestry).....	3,000.00
W. L. Sagar at \$2,700; on war service; contribution to T.I. & A.A.....	135.00
Robt. F. Legget.....	2,850.00
M. W. Huggins.....	2,600.00
M. J. C. Lazier, part-time at \$1,500; on leave of absence from 1 September.....	250.00

Special Lecturers (Sessional):

A. E. Berry, Municipal Engineering (paid also in School of Hygiene)	\$ 1,000.00
V. L. Henderson, Applied Mechanics (paid also in Applied Physics)	150.00
R. C. McMordie	400.00
W. H. M. Laughlin	300.00
E. Wyatt, Applied Mechanics	200.00
Wing Commander T. R. Loudon	64.50

Lecturers (Sessional):

C. E. Helwig	2,200.00
B. Etkin	1,800.00
J. E. Reid (paid also as Assistant Professor in Electrical Engineering)	300.00
I. W. Smith, Applied Mechanics (paid also in Mechanical Engineering)	200.00

Demonstrators (Sessional):

S. H. de Jong	1,300.00
R. Hewitt, part-time at \$350; resigned 31 December	175.00
J. W. Powesland (part-time)	250.00
J. Walter (part-time; Easter Term)	100.00
W. Kubbinga, Mechanician	1,900.00
J. Brown, Laboratory Assistant, 10 months	1,100.00

Office Assistant and Librarian, at \$550 (paid also at \$525 in Electrical Engineering):

Miss H. L. Redmond, resigned 31 August	91.66
Mrs. Marion Salt, from 1 September	458.33
	<hr/> \$ 21,024.49

Civil Engineering: Surveying and Geodesy

W. M. Treadgold, Professor and Head of Department (paid also \$300. from Special Funds)	\$ 5,200.00
---	-------------

Associate Professors:

S. R. Crerar	4,500.00
E. W. Banting (paid also \$300 from Special Funds)	4,300.00
J. W. Melson (paid also \$300 from Special Funds)	4,050.00
T. L. Rowe, Instructor (Sessional—paid also \$100 in Engineering Drawing and \$450 in Special Research)	1,850.00
J. E. Jackson, Demonstrator (Sessional; part-time)	350.00
H. V. Steer, Mechanician (Sessional; part-time; paid also in Applied Physics and in Special Research)	525.00
Miss R. Cave, Office Assistant and Librarian (paid also in Applied Physics and in Photographic Service)	625.00
	<hr/> \$ 21,400.00

Electrical Engineering

Professors:

H. W. Price, also Head of Department	\$ 5,500.00
A. R. Zimmer	4,300.00

Associate Professors:

V. G. Smith	3,600.00
B. de F. Bayly at \$3,400 on war service; contribution to T.I. & A.A.	170.04

Assistant Professors:

D. N. Cass-Beggs	2,800.00
R. J. Brown	2,600.00
J. E. Reid (paid also \$300 in Civil Engineering: Municipal and Structural)	2,400.00

Lecturers (Sessional):

R. G. Anthes	2,500.00
L. S. Lauchland at \$1,800 on war service; contribution to T.I. & A.A.	90.00
F. Noakes	2,300.00

Demonstrators (Sessional):

H. A. Courtice.....	\$ 1,300.00
C. H. Salvadge.....	1,200.00
R. C. Henderson.....	1,100.00
W. L. Phoenix.....	1,100.00
P. A. Rickard.....	1,100.00
W. A. Robinson.....	1,100.00
Richard Scott.....	1,100.00
E. A. Ricker, (part-time).....	200.00
J. W. Lawson, Mechanician.....	2,000.00
W. R. McKee, Electrician.....	2,100.00
W. L. Bakewell, Assistant Electrician.....	1,500.00

Office Assistant and Librarian, at \$525:

(paid also at \$550 in Civil Engineering: Municipal and Structural):

Miss H. L. Redmond, resigned 31 August.....	87.50
Mrs. Marion Salt, from 1 September.....	437.50
	<hr/> \$ 40,585.04

Engineering Drawing

Professors:

J. R. Cockburn, Descriptive Geometry (paid also \$100 from Special Funds).....	\$ 5,000.00
W. J. T. Wright, (paid also \$300 as Special Lecturer, Technical English and \$1.50 from University Press).....	4,400.00

Assistant Professors:

A. Wardell (paid also \$300 from Special Funds).....	3,000.00
W. B. Dunbar (paid also \$300 from Special Funds).....	2,900.00

Lecturers (Sessional):

P. V. Jermyn (paid also \$300 from Special Funds).....	2,500.00
J. J. Spence (paid also \$300 from Special Funds).....	2,200.00

Instructors (Sessional):

G. R. Edwards (paid also \$300 from Special Funds).....	1,700.00
D. P. Scott.....	1,500.00
T. L. Rowe (part-time,—paid also in Civil Engineering: Surveying and Geodesy).....	100.00

Demonstrators (Sessional):

H. E. Ocomore.....	1,300.00
W. S. Glynn (5 months; paid also \$200 from Special Funds).....	900.00
F. E. Deloume (part-time; paid also \$500 in Applied Mathematics).....	800.00
J. Gurland (part-time).....	500.00
H. J. Franklin (part-time).....	425.00
W. E. Lehman (part-time).....	350.00
J. W. Speight (part-time).....	350.00
H. R. Summer (part-time).....	350.00
B. Noonan (part-time).....	300.00
V. M. Wallingford (part-time).....	200.00
J. H. Wagborne, part-time at \$350; resigned 30 November.....	75.00
R. Barbour (part-time; Easter Term).....	175.00
L. D. L. Clement (part-time; Easter Term).....	175.00
G. E. McLure (part-time; Easter Term).....	175.00

Readers (Temporary):

J. D. Grant.....	200.00
C. L. Lambertson.....	125.00
G. Brown, Attendant in Drafting Rooms (9 months, paid also \$122.22 in Secretary's Office).....	1,100.00
Miss E. W. Dyer, Office Assistant (paid also in School of Architecture).....	350.00
	<hr/> \$ 31,150.00

Mechanical Engineering

Professors:

R. W. Angus (paid also \$10 for Extension Work).....	\$ 6,000.00
E. A. Allcut (including honorarium of \$500 paid from Wallberg Bequest).....	5,300.00
W. G. McIntosh, Associate Professor.....	3,500.00

Assistant Professors:

G. R. Lord.....	\$ 3,200.00
R. C. Wiren.....	2,700.00
D. D. Panabaker (paid also \$115 for Extension Work)	2,700.00
I. W. Smith, Lecturer (Sessional—paid also \$200 in Civil Engineering: Municipal and Structural).....	1,800.00

Demonstrators (Sessional):

D. G. Huber.....	1,300.00
W. Bruce.....	1,200.00
A. B. Extance.....	1,200.00
G. H. D. Martin (paid also \$370 in Special Research)	1,200.00
D. C. Smith.....	1,200.00
A. J. Robertson, 5½ months at \$190 per month	1,045.00

Part-time:

A. D. Hogg.....	437.50
J. B. Bryce.....	350.00
W. D. Drummond.....	350.00
D. W. Knowles.....	350.00
C. E. Beynon (1 month).....	60.00
F. Hickey, Engineer and Machinist.....	2,100.00
John Price, Laboratory Attendant.....	1,200.00
W. Wilson, Fireman, 2,048 hours at 55 cents.....	1,126.40
Miss M. Burt, Office Assistant and Librarian.....	1,150.00

\$39,468.90

Less paid from Wallberg Bequest.....500.00

\$ 38,968.90

Metallurgical Engineering

Professors:

G. A. Guess.....	\$ 5,700.00
J. A. Newcombe (paid also \$380 for Extension Work)	4,000.00
R. J. Montgomery, Associate Professor.....	3,700.00
J. E. Toomer, Assistant Professor.....	3,450.00
A. Frumkin, Lecturer (Sessional—paid also \$45 for Extension Work)	1,800.00
H. Ross, Laboratory Assistant and Demonstrator (10 months).....	1,000.00
Charles Baker, Laboratory Attendant, 21 weeks, 2 days at \$13 per week.....	277.32
Miss M. P. Carter, Office Assistant and Stenographer (part-time; paid also \$600 in Secretary's office)	300.00

\$ 20,227.32

Mining Engineering

Professors:

C. G. Williams, also Head of Department.....	\$ 6,000.00
J. T. King.....	4,500.00
S. E. Wolfe, Assistant Professor, (paid also \$50 for Summer Field Work, Geology).....	3,000.00
S. G. Farrar, Instructor (Sessional).....	1,600.00

Demonstrators (Sessional):

L. Pancer.....	1,300.00
T. R. Morton (paid also \$150 as Special Laboratory Assistant) ..	1,200.00
E. Tozer, Laboratory Assistant and Mechanician.....	1,500.00
C. Waybrant, Laboratory Assistant, Assaying.....	1,300.00
H. J. Reilly, Assistant Mechanician (32 weeks).....	960.00

Laboratory Assistants:

T. R. Morton (Special—paid also as Demonstrator).....	150.00
D. Santimo (37 weeks).....	740.00

Office Assistant and Librarian:

Mrs. Thelma I. Stark.....	1,100.00
Miss J. Bradshaw, 8 days.....	24.75

\$ 23,374.75

Special Lectures

Special Lecturers (Sessional):

R. E. Laidlaw, Engineering Law	\$ 500.00
W. J. T. Wright, Technical English (paid also \$4,400 in Engineering Drawing)	300.00
Rev. G. A. McMullen, Public Speaking (paid also \$100 in Dentistry, and \$100 for Extension Work)	350.00
	<hr/>
	\$ 1,150.00

Secretary's Office

W. S. Wilson, Secretary (paid also \$250 in School of Architecture) ..	\$ 3,600.00
Miss E. Birkett, Assistant Secretary	1,800.00
Miss E. Singleton, Assistant	1,050.00

Stenographers:

Miss G. E. Simpson	1,000.00
Miss M. P. Carter (part-time; paid also \$300 in Metallurgical Engineering)	600.00
Miss D. Birkett (part-time; paid also \$1,050 in Chemical Engineering)	200.00

Office Attendants:

A. Dykeman, at \$800; on war service; contribution to Pension Fund	28.00
D. Burnell, 14 weeks, 4 days at \$13 per week	203.71
S. McQuillan, 12 weeks, at \$14	168.00
G. Brown (1 month—paid also in Engineering Drawing)	122.22
B. Evans, 1 week, 1 day, at \$10 per week	11.67
	<hr/>
	\$ 8,783.60
	<hr/>
	\$292,488.54

Applied Physics

Supplies \$518.71):

Aikenhead Hardware Co., hardware	\$ 24.41

X. FACULTY OF DENTISTRY

Salaries

(a) Regular Staff

A. D. A. Mason, Dean (paid as Professor).....
T. Cowling, Assistant Dean (paid as Professor).....

Professors:

A. D. A. Mason, Operative Dentistry (also Dean without salary)	\$ 5,000.00
T. Cowling, Dental Technology and Metallurgy (also Assistant Dean without salary; paid also \$55 for Extra Mural Lectures)	4,500.00
F. M. Lott, Prosthetic Dentistry, at \$5,000; on war service; con- tribution to T.I. & A.A.....	200.04
G. C. Cameron, Dental Pathology and Bacteriology (paid also \$225 from Special Funds)	3,000.00
C. A. Corrigan, Orthodontics, at \$2,500 plus \$190 additional for accelerated Course.....	2,690.00
E. W. Paul, Dental Surgery; also Librarian, at \$840 plus \$168 additional for accelerated Course.....	1,008.00
I. H. Ante, Crown and Bridge Prosthesis (without salary but paid for duration of war; at \$630 plus \$462 additional for accel- erated Course (paid also \$120 for Extra Mural Lectures and \$63 for Dental Technicians' Course)	1,092.00
F. J. Conboy, Dental Praxis.....	400.00

Associate Professors:

R. S. Woollatt, at \$4,000 plus \$300 additional for accelerated Course (paid also \$162 for Dental Technicians' Course)	4,300.00
H. A. Hoskin, at \$4,000 plus \$300 additional for accelerated Course.....	4,300.00
R. G. Ellis, at \$3,900 plus \$200 additional for duration of war and \$400 for accelerated Course (paid also \$15 for Extra Mural Lecture and \$225 for Dental Technicians' Course)	4,500.00
R. J. Godfrey, at \$3,800 plus \$200 additional for duration of war and \$200 for Accelerated Course (paid also \$15 for Extra Mural Lecture and \$345 for Dental Technicians' Course).....	4,200.00
J. H. Johnson, at \$3,600 plus \$200 additional for duration of war and \$357 for accelerated Course (paid also \$80 for Extra Mural Lectures).....	4,157.00
S. M. Richardson, Radiography.....	3,300.00
L. F. Krueger, at \$1,500 plus \$310 additional for accelerated Course.....	1,810.00
C. H. M. Williams, half-time at \$1,208 plus \$284 additional for accelerated Course.....	1,492.00
S. S. Crouch, Orthodontics, at \$600 plus \$264 additional for accelerated Course.....	864.00
F. A. Clarkson, Medicine, at \$400 plus \$150 additional for ac- celerated Course (paid also \$40 as Demonstrator in First Aid)	550.00

F. E. Risdon, Oral Surgery, at \$180 plus \$50 additional for accelerated Course.....	\$ 230.00
L. A. Kilburn, at \$150, on War Service.....
E. S. Ryerson, Assistant Professor, Surgery, at \$360 plus \$360 additional for accelerated Course (also in Faculty of Medicine).....	720.00
Associates:	
Miss W. C. Riddle, Histology, Bacteriology and Pathology, at \$2,160 plus \$162 additional for accelerated Course.....	2,322.00
Dentistry:	
G. H. Coram, at \$1,400 plus \$507 additional for accelerated Course.....	1,907.00
J. M. Sheldon, at \$836 plus \$188 additional for accelerated Course.....	1,024.00
G. D. Beierl, at \$750 plus \$198 additional for accelerated Course.....	948.00
R. R. Walker, at \$670 plus \$214 additional for accelerated Course.....	884.00
F. L. Cole, at \$640 plus \$230 additional for accelerated Course (paid also \$70 for Extra Mural Lectures).....	870.00
F. Martin, at \$630 plus \$168 additional for accelerated Course (paid also \$58.50 for Dental Technicians' Course).....	798.00
W. T. Holmes, at \$590 plus \$150 additional for accelerated Course.....	740.00
G. V. Morton, at \$570 plus \$150 additional for accelerated Course (paid also \$40 in School of Nursing).....	720.00
W. L. Hugill, at \$560 plus \$150 additional for accelerated Course (paid also \$70 for Extra Mural Lectures).....	710.00
P. G. Anderson, at \$540 plus \$144 additional for accelerated Course.....	684.00
H. A. Ross, at \$540 plus \$144 additional for accelerated Course (paid also \$25 for Extra Mural Lectures).....	684.00
W. J. S. Jackson.....	620.00
J. G. Perkin, at \$650 plus \$312 additional for accelerated Course.....	962.00
J. H. Duff, at \$315 plus \$84 additional for accelerated Course.....	399.00
On War Service:	
W. D. Cavanagh, at \$540.....
R. L. Twible, at \$540.....
J. H. G. Harwood, at \$315.....
D. M. Tanner, at \$50.....
Preventive Dentistry:	
J. Kreutzer, at \$980, on War Service from March.....	857.50
M. A. Cox, (paid also \$200 from Special Funds).....	600.00
Miss D. F. J. Berry, at \$1,830 plus \$116 additional for accelerated Course.....	1,946.00
Periodontology:	
W. G. McIntosh, at \$540, on War Service.....
G. Vernon Fisk, at \$200 plus \$136 additional for accelerated Course.....	336.00
G. W. Spinks, Dental Anatomy, at \$700, on War Service from October.....	140.00
Dental Public Health:	
E. A. Grant.....	40.00
H. S. Thomson.....	40.00
C. C. Rous, Lecturer, Applied Chemistry and Metallurgy, at \$300, on War Service (also on Office Staff).....
J. J. Rae, Lecturer in Chemistry for accelerated Course, 2 mos. (also in Faculty of Arts).....	300.00
E. J. Pratt, Special Lecturer in English (Sessional; paid also \$200 for Extension Work and \$30 in Ontario College of Education).....	360.00
T. R. Marshall, Lecturer (Sessional; part-time).....	150.00
Instructors (Sessional):	
E. M. Rigsby, Dental Technology.....	240.00
G. A. McMullen, English Expression.....	100.00
W. E. Secord, Principles of Accounting (paid also \$100 on Infirmary Staff), at \$330 plus \$48 additional for accelerated Course.....	378.00

Demonstrators in Dentistry (Sessional):

K. R. Harris, at \$540 plus \$144 additional for accelerated Course (paid also \$45 for Dental Technicians' Course)	\$ 684.00
H. H. Cummer, at \$540 plus \$144 additional for accelerated Course	684.00
M. R. Culbert	465.00
J. B. Pepper, at \$270 plus \$63 additional for accelerated Course	333.00
E. E. Colley, at \$250 plus \$72 additional for accelerated Course	322.00
J. D. Purves, at \$250 plus \$70 additional for accelerated Course	320.00
D. E. Diprose, at \$264 plus \$88 additional for accelerated Course	352.00
W. R. Bennett, at \$182 plus \$66 additional for accelerated Course	248.00

Demonstrators for duration of War:

Dentistry:

T. N. Scott, at \$1,103 plus \$160 additional for accelerated Course	1,263.00
A. M. Hord, at \$540 plus \$95 additional for accelerated Course	635.00
O. J. Yule, at \$540 plus \$144 additional for accelerated Course	684.00
J. B. Macdonald, at \$315 plus \$159 additional for accelerated Course	474.00
H. M. Robb, Periodontology, at \$540 plus \$144 additional for accelerated Course	684.00

Assistants in Chemistry (for accelerated Course in June):

C. W. MacKinnon	70.00
A. L. Rosenberg	70.00

Technicians:

W. V. Byrne, Dentistry, at \$1,900 plus \$48 additional for accelerated Course	1,948.00
Miss I. A. Bumby, Bacteriology and Pathology, at \$1,150 plus \$86 additional for accelerated Course	1,236.00
H. F. Whittaker, Histology (also in Faculty of Medicine)	150.00

Laboratory Assistants:

H. Aylward, Infirmary, at \$1,300 plus \$95 additional for accelerated Course	1,395.00
Mrs. Mary Gratton, Histology, at \$306 plus \$79.50 additional for accelerated Course	385.50
Mrs. Mary Langley, 15 weeks, 4 days at \$16.50	258.50
W. Aylward, 7 weeks at \$10.00	70.00
	<hr/> \$ 80,803.54

(b) Infirmary Staff

Miss Jean Miller, Supervisor of Dental Nurses in Training, at \$1,300. for 10 mos. plus \$65 additional for accelerated Course	\$ 1,365.00
---	-------------

Nurses:

Miss F. G. Whitehead, at \$1,000 for 10 mos. plus \$50 additional for accelerated Course	1,050.00
Miss H. L. Mann, at \$900 for 10 mos. plus \$45 additional for accelerated Course	945.00
Miss V. H. Broadrib, at \$800 for 10 mos. plus \$240 additional for accelerated Course	1,040.00
Mrs. M. M. Howlett, at \$800 for 10 mos. plus \$40 additional for accelerated Course	840.00
Miss M. M. Jackson, at \$800 for 10 mos. plus \$60 additional for accelerated Course	860.00
Miss L. E. Tutt, at \$800 for 10 mos. plus \$250 additional for accelerated Course	1,050.00
Miss A. H. Rose, at \$840 for 9 mos. plus \$42 additional for accelerated Course	882.00
Miss M. M. E. Robinson, at \$560 for 8 mos. plus \$140 additional for accelerated Course	700.00
W. E. Secord, Instructor in Typewriting for Dental Nurses (paid also on Regular Staff)	100.00
Mrs. Louise Barraclough, Laundress, at \$691 plus \$92.95 additional for accelerated Course	753.95
	<hr/> \$ 9,585.95

(c) Office Staff

C. C. Rous, Secretary, at \$3,100 (also on Regular Staff) on war service; contribution to Pension Fund.....	\$ 170.00
Miss F. A. Cook, Secretary to the Dean.....	1,800.00

C. C. Lucas.....	2,533.34
D. A. Irwin, at \$3,800; resigned 28 February.....	2,000.00

Lady Banting, widow of Sir Frederick Banting, allowance.....

Research Associates:

J. E. Goodwin, at \$2,900; wartime bonus, \$100.....	3,000.00
S. F. Macdonald, at \$2,500 from 1 November to 31 January— \$625.00 plus \$27.50 additional allowance and \$41.25 wartime bonus.....	693.75
A. MacDonald (part-time; paid also in Faculty of Medicine)	365.00

Research Assistants:

J. M. R. Beveridge, 7 months at \$1,700; 5 months at \$1,900; wartime bonus \$139.17.....	1,922.51
J. B. Bateman, 9 months at \$1,600; 3 months at \$1,400-\$1,550 and \$130 wartime bonus (paid also \$850 from special funds).....	1,680.00
Miss J. M. Lang, at \$1,500; wartime bonus \$125.....	1,625.00
D. C. O'Connell, 6 months at \$1,200; 6 months at \$1,600; wartime bonus \$120.....	1,520.00
J. H. W. Willard, from 1 September at \$1,500; wartime bonus \$104.16.....	1,354.16
Miss M. M. Shaw, 10 months full time at \$1,320; 2 months part-time at \$660; wartime bonus \$107.67 (paid also \$118.42 from special funds).....	1,317.67
M. L. Bunker, 6 months; wartime bonus \$50.50 (paid also \$500 in School of Physical and Health Education).....	570.50
C. Von Seeman, 2 months at \$1,650; wartime bonus \$22.08..	297.08
A. J. Chechalk, 2 months; wartime bonus \$22.74.....	256.74

Temporary:

E. F. Thompson.....	80.00
D. Fraser.....	77.00
R. Jamieson.....	38.50

On War Service:

L. B. Macpherson	
N. R. Stephenson	

Research Fellows:

Miss E. Melrose, at \$1,480; wartime bonus \$122.73	\$ 1,602.74
C. S. McArthur, 2 months at \$800; 10 months at \$1,200; wartime bonus \$85.84; (paid also \$800 in Faculty of Medicine)	1,219.18
Mrs. Rosemary B. Hawkins, 3 months at \$80; wartime bonus \$23; (paid also \$132 from Medical Research Best Funds and \$720 from Special Funds)	263.00

Assistants:

Miss M. K. O'Grady, at \$1,080; wartime bonus \$104.	1,184.00
Miss A. J. Carmichael, at \$1,200 from 1 September; wartime bonus \$91.66	1,091.66
Mrs. Marion McNeely, at \$780 from 1 September; wartime bonus \$65	715.00
Miss E. Speers, at \$1,140; resigned 10 October; wartime bonus \$29.72	346.39
C. R. Cowan, Senior Technical Assistant and Controller, at \$2,500; on war service; contribution to pension fund...	75.00

Technicians:

M. C. Wyand, at \$1,600 from 12 August; wartime bonus \$115.31	1,534.67
H. M. Douglas, at \$1,260; wartime bonus \$113	1,373.00
F. W. Dunn, at \$720; wartime bonus \$72	792.00
T. Lennox, at \$720; wartime bonus \$72	792.00
C. Cassie, at \$720; resigned 28 February; wartime bonus \$48	528.00
G. Parkes, at \$1,300; on war service from September; wartime bonus \$38.33	495.50
J. R. Williamson, at \$1,200; resigned 30 September; wartime bonus \$27.50	327.50
Emerick Roakes, temporary	242.47
G. Annis, 22 days at \$55; wartime bonus \$3.90	42.90

On War Service:

L. C. Brock, at \$1,440; on war service; contribution to Pension Fund	39.60
J. E. Walker, at \$1,200; on war service; contribution to Pension Fund	30.00

Technical Assistants:

Mrs. Gladys Steele, at \$800; wartime bonus \$80	880.00
C. R. Shorney, at \$1,080 from 15 August to 28 February; wartime bonus \$56.76	646.11
C. Stiles, 2 months at \$55; from 1 September to 22 March at \$60; wartime bonus \$50.02	550.20
Miss L. Fairnie, at \$80 from 14 January to 19 June; wartime bonus \$41.07	451.74
A. Greig, at \$720; resigned 31 August; wartime bonus \$12..	132.00

Temporary:

S. Olyan	95.64
Miss A. R. Grant	49.89
W. Hardie	12.85
Mrs. Alison Moffitt, Laboratory Attendant, at \$720; wartime bonus \$72	792.00
Miss B. Fearnside, Laboratory Assistant, at \$55 per month from 24 March; wartime bonus \$17.92	197.12
Miss E. L. Mahon, Secretary, at \$1,250; wartime bonus \$112.50..	1,362.50
Miss M. L. Wilkinson, Secretarial Assistant and Librarian, at \$1,080; wartime bonus, \$104	1,184.00

Secretarial Assistants:

Miss M. J. Millar, at \$1,140; wartime bonus \$107	1,247.00
Miss F. F. Herbert, at \$1,000; wartime bonus \$100	1,100.00

APPENDIX III.

University Press

Ledger Balances (net) as at 30th June, 1942:

Contingent Reserve Account	\$ 7,246.08
Surplus Account	19,099.94
	<hr/>
	\$ 26,346.02

Transactions for the year ending 30th June, 1943

Receipts from the Press, Book Department and Publications	\$316,813.65	
Expenditures (including plant purchased and charged to Surplus Account)	\$312,042.00	
Grant to Alumni Federation of the University of Toronto	2,500.00	
	<hr/>	
	314,542.00	
	<hr/>	
	\$ 2,271.65	
	<hr/>	
	\$ 28,617.67	

Note

The above figures cover the accounts passing through the Bursar's Office. Supplementary thereto the Acting Manager of the Press had on hand on the 30th June, 1943, as shown by his records, inventories, etc., (including work in progress) \$66,871.48; accounts receivable (less reserve) \$23,967.87 less sundry liabilities (net) \$9,716.55, making with the above cash balance of \$28,617.67 a total surplus over liabilities of \$110,065.55.

Details of Expenditure

Salaries and Wages, including Wartime Bonus, (\$109,552.79):

A. Gordon Burns, Manager, at \$4,800.00; on war service from 1 July to 15 September and from 1 December	\$ 1,112.50
